

I Am A Garbage Truck

In *The Law of the Garbage Truck*, David J. Pollay shows us that by refusing to let others dump their "garbage" (negativity, anger, resentment) on us and letting it "pass by" instead, we become happier and more successful, both personally and professionally. And when we stop dumping garbage on others, we improve our relationships, strengthen our businesses and bring our communities together. This remarkable book shows us how to use this Law and helps us to avoid getting dumped on by rude, thoughtless and angry people, stop reliving the negative and fearing the future and focus on what can be controlled, not the negative things that can't be. It will help increase productivity, respect and cooperation and allow readers to gain the courage to enjoy every day and make a difference. Includes two powerful, insightful quizzes designed to help determine how much garbage you are accepting and how much you are dumping.

From the author of the beloved *Itsy Bitsy* board book series comes a silly and smelly adventure all about garbage trucks. An action-packed yet adorable story, *The Wheels on the Garbage Truck* is the second book in a new series that is perfect for parents and little ones who love things that go. Follow the garbage truck around town as cuddly animal garbage collectors clean up the neighborhood!

Text and photographs present garbage trucks, their parts, and their jobs.

Meet Donald Dump Truck! He's bright orange, has an ego the size of a skyscraper and he'll take any shortcut to get the job done. Come along with Donald on his exciting first adventure as he joins a band of hardworking trucks who are busy building a bridge. After cutting one too many corners, Donald finds himself stuck in a swamp and sinking fast! Time is running out as all the trucks race to the rescue. Can they save Donald?

Picking Up: On the Streets and Behind the Trucks with the Sanitation Workers of New York City

The Little Dump Truck

Hooray, It's Garbage Day!

Buster the Little Garbage Truck

A happy little dump truck, driven by Hard Hat Pete, hauls stones, rocks, and debris from a construction site to a landfill.

Buster is a sweet little garbage truck. He can't wait to grow up to be a big truck, just like his father. Buster practices driving and lifting and beeping with his friend, Kitty. There's one small problem. Loud noises frighten Buster. When his father takes him to the truck yard to meet the other vehicles, their air-horn blasts and roaring engines send Buster skidding away to hide. He wants to be big and brave, but how can he work with Daddy and his friends when their loud sounds scare him? Buster feels terrible. When Kitty gets into trouble, little Buster musters up his courage to save her.

Helps young children learn about trucks with vocabulary, pictures, and questions. On board pages.

Today is not just any old day... Join Winston and his family as they wait for the garbage to be collected. A fun read for any child who loves garbage trucks.

And Other Questions about Trash and Recycling

Donald Dump Truck

The Garbage Truck

I Am a Train

On the Secret Trail of Trash

Describes a garbage truck used to dump garbage in a landfill as well as a truck that carries garbage that can be recycled.

A "fascinating [and] downright entertaining" look at what we throw away—and where it all goes (Booklist, starred review). Out of sight, out of mind? Into our trash cans go dead batteries, dirty diapers, bygone burritos, broken toys, tattered socks, eight-track cassettes, scratched CDs, banana peels.... But where do these things go next? In a country that consumes and then casts off more and more, what actually happens to the things we throw away? In *Garbage Land*, science writer Elizabeth Royte leads us on a wild adventure to answer that question. Along the way, we meet an odor chemist who explains why trash smells so bad; garbage fairies and recycling gurus; neighbors of massive waste dumps; CEOs making fortunes by encouraging waste or encouraging recycling—often both at the same time; scientists trying to revive our most polluted places; fertilizer fanatics and adventurers who kayak amid sewage; paper people, steel people, aluminum people, plastic people, and even a guy who swears by recycling human waste. With a wink and a nod and a tightly clasped nose, Royte takes us on a bizarre cultural tour through slime, stench, and heat—in other words, through the back end of our ever-more supersized lifestyles. By showing us what happens to the things we've "disposed of," Royte reminds us that our decisions about consumption and waste have a very real impact—and that unless we undertake radical change, the garbage we create will always be with us: in the air we breathe, the water we drink, and the food we consume. *Garbage Land* is a brilliant exploration into the soiled heart of the American trash can. "The author's adventures in waste management provide a riveting travelog punctuated by a scathing indictment of American consumption." —Wired "A thorough, perceptive, graceful, and often witty writer." —Washington Monthly Shy Henry eagerly waits to see his "buddy" on the garbage truck every time it comes--and finally manages to speak on a day when there is a small emergency.

Now a streaming animated series! For fans of *Goodnight, Goodnight, Construction Site* and *Steam Train, Dream Train* comes a noisy addition to the hilarious read-aloud series from Kate and Jim McMullan, the popular creators of *I'm Bad!* and *I'm Dirty!* "Know what I do at night while you're asleep? Eat your trash, that's what!" With ten wide tires, one really big appetite, and an even bigger smell, this truck's got it all. His job? Eating your garbage and loving

every stinky second of it! And you thought nighttime was just for sleeping.

The Garbage Trucks Are Here

The Law of the Garbage Truck

Big Dump Truck

*America's largest city generates garbage in torrents—11,000 tons from households each day on average. But New Yorkers don't give it much attention. They leave their trash on the curb or drop it in a litter basket, and promptly forget about it. And why not? On a schedule so regular you could almost set your watch by it, someone always comes to take it away. But who, exactly, is that someone? And why is he—or she—so unknown? In *Picking Up*, the anthropologist Robin Nagle introduces us to the men and women of New York City's Department of Sanitation and makes clear why this small army of uniformed workers is the most important labor force on the streets. Seeking to understand every aspect of the Department's mission, Nagle accompanied crews on their routes, questioned supervisors and commissioners, and listened to story after story about blizzards, hazardous wastes, and the insults of everyday New Yorkers. But the more time she spent with the DSNY, the more Nagle realized that observing wasn't quite enough—so she joined the force herself. Driving the hulking trucks, she obtained an insider's perspective on the complex kinships, arcane rules, and obscure lingo unique to the realm of sanitation workers. Nagle chronicles New York City's four-hundred-year struggle with trash, and traces the city's waste-management efforts from a time when filth overwhelmed the streets to the far more rigorous practices of today, when the Big Apple is as clean as it's ever been. Throughout, Nagle reveals the many unexpected ways in which sanitation workers stand between our seemingly well-ordered lives and the sea of refuse that would otherwise overwhelm us. In the process, she changes the way we understand cities—and ourselves within them.*

*The perfect picture book for any vehicle-obsessed kid to see life through the eyes of a big-wheeled worker! Fans of *Goodnight, Goodnight Construction Site* discover how big-wheeled vehicles really feel about the work they do. This raucous rhyming story puts preschoolers in the driver's seat as their favorite vehicles reveal the ups and downs of being a busy truck. Do diggers wish they were as big as an excavator or are they happy with the holes they can dig? Do trains get tired of staying on the same track or do they welcome all the passengers aboard? Bright and lively illustrations bring each vehicle to life.*

*I am a tractor. I work on a farm. Readers may want to put on their work gloves for this fun and sturdy board book shaped like a tractor! Read along as this mighty tractor helps plow fields, pull heavy machinery, and do more hardworking tasks down on the farm! Little tractor enthusiasts will love seeing this tough tractor in action in this latest book in the bestselling *I Am a Truck* series!*

Featuring simple facts, each of these fun and sturdy board books is shaped like a different vehicle!

Garbage Truck Coloring Book For Kids

A dramatic account of the Americans who tried to stop their nation from fighting in the First World War—and came close to succeeding. In this “fascinating” (Los Angeles Times) narrative, Michael Kazin brings us into the ranks of one of the largest, most diverse, and most sophisticated peace coalitions in US history. The activists came from a variety of backgrounds: wealthy, middle, and working class; urban and rural; white and black; Christian and Jewish and atheist. They mounted street demonstrations and popular exhibitions, attracted prominent leaders from the labor and suffrage movements, ran peace candidates for local and federal office, met with President Woodrow Wilson to make their case, and founded new organizations that endured beyond the cause. For almost three years, they helped prevent Congress from authorizing a massive increase in the size of the US army—a step advocated by ex-president Theodore Roosevelt. When the Great War’s bitter legacy led to the next world war, the warnings of these peace activists turned into a tragic prophecy—and the beginning of a surveillance state that still endures today. Peopled with unforgettable characters and written with riveting moral urgency, War Against War is a “fine, sorrowful history” (The New York Times) and “a timely reminder of how easily the will of the majority can be thwarted in even the mightiest of democracies” (The New York Times Book Review).

Introduces the different types of garbage trucks, describing what they do and where they bring the refuse they collect, in a book in the shape of a garbage truck.

Grandma has run the town's garbage business, and her three sons drive the trucks. But what happens when her sons are all too sick to work—and it's the 4th of July, the day of the Big Parade? Leave it to Grandma to get the town clean, with the help of her young grandson, Billy, as she embarks on a hilarious romp through town—and creates nearly as much mess as she cleans up.

When the city is hit by a colossal snowstorm, only one superhero can save the day. But who is this mysterious hero, and why does he disappear once his job is done? Find out in this snowy tale about a little truck with a very big job, the second of Stephen Savage's vehicle-based picture books.
