

I Am Jennie

Do You Feel Like You're Missing Something? Jennie Allen, founder of *If: Gathering*, directs you on how to find the best way to use your spiritual gifts. What if this feeling wasn't a bad thing? It could be a longing for more of God and a catalyst to living the life that was designed before the foundations of the earth were laid. A lot of us, if we're honest, are afraid. We hold our dreams close to our chest. But our passions have a purpose—they were engineered for God's greater plan and he intends for us to use them for his glory and purposes. In *Restless*, Bible teacher and fellow struggler Jennie Allen explores practical ways to identify the threads of your life and how to intentionally weave them together. She explains how your gifts, passions, places, and relationships aren't random; they're deliberate and meaningful. And your suffering—it's possible it has produced the very thing you want to give back to the world. Using the story of Joseph, the dreamer, Jennie explains how his suffering, gifts, relationships—all of the threads of his life—fit into the greater story of God and how our stories can do the same. What would happen if God got bigger than your fear and insecurity, and you spent the rest of your life running without reservation after his purposes for you? You were created for more. To dive deeper into the *Restless* message, additional resources such as a DVD study and leader/participant guide books are available.

At home, work, and out in our ever-changing world, we're all just doing our best. In this modern parody, *Frog and Toad* are here to commiserate and lend some laughter. Full of wry humor and deep compassion for our modern vulnerabilities, the stories in *Frog and Toad Are Doing Their Best* perfectly capture the heartwarming authenticity of Lobel's famous amphibian friends while revealing razor-sharp truths about the world we live in today. Through *Frog and Toad*, we see the anxieties that are woven throughout our everyday existence, from our well-meaning but often-failed attempts at practicing self-care to our struggle to balance the gifts and burdens of technology. Toad ponders a variety of questionable schemes to pay off his credit cards, while Frog spends too much time scrolling through the newsfeed on his phone. But despite their daily frustrations and existential concerns, they know that having a friend to share life's burdens makes even the darkest days brighter.

"A novel of science, love, espionage, beautiful writing, and a heroine who carves a strong path in the world of men. As far as I'm concerned there is nothing left to want."--Ann Patchett, author *The Dutch House* "A highly-charged love story that reveals the dangerous energy at the heart of every real connection...Riveting."--Delia Owens, author of *Where the Crawdads Sing* *Love. Desire. Betrayal.* Her choice could save a nation. Chicago, 1950. Rosalind Porter has always defied expectations--in her work as a physicist on the Manhattan Project and in her passionate love affair with colleague Thomas Weaver. Five years after the end of both, her guilt over the bomb and her heartbreak over Weaver are intertwined. She desperately misses her work in the lab, yet has almost resigned herself to a more conventional life. Then Weaver gets back in touch--and so does the FBI. Special Agent Charlie Szydlo wants Roz to spy on Weaver, whom the FBI suspects of passing nuclear secrets to the enemy. Roz helped to develop these secrets and knows better than anyone the devastating power such knowledge holds. But can she spy on a man she still loves, despite her better instincts? At the same time, something about Charlie draws her in. He's a former prisoner of war haunted by his past, just as her past haunts her. As Rosalind's feelings for each man deepen, so too does the danger she finds herself in. She will have to choose: the man who taught her how to love . . . or the man her love might save?

Why We Can Stop Trying So Hard

One of Amazon's Best Romances of January 2022! A Korean-American adoptee fights to be with the one she loves while coming to terms with her identity in this enthralling romantic drama and sequel to *Heart and Seoul* by USA Today bestselling author Jen Frederick. When Hara Wilson returns to Seoul to find her birth mother, she doesn't plan on falling in love with the first man she lays eyes on, but Choi Yujun is irresistible. If his broad shoulders and dimples weren't enough, Choi Yujun is the most genuine, decent, gorgeous guy to exist. Too bad he's also her stepbrother. He's the one who brought her to the Choi doorstep but the gift of family comes with burdens. A job in her mother's company has perks of endless company dinners but also resentful coworkers. A new country means learning a new language which twenty-five year old Hara is finding to be a Herculean task. Hara means having to choose between her birth family or Choi Yujun. All Hara wanted was to find a place to belong in this world—but in order to do that, she'll have to risk it all.

In *Helping Your Child with Extreme Picky Eating*, a family doctor specializing in childhood feeding joins forces with a speech pathologist to help you support your child's nutrition, healthy growth, and end meal-time anxiety (for your child and you) once and for all. Are you parenting a child with 'extreme' picky eating? Do you worry your child isn't getting the nutrition he or she needs? Are you tired of fighting over food, suspecting that what you've tried may be making things worse, but don't know how to help? Having a child with 'extreme' picky eating is frustrating and sometimes overwhelming. Children with feeding disorders, food aversions, or selective eating often experience anxiety around food, and the power struggles can strain your relationship with your child. Children with extreme picky eating can also miss out on parties or camp because they can't find "safe" foods. You don't have to choose between fighting over every bite and only serving a handful of safe foods for years on end. *Helping Your Child with Extreme Picky Eating* offers hope, even if your child has "failed" feeding therapies before. After gaining a foundation of understanding of your child's challenges and the dynamics at play, you'll be ready for the 5 steps (built around the clinically proven STEPS+ approach—Supportive Treatment of Extreme Picky Eating in PartnershipS) that transform feeding and meals so your child can learn to enjoy a variety of foods in the right amounts for her or him. You'll discover specific strategies for dealing with anxiety, low appetite, sensory challenges, autism spectrum-related feeding issues, oral aversion, and medically-based feeding problems. Tips and exercises reinforce what you've learned, and dozens of "scripts" help you respond to your child in the heat of the moment, as well as to others in your child's life (grandparents or your child's teacher) as you help them support your family's feeding journey. This book will prove an invaluable guide to restore peace to your dinner table and help you raise a healthy eater.

If she had been simply the mother of Winston Churchill, her place in history would have been assured. But the Brooklyn-born Jennie wa

fascinating, desirable woman of her age, the toast and the scandal of two continents throughout her life. The national bestseller's first in two beautiful trade paperback volumes. Black-and-white photographs.

Drunk and high, holed up in a hotel room with a beautiful blonde she barely knew, Jennie Ketcham was thirty-six hours away from entering her on-camera alter ego, Penny Flame, was a rising star. Her personal life, however, had been getting worse for years and finally hit an all-time low. Guys are gonna want one thing from you. To Jennie's young ears, her father's advice meant one thing: You can use your sexuality to control your life. Life was imploding around her: her parents' divorce, their spiraling addictions, her deteriorating relationships with them. She lost her virginity at thirteen and began a game of initiating boys her age into manhood. For the fleeting moments she spent in bed with them, she got to be the center of attention. Eventually, Jennie found porn—that enticing world of immediate gratification, endless drugs, and seemingly endless money—a new life. Penny Flame. Divorced from her feelings, tempted into a lifestyle she couldn't afford, financially or emotionally, she entered Sex Rehab to boost her career. But when Dr. Drew and his staff insisted she go by her real name, the once indestructible walls she had built around her began to burn down. Two stories make up this direct and disarming memoir: that of a troubled girl desperately fleeing intimacy and herself, and a woman courageously breaking down emotional barriers to build a new life. Many will recognize Jennie's struggles: confusing sex with sex, addiction with love, detachment with strength. Ultimately, I Am Jennie is a tale of a woman who considers herself a work in progress but understands that the only person she can truly afford to be is herself. *** I had never allowed myself to wonder why I ran from people, or the connection, from what Dr. Drew was labeling as intimacy. I had never questioned why I habitually hurt the men I dated, or the people I dated. I had never thought: Jennie, why are you doing this? In the past, I had simply acted, and then moved forward. If I felt like crying, I shut myself down. This quality made me a good porn star. But it suddenly didn't seem like a great way to live. "It's a wall," I whispered. "What do you have behind that wall?" Dr. Drew said. He looked directly in my eyes. The thought of something existing behind this impenetrable wall was both terrifying and exhausting. I grabbed a Kleenex, thinking if I could make the perfect triangle, I could dab my inner eyes without disrupting the glue that held my eyelashes in place. "Hopefully, a caring, sensitive person who can have meaningful relationships," I said.

With Lee's piercing insight and constant guidance, *Spark Change* provides 108 prime opportunities to stop, ponder, and listen to the call of your most essential self.

Bestselling author and Bible teacher, Jennie Allen steps through the book of Philippians breaking down the simple, but difficult truth of allowing ourselves and our minds to be transformed in the name of Christ.

One little girl knows that our world is whole because the connections between us all makes it so--from the family cat to the chatty neighbor to Mom and Dad and cousin Jerry. *Our World is Whole* is a lyrical meditation on mindfulness that celebrates interconnectedness and the ways we support one another and keep our world whole and spinning.

One City. One Movement. A World of Stories. *Stories from Suffragette City* is a collection of short stories that all take place on a single day: October 23, 1915. It's the day when tens of thousands of women marched up Fifth Avenue, demanding the right to vote in New York City. Thirteen of today's bestselling authors have taken this moment as inspiration to raise the voices of history and breathe fresh life into their struggles and triumphs. The characters depicted here, some well-known, others unfamiliar, each inspire and reinvigorate the power of democracy. We follow a young woman who is swept up in the protests when all she expected was to come sell her apples in the city. We see Alva Vanderbilt as her white-gloved sensibility is transformed over the course of the single fateful day. Ida B. Wells battles for racial justice in the women's suffrage movement so that every woman's voice can be heard. Each story stands on its own, but together *Stories From Suffragette City* becomes a symphony, painting a portrait of a country looking for a fight and ever restless for progress and equality. The Fight to Flourish

The Prayer That Unlocked My God and My Soul

Can I Recycle This?

Engaging in the Struggle to Cultivate the Life You Were Born to Live

Jennie Gerhardt

Deep Thoughts From a Hollywood Blonde

“If you’ve ever been perplexed by the byzantine rules of recycling, you’re not alone...you’ll want to read *Can I Recycle This?*... An extensive look at what you can and cannot chuck into your blue bin.” —The Washington Post The first illustrated guidebook that answers the age-old question: *Can I Recycle This?* Since the dawn of the recycling system, men and women the world over have stood by their bins, holding an everyday object, wondering, "can I recycle this?" This simple question reaches into our concern for the environment, the care we take to keep our homes and our communities clean, and how we interact with our local government. Recycling rules seem to differ in every municipality, with exceptions and caveats at every turn, leaving the average American scratching her head at the simple act of throwing something away. Taking readers on a quick but informative tour of how recycling actually works (setting aside the propaganda we were all taught as kids), *Can I Recycle This* gives straightforward answers to whether dozens of common household objects can or cannot be recycled, as well as the information you need to make that decision for anything else you encounter. Jennie Romer has been working for years to help cities and states across America better deal with the waste we produce, helping draft meaningful legislation to help communities better process their waste and produce less of it in the first place. She has distilled her years of experience into this non-judgmental, easy-to-use guide that will change the way you think about what you throw away and how you do it.

What if you told God you would do anything . . . and he took you up on it? In the years since the initial release of *Anything*, God continued to stretch Jennie Allen and her faith because of the courageous prayer of surrender that she and her husband, Zac, prayed, "God, we will do anything. Anything." Previously caught in the dizzying haze of worldly happiness and empty pursuits, Jennie went on to begin living out the adventure God had written for them—to include becoming the founder of IF: Gathering, an organization to gather, equip, and unleash the next generation to live out their purpose. *Anything* is a prayer of surrender that will spark something. A prayer that will move you to stop chasing things that just make you feel happy and start living a surrendered life that matters. This newly revised edition is updated throughout to include a new introduction and an in-depth Bible study component for those who have been wanting to lead a study on this topic. Join Jennie on an adventure to discover your anything, those things that actually mean nothing until you know the God truly worth giving it all up for. And when you do, that will change everything.

The new edition of the highly successful *Foundations for Health Promotion* continues to offer a wealth of information in a unique, user-friendly format. Containing over 300 artworks, tables and 'pull out' boxes, this helpful text covers the theory, strategies and methods, settings and implementation of health promotion. Applicable to a wide range of health and social care professionals and anyone engaged with education about health and wellbeing. Comprehensive updating and expansion to reflect recent research findings and major organizational and policy changes. Clear structure and signposting for ease of reading and study. Wide choice of examples and illustrative case studies reflect the needs of a variety of professional groups in health services, local and municipal services and education. Interactive learning activities with indicative answers help readers consolidate their learning. Comprehensively updated and expanded to reflect major organizational and policy changes. Interactive learning activities with indicative answers at the end of each chapter. 'Pull out' boxes illustrate recent research findings and case studies of practice. Life doesn't always go the way we hope it will. Whether it's singleness, childlessness or some other big disappointment, it's hard to be content when life lets us down. Author Jennie Pollock knows what it's like to feel discontent. With warmth and honesty, she answers common doubts that arise when life doesn't go the way we had hoped: Is God good? Is he enough? Is he worth it? She walks readers through the process of taking our eyes off the things we wish we had and instead enjoying the character of the God we do have—a God who is good, who meets all our needs, and whose promises are worth the wait. Drawing on encouragements from the Bible and the stories of others, this book helps readers to trust in God's plan for their lives and enjoy true contentment through a genuine conviction that Jesus is better than even our most keenly-felt hopes and longings for this life.

In 1809, marriage was the best a spirited, healthy, and intelligent girl could hope for, especially if she was an orphan without a fortune. Jennie Hawthorne has been hustled to London by her well-meaning aunt to secure just such a marriage, though Jennie despises the prospective wife parade and yearns for her childhood home by the North Sea. All that changes when she falls for the dashing soldier Nigel Gilchrist, marrying him after a whirlwind romance. Nigel wastes no time whisking his bride to the Scottish Highlands where he will serve as manager to the family estate. In Scotland Jennie is faced with the realities of the Highland Clearances: tenant cottagers forcibly evicted from their homes by lairds to make way for sheep and grazing land. When Jennie learns that both Nigel and his brother are complicit in such clearances, she finds her heart warring with her conscience. She defies Nigel and his brother, doing what she can to help the cottagers, and helping Alick Gilchrist resist the clearances. But their efforts bring disaster: a tragic accident makes Alick a hunted fugitive, and Jennie is compelled by circumstance to throw her lot in with his as they face an arduous journey across mountains to ultimately escape the strife-ridden Highlands.

Nothing gets Eleanor Samuels's heart racing like a double scoop of mocha fudge chunk. Sure, the magazine writer may have some issues aside from food, but she isn't quite ready to face them. Then her beloved Uncle Benny falls ill, and what at first seems scary and daunting becomes a blessing in disguise. Because while she cooks and cares for him—and enjoys a delicious flirtation with a new chef in town—Eleanor begins to uncover some long-buried secrets about her emotionally frayed family and may finally get the chance to become the woman she's always wanted to be.

A memoir from the former porn star and addict Jennie Ketcham, whose stage name was Penny Flame.

A strikingly honest and disarming memoir from an ex-porn star and reality television personality who describes her descent into addiction to sex, drugs, and alcohol—and her ultimate path toward recovery. Drunk and high, holed up in a hotel room with a beautiful blonde she barely knew, Jennie Ketcham was thirty-six hours away from entering rehab. Her on-camera alter ego, Penny Flame, was a rising star. Her personal life, however, had been getting worse for years and finally hit an all-time low. After her parents' divorce, she lost her virginity at thirteen and began a game of initiating boys her age into manhood. For the fleeting moments she spent in bed with them, she got to be the center of attention. Eventually, Jennie found porn—that enticing world of immediate gratification, endless drugs, and seemingly endless money—and became Penny Flame. Divorced from her feelings, tempted into a lifestyle she couldn't afford, financially or emotionally, she entered Sex Rehab with Dr. Drew to boost her career. But when Dr. Drew and his staff insisted she appear using her real name, the once indestructible walls she had built around herself began to burn down. Jennie candidly recounts her struggles: confusing sex with self-worth, addiction with love, detachment with strength. Ultimately, *I Am Jennie* is a tale of a woman who considers herself a work in progress but who finally understands that the only person she can truly afford to be is herself.

For fans of *The Paris Wife*, a sparkling glimpse into the life of Edith Wharton and the scandalous love affair that threatened her closest friendship They say behind every great man is a woman. Behind Edith Wharton, there was Anna Bahlmann—her governess turned literary secretary, and her mothering, nurturing friend. When at the age of forty-five, Edith falls passionately in love with a dashing younger journalist, Morton Fullerton, and is at last opened to the world of the sensual, it threatens everything certain in her life but especially her abiding friendship with Anna. As Edith's marriage crumbles and Anna's disapproval threatens to shatter their lifelong bond, the women must face the fragility at the heart of all friendships. Told through the points of view of both women, *The Age of Desire* takes us on a vivid journey through Wharton's early Gilded Age world: Paris with its glamorous literary salons and dark secret cafés, the Whartons' elegant house in Lenox, Massachusetts, and Henry James's manse in Rye, England. Edith's real letters and intimate diary entries are woven throughout the book. *The Age of Desire* brings to life one of literature's most beloved writers, whose own story was as complex and nuanced as that of any of the heroines she created.

With incredible interactive pop-ups, flaps and tabs to lift, this is your chance to see New York in all its glory.

Never Let Me Go meets *The Giver* in this haunting debut about a cult on an isolated island, where nothing is as it seems. Years ago, just before the country was incinerated to wasteland, ten men and their families colonized an island off the coast. They built a radical society of ancestor worship, controlled breeding, and the strict rationing of knowledge and history. Only the Wanderers -- chosen male descendants of the original ten -- are allowed to cross to the wastelands, where they scavenge for detritus among the still-smoldering fires. The daughters of these men are wives-in-training. At the first sign of puberty, they face their Summer of Fruition, a ritualistic season that drags them from adolescence to matrimony. They have children, who have children, and when they are no longer useful, they take their final draught and die. But in the summer, the younger children reign supreme. With the adults indoors and the pubescent in Fruition, the children live wildly -- they fight over food and shelter, free of their fathers' hands and their mothers' despair. And it is at the end of one summer that little Caitlin Jacob sees something so horrifying, so contradictory to the laws of the island, that she must share it with the others. Born leader Janey Solomon steps up to seek the truth. At seventeen years old, Janey is so unwilling to become a woman, she is slowly starving herself to death. Trying urgently now to unravel the mysteries of the island and what lies beyond, before her own demise, she attempts to lead an uprising of the girls that may be their undoing. Gather

the Daughters is a smoldering debut; dark and energetic, compulsively readable, Melamed's novel announces her as an unforgettable new voice in fiction.

A new novel about faith, family, and finding the courage to do the right thing from the author of Love and Biology at the Center of the Universe. Police officer Jessica Villareal has always played by the book and tried to do the right thing. But now, she finds herself approaching midlife divorced, estranged from her daughter, alone, and unhappy. And she's wondering if she ever made a right choice in her life. But then Jess discovers a girl and her father living off the radar in the Oregon woods, avoiding the comforts—and curses—of modern life. Her colleagues on the force are determined to uproot and separate them, but Jess knows the damage of losing those you love. She recognizes her chance to make a difference by doing something she's never dared. Because even though she's used to playing by the rules, there are times when they need to be broken...

Beverly Hills, 90210's Jennie Garth shares her life experiences both on screen and off in this humorous and heartwarming memoir...

"Revealing myself in these pages has been at times terrifying, but also one of the most liberating experiences of my life..." In this candid and intimate memoir, Jennie Garth explores the highs and lows of her life, both in front of the camera and behind closed doors, revealing the joys and sorrows, successes and failures that have made her one unforgettable Hollywood blonde. From her rise to fame as a golden-haired teen beauty, to redefining herself as a single working mother, Jennie Garth has defied the odds and thrived in a town that can be more than a little tough on its blondes. Since Jennie landed in Hollywood at just sixteen, she has built an enduring career as a television and film actress, producer, and director, beginning with her iconic turn as Kelly Taylor on Aaron Spelling's smash hit Beverly Hills, 90210, a show that ran for a decade and that cemented Jennie's place in American pop culture. Recently, Jennie found herself facing her forties from a place she never expected to be in: newly single, in demand again as an actress after years spent focusing on her family, and all over the tabloids. With candor and a bawdy sense of humor, this is the real Jennie Garth—smart, funny, and stronger than she ever realized.

I Am Jennie Simon and Schuster

A compassionate, honest, and illuminating look at the dying process . . . As a long-time hospice volunteer, Jennie Dear has helped countless patients, families, and caregivers cope with the many challenges of the dying process. Inspired by her own personal journey with her mother's long-term illness, Dear demystifies the experience of dying for everyone whose lives it touches. She spoke to doctors, nurses, and caregivers, as well as families, friends, and the patients themselves. The result is a brilliantly researched, eye-opening account that combines the latest medical findings with sensitive human insights to offer real emotional support and answers to some of the questions that affect us all. Does dying hurt? A frank discussion of whether dying has to be painful—and why it sometimes is even when treatment is readily available. Is there a better way to cope with dying? Comforting stories of people who found peace in the face of death, and some of the expert methods they used for getting there. The last few hours: What does it feel like to die? Powerful glimpses from dedicated professionals into the physical experiences of people in their final moments—plus comforting words and insights from those who are there to help.

When thunder roars and lightning flashes, Raccoon is afraid to be alone in his home. So he hurries out to see if any of his neighbors in Thistle Hollow have room to spare for a friend in need. When Raccoon knocks on the doors of Possum, Quail, and Woodchuck, he is turned away. But then Raccoon spies a bright light in the storm. Will this next neighbor open up her house and heart to Raccoon? A tender story that reminds readers of all ages that a kind heart will always make room for one more.

At seventeen, Jennie Goutet has a dream that she will one day marry a French man and sets off to Avignon in search of him. Though her dream eludes her, she lives boldly—teaching in Asia, studying in Paris, working and traveling for an advertising firm in New York. When God calls her, she answers reluctantly and must first come to grips with crippling loss, depression, and addiction before being restored.

Providence takes her by the hand, and her dream comes true as she meets and marries her French husband, works with him in a humanitarian effort in East Africa, and settles down in France to build a family. Told with honesty and strength, Stars Upside Down is a brave, heart-stopping story of love, grief, faith, depression, sunshine piercing the gray clouds—and hope that stays in your heart long after it's finished. "Goutet's lovely and vulnerable self-reflection invites us to join her journey to the heights and depths of a life of faith. Time and again, she illustrates the tender care of a God who pursues us across any land and landscape, even long before we know His voice." Anna Whiston Donaldson, author of NYT Bestseller, Rare Bird "In this beautiful memoir, Jennie Goutet details the evolution of one woman's faith and love in a singular story that is—at once—both intensely personal and universal in its themes. I soared and plunged along with her from beginning to end." Julie C. Gardner, author of Letters for Scarlet "God listens. Jennie Goutet entwines her extraordinary real-life experiences through foreign countries with the continual prayer, 'God do you hear me?' And the answer she receives again and again is, 'Yes.' Loved it." -
