From the award-winning and New York Times bestselling author of Once and for All Expect the unexpected. Macy’s got her whole summer carefully planned. But her plans didn’t include a job at Wish Catering. And they certainly didn’t include Wes. But Macy soon discovers that the things you expect least are sometimes the things you need most. “Dessen gracefully balances comedy with tragedy and introduces a complex heroine worth getting to know.” –Publishers Weekly Sarah Dessen is the winner of the Margaret A. Edwards Award for her contributions to YA literature, as well as the Romantic Times Career Achievement Award. Books by Sarah Dessen: That Summer Someone Like You Keeping the Moon DreamLand This Lullaby The Truth About Forever Just Listen Lock and Key Along for the Ride What Happened to Goodbye The Moon and More Saint Anything Once and for All

"Good Morning America" correspondent Spencer is a self-confessed frugalista with a passion for shopping at yard sales, thrift shops, and estate sales. She shares her secrets for bargain hunting in this book.

Inviting designs that have stood the test of time An idea book for designing beautiful interiors that embody the essence of early American country style--a sense of warmth, comfort, and familiarity. As an advocate that something well designed will stand the test of time, author Tim Tanner has coupled basic design principles with a wealth of examples using wonderful old objects and materials, illuminating effective design ideas for bedrooms, bathrooms, kitchens, living rooms, dining rooms, pantries, and other spaces. Featured homes are from Maine, Vermont, Massachusetts, Connecticut, New York, Ohio, Michigan, Illinois, Kentucky, Virginia, West Virginia, Idaho, and Utah. Tim Tanner is a graphic designer, artist, and freelance illustrator. He currently teaches art and design at Brigham Young University, Idaho. He's been involved in home restoration and reproduction using reclaimed materials for more than thirty years. He lives in Teton Valley, Idaho The New York Times bestseller by the host of HGTV’s Flea Market Flip, packed with expert tips for bargain-hunting home decorators. Former Good Morning America and Antiques Roadshow host Lara Spencer is a self-confessed frugalista with a passion for shopping at yard sales, thrift shops, and estate sales, and for decorating her home—and friends’ homes—with her fabulous finds. In I Brake for Yard Sales, Lara shares her secrets for bargain hunting and tells you where to shop, what to look for, how to pay for it, how to restore it, and finally, where to put it in your house. Peppered with wisdom from world-renowned appraisers as well as contributions from well-known designers, this book also features the house of comedienne and good friend Kathy Griffin, which Spencer herself refurbished and decorated.

"[The] step-by-step instructions are clear and practically foolproof. . . . an essential guide to DIY restoration and antiquing." ?Publishers Weekly (starred review) Whether you dream of restoring an heirloom to its former beauty, or just want to modernize a flea market treasure, Amy Howard has the design and refinishing secrets you need. Here are all the furniture finishing recipes, techniques, and tips that have made Howard’s beloved classes sold-out success stories, and made Howard herself the go-to guru of refinishing and “use what you have” redecorating. Try your hand at unique painted and faux finishes, and experiment with gold leaf, distressing, and marvelous graining effects. Along the way, you will learn a treasure trove of techniques, as Howard shares before-and-after makeovers from her studio and offers impeccable step-by-step instruction in all that is needed to achieve each look.

From the New York Times–bestselling author of I Brake for Yard Sales: An inspiring step-by-step guide to reinventing your space with secondhand finds. Focusing on nine different rooms (including her own recently purchased Manhattan apartment), Lara Spencer, host of HGTV’s Flea Market Flip, shows that all it takes is planning, shopping know-how, and a little imagination to create a beautiful and comfortable home that reflects your personal style. She walks through the step-by-step process of overcoming the challenges of the room, offering helpful tips and lessons along the way. She identifies the design dilemma: comes up with a decorating plan: makes a mood board for inspiration: compiles a shopping list: scours flea markets for furniture and accessories that fit the bill: restores, repurposes, and reinvents the pieces she finds, giving them new life; and brings all the elements together in the gorgeous, finished space. With illuminating before, during, and after photographs of her DIY projects and the room installations, Lara demystifies the decorating process and allows you to envision endless possibilities for what you can do in your own home. “Lara Spencer has a secret superpower: making homes look like a million bucks using only bargain finds and easy D.I.Y. projects.” —Redbook

A Tale of Cuba

Junk Beautiful

The Speckled Beauty

Thrift Shopping

New York Times bestseller In their first book, the Junk Gypsies—sisters and stars of the popular Texas-born brand and HGTV show—combine big dreams, stories of roadside treasures found, and down-home design projects inspired by epic makeovers for friends like Miranda Lambert, Billie Joe Armstrong, and Sadie Robertson. Amie and Jolie Sikes, the Thelma and Louise of the design world, are the Junk Gypsies: a family with an addiction to flea markets, wanderlust, and Americana inspired design. In their world, cowgirls are heroes, road trips last forever, and junk is treasured. Beginning with a little bit of faith and a whole lot of heart and soul, the sisters travelled the back roads of America like gypsies, collecting roadside trinkets and tattered treasures while meeting kindred spirits and lively characters along the way. With a mix of hippie, rock n’ roll, southern charm, and big dreams, these small-town Texas girls became restless wanderers and owners and operators of their dream business and bohemian brand, Junk Gypsy. Filled with stories from their unique journey as well as DIY projects and bohemian inspired designs, Junk Gypsy is a tribute to all the rowdy gypsies, crafty junkers, free-spirited romantics, and true-blue rebels who have ever dared to dream big.

Think pink: House Beautiful's definitive guide presents all the fabulous and unexpected ways you can use this rosy hue anywhere in the home—in the bedroom, bathroom, even the kitchen. Filled with inspiring quotes from professional designers, alluring photos, designer mood boards, and advice on selecting paint, it's organized by how much pink is deployed in any room--from "That Touch of Pink" to "A Profusion of Pink."

Explaining how to transform broken-down flea-market buys into stunning items for the home, this collection of 150 makeover projects includes detailed instructions and a host of decorating advice, as well as tips on how to spot potential "treasures" at flea markets and tag sales. 10,000 first printing.

This New York Times bestselling book is filled with hundreds of fun, deceptively simple, budget-friendly ideas for sprucing up your home. With two home renovations under their (tool) belts and millions of hits per month on their blog YoungHouseLove.com, Sherry and John Petersik are home-improvement enthusiasts primed to pass on a slew of projects, tricks, and techniques to do-it-yourselfers of all levels. Packed with 243 tips and ideas—both classic and unexpected—and more than 400 photographs and illustrations, this is a book that readers will return to again and again for the creative projects and easy-to-follow instructions in the relatable voice the Petersiks are known for. Learn to trick out a thrift-store mirror, spice up plain old roller shades, "hack" your Ikea table to create three distinct looks, and so much more.

Teaches readers how to ferret out distinctive bargains to go with new pieces or fine antiques, and includes techniques on how to decorate

Drawing on her peripatetic childhood as the daughter of a travelling salesman, and her adult residence in one of Atlanta's seedier crack neighbourhoods, columnist and NPR commentator Hollis Gillespie has assembled a comic, poignant memoir about her life, starring her unusual family and her crazy friends. NPR commentator Hollis Gillespie's outrageously funny--and equally heartbreaking--collection of autobiographical tales chronicles her journey through self-reckoning and the worst neighbourhoods in Atlanta in search of a home she can call her own. The daughter of a missile scientist and an alcoholic travelling trailer salesman, Gillespie was nine before she realized not everybody's mother made bombs, and thirty before she realized it was possible to live in one place longer than a six-month lease allows. Supporting her are the social outcasts she calls her best friends: Daniel, a talented and eccentric artist; Grant, who makes his living peddling folk art by a denounced nun who paints plywood signs with twisted evangelical sayings; and Lary, who often, out of compassion, offers to shoot her like a lame horse. Hollis's friends help her battle the mess of obstacles that stand in her way—including her warped childhood, in which her parents moved her and her siblings around the country like carnival barkers, chasing missile-building contracts and other whimsies, such as her father's dream to patent and sell door-to-door the world's most wondrous key-chain. A past like this will make you doubt you'll ever have a future, much less roots. Miraculously, though, Gillespie manages to plant exactly that: roots, as wrested and dubious as they are. As Gillespie says, "Life is too damn short to remain trapped in your own Alcatraz." Follow her on this wickedly funny journey as she manages to escape again and again.

A Memoir According to Kathy Griffin

Young House Love

Picker's Bible

From Nicaea to Chalcedon

So you got the guy on the big white horse, and the beautiful little mermaids, and the picket fence, and your life isn’ t . . . perfect in every imaginable way? You ’ re not alone. In 1997, Gabrielle Reece married the man of her dreams—professional surfer Laird Hamilton—in a flawless Hawaiian ceremony. Naturally, the couple filed for divorce four years later. In the end they worked it out, but not without the ups and downs, minor hiccups, and major setbacks that beset every modern family. With hilarious stories, wise insights, and concrete takeaways on topics ranging from navigating relationship issues to aging gracefully to getting smart about food, My Foot Is Too Big for the Glass Slipper is the brutally honest, wickedly funny, and deeply helpful portrait of the humor, grace, and humility it takes to survive the happily ever after.

Historian Mike Youri has selected nearly 200 historical images to illustrate the history of the Pig War on San Juan Island in Washington state. Each image has a descriptive caption.

Shabby Chic designer Rachel Ashwell shows readers how to turn any house or apartment into a comfortable, functional, beautiful, and stylish home, in this bestselling guide to getting the most out of flea-market finds and vintage treasures.

NEW YORK TIMES BEST SELLER * From the best-selling, Pulitzer Prize-winning author of All Over but the Shoutin’, the warmhearted and hilarious story of how his life was transformed by his love for a poorly behaved, half-blind stray dog. Speck is not a good boy. He is a terrible boy, a defiant, self-destructive, often malodorous boy, a grave robber and screen door moocher who spends his days playing chicken with the Fed Ex man, picking fights with thousand-pound livestock, and rolling in donkey manure, and his nights howling at the moon. He has been that way since the moment he appeared on the ridgeline behind Rick Bragg’s house, a starved and half-dead creature, seventy-six pounds of wet hair and poor decisions. Speck arrived in Rick’s life at a moment of looming uncertainty. A cancer diagnosis, chemo, kidney failure, and recurring pneumonia had left Rick lethargic and melancholy. Speck helped, and he is helping, still, when he is not peeing on the rose of Sharon. Written with Bragg’s inimitable blend of tenderness and sorrow, humor and grit, The Speckled Beauty captures the extraordinary, sustaining devotion between two damaged creatures who need each other to heal.

An Exploration of the Bible's Incredible Story Line and Why It Matters Today

On that July evening in 1946, the leader counted aloud and the mob of white men fired. Seconds later, the leader counted again, "One, two, three," and the mob fired once more. After the third and final volley of gunshots, the white men got into their cars and drove off, leaving the bullet-ridden bodies of two young black men and two young black women lying in the dirt near Moore’s Ford Bridge in rural Walton County, Georgia. Since that summer evening, there have never been as many victims lynched in a single day in America. Now, more than a half century later, Laura Wexler offers the first full account of the Moore’s Ford lynching, a murder so brutal it stunned the nation and motivated President Harry Truman to put civil rights at the forefront of his national agenda. With the style of a novelist, the authority of a historian, and the tenacity of a journalist, Wexler recounts the lynching and the resulting four-month FBI investigation. Drawing from interviews, archival sources, and an uncensored FBI report, she takes us deep into the landscape of 1946 Georgia, creating unforgettable portraits of sharecroppers, sheriffs, bootleggers, the victims, and the men who may have killed them. Fire in a Canebrake pursues the legacy of the Moore’s Ford lynching into the present, exploring the conflicting memories of Walton County’s black and white citizens and examining the testimony of a white man who claims he was a secret witness to the crime. In 2001, the governor of Georgia issued a new reward for information leading to the arrest of the lynchers. Several suspects named in the FBI’s 1946 investigation are still alive, and there is no statute of limitations on the crime of murder. Fire in a Canebrake -- a phrase local people used to describe the sound of the fatal gunshots -- is a moving and often frightening tale of violence, sex, and lies. It is also a disturbing snapshot of a divided nation on the brink of the civil rights movement and a haunting meditation on race, history, and the struggle for truth.

Bansemmer celebrates the Great Smoky Mountains National Park in some 200 vibrant watercolors of wildflowers, rustic scenes, and views of the forest itself. With a foreword by James Michener. 9.25x12.25". Published by Taylor Publishing, 1550 W. Mockingbird Lane, Dallas, TX 75235. Annotation copyright by Book News, Inc., Portland, OR

A New York Times Editor's Choice! One of the LA Times's 10 Books to Add to Your Reading List One of Book Culture's Most Anticipated Reads “A bighearted, widescreen American tale.”—Kirkus Reviews (starred) “Masterpiece...the quintessential Great American Novel.”—Booklist (starred) “A vivid mosaic.”—BookPage (starred) Jonathan Evison’s Small World is an epic novel for now. Set against such iconic backdrops as the California gold rush, the development of the transcontinental railroad, and a speeding train of modern-day strangers forced together by fate, it is a grand entertainment that asks big questions. The characters of Small World connect in the most intriguing and meaningful ways, winning, breaking, and winning our hearts again. In exploring the passengers’ lives and those of their ancestors more than a century before, Small World chronicles 170 years of American nation-building from numerous points of view across place and time. And it does it with a fullhearted, full-throttle pace that asks on the most human, intimate scale whether it is truly possible to meet, and survive, the choices posed—and forced—by the age. The result is a historical epic with a Dickensian flair, a grand entertainment that asks whether our nation has made good on its promises. It dazzles as its characters come to connect with one another through time. And it hits home as it probes at our country’s injustices, big and small, straight through to its deeply satisfying final words.

How auctions work, in theory and practice, with clear explanations and real-world examples that range from government procurement to eBay. Although it is among the oldest of market institutions, the auction is ubiquitous in today’s economy, used for everything from government procurement to selling advertising on the Internet to course assignment at MIT’s Sloan School. And yet beyond the small number of economists who specialize in the subject, few people understand how auctions really work. This concise, accessible, and engaging book explains both the theory and the practice of auctions. It describes the main auction formats and pricing rules, develops a simple model to explain bidder behavior, and provides a range of real-world examples. The authors explain what constitutes an auction and how auctions can be modeled as games of asymmetric information—that is, games in which some players know something that other players do not. They characterize behavior in these strategic situations and maintain a focus on the real world by illustrating their discussions with examples that include not just auctions held by eBay and Sotheby’s, but those used by Google, the U.S. Treasury, TaskRabbit, and charities. Readers will begin to understand how economists model auctions and how the rules of the auction shape bidder incentives. They will appreciate the role auctions play in our modern economy and understand why these selling mechanisms are so resilient.

John Kelly, an ordinary man, crosses the lines of justice and morality and becomes the legendary Mr. Clark of the CIA, a man of ruthless and brilliant cunning, whose merciless work during an all-out war game is done with complete human detachment. Reprint.

A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

The #1 New York Times Bestseller Jessica reveals for the first time her inner monologue and most intimate struggles. Guided by the journals she's kept since age fifteen, and brimming with her unique humor and down-to-earth humanity, Open Book is as inspiring as it is entertaining. This was supposed to be a very different book. Five years ago, Jessica Simpson was approached to write a motivational guide to living your best life. She walked away from the offer, and nobody understood why. The truth is that she didn’t want to lie. Jessica couldn’t be authentic with her readers if she wasn’t fully honest with herself first. Now America’s Sweetheart, preacher’s daughter, pop phenomenon, reality tv pioneer, and the billion-dollar fashion mogul invites readers on a remarkable journey, examining a life that blessed her with the compassion to help others, but also burdened her with an almost crippling need to please. Open Book is Jessica Simpson using her voice, heart, soul, and humor to share things she’s never shared before. First celebrated for her voice, she became one of the most talked-about women in the world, whether for music and fashion, her relationship struggles, or as a walking blonde joke. But now, instead of being talked about, Jessica is doing the talking. Her book shares the wisdom and inspirations she’s learned and shows the real woman behind all the pop-culture cliché’s — “chicken or fish,” “Daisy Duke,” “Football jinx,” “mom jeans,” “sexual napalm...” and more. Open Book is an opportunity to laugh and cry with a close friend, one that will inspire you to live your best, most authentic life, now that she is

finally living hers.

A biography of the young French girl who lived during the latter part of the nineteenth century and who received apparitions of the Blessed Mother. Includes a description of Lourdes today. The New York Times bestselling novel about a young man practicing magic in the real world, now an original series on SYFY “The Magicians is to Harry Potter as a shot of Irish whiskey is to a glass of weak tea. . . . Hogwarts was never like this.” –George R.R. Martin “Sad, hilarious, beautiful, and essential to anyone who cares about modern fantasy.” –Joe Hill “A very knowing and wonderful take on the wizard school genre.” –John Green “The Magicians may just be the most subversive, gripping and enchanting fantasy novel I’ve read this century.” –Cory Doctorow “This gripping novel draws on the conventions of contemporary and classic fantasy novels in order to upend them . . . an unexpectedly moving coming-of-age story.” –The New Yorker “The best urban fantasy in years.” –A.V. Club Quentin Coldwater is brilliant but miserable. A high school math genius, he’s secretly fascinated with a series of children’s fantasy novels set in a magical land called Fillory, and real life is disappointing by comparison. When Quentin is unexpectedly admitted to an elite, secret college of magic, it looks like his wildest dreams have come true. But his newfound powers lead him down a rabbit hole of hedonism and disillusionment, and ultimately to the dark secret behind the story of Fillory. The land of his childhood fantasies turns out to be much darker and more dangerous than he ever could have imagined. . . . The prequel to the New York Times bestselling book *The Magician King* and the #1 bestseller *The Magician’s Land*, *The Magicians* is one of the most daring and inventive works of literary fantasy in years. No one who has escaped into the worlds of Narnia and Harry Potter should miss this breathtaking return to the landscape of the imagination.

Official Book Club Selection is Kathy Griffin unplugged, uncensored, and unafraid to dish about what really happens on the road, away from the cameras, and at the star party after the show. (It’s also her big chance to score that coveted book club endorsement she’s always wanted. Are you there, Oprah? It’s me, Kathy.) Kathy Griffin has won Emmys for her reality show *Kathy Griffin: My Life on the D-List*, been nominated for a Grammy, worked and walked every red carpet known to man, and rung in the New Year with Anderson Cooper. But the legions of fans who pack Kathy’s sold-out comedy shows have heard only part of her remarkable story. Writing with her trademark wit, the feisty comic settles a few old scores, celebrates the friends and mentors who helped her claw her way to the top, and shares insider gossip about celebrity behavior—the good, the bad, and the very ugly. She recounts the crazy ups and downs of her own career and introduces us to some of the supertalented people she encountered before they got famous (or, in some cases, after fame went to their heads). Word to the wise: If you’ve ever crossed Kathy Griffin at some point in your life, check the index for your name. Along the way, Kathy reveals intimate details about her life before and after she made the big time. She opens up about everything from growing up with a dysfunctional family in suburban Illinois to bombing as a young comedian in L.A., from her well-publicized plastic surgery disasters to her highly publicized divorce, and more. Only in this book will you learn how the dinner table is the best training ground for a career in stand-up, how speaking your mind can bite you on the ass and buy you a house, and which people in Kathy’s life have taught her the most valuable lessons—both inside and outside the entertainment industry. And as if all that wasn’t enough, there are also dozens of exclusive and somewhat embarrassing photos from Kathy’s own collection—featuring the diva of the D List herself, with her old nose as well as her new one, plus celebrity friends, foes, frenemies, and hangers-on for you to gawk at. Refreshingly candid, unflinchingly honest, and full of hilarious “Did she really say that?” moments, *Official Book Club Selection* will make you laugh until you cry, or just puke up a little bit.

Contains two hundred color scheme ideas along with guidelines on how to select colors that complement each other and tips on using color to give an illusion of space, create the right ambiance, and complement a theme or accessory. Among the countless flea markets in America, there are those that deserve to be called legendary. Scattered around the country, these are the markets with hundreds—sometimes thousands—of dealers and whose spectacular settings, covetable offerings, and colorful histories make each an unforgettable experience and a unique adventure. Pamela Keech—a museum curator who shops professionally at flea markets—profiles her top twenty choices, the flea markets that can be counted on to surprise and delight at every turn. Tackling these mammoth events, however, is not for the faint of heart. For starters, the size and scope of each market can be overwhelming—no, are overwhelming. They cover acres and acres and miles and miles. (To give you an idea of their scope, there is one that stretches from Maryland to Missouri and another from Michigan to Alabama.) The Best Flea, Antique, Vintage, and New-Style Markets in America is an essential guide for shoppers who want to get the most out of each venue. All the practical details are covered: how far ahead of time to make reservations, how to avoid wasting precious time in traffic jams, how to navigate the miles of aisles, how to determine the best paths through the markets, how much territory can be covered in a day, how to find out where the must-see dealers set up their tables, what to take to be comfortable, and more. Other essential information includes smart negotiating, shipping options, and—because the thrill of the chase can be utterly exhausting—great local places to eat and where to find a soft bed at the end of the day. One of the many charms of the book is its focus on regional style. Each of the markets profiled has an unmistakable sense of place, evident in the merchandise that fills the booths. Canton, Texas started 150 years ago as a trading market for cattle and livestock; this is where you’ll find vintage cowboy boots, railroad and ranch memorabilia, and primitives. At the Rose Bowl Flea Market, the proximity to Hollywood casts a sparkle over everything; don’t be surprised to find yourself browsing elbow to elbow with movie stars at tables filled with memorabilia from the silver screen and glamorous costume jewelry. At Shipshewana, in the heartland of the Indiana Amish, you’ll find more than the usual number of pie safes, kitchen implements, and quilts. Keech highlights these differences with bits of cultural and decorative history and lots and lots of photographs that will make even armchair travelers feel like part of the action.

INDUSTRIAL MOTOR CONTROL 7E is an integral part of any electrician training. Comprehensive and up to date, this book provides crucial information on basic relay control systems, programmable logic controllers, and solid state devices commonly found in an industrial setting. Written by a highly qualified and respected author, you will find easy-to-follow instructions and essential information on controlling industrial motors and commonly used devices in contemporary industry. INDUSTRIAL MOTOR CONTROL 7E successfully bridges the gap between industrial maintenance and instrumentation, giving you a fundamental understanding of the operation of variable frequency drives, solid state relays, and other applications that employ electronic devices. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Using a recycle and reuse approach to home decorating, a richly illustrated manual explains how to transform trash and junk into one-of-a-kind furnishings and accessories for every room in the house, with tips on searching and shopping for recycled materials, design and construction, adding personal touches, and more. Discovering Bargains and Hidden Treasures

This Beautiful Book

The Pig War

Designing Gorgeous Rooms with Vintage Treasures

Room by Room Makeovers with Junkmarket Style

In This Beautiful Book, Steve Green - founder of The Museum of the Bible - highlights life-changing themes woven through the mosaic of the Bible's various stories, reveals a new way to engage Scripture as a whole, and inspires deep appreciation for the Bible's connection to your life. The most popular and culture-shaping text in the world, the Bible is still the least understood book of all time. The Bible's collection of history, poetry, genealogy lists, and mystifying prophecies often prove puzzling to readers. And when this text is read in pieces, we're left with only a half-impression of the vibrant mosaic. This Beautiful Book highlights the thematic threads woven throughout the ancient writings and shows us a new way to engage with Scripture as a whole. Through insights gained from firsthand experiences in leading and developing the first world class Bible museum, Green invites readers to step back from the individual stories of the Bible and consider the Bible as a whole. He reveals the completeness, connection, and transformative power of Scripture. Along with stunning retellings of biblical stories, Green helps readers see the story within the story, and draws the careful connections that help us appreciate the richness of the Bible story as a single story. Each page will spark or embolden your faith in a God who speaks to us across the centuries. A truly captivating experience, this book will instill in you a deep appreciation for Scripture and its profound connection to your own life story.
