From the author of The Sympathizer, winner of the 2016 Pulitzer Prize for Fiction, The Refugees is the second piece of fiction from a powerful voice in American letters, praised as “beautiful and heartrending” (Joyce Carol Oates, New Yorker), “terrific” (Chicago Tribune), and “an important and incisive book” (Washington Post) Published in hardcover to astounding acclaim, The Refugees is the remarkable debut collection of short stories by Viet Thanh Nguyen, winner of the 2016 Pulitzer Prize for Fiction for his novel The Sympathizer. In these powerful stories, written over a period of twenty years and set in both Vietnam and America, Nguyen paints a vivid portrait of the experiences of people leading lives between two worlds, the adopted homeland and the country of birth. With the same incisiveness as in The Sympathizer, in The Refugees Viet Thanh Nguyen gives voice to the hopes and expectations of people making life-changing decisions to leave one country for

another, and the rifts in identity, loyalties, romantic relationships, and family that accompany relocation. From a young Vietnamese refugee who suffers profound culture shock when he comes to live with two gay men in San Francisco, to a woman whose husband is suffering from dementia and starts to confuse her for a former lover, to a girl living in Ho Chi Minh City whose older half-sister comes back from America having seemingly accomplished everything she never will, the stories are a captivating testament to the dreams and hardships of migration. The second work of fiction by a major new voice in American letters, The Refugees is a beautifully written and sharply observed book about the aspirations of those who leave one country for another, and the relationships and desires for self-fulfillment that define our lives.

Donora, Pennsylvania, site of the infamous 1948 “killing smog,” headstrong nurse Rose Pavlesic tends to her family and neighbors. Controlling and demanding, she's created a life that reflects everything she missed growing up as an orphan. She's even managed to keep her painful secrets hidden from her loving husband, dutiful children, and large extended family. When a stagnant weather pattern traps poisonous mill gasses in the valley, neighbors grow sicker and Rose's nursing obligations thrust her into conflict she never could have fathomed. Consequences from her past collide with her present life, making her once clear decisions as gray as the suffocating smog. As pressure mounts, Rose finds she's not the only one harboring lies. When the deadly fog finally clears, the loss of trust and faith leaves the Pavlesic family—and the whole town—splintered and shocked. With her new perspective, can Rose finally forgive herself and let her family's healing begin?

beautifully moving short stories written mostly over the last year, Booker Prize winner Roddy Doyle paints a collective portrait of our strange times. A man abroad wanders the stag-and-hen-strewn streets of Newcastle, as news of the virus at home asks him to question his next move. An exhausted nurse struggles to let go, having lost a much-loved patient in isolation. A middle-aged son, barred from his mother's funeral, wakes to an oncoming hangover of regret. Told with Doyle's signature warmth, wit, and extraordinary eye for the richness that underpins the quiet of our lives, *Life Without Children* cuts to the heart of how we are all navigating loss, loneliness, and the shifting of history underneath our feet.

“Drinking a toast to the visible world, his impending disappearance from it be damned.” That’s how John Updike describes one of his elderly protagonists in this, his final collection of short stories. He might have been writing about himself. In *My Father’s Tears*, the author revisits his signature characters, places, and themes—Americans in suburbs, cities, and small towns grappling with faith and infidelity—in a gallery of portraits of his aging generation, men and women for whom making peace with the past is now paramount. The *Seattle Times* called *My Father’s Tears* “a haunting collection” that “echoes the melancholy of Chekhov, the romanticism of Wordsworth and the mournful spirit of Yeats.”

delightful, at times as solemn and mysterious as a pond at midnight, Deborah Eisenberg's stories gently compel us to confront the most disturbing truths about ourselves—from our intimate lives as lovers, parents, and children, to our equally troubling roles as citizens on a violent, terrifying planet. Each of the six stories in *Your Duck is My Duck*, her first collection since 2006, has the heft and complexity of a novel. With her own inexorable but utterly unpredictable logic and her almost uncanny ability to conjure the strange states of mind and emotion that constitute our daily consciousness, Eisenberg pulls us as if by gossamer threads through her characters—a tormented woman whose face determines her destiny; a group of film actors shocked to read a book about their past; a privileged young man who unexpectedly falls into a love affair with a human rights worker caught up in an all-consuming quest that he doesn't understand. In Eisenberg's world, the forces of money, sex, and power cannot be escaped, and the force of history,
