

I Dont Believe In Love Book 2

A New York Times bestseller and enduring classic, All About Love is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. All About Love reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in All About Love. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your Life." All About Love is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

Two girls embark on a summer of montage-worthy dates (with a few strings attached) in this hilarious and heartfelt lesbian rom-com that's perfect for fans of Becky Albertalli and Jenny Han. Seventeen-year-old cynic Saoirse Clarke isn't looking for a relationship. But when she meets mischievous Ruby, that rule goes right out the window. Sort of. Because Ruby has a loophole in mind: a summer of all the best cliché movie montage dates, with a definite ending come fall—no broken hearts, no messy breakup. It would be the perfect plan, if they weren't forgetting one thing about the Falling in Love Montage: when it's over, the characters have fallen in love...for real. Ciara Smyth's debut is a delightful, multilayered YA rom-com that will make you laugh, cry, and absolutely fall in love.

Recounts lessons the author learned through taking on challenging and unique opportunities, offering commentary on the inherent compatibility of adventure and the Christian life as well as love's ability to encourage and inspire action.

From an Oscar-nominated screenwriter, "a wonderfully smooth, sinuous, enigmatic, and sexy tale of two love affairs" (Providence Journal) set in Amherst and illuminated by the presence of Emily Dickinson. Alice Dickinson, a young advertising executive in London, decides to take time off work to research her idea for a screenplay: the true story of the scandalous, adulterous love affair between Emily Dickinson's married brother, Austin, and a young, Amherst College faculty wife named Mabel Loomis Todd. Austin, twenty-four years Mabel's senior and the college treasurer, lived next door to his reclusive sister, who allowed her home to be used for Austin and Mabel's trysts. Alice travels to Amherst, staying in the house of Nick Crocker, a married English academic in his fifties. As Alice researches Austin and Mabel's story and Emily's role in their affair, she embarks on her own affair with Nick, an affair that, of course, they both know echoes the one that she's writing about. Using the poems of Emily Dickinson throughout, historically accurate and meticulously recreated from their voluminous letters and diaries, "William Nicholson deftly weaves Mabel's story with Alice's, shedding light on the timeless longing, lust, and loneliness of love" (People). Amherst is a provocative and remarkable novel: "The poetry and history go down easy, the lovers fall hard, and the tragic, treacherous terrain of romantic entanglement is well explored" (Elle).

Natasha: I'm a girl who believes in science and facts. Not fate. Not destiny. Or dreams that will never come true. But when I see her, I forget about all that. Something about Natasha makes me think that fate has something much more extraordinary in store—for both of us. The Universe: Every moment in our lives has brought us to this single moment. A million futures lie before us. She's a wedding planner in love with love. She loves seeing couples get married and commit to each other and longs for her own romantic wedding day someday. He's a divorce lawyer who doesn't believe in love. He sees couples as opportunities to make money with prenups before their weddings and as potential repeat business when and if they divorce. Their initial meeting goes from attraction to dislike of one another at a wedding that turns into an unbelievable disaster for her. When they meet again in the future will they be able to put the past behind them and find love together, or will some opposites never be attracted to each other? VIOLA I ' m in love with love and I love couples who are in love. They are my bread and butter after all but that ' s not why I love them. There ' s something so magical to see a couple choose to go into the future together, to face life ' s challenges together, and rise above it all to come out on the other side stronger and more in love than ever before. I love it so much that I became a wedding planner. Watching couples young and old committing their lives to each other is something that ' s just so special. No couple is the same. There ' s something different about all of them that makes each one special. I never get tired of seeing couples stare lovingly into each other ' s eyes as they plan, prepare and execute their wedding ceremony pledging their undying love to one another for the rest of their lives. I haven ' t got there yet myself but watching other couples keeps my dream of finding Mr. Right alive. But life doesn ' t always see things the way we dream of them turning out. It sure didn ' t see it my way when he crossed my path. RICK I don ' t believe in love. If it really exists why are there so many broken relationships and people in the world? Not that I care... about the broken relationships I mean. After all, they are my bread and butter. And those events called weddings are my hunting ground. After all, people lay the foundation for the demise of their marriage before they ' re even married. Prenups and all sorts of agreements are designed to protect their wealth and their assets and force others to stay with them even when they don ' t want to anymore. Weddings give couples the right to punish each other when they don ' t want to be together anymore for whatever reason. So, when anyone tells you that it starts with a wedding they ' re wrong. It starts with a lawyer. And if it ends... well, it ends with a lawyer too. Funny that. Often the people that I work for before their wedding, come knocking on my door a few years down the line. Repeat business. So, love is great and it is for me but just not for me if you get what I mean. When I met the wedding planner she was incensed at the thought that we might collaborate. Other planners have no issue with it. Why she should have, I don ' t get it. Normally I would just walk away but the universe seems to have other plans... PUBLISHER: TEKTIME

What You Dont Know About Men tells the funny, heartbreaking stories of 20 sometimes shy, sometimes sexy, often sentimental men who march through life as punch-drunk fathers, sons, brothers, uncles, friends and lovers. Michael Burkes debut collection opens with the story of Matthew Connors, a suburban Chicago teen struggling to protect his sister and brother while their parents vacation in the Petrified Forest. The book closes with Brendan and Richard, two grooms in a seemingly uneventful gay wedding on a breezy Lake Michigan shore. In between, we meet: Father Daniel, a cranky Southside priest seeking forgiveness for a long-ago affair; Roy, an ex-Marine battling hallucinations while sprawled on the Belmont Harbor rocks; Patrick Kincaid, a roofer whose boyfriend rides the Red Line subway acting like a young Lauren Bacall; Eddie Doyle, a haunted widower wrestling with his shattered Catholicism while his daughter hides a secret; Bug OConnor, who tries to pass off a brash chorus girl as Patsy Cline; and four buddies who shoot skeet, bet at the dog races and fail to understand the women around them. These provocative, page-turning stories are crisply written with an epic minimalism to depict the triumph, defeat, stalemate and surrender of everyday life.

Wherever she goes the popular South African recording artist and celebrity Nianell offers this important, inspiring message: Every one of us should love ourselves. When we learn how to love ourselves unconditionally, we will be able to experience a life worth living and also inspire and touch the people around us. Then we not only make a difference in our own lives, but also in the lives of others. In her first book, *Knowing Who I Am*, Nianell tells how she has learned to love herself. She takes the reader on a journey through her life, from being a shy, withdrawn schoolgirl to becoming the acclaimed singer/songwriter she is today. Like most people, Nianell has had to face challenges, and she offers an honest and unpretentious account of her personal experience of suffering, the struggle to belong, love, womanhood, being a mother of triplets, and being a star. Her personal stories, many shared with the public for the first time, illustrate how she discovered who she really is and how she came to the point of accepting herself and her worth.
