

I Dont Know How She Does It

WARNING: This is not the actual book Looking for Alaska by John Green. Do not buy this reading Sidekick if you are looking for a full copy of this great book. Use this expert sidekick to dissect these themes in Looking for Alaska, while enjoying a detailed analysis of each chapter of the book. If that wasn't enough, we close with potential questions and responses to help you get the conversation started with co-workers, friends, or fellow book club members. This newly discovered gem from the past (2005) has become a must-read, thanks in no small part to the success of Green's 2012 masterpiece: The Fault in Our Stars. As many Green fans have already discovered, our sidekick is the ultimate go-to source for understanding the complexities of John Green's tales of teen angst and tragedy. Looking for Alaska tells the story of Miles Halter, a 16-year-old with a nondescript life who is seeking a "Great Perhaps." In his quest, he finds himself at the Culver Creek Boarding School, where his past life of boredom and safety takes a back seat to adventure and sexual experimentation. His trek to the other side of the tracks takes him only a few steps, as he meets Alaska Young just down the hall at school. She is sexy, funny, and everything else that makes teenage boys drool. She is also a self-destructive sort, headed toward the "After" portion of Looking for Alaska, where everything comes crashing down. As our sidekick details, the themes of life and death weave their way through the novel, drawing the characters closer together while preparing them for something that will rip them apart.

Acclaimed author Karen Hesse's Newbery Medal-winning novel-in-verse explores the life of fourteen-year-old Billie Jo growing up in the dust bowls of Oklahoma.

Steve Harvey, the host of the nationally syndicated Steve Harvey Morning Show, can't count the number of impressive women he's met over the years, whether it's through the "Strawberry Letters" segment of his program or while on tour for his comedy shows. Yet when it comes to relationships, they can't figure out what makes men tick. Why? According to Steve it's because they're asking other women for advice when no one but another man can tell them how to find and keep a man. In Act Like a Lady, Think Like a Man, Steve lets women inside the mindset of a man and sheds light on concepts and questions such as: The Ninety Day Rule: Ford requires it of its employees. Should you require it of your man? The five questions every woman should ask a man to determine how serious he is. And much more . . . Sometimes funny, sometimes direct, but always truthful, Act Like a Lady, Think Like a Man is a book you must read if you want to understand how men think when it comes to relationships.

NOW A MAJOR MOTION PICTURE The #1 New York Times bestselling worldwide sensation with more than 12 million copies sold, "a painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature" (The New York Times Book Review). For years, rumors of the "Marsh Girl" have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens. Where the Crawdads Sing is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Delia Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

Born into poverty on a farm in Missouri, he was the author of *How to Win Friends and Influence People* (1936), a massive bestseller that remains popular today. *_x000D_*

It isn't that easy to get a girl in this era; actually getting one is easy but maintaining a relationship is not! Because it's too expensive! One girl would cost half of your salary and most of your time; it's obvious that to make a girl fall in love with you, you have to give her time and you have to spend money on her. For every occasion she comes across in her life you need to spend—it could be her birthday, anniversary of your relationship, Valentine's day, Women's day, etc. What is worse is that you should celebrate even her dog's birthday, her friend's birthday, etc. On her friend's birthday of course just be with her, but don't ever flirt with her best friends. But still she expects you to buy gifts for her friend on her birthday, which has to be given on behalf of you both and what not! As far as I know Rahil has been doing all of these!

Note: Cover is intentionally black. Contents of the book will clarify. A memoir about drug addiction with persistent insanity. From curious cultivation of marijuana, drug dealing, then the inevitable downfall of a drug addict. Covering all aspects of the drug addiction culture from a constant purview of family, friends and love. This product is property of a non-profit organization. Proceedings made from this product of 70% will be forwarded to operations moving the mission. Mission statement: Influencing pathways to a productive lifestyle for drug addicts and humanity. www.neurosisfaction.org

A moving story of a woman with early onset Alzheimer's disease, now a major Academy Award-winning film starring Julianne Moore and Kristen Stewart. Alice Howland is proud of the life she worked so hard to build. At fifty, she's a cognitive psychology professor at Harvard and a renowned expert in linguistics, with a successful husband and three grown children. When she begins to grow forgetful and disoriented, she dismisses it for as long as she can until a tragic diagnosis changes her life - and her relationship with her family and the world around her - for ever. Unable to care for herself, Alice struggles to find meaning and purpose as her concept of self gradually slips away. But Alice is a remarkable woman, and her family learn more about her and each other in their quest to hold on to the Alice they know. Her memory hanging by a frayed thread, she is living in the moment, living for each day. But she is still Alice. 'Remarkable ... illuminating ... highly relevant today' Daily Mail 'The most accurate account of what it feels like to be inside the mind of an Alzheimer's patient I've ever read. Beautifully written and very illuminating' Rosie Boycot 'Utterly brilliant' Chrissy Iley

I Don't Know How the Story Ends

The Seven Husbands of Evelyn Hugo

Verity

"After her former band shoots to superstardom without her, Claire reluctantly agrees to a gig as a playgroup musician for overprivileged infants on New York's Park Avenue. Claire is surprised to discover that she is smitten with her new employers, a welcoming clique of wellness addicts with impossibly shiny hair, who whirl from juice cleanse to overpriced miracle vitamins to spin class with limitless energy. There is perfect hostess Whitney, who is on the brink of social-media stardom and just needs to find a way to keep her perfect life from falling apart. Caustically funny recent stay-at-home mom Amara, who is struggling to embrace her new identity. And old money, veteran mom Gwen who never misses an opportunity to dole out parenting advice. But as Claire grows closer to the cool women who pay her bills, she uncovers secrets and betrayals that no amount of activated charcoal can fix."--Back cover.

PULITZER PRIZE WINNER • A "vivid and devastating" (The New York Times) portrait of an indomitable girl—from acclaimed journalist Andrea Elliott "From its first indelible pages to its rich and startling conclusion, *Invisible Child* had me, by turns, stricken, inspired, outraged, illuminated, in tears, and hungering for reimmersion in its Dickensian depths."—Ayad Akhtar, author of *Homeland Elegies* ONE OF THE TEN BEST BOOKS OF THE YEAR: The New York Times • ONE OF THE BEST BOOKS OF THE YEAR: The Atlantic, The New York Times Book Review, Time, NPR, Library Journal In *Invisible Child*, Pulitzer Prize winner Andrea Elliott follows eight dramatic years in the life of Dasani, a girl whose imagination is as soaring as the skyscrapers near her Brooklyn shelter. In this sweeping narrative, Elliott weaves the story of Dasani's childhood with the history of her ancestors, tracing their passage from slavery to the Great Migration north. As Dasani comes of age, New York City's homeless crisis has exploded, deepening the chasm between rich and poor. She must guide her siblings through a world riddled by hunger, violence, racism, drug addiction, and the threat of foster care. Out on the street, Dasani becomes a fierce fighter "to protect those who I love." When she finally escapes city life to enroll in a boarding school, she faces an impossible question: What if leaving poverty means abandoning your family, and yourself? A work of luminous and riveting prose, Elliott's *Invisible Child* reads like a page-turning novel. It is an astonishing story about the power of

resilience, the importance of family and the cost of inequality—told through the crucible of one remarkable girl. Winner of the J. Anthony Lukas Book Prize • Finalist for the Bernstein Award and the PEN/John Kenneth Galbraith Award

NOW A HULU ORIGINAL SERIES • From the New York Times bestselling author of *Normal People* . . . “[A] cult-hit . . . [a] sharply realistic comedy of adultery and friendship.”—*Entertainment Weekly* SALLY ROONEY NAMED TO THE TIME 100 NEXT LIST • WINNER OF THE SUNDAY TIMES (UK) YOUNG WRITER OF THE YEAR AWARD • ONE OF BUZZFEED’S BEST BOOKS OF THE DECADE • ONE OF THE TEN BEST BOOKS OF THE YEAR: *Vogue*, *Slate* • ONE OF THE BEST BOOKS OF THE YEAR: *Elle* Frances is a coolheaded and darkly observant young woman, vaguely pursuing a career in writing while studying in Dublin. Her best friend is the beautiful and endlessly self-possessed Bobbi. At a local poetry performance one night, they meet a well-known photographer, and as the girls are then gradually drawn into her world, Frances is reluctantly impressed by the older woman’s sophisticated home and handsome husband, Nick. But however amusing Frances and Nick’s flirtation seems at first, it begins to give way to a strange—and then painful—intimacy. Written with gemlike precision and marked by a sly sense of humor, *Conversations with Friends* is wonderfully alive to the pleasures and dangers of youth, and the messy edges of female friendship. SHORTLISTED FOR THE INTERNATIONAL DUBLIN LITERARY AWARD “Sharp, funny, thought-provoking . . . a really great portrait of two young women as they’re figuring out how to be adults.”—Celeste Ng, *Late Night with Seth Meyers* Podcast “The dialogue is superb, as are the insights about communicating in the age of electronic devices. Rooney has a magical ability to write scenes of such verisimilitude that even when little happens they’re suspenseful.”—Curtis Sittenfeld, *The Week* “Rooney has the gift of imbuing everyday life with a sense of high stakes . . . a novel of delicious frictions.”—*New York* “A writer of rare confidence, with a lucid, exacting style . . . One wonderful aspect of Rooney’s consistently wonderful novel is the fierce clarity with which she examines the self-delusion that so often festers alongside presumed self-knowledge. . . . But Rooney’s natural power is as a psychological portraitist. She is acute and sophisticated about the workings of innocence; the protagonist of this novel about growing up has no idea just how much of it she has left to do.”—Alexandra Schwartz, *The New Yorker* “This book. This book. I read it in one day. I hear I’m not alone.”—Sarah Jessica Parker (Instagram)

WHAT SHE DIDN'T KNOW I met my wife when we were both sixteen years old. She quickly became my everything. Twenty years later, she still is. Everyone thought Lynn was the crazy one. They warned me from the moment I met her that, one day, she would break me. I didn't care. I wanted her and all her crazy. Always. Ultimately, parts of our relationship were based on truths only the two of us knew, and that was unavoidable. No matter what, I always knew one thing was true -- I loved Lynn with all my heart. What no one saw was that my crazy far surpassed Lynn's. I just held mine close to my heart. I held it in shadow while Lynn wore hers in the sun, but I knew it was there, right beneath the surface. I just never told anyone. I always thought what Lynn didn't know wouldn't hurt her... until it did. In the end, her crazy didn't break me. Mine did. *WHAT SHE FORGOT* I had been called ruthless. Uncaring. A bitch. And more. I'd known from a very young age that I wasn't like other women. I'd never wanted a husband and two-point-five children. I'd never wanted a white picket fence around a home that had to be baby-proofed. I'd never wanted a happily-ever-after. I was happy enough taking care of my sister, Lynn. Then the day came when Lynn didn't need to be taken care of anymore. She didn't need me. None of her “friends” needed me. I'd built this solitary life for myself and I liked it. Until I didn't. Then I met Will Clark. He needed help in his office, and I needed to be useful, so I let myself in. I walked right into his life and I turned it upside down. What started out as a fun part-time job turned into real feelings and real...dare I call it love? For a short time, Will made me forget that I wasn't suited to a normal life. He made me forget that marriage and family were not in my future. Then one day I was forced to remember. I had to make a choice. In the end, I had to choose to save him or save his ex-wife. Either way, there would be no one left to save me.

Why Does He Do That?

You Don't Know Everything, Jilly P!

Act Like a Lady, Think Like a Man LP

What She Didn't Know - What She Forgot Boxed Set

I Am Not Your Perfect Mexican Daughter

Where are You Going, where Have You Been?

Our story begins in a dusty little town in California, a bustling place called Hollywood... Isobel Ransom is anxious. Her father is away treating wounded soldiers in France, leaving Izzy to be the responsible one at home. But it's hard to be responsible when your little sister is chasing a fasttalking, movie-obsessed boy all over Hollywood! Ranger is directing his very own moving picture... and wants Izzy and Sylvie to be his stars. Izzy is sure Mother wouldn't approve, but scouting locations, scrounging film, and "borrowing" a camera turn out to be the perfect distractions from Izzy's worries. There's just one problem: their movie has no ending. And it has to be perfect the kind of ending where the hero saves the day and returns home to his family. Safe and sound. It just has to. The Wild West atmosphere of early Hollywood and the home front of a country at war form a fascinating context to award-winning author J. B. Cheaney's new novel about the power of cinema in helping us make sense of an unexpected world. "I Don't Know How the Story Ends will grab you by your shirt and drop you right into the early days of Hollywood and movie making. Peopled with delightful characters who find that real life is not just like the movies, this is a funny, insightful, and touching celebration of friendship and family, the imagination, and the power of the movies." Karen Cushman, Newbery Award-winning author of *The Midwife's Apprentice* "This book is a love letter to the art of storytelling, exploring how the creative process becomes something bigger than ourselves. It's a celebration of the way stories help us see our own lives more clearly." — Caroline Starr Rose, author of *Blue Birds* "J. B. Cheaney masterfully combines a family's pathos in wartime, a vivid sense of old Hollywood (including appearances by the era's superstars), PLUS a suspenseful, creative adventure through an entirely new kind of storytelling: MOVING PICTURES!"

Cheryl Harness, acclaimed author of *Mary Walker Wears the Pants* and *The Literary Adventures of Washington Irving* Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

"Allison Pearson's brilliant debut novel, *I Don't Know How She Does It*, was a New York Times bestseller with four million copies sold around the world. Called "the definitive social comedy of working motherhood" (*The Washington Post*) and "a hysterical look--in both the laughing and crying senses of the world--at the life of Supermom" (*The New York Times*), *I Don't Know How She Does It* introduced Kate Reddy, a woman as sharp as she was funny. As Oprah Winfrey put it, Kate's story became "the national anthem for working mothers." Seven years later, Kate Reddy is facing her 50th birthday. Her children have turned into impossible teenagers; her mother and in-laws are in precarious health; and her husband is having a midlife crisis that leaves her desperate to restart her career after years away from the workplace. Once again, Kate is scrambling to keep all the balls in the air in a juggling act that an early review from the U.K. Express hailed as "sparkling, funny, and poignant...a triumphant return for Pearson." Will Kate reclaim her rightful place at the very hedge fund she founded, or will she strangle in her new "shaping" underwear? Will she rekindle an old flame, or will her house burn to the ground when a rowdy mob shows up for her daughter's surprise (to her parents) Christmas party? Surely it will all work out in the end. After all, how hard can it be?"--

The New York Times best-selling book exploring the counterproductive reactions white people have when their assumptions about race are challenged, and how these reactions maintain racial inequality. In this "vital, necessary, and beautiful book" (Michael Eric Dyson), antiracist educator Robin DiAngelo deftly illuminates the phenomenon of white fragility and "allows us to understand racism as a practice not restricted to 'bad people' (Claudia Rankine). Referring to the defensive moves that white people make when challenged racially, white fragility is characterized by emotions such as anger, fear, and guilt, and by behaviors including argumentation and silence. These behaviors, in turn, function to reinstate white racial equilibrium and prevent any meaningful cross-racial dialogue. In this in-depth exploration, DiAngelo examines how white fragility develops, how it protects racial inequality, and what we can do to engage more constructively.

A Memoir

"Lovely." --Jojo Moyes, author of *Me Before You* and *One Plus One* From the bestselling author of *Lost Dogs* and *Lonely Hearts* comes a delightful, compulsively readable novel about second chances and the magic of letting go... Reeling from her recent divorce, Gina Bellamy suddenly finds herself figuring out how to live on her own. Determined to make a fresh start—with her beloved rescue greyhound by her side—Gina knows drastic measures are in order. First up: throwing away all her possessions except for the one hundred things that mean the most to her. But what items are worth saving? Letters from the only man she's ever loved? A keepsake of the father she never knew? Or a blue glass vase that perfectly captures the light? As she lets go of the past, Gina begins to come to terms with what has happened in her life and discovers that seizing the day is sometimes the only thing to do. And when one decides to do just that...magic happens. Includes an Author Q & A

NEW YORK TIMES BESTSELLER "If you're looking for a book to take on holiday this summer, *The Seven Husbands of Evelyn Hugo* has got all the glitz and glamour to make it a perfect beach read." —*Bustle* From the New York Times bestselling author of *Daisy Jones & the Six*—an entrancing and "wildly addictive journey of a reclusive Hollywood starlet" (*PopSugar*) as she reflects on her relentless rise to the top and the risks she took, the loves she lost, and the long-held secrets the public could never imagine. Aging and reclusive Hollywood movie icon Evelyn Hugo is finally ready to tell the truth about her glamorous and scandalous life. But when she chooses unknown magazine reporter Monique Grant for the job, no one is more astounded than Monique herself. Why her? Why now? Monique is not exactly on top of the world. Her husband has left her, and her professional life is going nowhere. Regardless of why Evelyn has selected her to write her biography, Monique is determined to use this opportunity to jumpstart her career. Summoned to Evelyn's luxurious apartment, Monique listens in fascination as the actress tells her story. From making her way to Los Angeles in the 1950s to her decision to leave show business in the '80s, and, of course, the seven husbands along the way, Evelyn unspools a tale of ruthless ambition, unexpected friendship, and a great forbidden love. Monique begins to feel a very real connection to the legendary star, but as Evelyn's story near its conclusion, it becomes clear that her life intersects with Monique's own in tragic and irreversible ways. "Heartbreaking, yet beautiful" (*Jamie Blynn, Us Weekly*), *The Seven Husbands of Evelyn Hugo* is "Tinseltown drama at its finest" (*Redbook*): a mesmerizing journey through the splendor of old Hollywood into the harsh realities of the present day as two women struggle with what it means—and what it costs—to face the truth. When the sister who delighted their parents by her faithful embrace of Mexican culture dies in a tragic accident, Julia, who longs to go to college and move into a home of her own, discovers from mutual friends that her sister may not have been as perfect as believed.

Joyce Carol Oates's prize-winning story "Where Are You Going, Where Have You Been?" takes up troubling subjects that continue to occupy her in her fiction: the romantic longings and limited options of adolescent women; the tensions between mothers and daughters; the sexual victimization of women; and the American obsession with violence. Inspired by a magazine story about a serial killer, its remarkable portrait of the dreamy teenager Connie has made it a feminist classic. Connie's life anticipates the emergence of American society from the social innocence of the fifties into the harsher contemporary realities of war, random violence, and crime. The story was the basis for the movie *Smooth Talk*, which became the subject of much feminist debate. This

casebook includes an introduction by the editor, a chronology of Oates's life, and authoritative text of "Where Are You Going, Where Have You Been?" an essay by Oates on *Smooth Talk*, the original *Life* article about the serial killer, ten critical essays (including two about the film), and a bibliography. The contributors are Brenda O. Daly, Christina Marsden Gillis, Don Moser, Tom Quirk, B. Ruby Rich, R.J.R. Rockwood, Larry Rubin, Gretchen Schultz, Marie Mitchell Oleson Urbanski, Joyce M. Wegs, and Joan D. Winslow. Elaine Showalter is Avalon Foundation Professor of Humanities at Princeton University. She is the author and editor of many books on women's writing, including *Sister's Choice: Tradition and Change in American Women's Writing*. A volume in the *Women Writers: Texts and Contexts Series*.

What She Don't Know

Inside the Minds of Angry and Controlling Men

"I know she doesn't have any feelings towards me but..."

The Glass Castle

I Know How She Does It

Daisy Jones and the Six

Includes an excerpt from *Love on the Brain*.

NATIONAL AND NEW YORK TIMES BESTSELLER WINNER OF THE 2019 GOODREADS CHOICE AWARD FOR HISTORICAL FICTION A NEW YORK TIMES EDITORS' CHOICE NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post - Esquire - Glamour - CBC - NPR - Marie Claire - Real Simple - Good Housekeeping - Parade - Shelf Awareness - BookRiot - E! News - Mental Floss - Paste "I devoured Daisy Jones & The Six in a day, falling head over heels for it. Daisy and the band captured my heart." --Reese Witherspoon (Reese's Book Club x Hello Sunshine book pick) A gripping novel about the whirlwind rise of an iconic 1970s rock group and their beautiful lead singer, revealing the mystery behind their infamous breakup. Everyone knows Daisy Jones & The Six: The band's album *Aurora* came to define the rock 'n' roll era of the late seventies, and an entire generation of girls wanted to grow up to be Daisy. But no one knows the reason behind the group's split on the night of their final concert at Chicago Stadium on July 12, 1979 . . . until now. Daisy is a girl coming of age in L.A. in the late sixties, sneaking into clubs on the Sunset Strip, sleeping with rock stars, and dreaming of singing at the Whisky a Go Go. The sex and drugs are thrilling, but it's the rock 'n' roll she loves most. By the time she's twenty, her voice is getting noticed, and she has the kind of heedless beauty that makes people do crazy things. Also getting noticed is The Six, a band led by the brooding Billy Dunne. On the eve of their first tour, his girlfriend Camila finds out she's pregnant, and with the pressure of impending fatherhood and fame, Billy goes a little wild on the road. Daisy and Billy cross paths when a producer realizes that the key to supercharged success is to put the two together. What happens next will become the stuff of legend. The making of that legend is chronicled in this riveting and unforgettable novel, written as an oral history of one of the biggest bands of the seventies. Taylor Jenkins Reid is a talented writer who takes her work to a new level with *Daisy Jones & The Six*, brilliantly capturing a place and time in an utterly distinctive voice. Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. "I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin From the Paperback edition.

A leading authority on abusive relationships offers women detailed guidelines on how to improve and survive an abusive relationship, discussing various types of abusive men, analyzing societal myths surrounding abuse, and answers questions about the warning signs of abuse, how to identify abusive behavior, how to know if one is in danger, and more. Reprint.

Conversations with Friends

November 9

I Don't Know how She Does it

How Hard Can It Be?

Suicide

White Fragility

Crave presents the ultimate book boyfriend experience with this beautiful four-color illustrated edition of *November 9*, the unforgettable love story between a writer and his unexpected muse from the beloved #1 New York Times bestselling author, Colleen Hoover. Fallon meets Ben, an aspiring novelist, the day before her scheduled cross-country move. Their untimely attraction leads them to spend Fallon's last day in L.A. together, and her eventful life becomes the creative inspiration Ben has always sought for his novel. Over time and amidst the various relationships and tribulations of their own separate lives, they continue to meet on the same date every year. Until one day Fallon becomes unsure if Ben has been telling her the truth or fabricating a perfect reality for the sake of the ultimate plot twist. Can Ben's relationship with

Fallon—and simultaneously his novel—be considered a love story if it ends in heartbreak?

Alex Gino, the Lambda Literary Award-winning author of *George*, is back with another sensitive tale based on increasingly relevant social justice issues. Jilly thinks she's figured out how life works. But when her sister, Emma, is born deaf, she realizes how much she still has to learn. The world is going to treat Jilly, who is white and hearing, differently from Emma, just as it will treat them both differently from their Black cousins. A big fantasy reader, Jilly makes a connection online with another fantasy fan, Derek, who is a Deaf, Black ASL user. She goes to Derek for help with Emma but doesn't always know the best way or time to ask for it. As she and Derek meet in person, have some really fun conversations, and become friends, Jilly makes some mistakes . . . but comes to understand that it's up to her, not Derek to figure out how to do better next time--especially when she wants to be there for Derek the most. Within a world where kids like Derek and Emma aren't assured the same freedom or safety as kids like Jilly, Jilly is starting to learn all the things she doesn't know--and by doing that, she's also working to discover how to support her family and her friends. With *You Don't Know Everything, Jilly P!*, award-winning author Alex Gino uses their trademark humor, heart, and humanity to show readers how being open to difference can make you a better person, and how being open to change can make you change in the best possible ways.

Part 1: Rosetta Taylor started writing stories and poems as she was raising 11 children. She wrote about the struggles and triumphs of living in a big family. She wrote about her friends and family. She wrote about John Taylor, the love of her life and advice to her children on how to raise their own. Part 2: Rosetta & John's children and their children contributed with more to share. The perspectives come from different generations and ages. The stories vary in length and message. Part 3: A series of collages showcasing the family. Some of the pictures relate to a story in the book. Others will spark different memories. Everyone in the family is in this book in one way or another. Whether it was adding a story, being mentioned in one, or adding a picture, everyone was involved.

This is a frank, compassionate book written to those who contemplate suicide as a way out of their situations. The author issues an invitation to life, helping people accept the imperfections of their lives, and opening eyes to the possibilities of love.

Where the Crawdads Sing (Movie Tie-In)

Why It's So Hard for White People to Talk About Racism

By John Green -- Sidekick

How To Win Friends And Influence People

The Love Hypothesis

Dark Calendars

Everyone has an opinion, anecdote, or horror story about women and work. Now the acclaimed author of *What the Most Successful People Do Before Breakfast* shows how real working women with families are actually making the most of their time. "Having it all" has become the subject of countless books, articles, debates, and social media commentary, with passions running high in all directions. Many now believe this to be gospel truth: Any woman who wants to advance in a challenging career has to make huge sacrifices. She's unlikely to have a happy marriage, quality time with her kids (assuming she can have kids at all), a social life, hobbies, or even a decent night's sleep. But what if balancing work and family is actually not as hard as it's made out to be? What if all those tragic anecdotes ignore the women who quietly but consistently do just fine with the juggle? Instead of relying on scattered stories, time management expert Laura Vanderkam set out to add hard data to the debate. She collected hour-by-hour time logs from 1,001 days in the lives of women who make at least \$100,000 a year. And she found some surprising patterns in how these women spend the 168 hours that every one of us has each week. Overall, these women worked less and slept more than they assumed they did before they started tracking their time. They went jogging or to the gym, played with their children, scheduled date nights with their significant others, and had lunches with friends. They made time for the things that gave them pleasure and meaning, fitting the pieces together like tiles in a mosaic—without adhering to overly rigid schedules that would eliminate flexibility and spontaneity. Vanderkam shares specific strategies that her subjects use to make time for the things that really matter to them. For instance, they . . .

- * Work split shifts (such as seven hours at work, four off, then another two at night from home). This allows them to see their kids without falling behind professionally.
- * Get creative about what counts as quality family time. Breakfasts together and morning story time count as much as daily family dinners, and they're often easier to manage.
- * Take it easy on the housework. You can free up a lot of time by embracing the philosophy of "good enough" and getting help from other members of your household (or a cleaning service).
- * Guard their leisure time. Full weekend getaways may be rare, but many satisfying hobbies can be done in small bursts of time. An hour of crafting feels better than an hour of reality TV. With examples from hundreds of real women, Vanderkam proves that you don't have to give up on the things you really want.

***I Know How She Does It* will inspire you to build a life that works, one hour at a time.**

#1 New York Times Bestseller "THIS. This is the right book for right now. Yes, learning requires focus. But, unlearning and relearning requires much more—it requires choosing courage over comfort. In *Think Again*, Adam Grant weaves together research and storytelling to help us build the intellectual and emotional muscle we need to stay curious enough about the world to actually change it. I've never felt so hopeful about what I don't know." —Brené Brown, Ph.D., #1 New York Times bestselling author of *Dare to Lead* The bestselling author of *Give and Take* and *Originals* examines the critical art of rethinking: learning to question your opinions and open other people's minds, which can position you for excellence at work and wisdom in life Intelligence is usually seen as the ability to think and learn, but in a rapidly changing world, there's another set of cognitive skills that

might matter more: the ability to rethink and unlearn. In our daily lives, too many of us favor the comfort of conviction over the discomfort of doubt. We listen to opinions that make us feel good, instead of ideas that make us think hard. We see disagreement as a threat to our egos, rather than an opportunity to learn. We surround ourselves with people who agree with our conclusions, when we should be gravitating toward those who challenge our thought process. The result is that our beliefs get brittle long before our bones. We think too much like preachers defending our sacred beliefs, prosecutors proving the other side wrong, and politicians campaigning for approval--and too little like scientists searching for truth. Intelligence is no cure, and it can even be a curse: being good at thinking can make us worse at rethinking. The brighter we are, the blinder to our own limitations we can become. Organizational psychologist Adam Grant is an expert on opening other people's minds--and our own. As Wharton's top-rated professor and the bestselling author of *Originals* and *Give and Take*, he makes it one of his guiding principles to argue like he's right but listen like he's wrong. With bold ideas and rigorous evidence, he investigates how we can embrace the joy of being wrong, bring nuance to charged conversations, and build schools, workplaces, and communities of lifelong learners. You'll learn how an international debate champion wins arguments, a Black musician persuades white supremacists to abandon hate, a vaccine whisperer convinces concerned parents to immunize their children, and Adam has coaxed Yankees fans to root for the Red Sox. *Think Again* reveals that we don't have to believe everything we think or internalize everything we feel. It's an invitation to let go of views that are no longer serving us well and prize mental flexibility over foolish consistency. If knowledge is power, knowing what we don't know is wisdom.

The Secret Life of Bees set in Johannesburg, now in paperback. A perceptive and searing debut about Apartheid South Africa, as told through the story of one unique family brought together by tragedy. *Life under Apartheid* has created a secure future for Robin Conrad, a nine-year-old white girl living with her parents in 1970s Johannesburg. In the same nation, but worlds apart, Beauty Mbali, a Xhosa woman in a rural village in the Bantu homeland of the Transkei, struggles to raise her children alone after her husband's death. Their meeting should never have occurred...until The Soweto Uprising, in which a protest by black students ignites racial conflict, alters the fault lines on which their society is built, leaving Robin's parents dead and Beauty's daughter missing. In the aftermath, Beauty is hired to care for Robin, and the two forge an inextricable bond through their deep personal losses. But Robin knows that if Beauty reunites with her daughter, Robin could lose her new caretaker forever, so she makes a desperate decision with devastating consequences. Told through Beauty and Robin's alternating perspectives, the two narratives interweave to create a rich and complex tapestry of the emotions and tensions at the heart of Apartheid South Africa. *Hum If You Don't Know the Words* is a beautifully rendered look at loss, racism, and the creation of family.

After the death of the beloved aunt who has raised her, twelve-year-old Summer and her uncle Ob leave their West Virginia trailer in search of the strength to go on living.

I Don't Know How She Does It!

Young Cassie Logan endures humiliation and witnesses the racism of the KKK as they embark on a cross-burning rampage, before she fully understands the importance her family attributes to having land of their own.

The prolific actress best known for her appearances in such productions as the Oscar-winning *The Descendants* presents a collection of comedic essays on topics ranging from stepmotherhood to midnight shopping trips at the pharmacy. 100,000 first printing.

On the heels of her three runaway hits, *Bookends*, *Mr. Maybe*, and *Jemima J*, Jane Green delivers a sparkling, sexy tale about the complexities of modern motherly love. Bestselling author Jane Green has won the hearts of thousands of readers with her fresh take on single life and the dating jungle. Now in *Babyville*, she applies her golden touch to the next phase of a girl's life, in an irresistible new novel about two young women coping with the chimes of their biological clocks, and one independent glamour-girl who tries to tune hers out. Meet Julia, a wildly successful television producer who appears to have the picture-perfect life. But beneath the surface, things are not as perfect as they seem. Stuck in a loveless relationship with her boyfriend, Mark, Julia thinks a baby is the answer . . . but she may want a baby more than she wants her boyfriend. Will a trip to New York City with a jet-setting friend--and all the glittering energy and eligible men the city brings--help her discover what she really needs? Maeve, on the other hand, is allergic to commitment. A feisty, red-haired, high-power career girl, she cherishes her ability to do just as she pleases and breaks out in a rash every time she passes a stroller. But when her no-strings-attached nightlife leads to an unexpected pregnancy, her reaction may be just as unexpected. And then there's Samantha--happily married and eager to be the perfect June Cleaveresque mother. But baby George brings only exhaustion, extra pounds, and marital strife to her once tidy life. Is having an affair with a friend's incredibly sexy husband the answer? By turns witty, rollicking, and tender, *Babyville* isn't really a story about babies--it's about three friends whose lives are suddenly turned upside-down by that life-changing event that hangs over the head of every girl: motherhood.

New York Times Bestseller USA Today Bestseller The Globe and Mail Bestseller Publishers Weekly Bestseller Whose truth is the lie? Stay up all night reading the sensational psychological thriller that

has readers obsessed, from the #1 New York Times bestselling author of *It Ends With Us*. Lowen Ashleigh is a struggling writer on the brink of financial ruin when she accepts the job offer of a lifetime. Jeremy Crawford, husband of bestselling author Verity Crawford, has hired Lowen to complete the remaining books in a successful series his injured wife is unable to finish. Lowen arrives at the Crawford home, ready to sort through years of Verity's notes and outlines, hoping to find enough material to get her started. What Lowen doesn't expect to uncover in the chaotic office is an unfinished autobiography Verity never intended for anyone to read. Page after page of bone-chilling admissions, including Verity's recollection of the night her family was forever altered. Lowen decides to keep the manuscript hidden from Jeremy, knowing its contents could devastate the already grieving father. But as Lowen's feelings for Jeremy begin to intensify, she recognizes all the ways she could benefit if he were to read his wife's words. After all, no matter how devoted Jeremy is to his injured wife, a truth this horrifying would make it impossible for him to continue loving her.

The Life of Kate Reddy, Working Mother : a Novel

NOW AN EMMY-NOMINATED HULU ORIGINAL SERIES □ NEW YORK TIMES BESTSELLER □ "A stunning novel about the transformative power of relationships" (People) from the author of *Conversations with Friends*, "a master of the literary page-turner" (J. Courtney Sullivan). ONE OF THE TEN BEST NOVELS OF THE DECADE—Entertainment Weekly TEN BEST BOOKS OF THE YEAR—People, Slate, The New York Public Library, Harvard Crimson AND BEST BOOKS OF THE YEAR—The New York Times, The New York Times Book Review, O: The Oprah Magazine, Time, NPR, The Washington Post, Vogue, Esquire, Glamour, Elle, Marie Claire, Vox, The Paris Review, Good Housekeeping, Town & Country Connell and Marianne grew up in the same small town, but the similarities end there. At school, Connell is popular and well liked, while Marianne is a loner. But when the two strike up a conversation—awkward but electrifying—something life changing begins. A year later, they're both studying at Trinity College in Dublin. Marianne has found her feet in a new social world while Connell hangs at the sidelines, shy and uncertain. Throughout their years at university, Marianne and Connell circle one another, straying toward other people and possibilities but always magnetically, irresistibly drawn back together. And as she veers into self-destruction and he begins to search for meaning elsewhere, each must confront how far they are willing to go to save the other. *Normal People* is the story of mutual fascination, friendship and love. It takes us from that first conversation to the years beyond, in the company of two people who try to stay apart but find that they can't. Praise for *Normal People* "[A] novel that demands to be read compulsively, in one sitting."—The Washington Post "Arguably the buzziest novel of the season, Sally Rooney's elegant sophomore effort . . . is a worthy successor to *Conversations with Friends*. Here, again, she unflinchingly explores class dynamics and young love with wit and nuance."—The Wall Street Journal "[Rooney] has been hailed as the first great millennial novelist for her stories of love and late capitalism. . . . [She writes] some of the best dialogue I've read."—The New Yorker

Kate Reddy, a hedge fund manager and mother of two, struggles to juggle her professional and personal lives and to balance--often unsuccessfully--on the tightrope of work and home.
