If you've ever desired to more deeply connect with the Bible, or the God of the Bible, this book is for you! Sometimes we forget that the Bible is actually one cohesive Story. Instead, we use it as a manual for morality, view it as a string of disconnected stories, or consult it as a compilation of theological doctrines. But in Always Love, you'll rediscover the Bible's overarching narrative as themes are woven together revealing a seamless story from beginning to end. After following these themes through each major twist and turn, through difficult passages normally glossed over, through narrative, poetry, and ancient history, you won't read the Bible the same way again! And more than that, you'll be inspired to respond to God's Always Love for you and find your place in His Story. Always Love is accessible, engaging, illuminating. Sara takes the reader on a captivating journey through the Bible by employing a beautiful combination of creative prose and theological wisdom. And, whether you are new to the Scriptures or very familiar with them, a single chapter has the power to transform you. Jason Thomas - Executive Vice President, InterVarsity. Sara Lubbers has done a magnificent job of choosing key stories of the Bible and weaving them together with the thread of Always Love, resulting in a powerful and creative presentation of God's truth wrapped in refreshingly alive language. This is a gem not only for young readers of God's truth, but for those of all generations who retain an adventurous spirit and a love for God's Biblical narrative. Dr. Kate R. Pocklington - Serving in Leadership Development & Missional Formation. This is a fun and creative book! Sara tackles some both well-known and more obscure sections of the Bible and weaves them into the main storyline. It would be great for reading with children, but I think every adult Christian would benefit from it, too.Dusty Thompson - Lead Pastor at Redeemer Church in Lubbock, Texas. Sara Lubbers has written an extraordinary book about the story of salvation. Her unique and creative retelling of the old stories captures the imagination and refreshes the soul. I was challenged and encouraged by reading it and trust it will be a blessing to many of all ages and stages in their faith journey.T.J. MacLeslie - Author of Designed for Relationship (and other titles). In a time when people are asking hard questions about the character of God and how the Bible connects, Old to New, this is the book I will hand to my friends and seekers alike, with complete confidence. The timeless truth of the Gospel and the unwavering love of the Father weaves from story to story highlighting the reality that God is both just and love, and I believe readers will walk away with a greater understanding that from beginning to end, His love is always true, and that is Good News. Paige Allen - Executive Pastor of Outreach at Church on the Rock; Founder of Pursue Missions; Author of Road Signs. For the young reader, for anyone taking up the Bible for the first time, or for anyone familiar with a trove of Bible stories but unsure how they all connect to its central message, I highly commend Sara Lubbers' Always Love as a companion volume to Holy Writ. With skill and insight she weaves together key biblical moments into a coherent and seamless whole. She handles large portions of Biblical literature with remarkable concision, distilling each to the essential components necessary to drive the narrative forward. It's both imaginative and faithful to the biblical texts. In my view, it's greatest strength lies in its Christocentric focus, illustrating from the outset how Jesus, prefigured in every Old Testament story, is the fulfillment of God's plan to redeem the world, and highlighting how Christ's ministry in the New Testament is the attainment of every divine promise and the realization of every human longing... When his close friend, the Duke of Rothwell, asks him to look out for his sister, Lady Lucinda Hughlot, during her first London Season, Gerald is happy to oblige. After all, it will put him even more conveniently in the way of eligible ladies. Yet he’s completely oblivious to Lucinda’s growing attraction to him... Lucinda is thrilled to finally be having her Season. Her mother would be thrilled as well, except for the scandal the late duke caused before his death. To avoid gossip, the dowager duchess has decided an arranged match will cover her chaperoning duties. Lucinda, however, is far from pleased with her mother’s choice of the Marquis of Quorndon—especially with her heart set on Lord Elliott. There is only one solution: Lucinda will find a lady for Quorndon. Then she will convince Lord Elliott of their love—and together they will convince her mother. The inspirational, encouraging final book from the legendary leadership expert Stephen R. Covey, internationally bestselling author of The 7 Habits of Highly Effective People. Stephen R. Covey spent his long and storied career inspiring millions of individuals to make their lives more effective, compassionate, and meaningful. Near the end of his life, Covey felt there was a final component to his work: How to live your best life no matter your age? How to best respond to life-challenging experiences? How to approach the challenges and opportunities of middle to later life—like raising children, caring for your parents, leading and inspiring others, staying on top of your career, contributing to your community, and what follows next? Live Life in Crescendo is Covey’s answer to these questions, outlining his vision for those in the prime of life, whatever age you may be. Covey urges all to “live life in crescendo,” continually growing in contribution, learning, and influence. In the same way that music builds on the previous notes, life too, builds on the past and unfolds in the future. This crescendo mentality urges you to use whatever you have—your time, talents, resources, gifts, passion, money, and influence—to enrich the lives of people around you, including your family, neighborhood, community, and the world. Cowritten with his daughter, Cynthia Covey Haller, and published posthumously, Live Life in Crescendo is a life-changing and life-affirming book that befits the generosity and wisdom of the late Stephen R. Covey.

A collection of poems by gifted contemporary poets pays tribute to mothers and motherhood

A deeply-reported examination of why "doing what you love" is a recipe for exploitation, creating a new tyranny of work in which we cheerily acquiesce to doing jobs that take over our lives. You're told that if you "do what you love, you'll never work a day in your life." Whether it's working for "exposure" and "experience," or enduring poor treatment in the name of "being part of the family," all employees are pushed to make sacrifices for the privilege of being able to do what we love. In Work Won't Love You Back, Sarah Jaffe, a preeminent voice on labor, inequality, and social movements, examines this "labor of love" myth—the idea that certain work is not really work, and therefore should be done out of passion instead of pay. Told through the lives and experiences of workers in various industries—from the unpaid intern, to the overworked teacher, to the nonprofit worker and even the professional athlete—Jaffe reveals how all of us have been tricked into buying into a new tyranny of work. As Jaffe argues, understanding the trap of the labor of love will empower us to work less and demand what our work is worth. And once freed from those binds, we can finally figure out what actually gives us joy, pleasure, and satisfaction.

Quinn and Graham’s perfect love is threatened by their imperfect marriage. The memories, mistakes, and secrets that they have built up over the years are now tearing them apart. The one thing that could save them might also be the very thing that pushes their marriage beyond the point of repair. All Your Perfects is a profound novel about a damaged couple whose potential future hinges on promises made in the past. This is a heartbreaking page-turner that asks: Can a resounding love with a perfect beginning survive a lifetime between two imperfect people?
