*Petra Hewitt's the top ballerina in the world, and The Great Rubio her obvious counterpart, so why does she want to strangle him whenever he's around? He's haughty, abrupt, demanding—and alarmingly sexy. Petra knows Rubio is dangerous to her heart, to her peace of mind, and worst of all, to her career, but his rough flirtation compels her. When she gets a chance to play with him at a BDSM party, their professional partnership takes a feverish left turn. After that, any attempts to keep him at arm's length falter in the face of his obstinate sexuality. Rubio's methods are ruthlessly erotic as he introduces her to the pleasures of sadism, bondage, pain, and submission. The more Petra tries to resist him, the more she craves his strength and control. But as they play their sensual games of dominance and submission, career pressures mount, and an overzealous fan brings dangerous tension to their relationship. Soon, the dream gives way to the stark reality of her vulnerability. Maybe, just maybe, some risks are too terrifying to take.*

*To win her submission, he'll have to lay to rest the dangerous ghosts of their past. Isabella lost her husband years ago to his addictions. Abandoned in their silent home, rudderless, she lost herself, diminished to nothing. Now widowed, she's returned a year after the funeral to finally dispose of that house. Alone. An epic mistake, with memories still echoing from the walls. When his brother Marcos appears, holding out his hand to help, calling her Ella in that commanding voice, her insides go warm, pliable, willing. Soaking up the strength and calm she's been sorely lacking. An ex black-ups operative, Marcos Santos did the right thing. He let Ella go to the arms of his brother, thinking she'd be safer. He couldn't have been more wrong. Now he's determined to make the most of his second chance with the woman who's never left his heart. The woman who trusted the wrong man to be her Master. But before he can win the gift of her submission, he'll have to lay the ghosts of their past to rest. Ghosts that are dangerous...and armed to the teeth. ~~~~~ Perfect, a stand-alone book in the interconnected Elite Doms of Washington series, is a smoking-hot romance to leave you breathless.*

What does it really mean to be a submissive, or sub? Much of what we see in BDSM practice, especially in the mainstream, focuses on how to become dominant and act like the ideal Dom or Master, or "Top." However, a lot of newcomers are confused as to how this works. They vaguely understand that the submissive or sub or slave is supposed to obey. But they don't understand the emotional dynamics, or how to act like the ideal sub, or even how to enjoy the experience. That's what this book is going to teach you: How to be a better sub, and have a happy & healthy BDSM lifestyle. Here are just some of the things you will discover in volume 1 of "Submissive's Guide To BDSM": - Why you want to experience punishment... - The science of pain & pleasure... - Type of Doms to beware of... - How to pick the right Dom just for you... - How to protect yourself from wannabe Doms and predators... - The right way to explore taboo fantasies in BDSM... - Type of limits and when & how to use them... - How to communicate with your Dom... - Common mistakes new subs make... - How to "train" your Master... - How to "fire" your Dom if it's not working out... - And much more...

A fierce alpha who gets everything he wants, and an omega who only wants to belong... Years ago, shifters and humans were driven from Detroit by a savage hybrid of hyena and reptile created in a government lab. The one-proud city is now in ruins, but Jacob Kross intends to change that. Jake is wealthy, powerful, and an alpha wolf shifter leading one of the largest packs in New Detroit. He is building an alliance to fulfill his late father's dream of reclaiming their territory. Only Jake has a problem. The other pack alphas demand that he produce an heir or lose his place as head of the shifter council. Jake grudgingly agrees, but he rejects any political betrothal to a female from the other packs. If he has to breed, he might as well do it with a male, the gender he prefers between the sheets. Besides, an omega—the result of a genetic shifter mutation that allows a male to carry a child—will guarantee him the heir he needs. Only he never counted on one vulnerable, wide-eyed omega stealing his way into Jake's guarded heart... Gavin is an omega wolf without a pack. He grew up on the streets of New Detroit as a homeless refugee. For him, life has always been a struggle made worse by his inherently submissive nature. So when a wealthy alpha suddenly promises him a huge amount of money to give birth to his heir, Gavin sets aside his reservations and signs the contract. Jacob Kross is just as dominant, fierce, and intense as he imagined. The alpha intends to breed Gavin the old-fashioned way, and that has him both terrified and excited. But as he comes to know Jake, it grows harder to avoid falling in love with the alpha whose ferocity and ambition hides a kind, generous heart. He knows that after he gives Jake an heir, the contract is over, and his time with the alpha is done. Gavin only wants a pack of his own and someone to love him, but politics and Jake's ambitions make that impossible...and time is running out. Reader note: contains M/M Mpreg wolf shifters, hot romance elements, and male male love

Shortlisted for the Lambda Literary best Trans Non-Fiction Award 2021 Winner of the AASECT Book Award for Sexuality Professionals 2021 Despite the increasing visibility of trans and non-binary folk in media, political representation, and popular culture, their sexual lives and erotic embodiments are woefully under-attended-to in both scholarship and clinical practice. The aim of this book is to equitably provide both conceptual frameworks and concrete tools for better engaging their trans, non-binary, and gender expansive clients in pleasure-centered discussions of sexual health. Challenging the dominant images of trans sexualities that appear in the existing literature, such as an emphasis on avoiding gender dysphoria, the preservation of sexual function, or on sexual lesions that may arise as a result of transition pathways, Trans Sex offers a pleasure-positive approach to working with trans clients. Providing concrete clinical practices and practical activities that utilize social justice, intersectional trans feminism, and radical queer theory as key conceptual frameworks, this groundbreaking text is designed to be accessible to a wide range of providers. This book draws on Fielding' s experiences as both a trans client/patient and as a therapist to shift and expand the conversation and includes contributions from other trans and non-binary providers working at the intersection of gender-affirmative care and sexuality. Trans Sex seeks to move trans sexualities from the margins of gender-affirmative clinical practice, to center pleasure, and to spark creativity and empathic attunement within the client-provider relationship. Whether they be mental health or medical providers, trainees, or seasoned practitioners in gender-affirmative work or sexualities, readers will be able harness creative strategies to enhance their practice and become more imaginative providers.

After revealing almost all of her body to the two men, she balks and wonders if this is the right job for her. The club owner, Master Turner Pike, and his friend Master Barry Winston are the most dominant, handsome, masculine men Charlie has ever encountered. Unbeknownst to her, Charlie is a natural submissive and the two men pick up on those personality characteristics right away. They want to explore a relationship with the sexy, voluptuous little sub. Just when things seem to be looking up for the three and their relationship is heading in a positive direction, danger is lurking in the shadows. Malevolence comes calling to Charlie's doorstep, and it's a race against time for the two Doms to save her.

Savannah/Savi escaped eleven years of abuse at the hands of her father and finally made a safe life for herself and her daughter. But when her father once again threatens her peace of mind—and her daughter's safety—Savi runs to Damian Orlando for protection. Eight years earlier as Savannah, she shared one perfect day with Damian that changed both their young lives and resulted in a secret she no longer can hide. But being with Damian reawakens repressed memories and feelings she wants to keep buried. After witnessing a scene with Damian on Savi's first night at his private club, however, she begins to wonder if he could help her regain control of her life and reclaim her sexuality and identity. Damian, a wounded warrior, has had his own dragons to fight in life, but has never forgotten Savannah. He will lay down his life to protect her and her daughter, but doesn't believe he can offer more than that. She deserves a whole man, something he can never be after a firefight in Iraq. Damian has turned to SM to regain control of his life and emotions and fulfills the role of Service Top to "bottoms" at the club. However, he could never deliver those services to Savi, who needs someone gentle and loving, not the man he has become. Will two wounded survivors find love and healing in each other's arms?

Much of what we've "heard" about BDSM and the lifestyle is wrong. Our opinions on this lifestyle and art form are oftentimes shaped by other people who have heard something about it and perhaps embellished it to the point of perpetuating myths. The truth is that BDSM is not degrading towards women, and it's also a concept that you intimidate and scary." And even the "pay an artist" by the type of pain people think can secure his obsession for Doms/Masters in training. It is written for you, the average guy or gal, who doesn't already have a closet full of leather and whips, and who really has little idea about what BDSM is besides what they've heard about it. What you are going to find out, is that the Dom/Master actually has the more complicated role. The master has the task of giving pleasure and discipline to the slave or sub. A great deal of what you do as a Dom will be for the benefit of a sub. You must derive pleasure from giving, have a great desire to please a partner, and not simply take what you want. Still interested? Good. Now that we know you're a REAL master in training, one that will respect the rules, respect the slave you have power over, and follow protocol, you can begin your Dom training. Only then can you truly earn the utmost respect and admiration from your sub. In Volume 1 of this series we are going to discuss: - How to think and act like a Dom - What the slave expects from you - What not to do and what instincts you do NOT want to follow - Your motivation and your goals - How to find out a sub's taboo - How to negotiate, find agreement and ensure that game play is always safe - How to make a slave yearn for you and desire to be controlled by you - And much more...

I never thought I'd have a sexual awakening at 34, but, well...here I am: River Burke, novice deviant and master class necrotic mess. With my laundry list of control issues, submission doesn't exactly come naturally, but I figure if I can find the right person-someone big, buff, and crazy intimidating-maybe I can learn to let go. And then in walks Ellison Fitch. He's not at all what I thought I was looking for, but with his piercing eyes, his too-personal questions, and his brilliant mind, he's under my skin from the moment we meet. He makes me squirm in all the best ways with nothing but a look and a word, and I can see he loves that as much as I do. I thought I wanted someone to push me around, but it turns out I want someone to take me apart. While Ellison systematically dismantles every one of my barriers, I can't help but wonder if he'll ever drop his for me. Does he even want to let me in, or am I too lost, too broken to fill his needs the way he fills mine? I have to know, because now that I've had a taste of submission at his hand, I can't stop thinking about how good it felt to be on my knees for him. Let's be honest here: I'm going to let this man break me into pieces. I only hope he'll be there to put me back together again. Truth By His Hand is a 120,000 word contemporary gay romance with strong BDSM themes and many explicit scenes. It's a standalone novel with a guaranteed happy ending.

Fear, Jen has been coaching her readers on all sex-related matters through her articles in Penthouse and posts on Nerve, an online magazine. A self-proclaimed authority on the subject of sex (and specifically BDSM), Jen spent her early twenties working as a professional submissive at a swanky Manhattan dungeon before becoming a sex surrogate for a renowned therapist. In BDSM 101, Jen shares rare insight into this oftentimes misunderstood world. Practical instructions are given on safety, communication, bondage, spanking, flogging, fetishes, humiliation, dirty talk, and more. Included are steamy, sometimes ridiculous anecdotes from Jen's past, interviews with her wacky art friends, and basic illustrations. According to the author, "This book is what would happen if Marquis de Sade, Andy Warhol, and Dorothy Parker got together and made a nymphomaniac Bride of Frankenstein." Useful, entertaining, and written with rare candor, BDSM 101 is something you'll want to read aloud at parties and also use privately with lovers. It will become an indispensable part of your library of perversion.

Investigative reporter, and author of Nobody's Women, Steve Miller makes a thoroughly researched inquiry into a murder that rocked the privileged world of Grosse Pointe, Michigan. Bob Bashara: husband, father, Rotary Club president and community leader. Bob Bashara: slumlord, philanthroper and BDSM enthusiast. Did he also hire a hit on his wife? Jane Bashara lived in Grosse Pointe Park, one of Metro Detroit's wealthiest communities, when she was strangled to death in her own garage by local handyman Joe Gentz. When Joe turned himself in, he told the cops everything—including how he was hired for a hit by Jane's husband. His payment: \$2,000 and a used Cadillac. Born into one of Michigan's elite families, Bob was sweeping out the back alley of a property he owned when his wife was being killed. He made sure the bartenders at the Hard Luck Lounge saw him there at the time of her murder. He'd often brought girlfriends by the same bar, and for the last year had been seen with one Rachel Gillett—riding around town in her convertible, even showing up at BDSM events in the suburbs of Detroit. When Joe Gentz confessed, his 7 IQ and barfly reputation made him less than credible. Bob successfully denied any part in his wife's murder. But he couldn't deny his attempt to have Joe killed in prison. Includes photos.

*A masterpiece of modern literature that mirrors Maughan's own career. Of Human Bondage is the first and most autobiographical of Maughan's novels. It is the story of Philip Carew, an orphan eager for life, love and adventure. After a few months studying in Heidelberg, and a brief spell in Paris as a would-be artist, Philip settles in London to train as a doctor. And that is where he meets Mildred, the loud but irresistible waitress with whom he plunges into a formative, tortured and masochistic affair which very nearly ruins him.*

Fear, Jen has been coaching her readers on all sex-related matters through her articles in Penthouse and posts on Nerve, an online magazine. A self-proclaimed authority on the subject of sex (and specifically BDSM), Jen spent her early twenties working as a professional submissive at a swanky Manhattan dungeon before becoming a sex surrogate for a renowned therapist. In BDSM 101, Jen shares rare insight into this oftentimes misunderstood world. Practical instructions are given on safety, communication, bondage, spanking, flogging, fetishes, humiliation, dirty talk, and more. Included are steamy, sometimes ridiculous anecdotes from Jen's past, interviews with her wacky art friends, and basic illustrations. According to the author, "This book is what would happen if Marquis de Sade, Andy Warhol, and Dorothy Parker got together and made a nymphomaniac Bride of Frankenstein." Useful, entertaining, and written with rare candor, BDSM 101 is something you'll want to read aloud at parties and also use privately with lovers. It will become an indispensable part of your library of perversion.*

*Investigative reporter, and author of Nobody's Women, Steve Miller makes a thoroughly researched inquiry into a murder that rocked the privileged world of Grosse Pointe, Michigan. Bob Bashara: husband, father, Rotary Club president and community leader. Bob Bashara: slumlord, philanthroper and BDSM enthusiast. Did he also hire a hit on his wife? Jane Bashara lived in Grosse Pointe Park, one of Metro Detroit's wealthiest communities, when she was strangled to death in her own garage by local handyman Joe Gentz. When Joe turned himself in, he told the cops everything—including how he was hired for a hit by Jane's husband. His payment: \$2,000 and a used Cadillac. Born into one of Michigan's elite families, Bob was sweeping out the back alley of a property he owned when his wife was being killed. He made sure the bartenders at the Hard Luck Lounge saw him there at the time of her murder. He'd often brought girlfriends by the same bar, and for the last year had been seen with one Rachel Gillett—riding around town in her convertible, even showing up at BDSM events in the suburbs of Detroit. When Joe Gentz confessed, his 7 IQ and barfly reputation made him less than credible. Bob successfully denied any part in his wife's murder. But he couldn't deny his attempt to have Joe killed in prison. Includes photos.*
