

## I Love Your Style

With a new introduction and timeless tips and tricks, the ultimate fashion bible beloved by designers and fashion lovers alike is back in print. As this cult classic style guide shows, fashion isn't just for the elite. Whether you're a lover of designer labels or a master thrifter, this book is about cultivating your personal style on any budget.Cheap Chic covers all of the basics, and provides advice for stocking up on must-have items such as button-downs, t-shirts, denim, and one-of-a-kind vintage pieces. Readers will also be inspired by the vintage photos showcasing timeless styles as well as iconic pieces worn by the celebrities that inspired them. Packed with style ideas, shopping tips, and ways to cultivate your unique look,Cheap Chic is a go-to for fashion inspiration.

What if every young girl loved her body? Love Your Body encourages you to admire and celebrate your body for all the amazing things it can do (like laugh, cry, hug, and feel) and to help you see that you are so much more than your body. Bodies come in all different forms and abilities. All these bodies are different and all these bodies are good bodies. There is no size, ability, or color that is perfect. What makes you different makes you, you--and you are amazing! Love Your Body introduces the language of self-love and self-care to help build resilience, while representing and celebrating diverse bodies, encouraging you to appreciate your uniqueness. This book was written for every girl, regardless of how you view your body. All girls deserve to be equipped with the tools to navigate an image-obsessed world. Freedom is loving your body with all its "imperfections" and being the perfectly imperfect you!

From Colleen Hoover, the #1 New York Times bestselling author of It Ends With Us, comes a moving and haunting novel of family, love, and the power of the truth. Not every mistake deserves a consequence. Sometimes the only thing it deserves is forgiveness. The Voss family is anything but normal. They live in a repurposed church, newly baptized Dollar Voss. The once cancer-stricken mother lives in the basement, the father is married to the mother's former nurse, the little half-brother isn't allowed to do or eat anything fun, and the eldest siblings are irritatingly perfect. Then, there's Merit. Merit Voss collects trophies she hasn't earned and secrets her family forces her to keep. While browsing the local antiques shop for her next trophy, she finds Sagan. His wit and unapologetic idealism disarm and spark renewed life into her—until she discovers that he's completely unavailable. Merit retreats deeper into herself, watching her family from the sidelines, when she learns a secret that no trophy in the world can fix. Fed up with the lies, Merit decides to shatter the happy family illusion that she's never been a part of before leaving them behind for good. When her escape plan fails, Merit is forced to deal with the staggering consequences of telling the truth and losing the one boy she loves. Poignant and powerful, Without Merit explores the layers of lies that tie a family together and the power of love and truth.

A romantic interpretation of French country style in a California cottage. With beautiful photography and a tale about a little forgotten house that could, Courtney shares the story of her renovation of a 1940s cottage in the California countryside. An abandoned vacation house, set in the center of rolling fields and trees becomes the cottage home of her dreams . French country style cottage filled with original elements and an exquisite mix of rustic and refined. The years of renovation allowed Courtney to create a lifestyle that is fueled by inspiration and beauty, a touch of whimsy, and an abundance of everyday elegance. The journey has been shared on her popular blog French Country Cottage, and now, through the publication of her first book, her readers will experience a reveal of more of her home and property and the inspirations behind her beloved style. Courtney's inspiring photography reveals every nuance of her style and home including a muted color palette, old brassy door knobs, chippy paint, antiques, her greenhouse and garden, and an abundance of entertaining and holiday decorating style. Blurring the lines between indoor and outdoors and embracing well worn as well loved, French Country Cottage is a style that celebrates simplicity, indulges in romance, cherishes pieces with history and believes a chandelier and fresh flowers belong in every room. A freelance photographer and author of the blog French Country Cottage, Courtney also works as an editor, brand ambassador and designer. She has a floral collection with Balsam Hill and with several licensed collections launching in 2018 and 2019, Courtney's product lines will join her long list of creative accomplishments. Her photography and home has been featured in magazines in the US and Europe including several cover shots.

Courtney is a mother of three and lives in her vintage cottage in the California countryside with her husband and adopted dog Sweet Pea: you can often find her with camera in hand capturing a whimsical moment.

“Over a decade after its publication, one book on dating has people firmly in its grip.” —The New York Times We already rely on science to tell us what to eat, when to exercise, and how long to sleep. Why not use science to help us improve our relationships? In this revolutionary book, psychiatrist and neuroscientist Dr. Amir Levine and Rachel Heller scientifically explain why why some people seem to navigate relationships effortlessly, while others struggle. Discover how an understanding of adult attachment—the most advanced relationship science in existence today—can help us find and sustain love. Pioneered by psychologist John Bowlby in the 1950s, the field of attachment posits that each of us behaves in relationships in one of three distinct ways:
• Anxious people are often preoccupied with their relationships and tend to worry about their partner’s ability to love them back
• Avoidant people equate intimacy with a loss of independence and constantly try to minimize closeness.
• Secure people feel comfortable with intimacy and are usually warm and loving. Attached guides readers determining what attachment style they and their mate (or potential mate) follow, offering a road map for building stronger, more fulfilling connections with the people they love.

The Law of Hunger, the Science of Strength, and Other Ways to Love Your Amazing Body

**As her son grows up from little boy to adult man, a mother secretly rocks him each night as he sleeps.**

**The Elements of Style William Strunk concentrated on specific questions of usage—and the cultivation of good writing—with the recommendation "Make every word tell"; hence the 17th principle of composition is the simple instruction: "Omit needless words." The book was also listed as one of the 100 best and most influential books written in English since 1923 by Time in its 2011 list.**

**Cameron Diaz shares her formula for becoming happier, healthier, and stronger in this positive, essential guide grounded in science and inspired by personal experience, a #1 New York Times bestseller. Throughout her career, Cameron Diaz has been a role model for millions of women. By her own candid admission, though, this fit, glamorous, but down-to-earth star was not always health-conscious. Learning about the inseparable link between nutrition and the body was just one of the life-changing lessons that has fed Cameron’s hunger to educate herself about the best ways to feed, move, and care for her body. In The Body Book, she shares what she has learned and continues to discover about nutrition, exercise, and the mind/body connection. Grounded in science and informed by real life, The Body Book offers a comprehensive overview of the human body and mind, from the cellular level up. From demystifying and debunking the hype around food groups to explaining the value of vitamins and minerals, readers will discover why it’s so important to embrace the instinct of hunger and to satisfy it with whole, nutrient-dense foods. Cameron also explains the essential role of movement, the importance of muscle and bone strength and why we need to sweat a little every day. The Body Book does not set goals to reach in seven days or thirty days or a year. It offers a holistic, long-term approach to making consistent choices and reaching the ultimate goal: a long, strong, happy, healthy life.**

**In Love Your Life, Not Theirs, Rachel Cruze shines a spotlight on the most damaging money habit we have: comparing ourselves to others. Then she unpacks seven essential money habits for living the life we really want--a life in line with our values, where we can afford the things we want to buy without being buried under debt, stress, and worry. The Joneses are broke. Life looks good, but hidden beneath that glossy exterior are credit card bills, student loans, car payments, and an out-of-control mortgage. Their money situation is a mess, and they're trying to live a life they simply can't afford. So why exactly do we try so hard to keep up with the Joneses? Are we really living the lives we want, or are we chasing someone else’s dream, just trying to keep up appearances on social media, at church, and in our community? Why are we letting other people set the pace for our own family’s finances? In Love Your Life, Not Theirs, Rachel shows you how to buy and do the things that are important to you--the right way. That starts by choosing to quit the comparisons, reframing the way you think about money, and developing new habits like avoiding debt, living on a plan, watching your spending, saving for the future, having healthy conversations about money, and giving. These habits work, and Rachel is living proof. Now, she wants to empower you to live the life you’ve always dreamed of without creating the debt, stress, and worry that are all too often part of the deal. Social media isn’t real life, and trying to keep up with the Joneses will never get you anywhere. It's time to live--and love--your life, not theirs. "I've never read a book about money that takes this approach--and that's a good thing! Comparison has a way of weaving itself throughout all aspects of our lives, including our money. In Love Your Life, Not Theirs, Rachel Cruze outlines the seven money habits that really matter--and they have nothing to do with keeping up with the Joneses!" Candace Cameron-Bure Actress, author, and co-host of The View "Love Your Life, Not Theirs is full of the kind of practical, straightforward advice we've come to expect from Rachel Cruze. She offers guidance on paying down debt, smart saving, and the right way to talk to your spouse about money. These indispensable tips can help with day-to-day spending decisions and put you on a path to establishing healthy financial habits." Susan Spencer Editor-in-Chief for Woman's Day "Cruze's self-deprecating and honest voice is a great resource for anyone wanting to take charge of their money. With humor and approachability, she helps her readers set themselves up for success and happiness, no matter what current financial state they may be in." Kimberly Williams-Paisley New York Times best-selling author of Where the Light Gets In "In today's world of social media, the temptation to play the comparison game is stronger than ever. Love Your Life, Not Theirs is the perfect reminder that, when it comes to money, comparison is a game you can't win. A terrific--and much needed--read." Jean Chatzky Financial Editor, NBC TODAY and Host of HerMoney with Jean Chatzky Podcast**

Glenda K. Harrison, freelance style contributor and creator of the blog, So What to Twenty, has long been enthusiastic about the subject of style. Spending her days inspiring women to identify and embrace their unique gifts, and fashion prowess, she noticed the meaning of style is often cast into a one dimensional story - usually referring to fashion, and relegated to when in fact, style is much more complex than sartorial pursuits, and extends beyond what the eye can see. After spending many years deciphering people who embody the characteristics of style, with clarity, Harrison takes us on a journey that cleverly unravels the intangible traits, as well as their wardrobe mastery, and then beautifully weaves together the person's faceted word. With the illustrations of Allison Taylor, True Style: A Look Beyond the Surface brings this subject to life, and puts substance and artistry into the true meaning of style.

A rhyming story of unconditional love with adorable illustrations of a toddler and a teddy bear who declare "I love you through and through!"

From four stunning and accomplished French women—a charming bestseller about how to slip into your inner cool and be a Parisienne. In short, frisky sections, these Parisian women give you their very original views on style, beauty, culture, attitude and men. The authors—Anne Berest, Audrey Diwan, Caroline de Maigret, and Sophie Mas—unmarried but attached, with 10 years. Talented bohemian iconoclasts with careers in the worlds of music, film, fashion and publishing, they are untypically frank and outspoken as they debunk the myths about what it means to be a French woman today. Letting you in on their secrets and flaws, they also make fun of their complicated, often contradictory feelings and behavior. They admit to love unpredictable but not unreliable. Bossy and opinionated, they are also tender and romantic. You will be taken on a first date, to a party, to some favorite haunts in Paris, to the countryside, and to one of their dinners at home with recipes even you could do -- but to be out with them is to be in for some mischief and surprises. They will tell you how to be mysterious, how to be your boyfriend jealous, and how they feel about children, weddings and going to the gym. And they will share their address book in Paris for where to go: At the End of the Night, for A Birthday, for a Smart Date, A Hangover, for Vintage Finds and much more.

You're right just the way you are, and you don't need anything to make you more beautiful. That doesn't mean, though, that hair and makeup aren't a fun way to show off your personal style. Inside this book, you'll find lots of ideas for using makeup, hair color, and nail polish to express exactly who you are. Follow the easy, step-by-step directions for hairstyles, makeup, and nail art to look that's all your own, as unique as you are!

**NEW YORK TIMES BESTSELLER • “The guardian of all style” (The New York Times Magazine) shares stories on life, love, style, and career, from Paris to New York, and inspires readers to cultivate an effortless chic that is all their own. Garance Doré, the voice and vision behind her eponymous blog, has captivated millions of readers worldwide with her fresh and appealing style through storytelling. This gorgeously illustrated book takes readers on a unique narrative journey that blends Garance's inimitable photography and illustrations with the candid, hard-won wisdom drawn from her life and her travels. Infused with her Left Bank sensibility, the eclecticism of her adopted city of New York, and the wild, passionate spirit of her native Corsica, she passes behind fashion's frontlines, peppered with French-girl-next-door wit and advice on everything from mixing J.Crew with Chanel, to falling in love, to pursuing a life and career that is the perfect reflection of you. Praise for Garance Doré and Love Style Life “The most elegant, funny, truthful book on style, love and life. Garance is an original with the cutest French wit and creative director, J.Crew “This charming book by fashion blogger Doré is part memoir and part style guide, gathered together in a chic, Gallic-inflected package.”—Publishers Weekly “One of blogdom’s most compelling storytellers.”—The New York Times “Doré’s mix of portrait photography, illustrations, collages, and stream-of-consciousness writing . . . has given us a new kind of girl crush.”—Interview “Garance Doré embodies effortless French style.”—Martha Stewart Living**

***Author of the bestselling I Love Your Style Amanda Brooks shares her personal stories, and sartorial highs and lows, from a life in fashion, with beautiful, eclectic, and inspired photographs throughout. An authentic voice in the world of style and how-to books, Amanda Brooks, with her unique and enviable yet accessible style, has inspired thousands of women of all ages to find their own personal look and explore their identity through the clothes they love to wear. In the past twenty years, Brooks has worked as a photo assistant for Patrick Demarchelier, a “gallerina” at the Gagosian Gallery, and at various fashion posts, before finding her dream job as fashion director for Barneys New York. Along the way—and wearing more than a few of the kinds of outfits we’ve all regretted at one point or another—Brooks has discovered the key to creating her personal style, combining influences as wide-ranging as childhood prep school, Grateful Dead concerts, contemporary artists, pop culture, and her current home outside of the fashion bubble, a farm where she lives with her family (and a host of animals) in England. Brooks recalls her early career aspirations and explores the evolution of her own personal style in stories of successes and failures alike, and offers fashion and beauty tips and inspiring photographs throughout. Always Pack a Party Dress is a must-read for high fashion or street style aficionados. In this gorgeously produced gift book, Brooks shares her expertise and insider view with warm, candid, and witty prose.***

Harness the power of your wardrobe to achieve your dreams with this timely take on personal style from a world-renowned fashion psychologist. You may get dressed every day without really thinking about what you're putting on, but did you know that what you wear has a powerful effect on how you feel? Or that your clothes influence the way others perceive you? By making a few adjustments to your wardrobe, and learning to style from the inside out, you'll not only elevate your look, but level up your entire life. Dawnn Karen is a pioneer in the field of fashion psychology, and she has spent years studying the relationship between attire and attitude. In Dress Your Best Life she goes far beyond well-known makeover advice, pushing you to ask yourself: Are my clothing choices hurting me or helping me to achieve my life goals? Her book will help you discover your unique style story, become a smarter shopper, use color to your advantage, match moods to clothing choices, and embrace new or different standards of beauty. This knowledge is a power that you'll exercise every time you open your closet door or walk into an important meeting in just the right outfit. Packed with practical tips and cutting-edge advice, Dress Your Best Life will teach you to harness the power of fashion for the life you want to live.

From the co-founders of Havenly comes “a perfect read for anyone looking to infuse more personality and style into their space—on their own time and budget, and in their own unique way” (Rachel Zoe). “Not only do Lee and Emily unpack all their tips for creating a space that looks as good as it feels, but they do it in a way that is made for real-life application.”—Bobby Berk, design expert and host of Netflix’s Queer Eye Interior design can be daunting, and as a result, many of us never even attempt to design our own homes. In Design the Home You Love, Havenly founders Lee Mayer and Emily Motayed break down the ambiguous world of home design. First you learn how to identify your own style (whether you’re a fan of Parisian Modern or California Casual) and then how to incorporate furniture that matches your style and fits your budget. Design the Home You Love takes you step-by-step and room-by-room through each part of the house to help you fulfill your home’s potential. Whether you’re looking to give your home a complete makeover, spruce up your rental apartment, or merely take your living room from blah to fab, Lee and Emily bring fresh ideas, advice, and inspiration to the table. Illustrated with eye-catching photography and livable inspiration from real-life clients, this is the interior design book that finally makes it possible for us all to achieve our design goals.

The biggest fashion conundrum is 'what goes with what?' What kind of jewelry goes with certain outfits, what are the best colors to coordinate, what combinations should be avoided, what shoes should be worn with different pant styles, what's in fashion, and does it really matter? Creatively covering a range of outfits, trends, style icons and designs, This Goes With That offers original ways to wear clothes and fresh styling ideas for women of all ages. Style maven Alyson Walsh offers simple style formula's and playful advice to ensure that no matter what you're wearing, you always look perfectly put together. Chapters cover workwear, weekend wear, layering, tailoring and special events, preparing you for any fashion occasion. Interviews with iconic, creative women take the reader through their favorite outfits in detail and give tips on honing personal style.

Black Girls Sew supplies tools, builds skills, and offers encouragement to help young sewists create a powerful sense of self and style Black Girls Sew is a nonprofit organization built on strong messaging: teach and empower young girls to take ownership of and have pride in their clothing. Their first book offers the tools, knowledge, and vocabulary to help young people take back their fashion narrative. Black and brown girls and boys need a space where they do not have to encounter misrepresentation of their culture, and this book provides them with a safe space in which to explore their creativity. Primarily the book teaches basic sewing skills and design principles so that readers can create one-of-a-kind looks. By encouraging them to follow their curiosity, rather than telling them what to create, Black Girls Sew helps young fashionistas learn to take risks and explore creative play in clothing design. The way we dress is a means of expression, and by encouraging boys and girls to immerse themselves in the world of fashion, providing projects to create their own wares, and offering historical looks at prominent Black figures who have impacted the industry, Black Girls Sew is a guide for all who are interested in fashion, design, and building their own powerful sense of self and style.

In Confidence Culture, Shani Orgad and Rosalind Gill argue that imperatives directed at women to “love your body” and “believe in yourself” imply that psychological blocks rather than entrenched social injustices hold women back. Interrogating the prominence of confidence in contemporary discourse about body image, workplace, relationships, motherhood, and international development, Orgad and Gill draw on Foucault’s notion of technologies of self to demonstrate how “confidence culture” demands of women near-constant introspection and vigilance in the service of self-improvement. They argue that while confidence messaging may feel good, it does not address structural and systemic oppression. Rather, confidence culture suggests that women—along with people of color, the disabled, and other marginalized groups—are responsible for their own conditions. Rejecting confidence culture’s remaking of feminism along individualistic and neoliberal lines, Orgad and Gill explore alternative articulations of feminism that go beyond the confidence imperative.

Bear loves cub more than trees, mountains and stars. As they explore the world together, Bear's love for cub just grows and grows! A heartwarming celebration of nature and family.

Love What You Wear shows women how to be fabulous at ALL of their homes! High stress career got you on the move? Sick of spending thousands of dollars on clothing you never wear? Tried and failed with personal shoppers at high end department stores? Are you constantly wondering where your favorite sweater is? Love What You Wear will update your style without stress. Get dressed from ANYWHERE in the world. Look and feel great and appropriately dressed to tackle your day. Never stress about what to wear no matter what home you're in. Be your best dressed self wherever you are in the world. Styling powerhouse female clients since 2001, Alexandra's approach is easy and in-depth. Transform your style today! "What the heck is my partner thinking?" is a common refrain in romantic relationships, and with good reason. Every person is wired for love differently, with different habits, needs, and reactions to conflict. The good news is that most people's minds work in predictable ways and respond well to security, attachment, and rituals, making it possible to actually neurologically prime the brain for greater love and fewer conflicts. Wired for Love is a complete insider's guide to understanding a partner's brain and promoting love and trust within a romantic relationship. Readers learn ten scientific principles they can use to avoid triggering fear and panic in their partners, manage their partners' emotional reactions when they do become upset, and recognize when the brain's threat response is hindering their ability to act in a loving way. By learning to use simple gestures and words, readers can learn to put out emotional fires and help their partners feel more safe and secure. The no-fault view of conflict in this book encourages readers to move past a "'warring brain'" mentality and toward a more cooperative "'loving brain'" understanding of the relationship. Based in the sound science of neurobiology, attachment theory, and emotion regulation research, this book is essential reading for couples and others interested in understanding the complex dynamics at work behind love and trust in intimate relationships.

A Look Beyond the Surface

***New York Times Bestseller From Instagram star Aimee Song, creator of the popular fashion blog Song of Style, comes the very first how-to Instagram guide, breaking down the essentials to taking gorgeous photos and building your brand and following. With over three million Instagram fans, Aimee Song knows a thing or two about taking the perfect Instagram photo. And Instagram is so much more than a platform for pretty pictures. It's the fastest-growing social media network with an engaged community, a major marketing tool for brands, a place where Beyoncé drops her albums, and a hub where products can be bought with a simple double tap. Including everything from fashion, travel, food, décor, and more, Aimee includes insider tips on curating a gorgeous feed and growing an audience. In this ultimate how-to Instagram guide, you'll learn:*** · How to brighten, sharpen, and filter your photos · The best apps and filters · How to prop and style food and fashion photos · Ways to craft your voice and story on Instagram · How to gain more Instagram followers · Secrets behind building a top Instagram brand · How to transform an Instagram hobby into a successful business · Tips for driving revenue based on your following Capture Your Style will empower you to become your own master mobile photographer, whether you're looking to launch an e-commerce business or simply sharing a gorgeous meal with your friends, turning even the most mundane moment into Instagold. This is a must-have reference for anyone interested in the ins and outs of stylish personal branding.
