

I Miracoli Di Ges Ediz Illustrata

From #1 New York Times bestselling author Stephen King whose “storytelling transcends genre” (Newsday) comes “another winner: creepy and touching and horrifyingly believable” (The Boston Globe) about a group of kids confronting evil. In the middle of the night, in a house on a quiet street in suburban Minneapolis, intruders silently murder Luke Ellis’s

parents and load him into a black SUV. The operation takes less than two minutes. Luke will wake up at The Institute, in a room that looks just like his own, except there's no window. And outside his door are other doors, behind which are other kids with special talents—telekinesis and telepathy—who got to this place the same way Luke did: Kalisha, Nick, George, Iris, and ten-year-old Avery Dixon. They are all in Front Half. Others, Luke learns, graduated to Back Half, “like the roach motel,” Kalisha says. “You check in, but you

don't check out." In this most sinister of institutions, the director, Mrs. Sigsby, and her staff are ruthlessly dedicated to extracting from these children the force of their extranormal gifts. There are no scruples here. If you go along, you get tokens for the vending machines. If you don't, punishment is brutal. As each new victim disappears to Back Half, Luke becomes more and more desperate to get out and get help. But no one has ever escaped from the Institute. As psychically terrifying as Firestarter, and with the

""Some people hear music in their ears and write symphonies; others see numbers in their mind's eye and solve amazing mathematical equations. I've been called to see the supernatural."" BIBLIOGRAFIA ITALIANA

The writer of this Preface was travelling in Germany, when he chanced to meet with a book, entitled, The History of the Passion of our Lord Jesus Christ, from the Meditations of Anne Catherine Emmerich, which appeared to him both interesting and edifying. Its style

was unpretending, its ideas simple, its tone unassuming, its sentiments unexaggerated, and its every sentence expressive of the most complete and entire submission to the Church. Yet, at the same time, it would have been difficult anywhere to meet with a more touching and lifelike paraphrase of the Gospel narrative. He thought that a book possessing such qualities deserved to be known on this side the Rhine, and that there could be no reason why it should not be valued for its own sake, independent of the
