From the author of The Bride Test comes a romance novel hailed as one of The Washington Post's 50 Notable Works of Fiction in 2018 and one of Amazon's Top 100 Books of 2018! "This is such a fun read and it's also quite original and sexy and sensitive."--Roxane Gay, New York Times bestselling author "Hoang's writing bursts from the page."--Buzzfeed A heartwarming and refreshing debut novel that proves one thing: there's not enough data in the world to predict what will

make your heart tick. Stella Lane thinks math is the only thing that unites the universe. She comes up with algorithms to predict customer purchases--a job that has given her more money than she knows what to do with, and way less experience in the dating department than the average thirty-year-old. It doesn't help that Stella has Asperger's and French kissing reminds her of a shark getting its teeth cleaned by pilot fish. Her conclusion: she needs lots of practice--with a professional. Which is why she hires escort Michael Phan. The Vietnamese and Swedish stunner can't afford to turn down Stella's offer, and agrees to help her

check off all the boxes on her lesson plan--from foreplay to more-than-missionary position... Before long, Stella not only learns to appreciate his kisses, but crave all of the other things he's making her feel. Their no-nonsense partnership starts making a strange kind of sense. And the pattern that emerges will convince Stella that love is the best kind of logic... Dopo un week-end di passione a Las Vegas, Harlow e Finn si sono sposati... peccato che la loro unione sia durata solo dodici ore. Non gli ci è voluto molto tempo per scoprire di essere troppo diversi per trascorrere insieme un'intera vita. Ma non è

finita... A causa di amicizie comuni e di una chimica un po' folle, Harlow e Finn proseguono il loro rapporto, in un gioco fatto di sesso e opportunismo ma anche di vicinanza e amicizia. Mentre Harlow è intento a risolvere alcune grane familiari, Finn trascorre del tempo lontano da casa, cercando di capire quale potrà essere il prossimo passo della sua vita. I due sono uniti da qualcosa di eccitante, caldo, divertente. Ma oltre questo c'è un'altra verità: che siano intenzionati ad ammetterlo o meno, Harlow e Finn hanno bisogno l'uno dell'altra. Valentina è tornata a scuola dopo la delusione del suo amore

con Marco e vive le giornate chiusa in sé stessa, come se nulla potesse toccare il suo cuore. Ma all'improvviso arriva Mirko, un nuovo compagno di classe, e tutto sembra cambiare. Mirko è alto, moro e irresistibile. Da subito Valentina si sente attratta da lui, dal desiderio di perdersi nei suoi occhi e rivivere quelle splendide emozioni che sembravano assopite, e Mirko a sua volta cede al fascino di Vale. Ed ecco che la vita di tutti i giorni diventa un percorso pieno di salite, discese, curve, angoli nascosti e piccole insenature, finalmente diversa e imprevedibile... Finché non ricompare Marco, più in forma

Where the eye sees the brushstroke, the heart sees the truth. At thirty-five, Gabriella "Ella" Graham is a successful portrait artist in London. She captures the

essential truth in each of her subjects' faces—a tilt of the chin, a glint in the eye—and immortalizes it on canvas. But closer to home, Ella finds the truth more elusive. Her father abandoned the family when she was five, and her mother has remained silent on the subject ever since. Ella's sister, Chloe, is engaged to Nate, an American working in London, but Ella suspects that he may not be so committed. Then, at Chloe's behest, Ella agrees to paint Nate's portrait. From session to session, Ella begins to see Nate in a different light, which gives rise to conflicted feelings. In fact, through the various people she paints—including an elderly client reflecting on her life and a woman dreading the prospect of turning forty—Ella realizes that there is so much more to a person's life than what is seen on the surface. And as her portraits of Nate and the others progress, they begin to

It pays the bills but doesn't leave enough to fulfill

her dream of buying back the beloved ranch her father sold years ago. Treasured land wasn't her only loss that fateful summer, and when the man she once loved walks back into her life with a motley crew of his friends ready to hit the trails, the usually self-reliant cowgirl is thrown. Frankly Lily would like to take him out into the wilderness and leave him there. Leo Grady knew mirages were a thing in the desert, but they'd barely left civilization when the silhouette of his greatest regret comes into focus in the flickering light of the campfire. Ready to leave the past behind them, Leo wants nothing more than to reconnect with his first and only love. But Lily Wilder is all business, drawing a clear line in the sand: it's never going to happen. Unfortunately, emotions won't be led like a horse to water, and even out in the desert it's impossible to ignore the heat of attraction.
