Unmaking Migrants engages critical questions about preventing trafficking by preventing migration through a study of a shelter for trafficking victims in Lagos, Nigeria. Over the past fifteen years, antitrafficking personnel have stopped thousands of women from traveling out of Nigeria and instead sent them to the federal counter-

family's profound story is a gift. With painstaking detail, she bravely opens an intimate window into the heart wrenching roller coaster of hope and loss. I was enraged, devastated, and moved with every turn of the page. Hannah Was Here is an alarm that must be heard." ~Brian Aubert- Silversun Pickups "What Nancy has accomplished is nothing short of awe inspiring. There are so many lessons to learn from Hannah's story, with beautiful honesty through Nancy's eyes. Nancy brings recognition to the world and perhaps more importantly the medical community of "DRESS," the undisclosed and

Hannah's fight, both in life and death, carried on by her inspiring family will empower hundreds of thousands to choose the beauty of morality, courage, and love. Quite simply, Hannah has changed my life. Thank you.” ~Jamie Taylor, MD

This tragic story is urging us to better understand DRESS, and from now on drugs associated with DRESS should be avoided when unjustified.” ~Dr. Vincent Descamps-French expert on DRESS "HANNAH WAS HERE is a tribute like none other I have ever read. Nancy is a one woman army who holds the strength of a country with the touch of a mother's heart. This book should be read by all, young and old, and used to educate the world. Thank you Nancy, from the bottom of my heart." Evan Lesser, Film Producer. "I've never read anything so quick. I'm a slow reader by trade--which makes being a

You've poured your soul into this writing-and the work you're doing now to inform parents and kids of the dangers of prescriptions and how they're prescribed is such a fitting tribute. I'm just so incredibly moved by what you've written here. Thank you so much"

prepared me for this raw look at the emotional upheaval the entire family experienced. It's unbelievable reading all that Hannah's young mind and body endured. Nancy leaves out nothing, telling her families journey and how they came to be enmeshed in a united battle for Hannah's life. The grisly details of hospital life are intertwined with family history, emails, and journal entries from a remarkable young lady. I knew it was to be a cautionary tale, important for families to read before deciding about acne treatments, but this is a compelling story for any reader. ~Patty Kingsley Principal

It combines a lifetime's familiarity with Greek literature and history with the latest archeological discoveries and the author's own journeys to the main sites in the story to describe how particular Greeks of the eighth century BC travelled east and west around the Mediterranean, and how their extraordinary journeys shaped their ideas of their gods and heroes. It gathers together stories and echoes from many different ancient cultures, not just the Greek - Assyria, Egypt, the Phoenician traders - and ranges from Mesopotamia to the Rio Tinto at Huelva in modern Portugal. Its central point is the Jebel Aqra, the great mountain on the north Syrian coast which

Robin Lane Fox dubs 'the southern Olympus', and around which much of the action of the book turns.

Robin Lane Fox rejects the fashionable view of Homer and his near-contemporary Hesiod as poets who owed a direct debt to texts and poems from the near East, and by following the trail of the Greek travellers shows that they were, rather, in debt to their own countrymen. With characteristic flair he reveals how these travellers, progenitors of tales which have inspired writers and historians for thousands of years, understood the world before the beginnings of philosophy and western thought.
