

Ib Course Companion Economics Second Edition

Comprehensively updated for the latest syllabus, for first teaching September 2017, and developed directly with the IB, the second edition of this popular Psychology Course Book provides thorough coverage of all core and optional units at Standard and Higher Level, as well as assessment preparation support. Engaging, full-colour activities and in-depth, international case studies bring the theory to life, while structured opportunities for critical thinking and concept-based learning help to develop enquiring and independent learners. Clear and accessible language, a robust reference section, support for the Internal Assessment and TOK links ensure that all learners progress through the DP Psychology course with confidence.

Developed with the IB for the latest syllabus at SL and HL, this comprehensive course book is packed with topical case studies to drive critical thought. Written by an IB team leader and workshop leader, it integrates the learner profile and includes skills development and fieldwork support, for optimal achievement.

Ensure students can aim for their best grade with the help of accurate and accessible notes, expert advice, and exam-style questions on each key topic. - Builds revision skills through a range of strategies and detailed expert advice - Covers all the knowledge with concise, clear explanations of all the syllabus requirements and topics - Demonstrates what is required to get the best grades with tips, sample questions and model answers Answers are free online at www.hoddereducation.com/IBextras

Reinforce and improve your students' quantitative skills with this write-in workbook, which includes exam-style practice questions. - Prepare for the new assessment model with exam-style questions that are broken down to help students understand the question as a whole and the way they will need to tackle it. - Questions are presented in the chronological order of the syllabus, to aid knowledge and understanding of the new course (first exams 2022). - Provides lots of opportunities to practice quantitative skills, techniques and methods with exam-style questions. - Detailed mark schemes are provided to support students' assessment success, from a highly experienced author, IB workshop leader and teacher. - Answers available to download for free: www.hoddereducation.co.uk/ib-extras

Economics for the IB Diploma: Quantitative Skills Workbook

IB Sports, Exercise & Health Science Course Book

Second edition

Directly linked to Oxford's bestselling DP Economics resources, this new Course Preparation resource thoroughly prepares students to meet the demands of IB Diploma Programme Economics. Ideal for students who have studied non-IB courses at pre-16 level, the text introduces learners to the IB approach, terminology and skills.

Goldie's iconic 1954 novel, with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate.

This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

A best-seller now available in full colour, covering the entire IB syllabus. This best-selling fifth edition is now available in full colour. It has been written for the IB student and covers the entire IB syllabus, including all the options at both Standard Level and Higher Level. The student-friendly design makes this comprehensive book easy to use and the accessible language ensures that the material is also suitable for students whose first

language is not English. It includes: answers to the end-of-chapter questions: worked examples highlighting important results, laws, definitions and formulae; and a glossary of key terms.

Completely updated for the 2011 syllabus at SL and HL and written by an experienced IB Economics teacher, this comprehensive study tool supports top achievement. With full coverage of the new quantitative element at HL and an expanded glossary, past exam questions build confidence and the focused approach distinctly strengthens comprehension.
