What is the state's responsibility to its people in the aftermath of a natural hazard based disaster? The book sets out to address this seemingly simple question, after large scale floods devastated Pakistan in 2010 and then again in 2011. Along the way it delves into rich detail about people's everyday encounters with the state in Pakistan, uncovers postcolonial discourses on rights of citizenship and dispels mainstream understanding of Islamist groups as presenting an alternative development paradigm to

the state. Based on detailed ethnographic fieldwork, *In the Wake of the Disaster* forces the reader to look beyond narratives of Pakistan as the perennial 'failing state' falling victim to an imminent 'Islamist takeover'. The book shifts the conversation from hysteria and sensationalism surrounding Pakistan to the everyday. In doing so it transforms our understanding of contemporary disasters.

Exploring blockchain and bitcoin, Magnuson shows how the technology rife with crime and speculation also offers innovation and hope.

Unlocking Us! NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BLOOMBERG

Leadership is not about titles, status, and wielding power. A leader is anyone who takes responsibility for recognizing the potential in people and ideas, and has the courage to develop that potential. When we dare to lead, we don't

pretend to have the right answers; we stay curious and ask the right questions. We don't see power as finite and hoard it; we know that power becomes infinite when we share it with others. We don't avoid difficult conversations and situations; we lean into vulnerability when it's necessary to do good work. But daring leadership in a culture defined by scarcity, fear, and uncertainty requires skill-building around traits that are deeply and uniquely human. The irony is that we're choosing not to invest in developing the hearts and minds of leaders at the exact

same time as we're scrambling to figure out what we have to offer that machines and AI can't do better and faster. What can we do better? Empathy, connection, and courage, to start. Four-time #1 New York Times bestselling author Brené Brown has spent the past two decades studying the emotions and experiences that give meaning to our lives, and the past seven years working with transformative leaders and teams spanning the globe. She found that leaders in organizations ranging from small entrepreneurial startups and family-owned businesses to

nonprofits, civic organizations, and Fortune 50 companies all ask the same question: How do you cultivate braver, more daring leaders, and how do you embed the value of courage in your culture? In this new book, Brown uses research, stories, and examples to answer these questions in the no-BS style that millions of readers have come to expect and love. Brown writes, "One of the most important findings of my career is that daring leadership is a collection of four skill sets that are 100 percent teachable, observable, and measurable. It's learning

and unlearning that requires brave work, tough conversations, and showing up with your whole heart. Easy? No. Because choosing courage over comfort is not always our default. Worth it? Always. We want to be brave with our lives and our work. It's why we're here." Whether you've read Daring Greatly and Rising Strong or you're new to Brené Brown's work, this book is for anyone who wants to step up and into brave leadership.
