Learn to Identify Fish in Michigan! Fishing is a perfect outdoors activity for all ages and skill levels, and the Great Lake State is an angler's paradise. Reel in your catches, and make identifying those fish a snap. Now in its second edition, the popular Fish of Michigan Field Guide by Dave Bosanko features detailed information about 79 species of Michigan fish. When you're not sure what you caught, grab the handy guide and narrow your choices by family. Then identify your prize with the intricately detailed fish illustrations. Further verify the type of fish using the "Similar Species" comparison features. Then read fascinating facts on spawning behavior, feeding habits, and more. Plus, match up your best catches against the state records. This new edition includes updated information about

everything from range to state records, as well as the inclusion of six new species. A new section on fishing tips offers pointers to help you catch more fish, and more information on invasive species can help prevent their spread. With inside information for locating fishing hotspots, this book is essential for every tackle box, beach bag, RV, and cabin. Its convenient size makes it perfect for the dock or boat.

The Department of Licensing has worked to keep the notary public application process as simple as possible. A prospective notary need only submit a complete application, proof of a \$10,000 surety bond, and appropriate fees to the Department of Licensing in order to begin the process. Once an applicant has completed all application requirements and proven that he or she is eligible, the Department will have a new certificate of commission mailed out promptly. New in 2018, notaries public can also apply for an electronic records notary public endorsement, which allows the notary to perform notarial acts on electronic documents as well as paper documents. "Meat Planet explores the quest to grow meat in laboratories--a substance sometimes called "cultured meat"--And asks what it means to imagine that this is the future of food. This book takes

the reader on a tour of the laboratories, kitchens, public debates, and media events that may launch this novel food technology. While pundits and entrepreneurs promote cultured meat as a solution to the ethical and environmental problems of industrial meat, Meat Planet meditates on the philosophical, historical and anthropological meanings of future flesh"--Provided by publisher.

This book provides a complete education on how to card people correctly, consistently and professionally in the bartending and marijuana industries. It is euqally relevant to employees, managers and business owners. Inside you will learn the steps necessary to set ID policy, how to read IDs and what information they contain and how to card people effectively and correctly. You will also learn many time tested, reliable methods to catch fake IDs and what to do when that happens. Everyone involved in the bar and marijuana industries has an interest in making sure theyare complying with the law. If you're an employee you can easily lose your job if you fail a minor sting or

can be fined for serving a minor alcohol. If you own a marijuana store, bad carding can shut you down and cost you your investment. To avoid these and all the other penalties that bad carding, or worse, no carding present, you and your employees need training and support. You can find it in this book!

From the Preface: This manual, Child Protective Services: A Guide for Caseworkers, examines the roles and responsibilities of child protective services (CPS) workers, who are at the forefront of every community child protection efforts. The manual describes the basic stages of the CPS process and the steps necessary to accomplish each stage: intake, initial assessment or investigation, family assessment, case planning, service provision, evaluation of family progress, and case closure. Best practices and critical issues in casework practice are underscored throughout. The primary

audience for this manual includes CPS caseworkers, supervisors, and administrators. State and local CPS agency trainers may use the manual for preservice or inservice training of CPS caseworkers, while schools of social work may add it to class reading lists to orient students to the field of child protection. In addition, other professionals and concerned community members may consult the manual for a greater understanding of the child protection process. This manual builds on the information presented in *A Coordinated Response to Child Abuse and Neglect: The Foundation for Practice*. Readers are encouraged to begin with that manual as it addresses important information on which CPS practice is based—including definitions of child maltreatment, risk factors, consequences, and the Federal and State basis for intervention. Some manuals in the series also may be of interest in understanding the roles of other professional groups in responding to child abuse and neglect, including: Substance abuse treatment providers; Domestic violence victim advocates; Educators; Law enforcement personnel. Other manuals address special issues, such as building partnerships and working with the courts on CPS cases.

Let's face it, everyone needs to put in extra time if they want to get to the top of their field. Everyone from investment bankers to post office sorters find ways to always improve. Even the most experienced bartender can get help from resources such as a study guide on *Bartender's Guide to Shooters*. From novice to expert,
