If The Dead Rise Not Bernie Gunther Thriller 6 Bernie Gunther Mystery

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

In his final book, New York Times bestselling author Philip Kerr treats readers to his beloved hero's origins, exploring Bernie Gunther's first weeks on Berlin's Murder Squad. Summer, 1928. Berlin, a city where nothing is verboten. In the night streets, political gangs wander, looking for fights. Daylight reveals a beleaguered populace barely recovering from the postwar inflation, often jobless, reeling from the reparations imposed by the victors. At central police HQ, the Murder Commission has its hands full. A killer is on the loose, and though he scatters many clues, each is a dead end. It's almost as if he is taunting the cops. Meanwhile, the press is having a field day. This is what Bernie Gunther finds on his first day with the Murder Commisson. He's been taken on beacuse the people at the top have noticed him--they think he has the makings of a first-rate detective. But not just yet. Right now, he has to listen and learn. Metropolis is a tour of a city in chaos: of its seedy sideshows and sex clubs, of the underground gangs that run its rackets, and its bewildered citizens--the lost, the homeless, the abandoned. It is Berlin as it edges toward the new world order that Hitler will soo usher in. And Bernie? He's a guick study and he's learning a lot. Including, to his chagrin, that when push comes to shove, he isn't much better than the gangsters in doing whatever her must to get what he wants.

'One of the greatest anti-heroes ever written' LEE CHILD Bernie Gunther has learned the hard way that there's no way to distinguish 'the one from the other'. The cynical P.I. sees through the deceit and hypocrisy of both friend and foe - a lifesaving skill in postwar Germany. Munich, 1949 is home to all the backstabbing intrigue that prospers in the aftermath of war. A place where a private eye can find a lot of not-quite-reputable work: cleaning up the Nazi past of well-to-do locals, abetting fugitives in the flight abroad, sorting out rival claims to stolen goods. It's work that fills Bernie with disgust - but it also fills his sorely depleted wallet. Then a woman seeks him out. Her husband has disappeared. She's not looking to get him back - he's a wanted man who ran one of the most vicious concentration camps in Poland. She just wants confirmation that he's dead. It's a simple enough job. But in post-war Germany, nothing is simple...

They thought they were finally safe. They were wrong. Locked away inside Cheyenne Mountain, Blake and the other survivors hope it might be possible to return to the world before the rise of the dead. But the outside world is a cruel place now. Supplies are scarce. The threats are increasingly dangerous. Haunted by nightmares of the past, Blake struggles to reclaim the shreds of his life that still remain. What comes next might just be more than he can handle. This pivotal installment in the ROTD series marks the end of the world as we know it and a whole new beginning. Welcome to the post-apocalypse!

Death and Resurrection The Dead Rise First

Wherein Each Chapter is Summed Up in Its Contents: the Sacred Text Inserted at Large, in Distinct Paragraphs: Each Paragraph Reduced to Its Proper Heads: the Sense Given, and Largely Illustrated, with Practical Remarks and Observations

Debate of the Dead A Surgeon-Scientist Examines the Evidence

Former detective and reluctant SS officer Bernie Gunther must infiltrate a brutal world of spies, partisan terrorists, and high-level traitors in this "clever and compelling" (The Daily Beast) New York Times bestseller from Philip Kerr. Berlin, 1941. Bernie is back from the Eastern Front, once again working homicide in Berlin's Kripo and answering to Reinhard Heydrich, a man he both detests and fears. Heydrich has been newly named Reichsprotector of Czechoslovakia. Tipped off that there is an assassin in his midst, he orders Bernie to join him at his country estate outside Prague, where he has invited some of the Third Reich's most odious officials to celebrate his new appointment. One of them is the would-be assassin. Bernie can think of better ways to spend a beautiful autumn weekend, but, as he says, "You don't say no to Heydrich and live."

The Doctrine of Sola-Scriptura (Bible Only) teaches that Scripture (the Bible) alone is the sole source of authority for the Christian and promulgated by Martin Luther and John Calvin (1500's), this doctrine has become the ground-floor upon which all of the doctrine of Protestant-Christianity has been built. If it can be proven that Sola-Scriptura is in error and that it is an innovation to orthodox Christianity, the entire body of purely Protestant doctrine will be, subsequently, rendered void. Using Scripture itself, reason, and a spoon full of humor, David L. Gray (also called Yoseph Daviyd) brilliantly reduces the doctrine of Sola-Scripture to absolute absurdity; thus rendering all of Protestantism Dead on Arrival. This book is a must have for all Christians who love sacred Scripture and desire to use it as God intended. This the Second Edition - The changes to the text from the previous version include additional material, modification to images, and correction of typos.

In the small town of Jordan, Oklahoma residents find themselves the victim of a shocking terrorist attack. A society so completely dependent on technology for its security and commerce has suddenly been turned upside down. Even worse than the uncertainty of their immediate safety is another problem that no one can explain. People who have been dead for years are popping up all over town, appearing and giving witness that the Rapture of the Church is eminent but for the lost, the Great Tribulation. Who will listen to their message and repent and who will refuse to believe their own eyes? Meet Jack, a pastor who is suddenly slapped in the face by what has happened and then baffled when he spots Sister Gregg, a former member of his church. The only trouble is the last time he saw the woman was at her own funeral. The town begins to shake at these events and as a church turns to their leader, Pastor Jack desperately searches for the answers he must give his congregation. How much time remains for people to repent is anyone's guess, for Jack and his flock it's a race to reach the lost. The Dead Rise First is a fast-paced, intriguing read for anyone interested in the Rapture. This book brings something new to readers and is provoking discussion among scholars with this one question: why do the dead rise first? Although purely fiction, the events are based on scriptural answers that unearth a new understanding concerning the rapture of the Church. Does it reveal a mystery about how God will raise the dead in Christ as seen in 1 Thess. 4:13-14? Will it be the same way Jesus was resurrected in Matthew 27:52-53? You decide. Sermons and writings of Joseph Smith, the Prophet.

On the Death of Satyrus

A Commentary on the First Epistle to the Corinthians

A Quiet Flame

The Rise of Fallen Stars

An Illustrated Novel

In Defense of Miracles The Megachurch Book juxtaposes the way of the scripture to the way of the modern day church, particularly the megachurch. A broad range of subjects are explored including church membership, lavish buildings, dual church locations, the absence of men in the church, neglect of community, the corporate orientation of the megachurch, the tax exempt charter, and many more intriguing topics. The book primarily focuses on trends and practices that are found in African American community based megachurches. Certain topics are written in prose and biblical metaphoric style for greater impact. The more biblical versed a reader is, the more the book will resonate. In order to accommodate various levels of biblical familiarity, the author includes a Discussions and Supporting Scriptures section at the conclusion of each topic. The Megachurch Book was written to open dialogue, invoke discourse, and inspire church attendees to not only consider the appropriateness of certain megachurch practices, but to also question such practices.

In Deadrise and Cross-planked, author Larry S. Chowning takes readers on a journey into the history of wooden deadrise boat building, highlighting its role in Chesapeake Bay culture, and providing deeper insight into the builders who created these works of nautical ingenuity. More than 150 photographs complement this insiders view of the traditional watermens lifestyle and offer a glimpse of the history that spans the thousands of nautical miles of the Chesapeake Bay. Written by one of the most notable bay historians, Deadrise and Cross-planked is a must-have for all maritime and Chesapeake Bay enthusiasts.

The zombie apocalypse didn't happen overnight. It happened over the course of several weeks. America was so wrapped up in what the media fed them that they were oblivious until it was too late. When society crumbled and the Dead walked the planet, resources became scarce causing strangers to become friends, neighbors to become family and some of the closest people to become enemies. Communities fortified their defenses, not only against the threat of the undead but the greed and jealousy of the living. When the Dead Rise follows several groups from the intial Outbreak through beyond.

Welcome to Ouroboros City. A beautiful Midwestern city home to the largest pharmaceutical enterprise on earth. Local landmarks consist of, but aren't limited to, an old abandoned castle, the large town square where the mayor holds a speech every Friday. Visit the small park near the mall or even the camps near the local hiking trails in the woods. Our city is protected by the WASP Task Force as well as the local police department. Due to recent attacks in the woods and near the hiking trail, both the trail and the woods are considered off-limits until further notice. If you want an extended stay, try the local businesses; the hotels, houses, and apartments are decently priced and will make you feel right at home. The restaurants, stores, and amusement parks will accommodate your stay. Visit the small park near the mall or the camps near the hiking trails. The fresh air will soothe your mind and body as you gaze at the night's skyline. Due to the recent attacks in the woods, a curfew has been placed over the city, and all parks will remain closed for the time being. Please note that due to recent activity, certain events will be postponed until WASP investigates the tragic deaths of multiple innocents. But do not fear, local police will not rest until the perpetrators are brought to justice.

Dead on Arrival

If the Dead Rise Not

A fresh look at the earliest Christian movement reveals what made the new faith so compelling...and what we need to change today to make it so again. Once upon a time there was a version of the Christian faith that was practically irresistible. After all, what could be more so than the gospel that Jesus ushered in? Why, then, isn't it the same with Christianity today? Author and pastor Andy Stanley is deeply concerned with the present-day church and its future. He believes that many of the solutions to our issues can be found by investigating our roots. In Irresistible, Andy chronicles what made the early Jesus Movement so compelling, resilient, and irresistible by answering these questions: What did first-century Christians know that we don't—about God's Word, about their lives, about love? What did they do that we're not doing? What makes Christianity so resistible in today's culture? What needs to change in order to repeat the growth our faith had at its beginning? Many people who leave or disparage the faith cite reasons that have less to do with Jesus than with the conduct of his followers. It's time to hit pause and consider the faith modeled by our first-century brothers and sisters who had no official Bible, no status, and little chance of survival. It's time to embrace the version of faith that initiated—against all human odds—a chain of events resulting the most significant and extensive cultural transformation the world has ever seen. This is a version of Christianity we must remember and re-embrace if we want to be salt and light in an increasingly savorless and dark world.

This title examines the work of 35 artists, including Jimmie Durham, David Hammons, José Bedia, Rebecca Belmore and James Lee Byars, who began using ritualistic practices during the 1970s and 1980s as a way of reinterpreting aspects of their cultural heritage. Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

Set in the fictional town of Castle Rock, Maine A #1 New York Times bestseller about a man who wakes up from a five-year coma able to see people's futures and the terrible fate awaiting mankind—a "compulsive page-turner" (The Atlanta Journal-Constitution). Johnny Smith awakens from a five-year coma after his car accident and discovers that he can see people's futures and pasts when he touches them. Many consider his talent a gift; Johnny feels cursed. His fiancée married another man during his coma and people clamor for him to solve their problems. When Johnny has a disturbing vision after he shakes the hand of an ambitious and amoral politician, he must decide if he should take drastic action to change the future. With "powerful tension that holds the reader to the story like a pin to a magnet" (The Houston Post), The Dead Zone is a "faultlessly paced...continuously engrossing" (Los Angeles Times) novel of second sight.

A Bernie Gunther Novel

A German Requiem When the Dead Rise: the Outbreak

The Third Heaven: The Rise of Fallen Stars is book one of a four part series that explores the fascinating story of the Fall of Lucifer.

Law student and former army investigator Dan Shaw races against time to find the missing Peter Falconer, destined to inherit the family fortune, and uncovers a horrifying case of thrill killing and the corrupt, dark underside of a beautiful coastal Florida town. Original. If the Dead Rise NotA Bernie Gunther NovelPenguin

Death & Resurrection: Exploring the Mysteries of Suffering & Hope is about the death and resurrection of Jesus lived out rhythmically in the lives of his followers. Sometimes Jesus' followers are in the rhythm of death. Sometimes they are in the rhythm of resurrection. A painful divorce, lost friendship, unrealized dream, failed business and besetting sin are not badges of shame or reminders of weakness. They are all opportunities to participate in the power of Jesus' death and resurrection at work in our bodies (2 Corinthians 4:10). The problem many Christians face is viewing Jesus' death and resurrection as one time, book end events at the beginning and end of the Christian life. Jesus' death begins the Christian life through the forgiveness of sins. Jesus' resurrection from the dead for all people. It is true, death and resurrection are one time events for Jesus. They are not one time events for Christians. Death and resurrection form the rhythm of the Christian life, just as breathing and a beating heart form the rhythm of dying and rising with Jesus, they will find far greater power, comfort, peace and life in all

circumstances On the Whole Bible

The Commuity Gave Rise to the Megachurch. Now the Favor Must Be Returned

Bernie Gunther Thriller 4 Rapture Countdown

The Seven Fatal Errors of Sola-Scriptura (Bible-Only)

I found this book on Bookbub, and am thrilled with what I've read. I wish every Christian would read it-especially every pastor and leader. My husband (who is a pastor) and I had already come to these conclusions before I found this book, but it gives me great hope that others are seeing the same disastrous problems. We have created a "monster" that we call "church" which little resembles the New Testament kind, and people are fleeing it. For all the promise of the "contemporary" style church, it isn't really much better. The church is failing to make disciples and failing to make any real impact in the culture, and it's all because we have failed to make authentic (true) converts. It's easy to make a disciple of someone who has been truly converted. Otherwise, with our usual crop of "decisions," it's like pushing a rope to get any serious commitment or Christlikeness out of them. The Bible says that Jesus is the Door, but to be brutally honest, the only way through that Door is to crawl--in repentance, submission (brokenness), and faith. We are no different than the church of the Middle Ages that baptized babies for salvation, leaving millions of people still in their sins. There isn't really any such thing as "a church for the unchurched" as many like to claim today. We should be the church of the redeemed, but we have become a church of the unsubmissive, unrepentant, unconverted, uncommitted, and unfaithful. And it all goes back to one thing--real salvation thru real repentance and real faith in Jesus Christ."-M.J. Freeman ..". thought provoking book showing true believers in Jesus Christ the need to examine the methods we are using to evangelize our children... the author backs up all of her writing with scripture, the true Word of God." -Alicia Canner " ... Wow what an eve opener, it opened my eyes to the real meaning of being born again. Not only a book to help with the youth but for everyone..."-Malinda Zemrose As Christian women, there is probably nothing more heartbreaking than seeing our children turn from God. We spend thousands of dollars, and sacrifice countless hours to VBS, Bible clubs, Youth outings, Church camp, and children's parties every year. We build elaborate stage sets, plan fantastic carnivals, and youth extravaganzas and bus in all the children and teens we can find in the hopes of leading them to Christ; and yet we are still losing them. We see the grown-up children, the "fruits" of our outreaches, living as practical Atheists. They walk and talk and act like the world, even loving the world, and though they claim to be saved, evidence of life in Christ is conspicuously absent. Even our own children are abandoning the faith. They have asked Jesus into their hearts and yet we see them turn from God at staggering rates. Statistics show that no less than half have turned from God by High School age and closer to two thirds by the time they finish college. What we're doing is just not working! In Why Are We Losing the Kids? You'll see where we have gone wrong and where to go from here. - We can turn the tide on our failing ministry efforts! - We can share the gospel without creating false converts or backsliders! - We can keep the kids if we'll follow God's plan! The Bible has the answers if we're willing to hear them! Support the author more by purchasing direct from his CreateSpace Store: RISE OF THE DIBOR https://www.createspace.com/3618531 THE LION VRIE https://www.createspace.com/3649857 ATHERA'S DAWN https://www.createspace.com/3723285 This newly edited 2nd edition of the 2006 debut, brought to you by Spearhead Books, includes a revised map, page layout, and first ever "From the Author" section. Visit spearheadbooks.com and christopherhopper.com today! DESCRIPTION: Read the story that turned children into warriors, and warriors into legends. The Dairne-Reih haven't been seen in Dionia for generations-their kind and their king, Morgui, banished long ago from haunting paradise. But when creation shows signs of deterioration, the kings of the seven realms converge in the sacred Gvindollion gathering to arrive at one inexplicable conclusion: Morgui has returned. In the hopes of entrusting Dionia's brave history and perilous future to a generation that has never known war, the kings decide to raise up their young sons as an elite group of warriors, known only as the Dibor. Gorn, legendary hero of the First Battle, is commissioned to teach the Dibor the art of war, leading them on a four-year adventure on the Isle of Kirstell. It is Luik, son of Lair, who soon emerges as the warband's spirited front man. But he is not the only one of his peers to grow in power; his dear friend Fane discovers hidden abilities among the Mosfar under the mentorship of Li-Saide of Ot, while Princess Anorra finds that her lifelong tutor knows as much about combat as he does about etiquette. There is little time for the Dibor to enjoy the satisfaction of graduation, however, as a sinister plot is discovered to dethrone Dionia's kings and flatten the capital city of Adriel. The Dibor are summoned to war, along with the rest of Dionia's fighting men. It is before the gates of Adriel Palace that Luik and his army face Morgui's prince, Valdenil, as well as the unending ranks of the Dairne-Reih.

Vivia is a hag, one of the last of her race, and can die, visit the underworld and return at will. She has a job she loves-helping London's most vulnerable supernaturals, even if her colleague Malcolm drives her round the bend on a daily basis. Then Malcolm is outed as a zombie and, along with his teenage son Ben, flees the police. When Malcolm is captured, he is only able to pass on one message before his dead brain degrades completely: 'He killed me.' As Ben remains missing, the police find decades-old corpses hidden near Malcolm's house, and Vivia begins to realise there's a lot more at stake than just a possible zompocalypse...

How can a respected scientist believe in the resurrection? Can I trust the Bible account that Jesus actually rose from the dead? If the resurrection really occurred, of what importance is it to you and me? Our ready embrace of the authority of science has left many doubting that Jesus resurrection was a verifiable, historical event. Yet Thomas Miller, an experienced scientist and well-respected surgeon, challenges the notion that modern medicine has disproved the possibility of the resurrection. Through careful investigation of the evidence and evaluation of its reliability, Dr. Miller demonstrates that science and religion are not incompatible and makes a compelling case for the reality of the resurrection.

A Comprehensive Case for God's Action in History

Dead Men Rise Up Never

Born the son of a clergyman on October 18, 1662, Matthew Henry was ordained into the British Presbyterian Church where he held the pastorate in Chester from 1687 to 1712. He was widowed, married again and had 10 children, three whom died in infancy. Henry died in 1714. Henry began work on his commentary as "Notes On The New Testament" in 1704 and the monumental work was completed shortly before his death in 1714. Remembered as a caring pastor, a passionate lover of the Word of God, and a man of great personal integrity, Matthew Henry has left his mark on the hearts of countless Christians who seek a deeper understanding of the riches that Scripture contains. This edition of Matthew Henry's Commentary on the Whole Bible uses the King James text and is abridged from the original six volumes while faithfully retaining all of the vibrant themes of that classic work. Everything here is in Matthew Henry's own words and nothing relevant to today's reader has been omitted.

Can modern intellectuals believe in miracles? Editors R. Douglas Geivett and Gary R. Habermas provide a collection of essays to refute objections to the miraculous and set forth the positive case for God's action in history.

What begins as a simple animal rights demonstration leads to a stolen experiment and a conspiracy that may not only bring down the US Government, but destroy civilization as we know it! "Mr. President? We have... a situation." With that simple statement, the President and his advisors found themselves whisked away to a secure location. Their goal: To find a solution to a biological outbreak that could overtake the country. And to do so without anyone knowing how close humanity has come to the brink. But what about the citizens they are trying to protect? Those who would be most affected because they were kept in dark? These are their stories. The stories of the common man, the unwitting doctor, and the shady organization trying to clean up a mess they didn't know they were creating.... This is...The Debate of the Dead. The game made popular at conventions by its creators, lost gamers productions, is now a collection of riveting tales from Pro Se Productions.

Blake was never one for taking chances. He lived in a world of statistics and probabilities where everything could be controlled. That world disappeared the day the dead got up and began attacking the living. Now he must struggle to survive and to make sense of a new and chaotic world that is quickly spiraling out of control. Rise of the Dead chronicles the first week of events beginning from the moment the dead rise. While the story is a fast-paced thrill ride through an ever-growing zombie horde, the novel aims to draw upon familiar themes as those found in the Romero classics. Along the way, Blake finds himself thrust among other unlikely survivors who must adapt to the realities of the undead world or join the legion of zombies. They must do more than fight off the undead. The survivors must fight against their conditioned apathy towards humanity.

Did Jesus Really Rise from the Dead

Did Jesus Really Rise from Revelation

Major feature films such The Passion of the Christ and Risen, and books such as Bill O'Reilly's Killing Jesus raise many questions about one of the greatest controversies in history--what really happened to the crucified body of Jesus of Nazareth. Using a popular question-and-answer format, this book examines the historical evidence concerning the fate of Jesus. Did Jesus really die on the cross? If so, what became of his body? Was it stolen? Misplaced? Is the resurrection a cleverly devised plot to found a new religion? Did the disciples of Jesus hallucinate? Is the Resurrection of Jesus a myth developed decades later, after the original disciples' experience of Jesus was distorted by a subsequent generation? Or did Jesus rise from the dead, as he promised and as his disciples came to believe and sacrifice their lives to proclaim? Carl Olson carefully weighs the evidence with in-depth analysis. Whether you are a believer, a skeptic, or something in between, be prepared to have your thinking challenged by this provocative and insightful book.

Embark on a journey through the darkly bizarre and magical Underworld in this gorgeously illustrated origin story. In the dark fantasy universe of Court of the Dead, the savage war between Heaven and Hell is a futile stalemate fueled by the souls of mortals, whose purpose of existence has been twisted into nothing more than raw material for the harvest. Yet in seeking to transcend his grim duty in order to return meaning and inspiration to the cosmos, Death and his Court are cast as humanity's unlikely saviors. Into this dramatic setting are born Demithyle and his fellow reapers, whose first task is to confront the ever-advancing scourge of the vicious bael reiver hordes, ravenous and destructive wraiths who threaten to destroy the Underworld and end the Court's struggle before it begins. Join Demithyle as he evolves from humble foot soldier to reluctant captain, encountering many strange and wondrous characters and places, and finally accepts the mantle of the exalted Reaper General in order to lead to victory the Underworld's last, best hope for salvation.

'For Christmas, I would like all of Philip Kerr's Berlin Noir novels.' Sam Mendes, Guardian 'Philip Kerr is the contemporary master of the morally complex thriller...' New York Observer The third in Philip Kerr's universally loved 'Berlin Noir' trilogy, A German Requiem sees detective Bernie Gunther enter the new and terrifying world of post-war Vienna. In the bitter winter of 1947 the Russian Zone is closing ever more tightly around Berlin. So when an enigmatic Russian colonel asks Bernie Gunther to go to Vienna, where his ex-Kripo colleague Emil Becker faces a murder charge, Bernie doesn't hesitate for long. Despite an unsavoury past, Gunther is convinced that the shooting of an American Nazi-hunter is one crime Becker didn't commit. But Vienna is not the peaceful haven Bernie expects it to be. Communism is the new enemy, and with the Nuremberg trials over, some strange alliances are being forged against the Red Menace - alignments that make many wartime atrocities look lily-white by comparison. Vividly evoking the atmosphere of postwar Vienna, A Germen Requiem brings all Philip Kerr's pace and mordant wit to the tangle of guilt, suspicion, and double-dealing that laid the foundations for the Cold War.

Discovery in the Desert is the first book in Tom Thiele's Discovery Series. When asked about religious affiliation, do you wonder about heaven? When someone knows that they are a good person, does that mean that they are a heaven-bound Christian? That is exactly how David Hart saw himself before his discovery in the desert. David Hart, a young, bright NASA physicist is chosen to join a team of other NASA scientists assigned to a Classified Military Project. The team is formed to bring a new, cutting edge technology to the United States military-Time Travel. Initially great strides are made in developing a time travel capsule, and then the team hits a brick wall. Once the obstacle becomes common knowledge at NASA, the project transforms from one of embarrassment. The slowed progress grates on David's patience. Then he decides to do the unthinkable! Join David on this adventure of a lifetime as he realizes that not only has he been chosen to be on this NASA team, but he has been chosen for a much more significant task. A task, that once accomplished, will change David's life forever.

Did Jesus Really Rise from the Dead?

Detective Bernie Gunther navigates two corrupt regimes in this "richly satisfying mystery...that evokes the noir sensibilities of Raymond Chandler and Ross Macdonald while breaking new ground of its own" (Los Angeles Times). Berlin, 1934. Former policeman Bernie Gunther, now a hotel detective, finds himself caught between warring factions of the Nazi apparatus as Hitler and Avery Brundage, the head of the U.S. Olympic Committee, connive to soft-pedal Nazi anti-Semitism before the 1936 Olympiad... Havana, 1954. Batista, aided by the CIA, has just seized power; Castro is in prison; and the American Mafia is gaining a stranglehold on Cuba's exploding gaming and prostitution industries. Bernie, after being kicked out of Buenos Aires, has resurfaced with a relatively peaceful new life. But he discovers that he cannot truly outrun his past when he collides with an old love and a vicious killer from his Berlin days...
