## If Tomorrow Comes Sidney Sheldon

Leaving her small Mexico hometown after years of caring for her mother, Juana Garcia embarks on a search for the father who disappeared nineteen years earlier and teams up with Adelina Vasquez, who left her family to pursue forbidden love. Reprint. 30,000 first printing.

A worldwide bestseller first published in 1980, this novel tells the story of Jennifer Parker, a successful lawyer who is loved by two men, one a politician, the other, a mafia don.

The Other Side of Midnight is Sidney Sheldon at his best. This page-turner is full of tortured romantic entanglements, reverses of fortune, thrilling suspense, and ultimate justice. In Paris, Washington, and a fabulous villa in Greece, an innocent American becomes a bewildered, horror-stricken pawn in a game of vengeance and betrayal. She is Catherine Douglas, a woman caught in a web of four lives intertwined by passion as her handsome husband pursues an incredibly beautiful film star . . . and as Constantin Demeris, a legendary Greek tycoon, tightens the strands that control them all.

A tight-knit community is shocked by revelations from decades past in this "enthralling" (Associated Press) literary mystery that "will keep you racing toward the end" (Lisa Gardner). The lead homicide investigator in a rural town, Detective Sergeant Gemma Woodstock is deeply unnerved when a high school classmate is found strangled, her body floating in a lake. And not just any classmate, but Rosalind Ryan, whose beauty and inscrutability exerted a magnetic pull on Smithson High School, first during Rosalind's student years and then again when she returned to teach drama. As much as Rosalind's life was a mystery to Gemma when they were students together, her death presents even more of a puzzle. What made Rosalind quit her teaching job in Sydney and return to her hometown? Why did she live in a small, run-down apartment when her father was one of the town's richest men? And despite her many admirers, did anyone in the town truly know her? Rosalind's enigmas frustrate and obsess Gemma, who has her own dangerous secrets--an affair with her colleague and past tragedies that may not stay in the past. Brilliantly rendered, THE DARK LAKE has characters as compelling and mysteries as layered as the best thrillers from Gillian Flynn and Sophie Hannah.

A Novel

*Following the success of the New York Times bestseller Sidney Sheldon's Mistress of the Game, this sweeping tale of love and betrayal, vengeance and redemption, will leave you racing to its shocking, triumphant end What happens when a woman who has everything loses everything? And when a woman who has nothing realizes she has nothing to lose? Blessed with the face of an angel and the guileless, trusting nature of a child, Grace Brookstein is the prized wife of the king of Wall Street, Lenny Brookstein. A billionaire many times over, with estates around the world, a fleet of yachts, and a life that is the stuff of fantasies, the revered financial wizard made his fortune tending the nest eggs of ordinary people—the elderly, blue-collar workers, small charities, and working families struggling to make a better life for themselves and their children. The embodiment of America itself—ambitious, hardworking, generous, and warmhearted—Lenny is a fixture of the business pages and the society columns, where he and Grace are celebrated for their philanthropic contributions and their lavish annual fund-raising ball. Despite the stock market's terrifying collapse, the Brooksteins' glamorous lifestyle of Palm Beach polo tournaments and G5 jets remains*

*untouched—until the day Lenny goes sailing from their Nantucket beach estate and never comes home. When his abandoned yacht is found far out at sea, Grace is devastated. Lenny was her world. She has no idea that his disappearance is just the beginning of a dark, terrifying nightmare of murder, lies, greed, and betrayal that will shatter her life and destroy everything she has ever known. . . . Before she can begin to grieve, the shocking news breaks that the \$75 billion invested in Quorum, Lenny's hedge fund, is gone—and everyone believes that Grace has stolen the money. Overnight, the delicate beauty who was once the toast of moneyed society has become a reviled modern-day Marie Antoinette, alone and power-less to stop her infamous fall. Grace is certain someone is framing her, and she'll do whatever it takes to prove it, even if it means taking the law into her own hands. Surrounded by enemies, with no one to turn to, Grace must learn to rely on herself—a bold, dangerous journey that will transform her in ways she never thought possible and lead her to a startling new life. Filled with the passion, glamour, twists, and driving suspense that made Sidney Sheldon a bestselling legend, Sidney Sheldon's *After the Darkness* is an entertaining thrill ride that continues the grand tradition set by the master himself.*

*Somebody was watching her. She had read about stalkers, but they belonged in a different, faraway world. She had no idea who it could be, who would want to harm her. She was trying desperately not to panic, but lately her sleep had been filled with nightmares, and she had awakened each morning with a feeling of impending doom. Thus begins Sidney Sheldon's chilling new novel, *Tell Me Your Dreams*. Three beautiful young women are suspected of committing a series of brutal murders. The police make an arrest that leads to one of the most bizarre murder trials of the century.
