

## If You Were My Bunny

"A great read for any of the kids in your life." --Flights of Fantasy "A really wonderful children's series that I wish I could have read myself when I was younger." --Only The Books For Me You can't bring a rabbit camping. That's what eleven-year-old Drew Montgomery's grandparents say when his annoying little sister wants to bring their pet rabbit, Tiny, along on the trip. And Drew agrees. It's bad enough that he will miss the release of the coolest video game of the year while he's stuck in a cramped travel trailer for a week with his grandparents and sister. But Tiny is certain to cause trouble. Plus there are bears and eagles in the woods. And what if Tiny gets lost? But Libby smuggles the rabbit into the trailer anyway. Now Drew's got to keep Tiny out of trouble. And that's not easy to do with Libby always letting him out of the cage and a pair of rabbit-hating bullies ready to let their dog chomp him if he gets too close. Top it off with never-ending rain, bloodthirsty mosquitos, a broken toilet, stinky outhouses, angry squirrels, terrible food, and an eye-gougingly boring "schedule of activities." Drew is about ready to take the rabbit and hitchhike home before disaster really strikes. preteen humorous middle grade novel ebook for boys and girls children's funny pet bunny rabbit chapter book for kids baby animal easter first pets rescue tales beach camping vacation summer holiday escape adventure humor story hilarious contemporary fiction for ages 9-12 series siblings family grandparents friendship values bullies trouble The Rabbit Ate My Series

A touchy-feely book and matching bunny plush toy in a gift box. A favourite touchy-feely book for babies comes packaged with a cuddly toy specially-made to match the bunny on the cover. Babies and toddlers will love touching the textured patches as they meet the bunnies. The bright pictures and textures to stroke are designed to help develop sensory and language awareness.

The original classic touch and feel book that has been entertaining babies for over 60 years.

This Beginner Book starring P.J. Funnybunny is a bunny-rific tale of discovery Meet P. J. Funnybunny in this humorous and touching Beginner Book by Marilyn Sadler and Roger Bollen. It's Not Easy Being a Bunny tells the "tail" of P.J. and his quest to become something other than what he is. Is it more fun to be a bear, a bird, or a pig? Read along as P.J. tries to determine who he is--and where he belongs. Originally created by Dr. Seuss, Beginner Books encourage children to read all by themselves, with simple words and illustrations that give clues to their meaning. "Sick of being a bunny, P. J. Funnybunny takes off to become a bear. Hibernation gets dull, so he tries being a bird. And so it goes, with beavers, pigs, possums, and skunks--till P. J. realizes that bunnyhood is for him. The short, repeating text is ideal for beginners and the bright, humorous cartoons will get immediate attention." --School Library Journal.

"Jon Swift + Witches of Eastwick + Kelly 'Get In Trouble' Link + Mean Girls + Creative Writing Degree Hell! No punches pulled, no hilarities dodged, no meme unmangled! O Bunny you are sooo genius!" —Margaret Atwood, via Twitter "A wild, audacious and ultimately unforgettable novel." —Michael Schaub, Los Angeles Times "Awad is a stone-cold genius." —Ann Bauer, The Washington Post The Vegetarian meets Heathers in this darkly funny, seductively strange novel from the acclaimed author of 13 Ways of Looking at a Fat Girl "We were just these innocent girls in the night trying to make something beautiful. We nearly died. We very nearly did, didn't we?" Samantha Heather Mackey couldn't be more of an outsider in her small, highly selective

MFA program at New England's Warren University. A scholarship student who prefers the company of her dark imagination to that of most people, she is utterly repelled by the rest of her fiction writing cohort--a clique of unbearably twee rich girls who call each other "Bunny," and seem to move and speak as one. But everything changes when Samantha receives an invitation to the Bunnies' fabled "Smut Salon," and finds herself inexplicably drawn to their front door--ditching her only friend, Ava, in the process. As Samantha plunges deeper and deeper into the Bunnies' sinister yet saccharine world, beginning to take part in the ritualistic off-campus "Workshop" where they conjure their monstrous creations, the edges of reality begin to blur. Soon, her friendships with Ava and the Bunnies will be brought into deadly collision. The spellbinding new novel from one of our most fearless chroniclers of the female experience, Bunny is a down-the-rabbit-hole tale of loneliness and belonging, friendship and desire, and the fantastic and terrible power of the imagination. Named a Best Book of 2019 by TIME, Vogue, Electric Literature, and The New York Public Library

A bunny spends the day with his mother, hopping in the clover fields, digging a burrow, and taking a nap. On board pages.

This adorable new title from Emmy Award-winning singer-songwriter (and animal lover) Parry Gripp shows us the magical world of furry friendship and teaches young readers to be kind to animals of all shapes and sizes. Through adorable, uplifting photographs, and sweet, silly text, kids will learn not only how to interact with animals, but also just what makes you a good friend for your fuzzy, feathered, or scaly new bud. This fun book will inspire young animal lovers to understand their perfect new pal, giving kids lessons on being gentle with pets, making sure to care and love them, how to be patient, and more. Lyrical text illustrates the fun and companionship that dogs, cats, lizards, fish, rabbits, and all sorts of animal friends can offer. Parents and families considering or who've just gotten a new pet will have fun sharing and learning all about animals together. Plus, turn each page and sing along with Parry with an original song and music video!

A mother tells her baby how she would care for it if it were a bunny, a kitten, or other animal infant; she then sings a lullaby about each baby animal.

I am a bunny. My name is Nicholas. I live in a hollow tree. In the spring, Nicholas likes to sniff the flowers, and in the summer, watch the frogs in the pond. In the fall, he watches the animals get winter, and in winter, watches the snow falling from the sky. One of Golden's most beloved titles, this beautifully illustrated, gentle story is now available as an eBook.

Alex, whose birthday it is, hijacks a story about Birthday Bunny on his special day and turns it into a battle between a supervillain and his enemies in the forest--who, in the original story, are simply a surprise party.

HBO Max animated special premieres March 25, 2021! The Runaway Bunny by Margaret Wise Brown, beloved children's book author of Goodnight Moon, is now available for the first time as an eBook. "If you run away," said his mother, "I will run after you. For you are my little bunny." A little bunny keeps running away from his mother in this imaginary game of hide-and-seek. Children will be profoundly comforted by this lovingly steadfast mother who finds her child every time. The Runaway Bunny, first published in 1942 and never out of print, has indeed become a classic. Generations of readers have been in love with the gentle magic of its reassuring words and loving pictures.

***"Here was once a velveteen rabbit, and in the beginning he was really splendid. He was fat and bunched, as a rabbit should be; his coat was spotted brown and white, he had real thread whiskers, and his ears were lined with pink sateen. On Christmas morning, when he sat wedged in the top of the Boy's stocking, with a sprig of holly between his paws, the effect was charming." First published in 1922, Margery Williams's beloved children's tale of a toy rabbit's quest to become real has enchanted adults and children alike. After accompanying the Boy on many adventures, the Rabbit learns of his tragic fate—and upon being set outside on the eve of his destruction, magic happens. Originally illustrated by William Nicholson, this beloved story has been adapted for stage and screen numerous times since its publication.
