This revised set of resources for Cambridge IGCSE Business Studies syllabus 0450 (and Cambridge O Level Business Studies syllabus 7115) is thoroughly updated for the latest syllabus for first examinations from 2015. Written by experienced teachers, the Coursebook provides comprehensive coverage of the syllabus. Accessible language combined with the clear, visually-stimulating layout makes this an ideal resource for the course. Questions and explanation of key terms reinforce knowledge; different kinds of activities build application, analytical and evaluation skills; case studies contextualise the content making it relevant to the international learner. It provides thorough examination support for both papers with questions at the end of each chapter and an extensive case study at the end of each unit. The CD-ROM contains revision aids, further questions and activities. A Teachers CD-ROM is also available.

Covers the Cambridge IGCSE Accounting syllabus (0452) and Cambridge O Level Accounting syllabus (7110), first examination 2020. With more practice questions than the previous edition and content matched to the Cambridge IGCSE and O Level Accounting syllabuses, this coursebook increases understanding of accounting best practice. Clear step-by-step explanations and instructions help students learn how to record, report, present and interpret financial information while gaining an appreciation of the ways accounting is used in modern business contexts. The coursebook is ideal for those new to accounting. Also available in the series - workbook, revision guide, teacher's resource and Cambridge Elevate enhanced edition. Answers to the coursebook and workbook questions are in the teacher's resource.

This consultation contains proposals to reshape the higher education landscape to have students at its heart. Its core aims are to raise teaching standards, provide greater focus on graduate employability, widen participation in higher education, and open up the sector to new high-quality entrants. This document sets out proposals for how the Government's manifesto commitment to introduce a Teaching Excellence Framework will deliver better value for money for students, employers and taxpayers. It also sets out plans to drive social mobility by further increasing higher education participation by those from disadvantaged and under-represented groups. This consultation proposes a new single gateway for entry to the sector, which would create a common system for all providers. It sets out proposed new architecture for the higher education system, to reflect the way higher education is now funded by students, and to reduce the regulatory burden on the sector. Finally, this consultation considers the potential implications of these changes for the research landscape.

A core business studies text covering all the components of the IGCSE syllabus. The text assumes no prior familiarity with the subject. Examples from carefully selected, relevant business situations are used to illustrate concepts and theories. Study skills and examination technique are supported by common-sense advice from the examiners, and there are guided opportunities to practise typical examination questions.

Send students into their exam with the confidence to achieve their maximum potential using step-by-step guidance that helps to practise skills learned and improve exam technique. - Avoid common misconceptions with frequent mistakes highlighted throughout - Build students' skills constructing and writing answers with a range of practice and exam-style questions - Easily identify areas for improvement with the answers in the back of the book - Help students target their revision and focus on important concepts and skills with key objectives at the beginning of every chapter - Ensure that students maximise their time in the exam with examiner's tips and suggestions on how to approach questions - Contextualise knowledge with authentic case studies This Study and Revision Guide has been updated for the latest syllabus for examination from 2020.
