Samantha Taylor is shattered when her husband leaves her for another woman. She puts her advertising career on hold and seeks refuge at a friend's California ranch, where she loses herself in the daily labor of ranch life. Here, she discovers the healing powers of trusted friends, simple joys, and hard work. She also meets Tate Jordan, the ranch foreman, and a tumultuous relationship ensues. When Tate disappears and a fall from a horse changes Samantha's life forever, she is confined to a wheelchair and must look deep inside herself to find the courage to begin again. Now, fighting the battles of the handicapped, she finds new challenges, new loves, and even the adopted child she's always longed for.

Agatha e Larry Mystery sono sulle tracce dell'antica corona d'oro, indossata dai Dogi quando Venezia era al massimo del suo splendore. Qualcuno l'ha rubata durante i festeggiamenti del famoso Carnevale. Tra maschere, nobili decaduti e inseguimenti, i Mystery usciranno vittoriosi anche dalla loro prima trasferta italiana...

**The Woman of Mystery Maurice Leblanc - There was a development among the group. Everyone assembled around the exit. An overall official, joined by two confidants, ventured out into the station-yard, where an engine vehicle stood sitting tight for him. The strains were known about a tactical band; a legion of light infantry walked as it were. Next came a group of sixteen ponies, driven by mounted guns men and hauling a gigantic attack piece which, regardless of the heaviness of its carriage, looked light, in view of the limit length of the firearm. A group of bullocks followed.**

‘This book's power lies in its depiction of civilians trying to lead ordinary lives during the horror of war . . . It is shattering stuff, but Rothmann is tender towards his characters and this book is as memorable as his last.’ The Times, ‘Historical Fiction Book of the Month’ As the Second World War enters

its final stages, millions in Germany are forced from their homes by bombing, compelled to seek shelter in the countryside where there are barely the resources to feed them. Twelve-year-old Luisa, her mother, and her older sister Billie have escaped the devastation of the city for the relative safety of a dairy farm. But even here the power struggles of the war play out: the family depend on the goodwill of Luisa's brother-in-law, an SS officer, who in expectation of payment turns his attention away from his wife and towards Billie. Luisa immerses herself in books, but even she notices the Allied bombers flying east above them, the gauntness of the prisoners at the camp nearby, the disappearance of fresh-faced boys from the milk shed – hastily shipped off to a war that's already lost. Living on the farm teaches Luisa about life and death, but it's man's capacity for violence that provides the ultimate lesson, that robs her of her innocent ignorance. When, at a birthday celebration, her worst fears are realized, Luisa collapses under the weight of the inexplicable. Ralf Rothmann's previous novel, *To Die in Spring*, described the horror of war and the damage done on the battlefield. The God of that Summer tells the devastating story of civilians caught up in the chaos of defeat, of events that might lead a twelve-year-old child to justifiably say: 'I have experienced everything.'

*As a maidservant in a British boarding school, Pom is renamed Sarah and discovers her gift for languages. Her private dreams almost die when she arrives in Kharagpur and is recruited into a secretive, decadent world.*

*Eventually, she lands in Calcutta, renames herself Kamala, and creates a new life rich in books and friends. But although success and even love seem within reach, she remains trapped by what she is . . . and is not. As India struggles to throw off imperial rule, Kamala uses her hard-won skills—for secrecy, languages, and reading the unspoken gestures of those around her—to fight for her country's freedom and her own happiness.*

*What would it be like to become Idi Amin's personal physician? Giles Foden's bestselling thriller is the story of a young Scottish doctor drawn into the heart of the Ugandan dictator's surreal and brutal regime. Privy to Amin's thoughts and ambitions, he is both fascinated and appalled. As Uganda plunges into civil chaos he realises action is imperative - but which way should he jump?*

*The first extended analysis of the relationship between Italian criminology and crime fiction in English, *Methods of Murder* examines works by major authors both popular, such as Gianrico Carofiglio, and canonical, such as Carlo Emilio Gadda. Many scholars have argued that detective fiction did not exist in Italy until 1929, and that the genre, which was considered largely Anglo-Saxon, was irrelevant on the Italian peninsula. By contrast, *Past* traces the roots of the twentieth-century literature and cinema of crime to two much earlier, diverging interpretations of the criminal: the bodiless figure of Cesare Beccaria's Enlightenment-era *On Crimes and**

*Punishments, and the biological offender of Cesare Lombroso's positivist Criminal Man. Through her examinations of these texts, Past demonstrates the links between literary, philosophical, and scientific constructions of the criminal, and provides the basis for an important reconceptualization of Italian crime fiction. A premier New Testament scholar explores how Jesus' trial and execution are portrayed in the New Testament and how that portrayal has affected biblical studies, Christian theology, and Jewish-Christian relations through history. Tomson has written an accessible, responsible analysis of the biblical accounts of Jesus' death, demonstrating how, through compounded misunderstandings, they contributed to anti-Jewish sentiment in the early church and later history. Tomson's question of how Jesus is to be understood in his first-century Judean context is a critical one not only for biblical scholars, but for anyone concerned about human rights and interreligious dialogue today.*

Having left her job and boyfriend, thirty-year-old Sandra decides to stay in a village on the Costa Blanca in order to take stock of her life and find a new direction. She befriends Karin and Fredrik, an elderly Norwegian couple, who provide her with stimulating company and take the place of the grandparents she never had.

However, when she meets Julian, a former concentration-camp inmate who has just returned to Europe from Argentina, she discovers that all is not what it seems and finds herself involved in a perilous quest for the truth. As well as being a powerful account of self-discovery and an exploration of history and redemption, /The Scent of Lemon Leaves/ is a sophisticated and nail-biting page-turner by one of Spain's most accomplished authors.

In the summer of 1807, the Explorer, a ship from Her Majesty's Navy recovers a young shipwreck off the coast of Siam, Abel, who can only remember his name. He soon becomes friends with the first officer, acting as a captain because the commander of the ship has apparently absconded with the ship's treasure. Abel returns to England with the Explorer and finds accommodation at the inn run by the three fugitive captain's daughters. Well before he can recover his memory, however, he will discover something deeply disturbing about himself, and he will understand the true nature of some of the people who helped him. A haunting and intense book that digs into the soul of the protagonists as well as the reader, with a generous helping of good ol' fashioned salty adventure along with many a shanty sung and a sprinkling of magic dust. Presented in a handsome old style, with a worn-looking hardcover, as if taken from a ship captain's library. An uplifting, enthralling escape.
