The answer to all questions about aging and nutrition. When science journalist Bas Kast collapsed with chest pains when he was only 40, he was faced with an existential question: had he ruined his health with junk food? He decided to radically change his eating habits in order to heal himself. But what is really good for you? This was the beginning of a journey of discovery into the latest research into aging and nutrition--and it lasted several years. What do people with a particularly long life span eat? How can you lose weight efficiently? Are afflictions typical of old age avoidable? Can you "eat yourself young" with certain foods? Much of what we think is healthy can even be harmful. Bas Kast has compared thousands of sometimes contradictory studies to deliver scientifically founded findings about what really makes for healthy eating.

Collected in one volume—the first three books in the bestselling Inspector Montalbano mystery series “You either love Andrea Camilleri or you haven’t read him yet. Each novel in this wholly addictive, entirely magical series, set in Sicily and starring a detective unlike any other in crime fiction, blasts the brain like a shot of pure oxygen. Aglow with local color, packed with flint-dry wit, as fresh and clean as Mediterranean seafood — altogether transporting. Long live Camilleri, and long live Montalbano.” A.J. Finn, #1 New York Times bestselling author of The Woman in the Window American readers were first introduced to Sicily’s inimitable Inspector Salvo Montalbano more than ten years ago. Since then, the detective—and his characteristic mix of humor, cynicism, compassion, and love of good food—has won the affection of crime fiction aficionados and Italophiles alike. With Andrea Camilleri’s last two mysteries appearing on the New York Times bestseller list, it’s clear that interest in the series is at an all time high. Now, Death in Sicily features the Inspector’s first three adventures in one handy volume, offering new readers just the enticement they need to get started.

Industriali e banchieri, servitori delle istituzioni e accademici, uomini dello spettacolo e della cultura, umanisti e scienziati, laici e cattolici. Personaggi noti, colti nei loro lati più inediti, e personalità che, invece, in pochi conoscono. In questo libro Paolo Bricco ha costruito una galleria di ritratti che permette di andare al cuore delle persone e che consente di capire che cosa sia oggi il cuore dell'Italia. Ognuno di loro ha una storia di successi e di fallimenti, di paure e di speranze, di dolori e di felicità, di passato e di futuro. Tutti questi ritratti compongono la storia corale di un'Italia impegnata in un'eterna transizione e sempre in bilico fra declino e trasformazione. Un Paese qualche volta feroce prima di tutto verso se stesso, ma non di rado caratterizzato da slanci di generosità verso gli altri. Un Paese meno centrale e importante di un tempo, in una crisi profonda, ma ancora animato da una vitalità e da una capacità di mutare pelle che sono lo specifico dell'enigma italiano.

In the new novel in the transporting New York Times bestselling Inspector Montalbano mystery series, Montalbano finds his answers to a murder in a theatrical play Mimi Augello is visiting his lover when the woman's husband unexpectedly returns to the apartment; he climbs out the window and into the downstairs apartment, but one danger leads to another. In the dark he sees a body lying on the bed. Shortly after, another body is found, and the victim is Carmelo Catalanotti, a director of bourgeois dramas with a harsh reputation for the acting method he developed for his actors. Are the two deaths connected? Catalanotti scrupulously kept notes and comments on all the actors he worked with, as well as strange notebooks full of figures and dates and names. Inspector Montalbano finds all of Catalanotti's dossiers and plays, the notes on the characters, and the notes on his last drama, Dangerous Turn--the theater is where he'll find the answer.

WINNER OF THE CWA INTERNATIONAL DAGGER AWARD 2012 Now a major BBC4 television series From the Italian crime legend, Andrea Camilleri, comes *The Potter's Field*, a dark mystery featuring the inimitable Inspector Montalbano. While Vigàta is wracked by storms, Inspector Montalbano is called to attend the discovery of a dismembered body in a field of clay. Bearing all the marks of an execution style killing, it seems clear that this is, once again, the work of the notorious local mafia. But who is the victim? Why was the body divided into thirty pieces? And what is the significance of the Potter's Field? Working to decipher these clues, Montalbano must also confront the strange and difficult behaviour exhibited by his old colleague Mimi, and avoid the distraction of the enchanting Dolores Alfano - who seeks the inspector's help in locating her missing husband. But like the Potter's Field itself, Montalbano is on treacherous ground and only one thing is certain - nothing is quite as it seems . . . *The Potter's Field* is followed by *The Age of Doubt*, the fourteenth in the series. PRAISE FOR THE SERIES "A magnificent series of novels" *Sunday Times* "There's a deliciously playful quality to the mysteries Andrea Camilleri writes about a lusty Sicilian police detective named Salvo Montalbano." *New York Times Book Review* "Camilleri as crafty and charming a writer as his protagonist is an investigator." *The Washington Post* "The books are full of sharp, precise characterizations and with subplots that make Montalbano endearingly human ... Like the antipasti that Montalbano contentedly consumes, the stories are light and easily consumed, leaving one eager for the next course." *New York Journal of Books* "This series is distinguished by Camilleri's remarkable feel for tragicomedy, expertly mixing light and dark in the course of producing novels that are both comforting and disturbing." *Booklist*

From the author of the Inspector Montalbano series, the remarkable account of an exceptional

woman who rises to power in 17th century Sicily and brings about sweeping changes before being cast out in a coup after only 27 days. Sicily, April 16 1677. From his deathbed, Charles III's viceroy, Aniello de Guzmán y Carafa, marquis of Castle Rodrigo, names his wife as his successor. Eleanora de Moura is a highly intelligent and capable woman who immediately applies her political acumen to heal the scarred soul of Palermo, a city afflicted by poverty, misery and the frequent uprisings they entail. The Marquise implements measures that include lowering the price of bread, reducing taxes for large families, re-opening women's care facilities, and establishing stipends for young couples wishing to marry—all measures that were considered seditious by the conservative city fathers and by the Church. The machinations of powerful men soon result in Donna Eleanora, whom the Church sees as a dangerous revolutionary, being recalled to Spain. Her rule lasted one cycle of the moon. Based on a true story, Camilleri's gripping novel tells the story of a woman whose courage and political vision is tested at every step by misogyny and reactionary conservatism.

Nella nuova indagine di Montalbano Camilleri inventa storie e personaggi e li fa recitare fra le quinte di un teatro di cui è lui il regista. Una messinscena che è dramma e commedia insieme.

"The novels of Andrea Camilleri breathe out the sense of place, the sense of humor, and the sense of despair that fills the air of Sicily." —Donna Leon Montalbano investigates the death of wealthy accountant Barletta in a case involving a string of mistresses and family secrets. Inspector Montalbano enjoys simple pleasures: delicious food, walks along the water, the occasional smoke—yet these are just the backdrop to his duties as a detective. His latest case is the killing of the wealthy Cosimo Barletta. Thought to be a widower living out a quiet life by the sea, Cosimo's sudden death, by gunshot to the neck, opens up his past to scrutiny. What Montalbano uncovers is Cosimo's trove of salacious photographs, used to extort young women, and a history full of greed and corruption. Montalbano, though resolved to find the killer, muses on where justice lies—in his pursuit of a suspect or with one of Cosimo's innumerable victims getting the revenge they deserved?

The new novel in the transporting New York Times bestselling Inspector Montalbano mystery series Vigàta is bustling as the new filming location for a Swedish television series set in 1950. In the production frenzy, the director asks the locals to track down movies and vintage photos to faithfully recreate the air of Vigata in that time. Engineer Ernesto Sabatello, while rummaging in the attic of his house, finds some films shot by his father from 1958 to 1963, always on the same day, March 27 and always the same shot; the outside wall of a country house. Montalbano hears the story, and intrigued by the mystery of it, begins to investigate its meaning. Meanwhile, a middle school is threatened by a group of armed men, and a closer look at the situation finds Montalbano looking into the students themselves and finally delving into the world of social media.

"[Camilleri's mysteries] offer quirky characters, crisp dialogue, bright storytelling—and Salvo Montalbano... a delightful creation, an honest man on Sicily's mean streets." —USA Today The day gets off to a bad start for Montalbano: while trying to break up a fight on Marinella beach, he hits the wrong man and is stopped by the Carabinieri. When he finally gets to the office, the inspector learns about a strange abduction: a woman was abducted, drugged, and then released unharmed only hours later. Within a few days, the same thing happens again. Both women are thirty years old and work in a bank. Montalbano also has to deal with an arson case. A shop has burned down, and its owner, Marcello Di Carlo, seems to have vanished into thin air. At first this seems like a trivial case, but a third abduction—yet again of a girl who works in a bank—and the discovery of a body bring up new questions.

Among the suspects are her aging husband, a famous doctor; a shy admirer, now disappeared; an antiques-dealing lover from Bologna; and the victim's friend Anna, whose charms Montalbano cannot help but appreciate... But it is a mysterious, reclusive violinist who holds the key to the murder.

Sicilian Elements in Andrea Camilleri's Narrative Language examines Camilleri's unique linguistic repertoire and techniques over his career as a novelist. It focuses on the intensification of Sicilian linguistic features in Camilleri's narrative works, in particular features pertaining to the domains of sounds and grammar, since these have been marginalized in linguistic-centered research on the evolution of Camilleri's narrative language and remain overall understudied. Through a systematic comparative analysis of the distribution patterns of selected Sicilian features in a selection of Camilleri's historical novels and novels of the Montalbano series, the author identifies the individual features that have become most widespread and the lexical items that are targeted with highest frequency and consistency. The results of the analysis show that in the earlier novels, Sicilian features are rather sparse and can be attributed to linguistic situational functionality; that is, they function as indices of salient, distinctive aspects of topics, settings, events/situations, and characters. Conversely, in the latest novels, Sicilian elements pervade the entire novels and the texts are written almost entirely in Camilleri's own Sicilian, vigatese, so that Sicilian is stripped of any linguistic situational functionality.

Un'indagine sull'universo gastronomico di Andrea Camilleri, espresso attraverso il suo illustre personaggio: il commissario Montalbano, goloso e continuamente affetto da un "pititto" smisurato. Per lui il cibo è il principale oggetto del desiderio e deve essere conquistato a tutti i costi; ma i segreti delle succulente pietanze sono custoditi da altri, la "cammarrera" Adelina, Calogero, Enzo. Le ricette sono svelate in queste gustose pagine da assaporare in silenzio e solitudine, con animo lieto e mente sgombra, come quando Montalbano si siede a degustare i suoi piatti preferiti. Ne viene fuori un'antologia invitante come una tavolata ben imbandita, con rievocazioni di alimenti e pietanze tratte dai ricordi di infanzia di Camilleri in Sicilia. Edizione ampliata e aggiornata

"The novels of Andrea Camilleri breathe out the sense of place, the sense of humor, and the sense of despair that fills the air of Sicily."

—Donna Leon When an elderly man is stabbed to death in an elevator and a crewman on an Italian fishing trawler is machine-gunned by a Tunisian patrol boat off Sicily's coast, only Montalbano, with his keen insight into human nature, suspects the link between the two incidents. His investigation leads to the beautiful Karima, an impoverished housecleaner and sometime prostitute, whose young son steals other schoolchildren's midmorning snacks. But Karima disappears, and the young snack thief's life—as well as Montalbano's—is endangered, the Inspector exposes a viper's nest of government corruption and international intrigue.

Incorporating distinct traditions and styles of crime writing, the three novellas in *Judges* are united by a theme of idealistic judges in an often futile struggle against crime and corruption. Andrea Camilleri's novella recounts the charming Judge Surra. Leaving his family behind, Surra arrives in the 19th-century Sicilian town of Montelusa from Turin and is given quirky gifts from the locals, but is oblivious to the veiled threats accompanying them. Finally forced to contend with a hostile community and an imminent attempt on his life, Surra proves he is relentless in his quest for justice. Carlo Lucarelli's novella presents a darkly hued Bologna in the 1980s, where judges are frequent targets of assassination attempts. The protagonist, Judge Valentina Lorenzi—"La Bambina"—stumbles upon an extensive money laundering operation involving prominent public officials. Determined to nip Valentina's investigations in the bud, the criminals attack the judge and leave her clinging to life. Ultimately, Valentina is faced with a troubling question: will she break her vow to uphold the letter of the law in order to bring those responsible to justice? The final novella, *The Triple Dream of the Prosecutor*, by judge and novelist Giancarlo De Cataldo, teeters between dream and reality. Prosecutor Mandati is engaged in a life-long feud with the corrupt mayor of Novere, and his efforts finally pay off on the night before the trial of his life. Kafkaesque, tumultuous, and thoroughly gripping.

Gabriel Garcia Moreno (1821-1875) was a model Catholic president of Ecuador. He courageously founded a Republic upon Catholic principles and publicly consecrated it to the Sacred Heart, and for this he was martyred by paid assassins. This biography by Fr. Berthe is the most complete and authoritative one in existence. It has been out of print in English since 1889 when it was first published.

The Shape of Water is the first in Andrea Camilleri's wry, brilliantly compelling Sicilian crime series, featuring Inspector Montalbano. When the body of respected and prominent engineer Silvio Luparello is discovered in the Pasture, a rubbish-strewn site brimming with drug dealers and prostitutes, the coroner's verdict is death from natural causes – refreshingly unusual for Sicily. But Inspector Salvo Montalbano of the Vigàta police force, as honest as he is streetwise and as scathing to fools and villains as he is compassionate to their victims, is not ready to close the case, despite pressure from Vigàta's police chief, judge, and bishop. Picking his way through a labyrinth of high-comedy corruption, carefully planted false clues, trigger-happy Mafia members, and delicious Sicilian fare, Montalbano can be relied on, whatever the cost, to get to the heart of the matter. *The Shape of Water* is followed by the second in this phenomenal series, *The Terracotta Dog*.

A powerful, epic novel of four friends as they grapple with desire, youth, death, and faith in a sweeping story by the international bestselling author of *The Solitude of Prime Numbers* "Perfect, moving, honest, brilliant, with characters who feel like old friends." -Andrew Sean Greer, Pulitzer prize-winning author of *Less* "Heaven and Earth is a stunning achievement and confirms him as an electrifying presence in contemporary fiction." -André Aciman, author of *Call Me By Your Name* and *Find Me Every Summer*

Teresa follows her father to his childhood home in Puglia, down in the heel of Italy, a land of relentless, shimmering heat, centuries-old olive groves and families who have lived there for generations. She spends long afternoons enveloped in a sunstruck stupor, reading her grandmother's paperbacks. Everything changes the summer she meets the three boys who live on the farm next door: Nicola, Tommaso and Bern - the man Teresa will love for the rest of her life. Raised like brothers on a farm that feels to Teresa almost suspended in time, the three boys share a complex, intimate and seemingly unassailable bond. But no bond is unbreakable and no summer truly endless, as Teresa soon discovers. Because there is resentment underneath the surface of that strange brotherhood, a twisted kind of love that protects a dark secret. And when Bern - the enigmatic, restless gravitational centre of the group - commits a brutal act of revenge, not even a final pilgrimage to the edge of the world will be enough to bring back those perfect, golden hours in the shadow of the olive trees. An unforgettable story of enduring love, the bonds between men, and the all-too-human search for meaning, *Heaven and Earth* is Paolo Giordano at his best: an author capable of unveiling the depths of the human soul, who has now given us the old-fashioned pleasure of a big, sprawling novel in which to lose ourselves.

In this dark yet humorous novel based on a true story, a man uncovers a sordid conspiracy in a Sicilian village, but not everyone wants to know the truth. Lawyer and journalist Matteo Teresi discovers the existence of a secret sect whose members include priests, politicians, and regional VIPs. During the early morning hours, when the town's churches are closed, the "Sect of the Angels" meets in the sacristy to carry out their holy office: initiating devout virgins into the rites of married life. Preying on their victims' naivete, the hooded "elect" commit ignominious acts while promising the young women divine grace. In 1901, at a time of immense changes in Sicilian society, the scandal breaks nationwide. But far from being hailed as a hero, Teresi is accused of disrupting the status quo and irrationally blamed for an outbreak of disease and a series of calamities. From the salons, churches and social clubs of Sicily to the country's highest courts, Camilleri's novel is a fast-paced, at times funny, passionately rendered portrait of the machinations of power and the difficult destiny of a local hero. Praise for *The Sect of Angels* "A devastating portrait of how political power, the mafia, Catholic cover-ups, and family shame kept rural Sicily in a medieval time warp long into the twentieth century." —Foreword Reviews

Her style secrets start with the building blocks of wardrobe staples--an LBD that can be dressed up or down, timeless riding boots you'll wear for a lifetime, or the perfect pair of jeans--which she combines with panache to suit every situation, adding seasonal items like costume bangles, a top in this season's on-trend color, or the right shade of lip color.

"You either love Andrea Camilleri or you haven't read him yet. Each novel in this wholly addictive, entirely magical series, set in Sicily and starring a detective unlike any other in crime fiction, blasts the brain like a shot of pure oxygen. Aglow with local color, packed with flint-dry wit, as fresh and clean as Mediterranean seafood — altogether transporting. Long live Camilleri, and long live Montalbano." A.J. Finn, #1 New York Times bestselling author of *The Woman in the Window* Things are not going well for Inspector Salvo Montalbano. His relationship with Livia is once again on the rocks and—acutely aware of his age—he is beginning to grow weary of the endless violence he encounters. Then a young woman is found dead, her face half shot off and only a tattoo of a sphinx moth giving any hint of her identity. The tattoo links her to three similarly marked girls—all victims of the underworld sex trade—who have been rescued from the Mafia night-club circuit by a prominent Catholic charity. The problem is, Montalbano's inquiries elicit an outcry from the Church and the three other girls are all missing.
