

Il Ritorno Titan Series 1

Thanks to the Decay of the Angel, the Armed Detective Agency is on the run as the nation's most wanted criminals. To pursue them, the military police dispatch their elite suppression unit: the Hunting Dogs, led by Captain Ouchi Fukuchi. Do Yokohama's wandering strays have what it takes to escape the government's fangs?!

The thrilling conclusion to the epic Covenant series from New York Times bestselling author Jennifer L. Armentrout. As the mortal world slowly slips into chaos, Alexandria Andros must overcome a devastating defeat that has left her shaken and in doubt that the war against the gods will ever come to an end. There are many obstacles standing between Alex and her happily-ever-after with Aiden St. Delphi, and now Alex and Aiden face their greatest challenge yet: they must trust a deadly foe as they travel deep into the Underworld to release one of the most dangerous gods of all time. In the shattering, action-packed climax to the series, Alex must make a terrible choice: the destruction of everything and everyone she holds dear... or the end of her own life.

Il ritorno. Titan series

This comprehensive guide is an ideal reference work for film specialists and enthusiasts. First published in 1984 but continuously updated ever since, CineGraph is the most authoritative and comprehensive encyclopedia on German-speaking cinema in the German language. This condensed and substantially revised English-language edition makes this important resource available to students and researchers for the first time outside its German context. It offers a representative historical overview through bio-filmographical entries on the main protagonists, from the beginnings to the present day. Included are directors and actors, writers and cameramen, composers and production designers, film theorists and critics, producers and distributors, inventors and manufacturers. An appendix includes short introductory essays on specific periods and movements, such as Early Film, Weimar, Nazi Cinema, DEFA, New German Cinema, and German film since unification, as well as on cinematic developments in Austria and Switzerland. Sections that crossreference names around specific professional groups and themes will prove

equally invaluable to researchers.

From the New York Times bestselling author of the Covenant and Lux series comes the third novel in the pulse-pounding, electric Titan series. A bloody path has been chosen... The war against the Titans continues, but now the most dangerous, most absolute power lies elsewhere... with Seth. The Great War fought by the few is coming... All may doubt and fear what Seth has become. All except Josie, the woman who might be his final chance at redemption. In the end, the sun will fall... The only way Seth and Josie can save the future and save themselves is by facing the unknown together. It will take more than trust and faith. It will take love and the kind of strength not easily broken. No matter what, their lives will never be the same. For what the gods have feared has come to pass. The end of the old is here and the beginning of the new has been ushered in...

From the New York Times bestselling author of the Covenant and Lux series comes the second novel in the pulse-pounding, electric Titan series. In The Return, Seth and Josie's story ended on the ultimate cliffhanger. Now, things are about to get even more dangerous... The Covenant University has become the frontline for the escalating violence between pure-bloods and half-bloods. War between the races seems inevitable, and it couldn't come at a worse time. Seth must prepare Josie for battle, which means teaching her how to control her newfound demigod abilities...and they need to find and rescue the other demigods before their enemies - the Titans - find them first. Only one thing is more dangerous than a bunch of starved Titans, and that's an out-of-control Apollyon in the form of Seth. The aether in Josie is drawing Seth in deeper, and when lust mixes with love and gives way to power, he knows being close to her is becoming explosively dangerous. But letting her go requires a level of selflessness that just isn't Seth's style. When the danger from the Titans erupts with devastating consequences, the

dark allure of power calls to Seth again - but this time, Josie may not be able to pull him back from the brink...

For three years, Alexandria has lived among mortals - pretending to be like them and trying to forget the duty she'd been trained to fulfil as a child of a mortal and a demigod. At seventeen, she's pretty much accepted that she's a freak by mortal standards... and that she'll never be prepared for that duty. According to her mother, that's a good thing. But as every descendent of the gods knows, Fate has a way of rearing her ugly head. A horrifying attack forces Alex to flee Miami and try to find her way back to the very place her mother had warned her she should never return - the Covenant. Every step that brings her closer to safety is one more step toward death... because she's being hunted by the very creatures she'd once trained to kill. The daimons have found her.
