This delightful book offers a wide and enticing range of gorgeous designs and scenes for you to color in and make your own. The images and patterns of flora and fauna provide a relaxing way to explore the artist inside you. By following your creative instincts, you will de-stress your mind and body and be rewarded with a portfolio of beautiful finished artworks.

The Routledge Companion to Digital Humanities and Art History offers a broad survey of cutting-edge intersections between digital technologies and the study of art history, museum practices, and cultural heritage. The volume focuses not only on new computational tools that have been developed for the study of artworks and their histories but also debates the disciplinary opportunities and challenges that have emerged in response to the use of digital resources and methodologies. Chapters cover a wide range of technical and conceptual themes that define the current state of the field and outline strategies for future development. This book offers a timely perspective on trans-disciplinary developments that are reshaping art historical research, conservation, and teaching. This book will be of interest to scholars in art history, historical theory, method and historiography, and research methods in education.

John – whose surname "Chrysostom" occurs for the first time in the "Constitution" of Pope Vigilius (cf. P.L., LX, 217) in the year 553 – is generally considered the most prominent doctor of the Greek Church and the greatest preacher ever heard in a Christian pulpit. His natural gifts, as well as exterior circumstances, helped him to become what he was. This edition contains the 34 homilies on the Epistle to the Hebrews.

Images from the Danish artist Lorenz Frølich of our Germanic Gods and myths, ready for your little pagan to color. What are the Germanic Gods? Often you will hear of the Norse or Nordic Gods and Goddesses, but these Gods were not limited to the Scandinavian countries. They are the Gods of the majority of Western Europe. Indulge in the beautiful artwork within these pages. Learn the stories behind each picture. instill in your children a love for the Gods of Europe. *Updated Version* Now includes a comprehensive appendix and restored images.

A landmark publication documenting the development of performance by visual artists since the turn of the twenty-first century

• New York Times bestseller • The 100 most substantive solutions to reverse global warming, based on meticulous research by leading scientists and policymakers around the world “ At this point in time, the Drawdown book is exactly what is needed; a credible, conservative solution-by-solution narrative that we can do it. Reading it is an effective inoculation against the widespread perception of doom that humanity cannot and will not solve the climate crisis. Reported by-effects include increased determination and a sense of grounded hope.” –Per Espen Stoknes, Author, What We Think About When We Try Not To Think About Global Warming “ There ’ s been no real way for ordinary people to get an understanding of what they can do and what impact it can have. There remains no single, comprehensive, reliable compendium of carbon-reduction solutions across sectors. At least until now. . . . The public is hungry for this kind of practical wisdom.” –David Roberts, Vox “ This is the ideal environmental sciences textbook–only it is too interesting and inspiring to be called a textbook.” –Peter Kareiva, Director of the Institute of the Environment and Sustainability, UCLA In the face of widespread fear and apathy, an international coalition of researchers, professionals, and scientists have come together to offer a set of realistic and bold solutions to climate change. One hundred techniques and practices are described here–some are well known; some you may have never heard of. They range from clean energy to educating girls in lower-income countries to land use practices that pull carbon out of the air. The solutions exist, are economically viable, and communities throughout the world are currently enacting them with skill and determination. If deployed collectively on a global scale over the next thirty years, they represent a credible path forward, not just to slow the earth ’ s warming but to reach drawdown, that point in time when greenhouse gases in the atmosphere peak and begin to decline. These measures promise cascading benefits to human health, security, prosperity, and well-being–giving us every reason to see this planetary crisis as an opportunity to create a just and livable world.

Celebrate 45 women artists, and gain inspiration for your own practice, with this beautiful exploration of contemporary creators from the founder of The Jealous Curator. Walk into any museum, or open any art book, and you'll probably be left wondering: where are all the women artists? A Big Important Art Book (Now with Women) offers an exciting alternative to this male-dominated art world, showcasing the work of dozens of contemporary women artists alongside creative prompts that will bring out the artist in anyone! This beautiful book energizes and empowers women, both artists and amateurs alike, by providing them with projects and galvanizing stories to ignite their creative fires. Each chapter leads with an assignment that taps into the inner artist, pushing the reader to make exciting new work and blaze her own artistic trail. Interviews, images, and stories from contemporary women artists at the top of their game provide added inspiration, and historical spotlights on art "herstory" tie in the work of pioneering women from the past. With a stunning, gift-forward package and just the right amount of pop culture-infused feminism, this book is sure to capture the imaginations of aspiring women artists.

A collection of over 100 limericks with the author's original illustrations.

In this gritty urban novel, a pimp named Anthony Davis (AD) and police officer George Pratt wage war with one another on the rain-slicked streets of Seattle. Slave to the Trade is packed with jaded cops, wannabe pimps, hardened prostitutes, gangbanging drug dealers, and several down-and-out drug addicts. The sad but true reality of the streets has never been painted so clearly and colorfully. The novel begins in a police station where Detective Pratt is pestered by the rookie partner about a mysterious piece of paper with a single calendar date on it that has been hanging on the wall for years. Now that the date has arrived, Pratt decides to finally divulge its meaning. He explains that a pimp named AD is being released from prison and needs to be tracked down and watched. When the rookie asks for further information, Pratt becomes irritated and evasive...making it apparent that the beef between the two men would remain a mystery until a later time. Upon his release, AD returns to his former stomping grounds and finds that the power structure of the game has changed dramatically. Where he was once a shot caller, the gangbangers are now firmly in control. AD does his best to make headway with the youngsters, but one of them just so happens to be an aspiring wannabe pimp and decides that AD is a threat that needs to be dealt with. Meanwhile, the mystery of AD and Pratt’s past grows in intensity as the rookie and the veteran cruise the streets watching the pimp’s every move. However, things get forced to a head when a young runaway girl turns up working the streets. Sadly, without her consent or knowledge, the young girl becomes a pawn in AD and Pratt’s personal war of wills. Steamy, gritty, and violent, Slave to the Trade is a work of urban fiction that brims with authenticity. The spitfire dialogue drives the intricate plot as the manipulative pimp and jaded cop head for an inevitable collision that will shake the street game to its very foundation.

Art & Fear

An electrifying story of the sensational murder trial that divided a city and ignited the civil rights struggle In 1925, Detroit was a smoky swirl of jazz and speakeasies, assembly lines and fistfights. The advent of automobiles had brought workers from around the globe to compete for manufacturing jobs, and tensions often flared with the KKK in ascendance and violence rising. Ossian Sweet, a proud Negro doctor-grandson of a slave-had made the long climb from the ghetto to a home of his own in a previously all-white neighborhood. Yet just after his arrival, a mob gathered outside his house; suddenly, shots rang out: Sweet, or one of his defenders, had accidentally killed one of the whites threatening their lives and homes. And so it began-a chain of events that brought America's greatest attorney, Clarence Darrow, into the fray and transformed Sweet into a controversial symbol of equality. Historian Kevin Boyle weaves the police investigation and courtroom drama of Sweet’s murder trial into an unforgettable tapestry of narrative history that documents the volatile America of the 1920s and movingly re-creates the Sweet family’s journey from slavery through the Great Migration to the middle class. Ossian Sweet's story, so richly and poignantly captured here, is an epic tale of one man trapped by the battles of his era’s changing times. Arc of Justice is the winner of the 2004 National Book Award for Nonfiction.

In its 114th year, Billboard remains the world’s premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today’s most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show’s behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show’s most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show’s highlights, from its origins as Comedy Central’s underdog late-night program to Trevor Noah’s succession, rising from a scrappy

jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

Following the success of Illustration Now!, this installment presents a new selection of illustrators from all around the world on a budget price. Whereas the first volume brought together a fascinating mix of star illustrators and brand new faces that together formed the face of illustration around the world, Illustration Now! Vol. 2 is even more exciting, featuring illustrators from over 20 countries, with styles ranging from cutting edge to traditional. Also included is a dialog between design specialist Steven Heller and German illustrator Christoph Niemann about illustration's role in the world today. This book is perfect not only for creative professionals and illustration students, but also artists and anyone with an appreciation for visual language.

Art & Politics Now is a richly illustrated survey of more than 200 artists whose works address the political, often using radical approaches and techniques to communicate their ideas. Since the turn of the 21st century, contemporary artists have increasingly engaged with some of the most pressing issues facing our world and their art has taken a distinctly political turn. Eleven themed chapters with integrated illustrations each provide a closely woven argument about the contribution of specific artworks and projects to different aspects of political and social engagement, from globalization and citizenship to activism and the environment.

This carefully crafted ebook: "THE UNDERGROUND RAILROAD (With Illustrations)" is formatted for your eReader with a functional and detailed table of contents. This book chronicles the stories of some 649 slaves who escaped to freedom via the Underground Railroad, a secret network formed by abolitionists and former slaves who helped them escape to the North. This book's original aim was to reunite those slaves with their families. But now it has turned into an important historical document that visiblises the existence of those who suffered inhuman cruelty at the hands of Southern Slave Owners and yet had the courage to break free. These unknown heroes and heroines were in true sense the founding fathers of African American Communities. This is why their stories must be heard and brought back from oblivion. A MUST READ! Excerpt: "Like millions of my race, my mother and father were born slaves, but were not contented to live and die so. My father purchased himself in early manhood by hard toil. Mother saw no way for herself and children to escape the horrors of bondage but by flight. Bravely, with her four little ones, with firm faith in God and an ardent desire to be free, she forsook the prison-house, and succeeded, through the aid of my father, to reach a free State. The old familiar slave names had to be changed.." William Still (1821-1902) was an African-American abolitionist, conductor on the Underground Railroad, writer, historian and civil rights activist. He was chairman of the Vigilance Committee of the Pennsylvania Anti-Slavery Society and directly aided fugitive slaves by keeping records of their lives and helping families reunite after the abolishment of slavery.
