Italo Calvino was due to deliver the Charles Eliot Norton lectures at Harvard in 1985-86, but they were left unfinished at his death. The surviving drafts explore of the concepts of Lightness, Quickness, Multiplicity, Exactitude and Visibility (Constancy was to be the sixth) in serious yet playful essays that reveal Calvino's debt to the comic strip and the folktale. With his customary imagination and grace, he sought to define the virtues of the great literature of the past in order to shape the values of the future. This collection is a brilliant précis of the work of a great writer whose legacy will endure through the millennium he addressed. Italo Calvino, one of Italy's finest postwar writers, has delighted readers around the world with his deceptively simple, fable-like stories. Calvino was born in Cuba in 1923 and raised in San Remo, Italy; he fought for the Italian Resistance from 1943-45. His major works include *Cosmicomics* (1968), *Invisible Cities* (1972), and *If on a winter's night a traveler* (1979). He died in Siena in 1985, of a brain hemorrhage.

One of the most spectacular successes of the flourishing literary marketplace of eighteenth-century London, *Pamela* also marked a defining moment in the emergence of the modern novel. In the words of one contemporary, it divided the world "into two different Parties, Pamelists and Anti-pamelists," even eclipsing the sensational factional politics of the day. Preached for its morality, and denounced as pornography in disguise, it vividly describes a young servant's long resistance to the attempts of her predatory master to seduce her. Written in the voice of its low-born heroine, *Pamela* is not only a work of pioneering psychological complexity, but also a compelling and provocative study of power and its abuse. Based on the original text of 1740, from which Richardson later retreated in a series of defensive revisions, this edition makes available the version of *Pamela* that aroused such widespread controversy on its first appearance.

Featuring your favorite Disney characters, these bestselling storybook collections have been completely redesigned with all new covers, gilded pages, newly edited text, and a classic new look with over 250 illustrations-including full-page artwork from the Disney archives. From *Frozen* to *The Lion King*, the best-loved stories of all time are now even better and re-create the movie magic of the most beloved Disney films. Enhanced with new pieces of art from the Disney archives, these stories are still the ideal length for reading aloud.

When he is diagnosed with cancer, in the silence of the hospital room broken only by the swish of cars outside, Italian writer Tiziano Terzani realizes that his whole life has been one long ride on a merry-go-round where he has always journeyed without a ticket. Now, for the first time, the ticket collector has come to demand his dues. At first, Terzani turns to Western medicine for a cure, but a question soon begins to haunt him: is cancer, as the doctors say, an enemy that needs to be destroyed, or is it a friend one can talk to? Travelling had always been a way of life for him, so he decides to make another trip, in search of a solution - to India. This final ride turns out to be very different though. And more difficult. Because every step, every choice - often between reason and faith, between science and magic - is inextricably linked to his own survival. As he crisscrosses the country from an ashram in Coimbatore to a hut in Almora, the external journey in search of a cure transforms into an inner journey and a return to the divine roots of man. Then, one day, as he looks at the sun rising over the mountains, he stumbles upon the one truth that has eluded him: death is as desirable and eternal as life itself. A bestseller in Europe, this is a book about modern medicine and alternative cures, and the quest to understand the true meaning of mortality.

When ten-year-old Enaiatollah Akbari's small village in Afghanistan falls prey to Taliban rule in early 2000, his mother shepherds the boy across the border into Pakistan but has to leave him there all alone to fend for himself. Thus begins Enaiat's remarkable and often punishing five-year ordeal, which takes him through Iran, Turkey, and Greece before he seeks political asylum in Italy at the age of fifteen. Along the way, Enaiat endures the crippling physical and emotional agony of dangerous border crossings, trekking across bitterly cold mountain pathways for days on end or being stuffed into the false bottom of a truck. But not everyone is as resourceful, resilient, or lucky as Enaiat, and there are many heart-wrenching casualties along the way. Based on Enaiat's close collaboration with Italian novelist Fabio Geda and expertly rendered in English by an award-winning translator, this novel reconstructs the young boy's memories, perfectly preserving the childlike perspective and rhythms of an intimate oral history. Told with humor and humanity, *In the Sea There Are Crocodiles* brilliantly captures Enaiat's moving and engaging voice and lends urgency to an epic story of hope and survival.

Long hailed as a seminal work of modernism in the tradition of Joyce and Kafka, and now available in a supple new English translation, Italo Svevo's charming and splendidly idiosyncratic novel conducts readers deep into one hilariously hyperactive and endlessly self-deluding mind. The mind in question belongs to Zeno Cosini, a neurotic Italian businessman who is writing his confessions at the behest of his psychiatrist. Here are Zeno's interminable attempts to quit smoking, his courtship of the beautiful yet unresponsive Ada, his unexpected—and unexpectedly happy—marriage to Ada's homely sister Augusta, and his affair with a shrill-voiced aspiring singer. Relating these

misadventures with wry wit and a perspicacity at once unblinking and compassionate, Zeno's Conscience is a miracle of psychological realism.

In a strange land where people must buy and swallow the words they wish to speak, Phileas hopes to communicate his love to Cybele using the small vocabulary he has been able to afford.

Based on the true history of the uncrowned kings of Sicily: the story of a family, restless and ambitious, shrewd and determined to be richer and more powerful than anybody else. In this grand, sweeping epic inspired by the real lives of history-making titans, international best-selling author Stefania Auci brings to life the dark secrets, the loves and betrayals, and the cruel acts of revenge that marked the Florio family's century of influence. The Florios arrive in Sicily, with nothing but the clothes on their back after an earthquake destroys their hometown. Against all odds, the family begins anew despite the looming Napoleonic wars and devastating plagues. But when Vincenzo is spurned by his aristocratic lover, he vows to avenge his honor by becoming the wealthiest man in Italy. Sacrificing love and family, he strives to buy what cannot be his by birth. Not to be outdone by the men, the Florio women unapologetically demand their place outside the restraints of caring mothers, alluring lovers, or wounded wives. Giulia, though only a mistress, is fiercely intelligent and runs the empire from the shadows. Angelina, born a bastard, charts her own future against the wishes of her father. In this epic yet intimate tale of power, passion, and revenge, the rise and fall of a family taps into the universal desire to become more than who we are born as. Translated from the Italian by Katherine Gregor

In a forgotten part of Middle America, a defiant act leaves one man dead and one teenage girl faced with a stark decision that could mean losing everything. Amy Wirkner, a high school senior in Barnesville, Ohio, is a loner, nicknamed "Chevy" for her size. She's smart, funny, and absolutely determined to escape from her small town in the Ohio Valley, a place poisoned by fracking. She does well in school despite the cruelty of her classmates and has her eyes on a college scholarship, so she can one day become a veterinarian and make something of herself. But even as she tries to keep her head down and stay out of trouble, trouble seems to find her.

Believing toxic water has poisoned her family, Amy one night becomes involved in an act of ecoterrorism against a local fracking company that goes terribly wrong. Her oldest friend Paul, as angry and defiant as she is, has drawn her into this dark world—and now a man is dead as a result. But Amy can't—won't—let one night's mistake stand in the way of her plans. Touching on important topics as wide-ranging as ethnic hatred, police corruption, environmental decay, and gun violence, *Lady Chevy* is one girl's story that highlights the darkest parts of modern America with surprising results.
