Impossible To Ignore Creating Memorable Content To Influence Decisions

An unforgettable debut novel about family secrets, falling apart, and coming together. Dublin 1996. Joan Egan lives an enviable life. She and her husband, Martin, and daughter, Carmel, are thriving in Dublin at the dawn of an economic boom. But everything changes when Joan receives a letter from Emma, the daughter who she and Martin gave up for adoption thirty years before, asking for a life-or-death favor. While Joan grapples with the guilt over giving up her baby long ago, she must confront her present as the cracks in her marriage become impossible to ignore and simmering tension with Carmel boils over. Meanwhile, Carmel and Emma must come to terms with the perceived sins of their mother, to imagine a future for their family before it is too late. Spanning the nineties and the sixties, with Dublin as its backdrop, *The Making of Her* is the tender and page-turning story of marriage, motherhood, a culture that would not allow a woman to find true happiness—and her journey to finally claim it.

The three conversations B2B sale pros must have with customers to control every step of long lead buying cycle *The Three Value Conversations* provides the tools and methods you need to differentiate you and your solution from the competition, elevate value to the right decision maker, and maximize all sales opportunities across the entire long lead buying cycle. Based on extensive research, the authors' program enables salespeople to articulate value in three essential conversations with the customer: the Differentiation Conversation (creating value), the

Justification Conversation (elevating the value to the right level of decision maker), and the Maximization Conversation (capturing that value and maximizing the size of your opportunities).

*** Don't miss Dr. Carmen Simon's revolutionary approach to making a lasting impression: "Impossible to Ignore: Creating Memorable Content to Influence Decisions." Simon uses scientifically proven research to design a step-by-step method to creating the best content to drive the decisions you desire.*** What Will You Learn from Reading This Book? Why we remember the things we do How much of what we hear and see we actually remember What types of things we are most likely to remember The science behind memory and decision-making How to associate your content with a recurring memory for most A step-by-step plan to get people to convert when you want them to! Book Summary Overview In this book, Carmen Simon explores how writers, artists and business communicators can use memory to create content that is impossible to ignore. She asserts that people act on what they remember, and that ventures become profitable when they learn to influence what their customers recall in the future. According to the author, people act in favor of a business when the business learns to influence their memory by using the right proportion of facts, distinctiveness, familiarity, emotion, sensory intensity, and other variables in its content. The premise of this book is that communication is only effective if the message sticks to the minds of the listeners long enough to influence their choice at the decision point. The author uses the latest developments in brain science to develop an approach that anyone can use to create a presentation, sales pitch, training

A cannon. A strap. A piece. A biscuit. A burner. A heater. A chopper. A gat. A hammer A tool for RULE Or, you can call it a gun. That ' s what fifteen-year-old Will has shoved in the back waistband of his jeans. See, his brother Shawn was just murdered. And Will knows the rules. No crying. No snitching. Revenge. That ' s where Will ' s now heading, with that gun shoved in the back waistband of his jeans, the gun that was his brother ' s gun. He gets on the elevator, seventh floor, stoked. He knows who he ' s after. Or does he? As the elevator stops on the sixth floor, on comes Buck. Buck, Will finds out, is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is even loaded. And that ' s when Will sees that one bullet is missing. And the only one who could have fired Shawn ' s gun was Shawn. Huh. Will didn ' t know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck ' s in the elevator? Just as Will ' s trying to think this through, the door to the next floor opens. A teenage girl gets on,

waves away the smoke from Dead Buck ' s cigarette. Will doesn ' t know her, but she knew him. Knew. When they were eight. And stray bullets had cut through the playground, and Will had tried to cover her, but she was hit anyway, and so what she wants to know, on that fifth floor elevator stop, is, what if Will, Will with the gun shoved in the back waistband of his jeans, MISSES. And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END...if Will gets off that elevator. Told in short, fierce staccato narrative verse, Long Way Down is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.

elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. *The Art of Seduction* is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. From the internationally bestselling author of *The 48 Laws of Power*, *Mastery*, and *The 33 Strategies Of War*.

Frank Bascombe has a younger girlfriend and a job as a sportswriter. To many men of his age, thirty-eight, this would be a cause for optimism, yet Frank feels the pull of his inner despair and especially of his recent losses - his preferred career has ended, his wife has divorced him, and a tragic accident took his elder son. In the course of this Easter weekend, Frank will lose all the remnants of his familiar life, though he will emerge heroic with spirits soaring. This is a magnificent novel that propelled Richard Ford into the first rank of American writers.

The New York Times bestselling authors of *Switch* and *Made to Stick* explore why certain brief experiences can jolt us and elevate us and change us—and how we can learn to create such extraordinary moments in our life and work. While human lives are endlessly variable, our most memorable positive moments are dominated by four elements: elevation, insight, pride, and connection. If we embrace these elements, we can conjure more moments that matter. What if a teacher could design a lesson that he knew his students would remember twenty years later? What if a manager knew how to create an experience that would delight customers? What if

you had a better sense of how to create memories that matter for your children? This book delves into some fascinating mysteries of experience: Why we tend to remember the best or worst moment of an experience, as well as the last moment, and forget the rest. Why “we feel most comfortable when things are certain, but we feel most alive when they’re not.” And why our most cherished memories are clustered into a brief period during our youth. Readers discover how brief experiences can change lives, such as the experiment in which two strangers meet in a room, and forty-five minutes later, they leave as best friends. (What happens in that time?) Or the tale of the world’s youngest female billionaire, who credits her resilience to something her father asked the family at the dinner table. (What was that simple question?) Many of the defining moments in our lives are the result of accident or luck—but why would we leave our most meaningful, memorable moments to chance when we can create them? The Power of Moments shows us how to be the author of richer experiences.

Proven customer engagement approaches for winning in the most important moments driving profitability and growth—customer retention and expansion Industry analysts report that up 70-80% of business growth comes from existing customers. Want to live your dreams--or even surpass them? Want the world to change for the better? Want to see a miracle? What are we waiting for? Why not be the miracle? That's the challenge Regina Brett sets forth in BE THE MIRACLE. To be a miracle doesn't necessarily mean tackling problems across the globe. It means making a difference, believing change is possible, even in your own living room, cubicle, neighborhood, or family. Through a collection of inspirational essays, Regina shares lessons that will help people make a difference in the world around them. The lessons come from Regina's life experience and from the lives of others, especially those she has met in her 24 years as a journalist. Each chapter is a lesson that can stand alone, but together they form a handbook for seeing the miracle of change everywhere. With upbeat lessons from "Do Your Best and Forget the Rest" to "Sometimes It's Enough to Make One Person Happy," these lessons will help you accept and embrace yourself, challenge and change yourself, and better serve others.

A “brilliant” (Lupita Nyong’o, Time), “poignant” (Entertainment Weekly), “soul-nourishing” (USA Today) memoir about coming of age during the twilight of apartheid “Noah’s childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa’s history that must never be forgotten.”—Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Time, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah’s unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents’ indiscretion, Trevor was kept mostly indoors for the earliest years of his life,

bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa's tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love. Torie Clarke, renowned and respected in political and business circles as one of the nation's most gifted communicators, offers a complete guide to the new age

of transparency. Clarke's message is refreshing and straightforward: No more spin. Always a dubious proposition, spin has become increasingly vulnerable as information sources have proliferated; spin is simply no longer viable. Or put another way, "You can put lipstick on a pig, but it's still a pig." Distilling her twenty-five years of experience and wisdom into eight concise rules, Clarke counsels that politicians and executives need to tell the truth early, often, and in plain language. Clarke's experience is incomparable: She was the Pentagon's communications chief during the early years of George W. Bush's presidency and, prior to that, a high-ranking adviser to the first President Bush and to Senator John McCain. She illustrates her lessons with riveting behind-the-scenes accounts of some of our country's crucial moments over the last two decades -- for instance, as Assistant Secretary of Defense for Public Affairs under Defense Secretary Donald Rumsfeld, she was at the Pentagon on September 11, 2001, and she recounts her experience that day as Rumsfeld's office strove to inform, instruct, and reassure the public. Clarke shows that a policy of transparency not only protects you, but that you even stand to gain from it -- because once you figure out that you can't put lipstick on a pig, you've actually learned something far more powerful: not to create a pig in the first place. Her lessons for getting your message out include: Tell your own story -- especially if it's bad news -- on your own terms, before someone else tells it on theirs. It will allow you to survive

controversy and will also enhance your reputation. It's about one thing. Be ready and able to explain yourself to the proverbial man on the street in a clear, simple sentence or two. Admit your mistakes, because the truth will out. Entertaining, approachable, and full of crucial insight and practical guidance, Lipstick on a Pig will be indispensable for business leaders, public figures, and anyone working in media relations. With humor and savvy, Clarke's vision offers truly new opportunities for communications in the Information Age.

In this all-new novel from the author of After Hours and Unbound, a woman with a rocky past finds romance in the last place she'd ever expect... Annie Goodhouse doesn't need to be warned about bad boys; good sense and an abusive ex have given her plenty of reasons to play it safe. But when she steps into her new role as outreach librarian for Cousins Correctional Facility, no amount of good sense can keep her mind—or eyes—off inmate Eric Collier. Eric doesn't claim to be innocent of the crime that landed him in prison. In fact, he'd do it again if that's what it took to keep his family safe. Loyalty and force are what he knows. But meeting Annie makes him want to know more. When Eric begins courting Annie through letters, they embark on a reckless, secret romance—a forbidden fantasy that neither imagines could ever be real...until early parole for Eric changes everything, and forces them both to face a past they can't forget, and a desire they can't deny. with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of I Am the Messenger, has given us one of the most enduring stories of our time. "The kind of book that can be life-changing." –The New York Times "Deserves a place on the same shelf with The Diary of a Young Girl by Anne Frank." –USA Today

DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.

Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being

rescued.

In the spring of 2010, Harvard Business School's graduating class asked HBS professor Clay Christensen to address them—but not on how to apply his principles and thinking to their post-HBS careers. The students wanted to know how to apply his wisdom to their personal lives. He shared with them a set of guidelines that have helped him find meaning in his own life, which led to this now-classic article. Although Christensen's thinking is rooted in his deep religious faith, these are strategies anyone can use. Since 1922, Harvard Business Review has been a leading source of breakthrough ideas in management practice. The Harvard Business Review Classics series now offers you the opportunity to make these seminal pieces a part of your permanent management library. Each highly readable volume contains a groundbreaking idea that continues to shape best practices and inspire countless managers around the world.

God's Debris is the first non-Dilbert, non-humor book by best-selling author Scott Adams. Adams describes God's Debris as a thought experiment wrapped in a story. It's designed to make your brain spin around inside your skull. Imagine that you meet a very old man who—you eventually realize—knows literally everything. Imagine that he explains for you the great mysteries of life: quantum physics, evolution, God, gravity, light psychic phenomenon, and probability—in a way so simple, so novel, and so compelling that it all fits together and makes perfect sense. What does it feel like to suddenly understand everything? You may not find the final answer to the big question, but God's Debris might

provide the most compelling vision of reality you will ever read. The thought experiment is this: Try to figure out what's wrong with the old man's explanation of reality. Share the book with your smart friends, then discuss it later while enjoying a beverage. It has no violence or sex, but the ideas are powerful and not appropriate for readers under fourteen.

Praise for 60-Minute Brand Strategist "A fresh take on the wisdom of putting brand strategy at the heart of corporate strategy. Brilliant insights for a fast-moving world." —Angela Ahrendts, CEO, Burberry "Idris Mootee paints a sharp, comprehensive, and finely articulated analysis of the potential of meaningful brands in the 21st century's cultural scenario and business landscape. The result is a smart manual that reminds you and your company how to build relevant, authentic, sustainable, and successful brands in an evolving society." —Mauro Porcini, Chief Design Officer, PepsiCo Inc. "Idris's book teaches us how to engage today's increasingly cynical consumers on a deeper emotional level to build real equity and leadership. He demonstrates how to break out of the box and connect business strategy to brand strategy, and how the right brand story never really ends!" —Blair Christie, SVP and CMO, Cisco Systems, Inc. "It's rare to find a book that's both inspiring and practical but Idris nailed it! He has crafted the ultimate guide to brand building in the connected world with visual clarity and thought-provoking strategy." —Eric Ryan, cofounder, Method Products, Inc. only: branding. Period. In this economy ruled by ideas, the only sustainable form of leadership is brand leadership. 60-Minute Brand Strategist offers a fast-paced, field-tested view of how branding decisions happen in the context of business strategy, not just in marketing communications. With a combination of perspectives from business strategy, customer experience, and even anthropology, this new and updated edition outlines the challenges traditional branding faces in a hyper-connected world. This essential handbook of brand marketing offers an encyclopedia of do's and don'ts, including new case studies of how these concepts are being used by the world's most successful and valuable brands. 60-Minute Brand Strategist is your battle plan, filled with powerful branding tools and techniques to win your customers' hearts and defeat the competition.

From renowned trial attorney and New York Times bestselling author Gerry Spence: a must own book for every lawyer and business professional seeking to make cutting-edge winning presentations--in court, at work, everywhere, any time. Gerry Spence is perhaps America's most renowned and successful trial lawyer, a man known for his deep convictions and his powerful courtroom presentations when he argues on behalf of ordinary people. Frequently pitted against teams of lawyers thrown against him by major corporate or government interests, he has never lost a criminal case and has not lost a civil jury trial since 1969. In Win Your Case, Spence shares a lifetime of experience

teaching you how to win in any arena-the courtroom, the boardroom, the sales call, the salary review, the town council meeting-every venue where a case is to be made against adversaries who oppose the justice you seek. Relying on the successful courtroom methods he has developed over more than half a century, Spence shows both lawyers and laypersons how you can win your cases as he takes you step by step through the elements of a trial-from jury selection, the opening statement, the presentation of witnesses, their cross-examinations, and finally to the closing argument itself. Spence teaches you how to prepare yourselves for these wars. Then he leads you through the new, cutting-edge methods he uses in discovering the story in which you form the evidence into a compelling narrative, discover the point of view of the decision maker, anticipate and answer the counterarguments, and finally conclude the case with a winning final argument. To make a winning presentation, you are taught to prepare the power-person (the jury, the judge, the boss, the customer, the board) to hear your case. You are shown that your emotions, and theirs, are the source of your winning. You learn the power of your own fear, of honesty and caring and, yes, of love. You are instructed on how to role-play through the use of the psychodramatic technique, to both discover and tell the story of the case, and, at last, to pull it all together into the winning final argument. Whether you are presenting your case to a judge, a jury, a boss, a committee, or a customer, Win Your Case is an indispensable guide to success in every walk of life, in and out of the

An enterprise focus on sales messaging, using the concepts in this book, is the hidden secret to driving incremental sales productivity and overwhelming customer success!" —Ken Powell, Vice President, Worldwide Sales Enablement, ADP "The Power Messaging techniques in this book are the foundation of how our marketing team creates our sales messages, as well as the process our field sales teams use for delivering that message in a unique and compelling way. At Kronos our results are a reflection of the power of the tool." —Aron Ain, CEO, Kronos About the Book: In today's highly competitive world of complex sales, commoditization of your brand is one of the greatest dangers. You must differentiate yourself from the competition—or you will lose out. And the way to do that is through customer engagement. Rather than sell your own corporate story and brand message, you need to tell customers their story—the one in which they are the heroes and they achieve success. Erik Peterson and Tim Riesterer have been developing and honing their Power Messaging sales technique for more than 20 years, and now they reveal all their secrets in *Conversations That Win the Complex Sale*. Presenting a catalog of facts or playing 20 questions with prospective customers is the surest way to lose the sale. Peterson and Riesterer provide the tools you need to recraft your

message into a compelling story that wins more deals. With *Conversations That Win the Complex Sale*, you'll learn how to: Differentiate yourself from the competition by finding your "Value Wedge" Avoid parity in your value propositions by creating "Power Positions" Create a message that can literally double the number of deals you close Spike customer attention and create "Wow" in your conversations Prove all your claims without resorting to lists of boring facts and statistics Your competitors are out there telling their own corporate story—a story customers don't want to hear. Now is the time to seize the moment. This book is the one and only source you need to reframe your sales story and turn the tables on the competition by fully engaging their would-be customers. *Conversations That Win the Complex Sale* helps you create and deliver messages that customers care about, giving your brand the clear edge in today's crowded markets.

Okonkwo is the greatest warrior alive, famous throughout West Africa. But when he accidentally kills a clansman, things begin to fall apart. Then Okonkwo returns from exile to find missionaries and colonial governors have arrived in the village. With his world thrown radically off-balance he can only hurtle towards tragedy. Chinua Achebe's stark novel reshaped both African and world literature. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling the fate of one African
