

In The Name Of The Son The Gerry Conlon Story

A Pulitzer Prize-winning history of the mistreatment of black Americans. In this 'precise and eloquent work' - as described in its Pulitzer Prize citation - Douglas A. Blackmon brings to light one of the most shameful chapters in American history - an 'Age of Neoslavery' that thrived in the aftermath of the Civil War through the dawn of World War II. Using a vast record of original documents and personal narratives, Blackmon unearths the lost stories of slaves and their descendants who journeyed into freedom after the Emancipation Proclamation and then back into the shadow of involuntary servitude thereafter. By turns moving, sobering and shocking, this unprecedented account reveals these stories, the companies that profited the most from neoslavery, and the insidious legacy of racism that reverberates today.

In 1327, Brother William of Baskerville is sent to investigate charges of heresy against Franciscan monks at a wealthy Italian abbey but finds his mission overshadowed by seven bizarre murders.

Louis Farrakhan and The Nation of Islam

The Rise of Femonationalism

Islamic Discourses on Treaties with Israel

In the Name of Elijah Muhammad tells the story of the Nation of Islam—its rise in northern inner-city ghettos during the Great Depression through its decline following the death of Elijah Muhammad in 1975 to its rejuvenation under the leadership of Louis Farrakhan. Mattias Gardell sets this story within the context of African American social history, the legacy of black nationalism, and the long but hidden Islamic presence in North America. He presents with insight and balance a detailed view of one of the most controversial yet least explored organizations in the United States—and its current leader. Beginning with Master Farad Muhammad, believed to be God in Person, Gardell examines the origins of the Nation. His research on the period of Elijah Muhammad ’ s long leadership draws on previously unreleased FBI files that reveal a clear picture of the bureau ’ s attempts to neutralize the Nation of Islam. In addition, they shed new light on the circumstances surrounding the murder of Malcolm X. With the main part of the book focused on the fortunes of the Nation after Elijah Muhammad ’ s death, Gardell then turns to the figure of Minister Farrakhan. From his emergence as the dominant voice of the radical black Islamic community to his leadership of the Million Man March, Farrakhan has often been portrayed as a demagogue, bigot, racist, and anti-Semite. Gardell balances the media ’ s view of the Nation and Farrakhan with the Nation ’ s own views and with the perspectives of the black community in which the organization actively works. His investigation, based on field research, taped lectures, and interviews, leads to the fullest account yet of the Nation of Islam ’ s ideology and theology, and its complicated relations with mainstream Islam, the black church, the Jewish community, extremist white nationalists, and the urban culture of black American youth, particularly the hip-hop movement and gangs.

Developing a Spiritual Warfare Mentality in the Midst of the Valley is a revolutionary look at Spiritual Warfare from a practical point of view. This book is designed to challenge your thinking so that you can function accurately in the midst of any situation that life presents. Hidden in the midst of every valley is the purpose waiting to be discovered. When you learn to think differently, you will discover the wonderful treasure of purpose, which will ultimately bring fulfillment to your life. In this landmark work, Stanley Saunders uses the analogy of two valleys (valley of bad decision and valley of destiny) to stir change in the heart of people. Regardless of what valley you find yourself in this book teaches you how to respond so that you can find meaning and significance to life. Most people are tired of going through the same battles and struggles over and over. Therefore, its time to break that trend by applying the life-changing principles of Gods Word. Are you ready for victory in every area of your life?

#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE ’ S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can ’ t resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of I Am the Messenger, has given us one of the most enduring stories of our time. “ The kind of book that can be life-changing. ” —The New York Times “ Deserves a place on the same shelf with The Diary of a Young Girl by Anne Frank. ” —USA Today DON ’ T MISS BRIDGE OF CLAY, MARKUS ZUSAK ’ S FIRST NOVEL SINCE THE BOOK THIEF.

A heartwarming story about the new girl in school, and how she learns to appreciate her Korean name. Being the new kid in school is hard enough, but what happens when nobody can pronounce your name? Having just moved from Korea, Unhei is anxious about fitting in. So instead of introducing herself on the first day of school, she decides to choose an American name from a glass jar. But while Unhei thinks of being a Suzy, Laura, or Amanda, nothing feels right. With the help of a new friend, Unhei will learn that the best name is her own. From acclaimed creator Yangsook Choi comes the bestselling classic about finding the courage to be yourself and being proud of your background.

The lyrical fantasy masterpiece about stories, legends and how they change the world. The Name of the Wind is an absolute must-read for any fan of fantasy fiction. "This is a magnificent book' Anne McCaffrey 'I was reminded of Ursula K. Le Guin, George R. Martin, and J. R. R. Tolkien, but never felt that Rothfuss was imitating anyone' THE TIMES 'I have stolen princesses back from sleeping barrow kings. I burned down the town of Trebon. I have spent the night with Felurian and left with both my sanity and my life. I was expelled from the University at a younger age than most people are allowed in. I tread paths by moonlight that others fear to speak of during day. I have talked to Gods, loved women, and written songs that make the minstrels weep. My name is Kvothe. You may have heard of me' So begins the tale of Kvothe - currently known as Kote, the unassuming innkeeper - from his childhood in a troupe of traveling players, through his years spent as a near-feral orphan in a crime-riddled city, to his daringly brazen yet successful bid to enter a difficult and dangerous school of magic. In these pages you will come to know Kvothe the notorious magician, the accomplished thief, the masterful musician, the dragon-slayer, the legend-hunter, the lover, the thief and the infamous assassin. The Name of the Wind is fantasy at its very best, and an astounding must-read coming-of-age adventure. Readers adore The Name of the Wind: The quality of the writing breathes magic into even fairly ordinary scenes, and makes some of the important ones extraordinary' Mark Lawrence 'This is why I love fantasy so much . . . The writing style is smooth, the pacing just right. . . I would easily recommend this to anyone who enjoys fantasy, but also to people who enjoy great stories told wonderfully well' Goodreads reviewer, ￼￼￼￼ For the love of God, if you haven't read this book and love these kinds of high fantasy novels, READ IT! Goodreads reviewer, ￼￼￼￼ "The story is fantastic, the writing is amazing, and if you have a heart the main character will capture it' Goodreads reviewer, ￼￼￼￼ Patrick Rothfuss is such a talented storyteller and there was never a dull moment throughout the entire book! . . . The Name of the Wind is a masterpiece and Patrick Rothfuss is a freaking genius' Goodreads reviewer, ￼￼￼￼ This story was, simply put, excellent. . . Rothfuss has more than earn his reputation. I'm so glad this book lived up to the hype. . . A jaw dropping five stars' Goodreads reviewer, ￼￼￼￼ "One of the best fantasy books of all time' Goodreads reviewer, ￼￼￼￼ "A legitimately wonderful story that is written beautifully. . . This should be one of the required reading books for any fan of fantasy' Goodreads reviewer, ￼￼￼￼

The authoritative account of the rise of Amazon and its intensely driven founder, Jeff Bezos, praised by the Seattle Times as "the definitive account of how a tech icon came to life." Amazon.com started off delivering books through the mail. But its visionary founder, Jeff Bezos, wasn't content with being a bookseller. He wanted Amazon to become the everything store, offering limitless selection and seductive convenience at disruptively low prices. To do so, he developed a corporate culture of relentless ambition and secrecy that's never been cracked. Until now. Brad Stone enjoyed unprecedented access to current and former Amazon employees and Bezos family members, giving readers the first in-depth, fly-on-the-wall account of life at Amazon.

Compared to tech's other elite innovators -- Jobs, Gates, Zuckerberg -- Bezos is a private man. But he stands out for his restless pursuit of new markets, leading Amazon into risky new ventures like the Kindle and cloud computing, and transforming retail in the same way Henry Ford revolutionized manufacturing. The Everything Store is the revealing, definitive biography of the company that placed one of the first and largest bets on the Internet and forever changed the way we shop and read.

Records the courage and self-reliance of an Indian girl who lived alone for eighteen years on an isolated island off the California coast when her tribe emigrated and she was left behind.

With America's confidence in the Bible at an all-time low and the strength of her spiritual convictions waning, it is essential for Christians—especially Christian leaders—to be well-grounded in biblical theology. To have a clear and comprehensive understanding of the key doctrines of evangelicalism. In response, professor and award-winning author Bruce Demarest has made plain

God's glorious plan of salvation, his provision for the human dilemma through Christ's work on the cross, and the application of saving grace to unbelievers. Demarest's unique approach defines each topic, identifies its most pressing issues, examines the ways in which the doctrine has been understood historically, and interprets the Bible's revelation. The result is a clear and carefully constructed doctrinal statement that you can depend, live out, and communicate to others. This singular, comprehensive treatment of one of Christianity's essential doctrines gives definitive, Bible-based answers about salvation and the cross—and about related theological issues such as grace and regeneration. It's perfect for clarifying your theology and gaining deep understanding of this foundational theme. Part of the Foundations of Evangelical Theology series.

An extraordinary history of the turbulent sixties and early seventies that displays James Baldwin's fury and despair more deeply than any of his other works, and powerfully speaks to contemporary conversations around racism. "It contains truth that cannot be denied.￼￼ The Atlantic Monthly In this stunningly personal document, James Baldwin remembers in vivid details the Harlem childhood that shaped his early consciousness and the later events that scored his heart with painful murders of Martin Luther King and Malcolm X, his sojourns in Europe and in Hollywood, and his return to the American South to confront a violent America face-to-face.

Selected by the Modern Library as one of the 100 best nonfiction books of all time From the Modern Library's new set of beautifully repackaged hardcover classics by Truman Capote!also available are Breakfast at Tiffany's and Other Voices. Other Rooms (in one volume), Portraits and Observations, and The Complete Stories Truman Capote's masterpiece. In Cold Blood, created a sensation when it was first published, serially, in The New Yorker in 1965. The intensively researched, atmospheric narrative of the lives of the Clutter family of Holcomb, Kansas, and of the two men, Richard Eugene Hickock and Perry Edward Smith, who brutally killed them on the night of November 15, 1959, is the seminal work of the [new journalism.] Perry Smith is one of the great dark characters of American literature, full of contradictory emotions. [I thought he was a very nice gentleman.] he says of Herb Clutter. [Softer-spoken. I thought so right up to the moment I cut his throat.] Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers! flight, Capote's account is so detailed that the reader comes to feel almost like a participant in the events.

Containing entries for more than 45,000 English, Scottish, Welsh, Irish, Cornish, and immigrant surnames, The Oxford Dictionary of Family Names in Britain and Ireland is the ultimate reference work on family names of the UK. The Dictionary includes every surname that currently has more than 100 bearers. Each entry contains lists of variant spellings of the name, an explanation of its origins (including the etymology), lists of early bearers showing evidence for formation and continuity from the date of formation down to the 19th century, geographical distribution, and, where relevant, genealogical and bibliographical notes, making this a fully comprehensive work on family names. This authoritative guide also includes an introductory essay explaining the historical background, formation, and typology of surnames and a guide to surnames research and family history research. Additional material also includes a list of published and unpublished lists of surnames from the Middle Ages to the present day.

NATIONAL BESTSELLER • “Elegant and wicked.... [This] might be the first true-crime book that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime.” —The New York Times Book Review Shots rang out in Savannah’s grandest mansion in the misty,early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. John Berendt’s sharply observed, suspenseful, and witty narrative reads like a thoroughly engrossing novel, and yet it is a work of nonfiction. Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman’s Card Club; the turbulent young redneck gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the “soul of pampered self-absorption”; the uproariously funny black drag queen; the aerobic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young blacks dancing the minutet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. Midnight in the Garden of Good and Evil is a sublime and seductive reading experience. Brilliantly conceived and masterfully written, this enormously engaging portrait of a most beguiling Southern city has become a modern classic.

#1 NEW YORK TIMES BESTSELLER • Now a major motion picture directed by Steven Spielberg, “Enchanting . . . Willy Wonka meets The Matrix.”—USA Today • “As one adventure leads expertly to the next, time simply evaporates.”—Entertainment Weekly A world at stake. A quest for the ultimate prize. Are you ready? In the year 2045, reality is an ugly place. The only time Wade Watts really feels alive is when he’s jacked into the OASIS, a vast virtual world where most of humanity spends their days. When the eccentric creator of the OASIS dies, he leaves behind a series of fiendish puzzles, based on his obsession with the pop culture of decades past. Whoever is first to solve them will inherit his vast fortune—and control of the OASIS itself. Then Wade cracks the first clue. Suddenly he’s beset by rivals who’ll kill to take this prize. The race is on—and the only way to survive is to win. **NAMED ONE OF THE BEST BOOKS OF THE YEAR** BY Entertainment Weekly • San Francisco Chronicle • Village Voice • Chicago Sun-Times • iO9 • The AV Club “Delightful . . . the grown-up’s Harry Potter.”—HuffPost “An addictive read . . . part intergalactic scavenger hunt, part romance, and all heart.”—CNN “A most excellent ride . . . Cline is that rare writer who can translate his own dorky enthusiasms into prose that’s both hilarious and compassionate.”—NPR “[A] fantastic page-turner . . . starts out like a simple bit of fun and winds up feeling like a rich and plausible picture of future friendships in a world not too distant from our own.”—iO9

NATIONAL BESTSELLER • From the author of Into the Wild and Into Thin Air, this extraordinary work of investigative journalism takes readers inside America’s isolated Mormon Fundamentalist communities. Defying both civil authorities and the Mormon establishment in Salt Lake City, the renegade leaders of these Taliban-like theocracies are zealots who answer only to God; some 40,000 people still practice polygamy in these communities. At the core of Krakauer’s book are brothers Ron and Dan Lafferty, who insist they received a commandment from God to kill a blameless woman and her baby girl. Beginning with a meticulously researched account of this appalling double murder, Krakauer constructs a multi-layered, bone-chilling narrative of messianic delusion, polygamy, savage violence, and unyielding faith. Along the way he uncovers a shadowy offshoot of America’s fastest growing religion, and raises provocative questions about the nature of religious belief.

A groundbreaking history of the practice of Jewish name changing in the 20th century, showcasing just how much is in a name Our thinking about Jewish name changing tends to focus on clichés: ambitious movie stars who adopted glamorous new names or insensitive Ellis Island officials who changed immigrants' names for them. But as Kirsten Fermaglich elegantly reveals, the real story is much more profound.

Scratching below the surface, Fermaglich examines previously unexplored name change petitions to upend the clichés, revealing that in twentieth-century New York City, Jewish name changing was actually a broad-based and voluntary behavior: thousands of ordinary Jewish men, women, and children legally changed their names in order to respond to an upsurge of antisemitism. Rather than trying to escape their heritage or “pass” as non-Jewish, most name-changers remained active members of the Jewish community. While name changing allowed Jewish families to avoid antisemitism and achieve white middle-class status, the practice also created pain within families and became a stigmatized, forgotten aspect of American Jewish culture. This first history of name changing in the United States offers a previously unexplored window into American Jewish life throughout the twentieth century. A Rosenberg by Any Other Name demonstrates how historical debates about immigration, antisemitism and race, class mobility, gender and family, the boundaries of the Jewish community, and the power of government are reshaped when name changing becomes part of the conversation. Mining court documents, oral histories, archival records, and contemporary literature, Fermaglich argues convincingly that name changing had a lasting impact on American Jewish culture. Ordinary Jews were forced to consider changing their names as they saw their friends, family, classmates, co-workers, and neighbors do so. Jewish communal leaders and civil rights activists needed to consider name changers as part of the Jewish community, making name changing a pivotal part of early civil rights legislation. And Jewish artists created critical portraits of name changers that lasted for decades in American Jewish culture. This book ends with the disturbing realization that the prosperity Jews found by changing their names is not as accessible for the Chinese, Latino, and Muslim immigrants who wish to exercise that right today.

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numericalogical predictions. According to these, empires will fall, the “Beast” will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Sara R. Farris examines the demands for women's rights from an unlikely collection of right-wing nationalist political parties, neoliberals, and some feminist theorists and policy makers. Focusing on contemporary France, Italy, and the Netherlands, Farris labels this exploitation and co-optation of feminist themes by anti-Islam and xenophobic campaigns as “femonationalism.” She shows that by characterizing Muslim males as dangerous to western societies and as oppressors of women, and by emphasizing the need to rescue Muslim and migrant women, these groups use gender equality to justify their racist rhetoric and policies. This practice also serves an economic function. Farris analyzes how neoliberal civic integration policies and feminist groups funnel Muslim and non-western migrant women into the segregating domestic and caregiving industries, all the while claiming to promote their emancipation. In the Name of Women's Rights documents the links between racism, feminism, and the ways in which non-western women are instrumentalized for a variety of political and economic purposes.

NATIONAL BESTSELLER • A coming-of-age classic, acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature, The House on Mango Street is the remarkable story of Esperanza Cordero, a young Latina girl growing up in Chicago, inventing for herself who and what she will become. Told in a series of vignettes-sometimes heartbreaking, sometimes deeply joyous-Sandra Cisneros' masterpiece is a classic story of childhood and self-discovery. Few other books in our time have touched so many readers. "Cisneros draws on her rich [Latino] heritage ... and seduces with precise, spare prose, creat[ing] unforgettable characters we want to lift off the page. She is not only a gifted writer, but an absolutely essential one." —The New York Times Book Review
