Scholar Israel Knohl offers a new perspective on the history and theology of the Priestly source of the Pentateuch. Knohl claims that groups associated with the Priestly Torah appear ensconced within the Temple, operating within a "Sanctuary of Silence", in contrast to the later Holiness School, which reached a loftier conception of God and a broader purview of faith, holiness, and practice.

□□□ *The Coven Chronicles is part of a serial. All books end with cliffhangers! □□□ When Hell Refuses to Freeze Over Thea Bauer has earned her way to being a highly skilled member of the Coven. Ranked as a Spellweaver, she's assigned the more dangerous missions. Corralling a herd of wild unicorns? No problem. Taking down a witch riding the high of black magic? Piece of cake. Finding out why magic-based creatures are suddenly flooding the local sanctuary, protected by a powerful sorceress with a hatred for the Coven? Thea might need more than her tethered demonic partner to see this mission through. She calls upon Summoner Rafe MacBain, a trusted colleague she's known for years whose dreamy eyes might keep her up at night—but she's not admitting that to anyone. He's got his own demonic companion, and altogether they're a force to be reckoned with. But, even with their combined strength, it might not be enough against feral demons escaping some of the farthest reaches of Hell. As if that weren't bad enough, Thea must conquer her own demons residing within herself that conjure up a painful past. Will she be able to overcome herself, or will the memories she's tried to stray from keep her from fighting enemies in the physical realm? Thea is starting to wonder if the sorceress may be one of those enemies too. What secret is she hiding at the bottom of the sanctuary, and how will it affect everything Thea has come to know?*

Sex In The Sanctuary

Come spend some time in the sanctuary of women, an often-ignored space in Jewish and Christian history. This devotional book for women highlights six women from around the world and across the centuries, inviting us to discover what their lives tell us about God. Jan Richardson, a gifted poet, artist, and author, believes it is essential for women to listen to one another's wisdom and bring the fullness of their lives, with all the wonders and messiness, into their prayer life. In the Sanctuary of Women gathers together these women from scripture and history: Eve Brigid of Kildare The desert mothers Hildegard of Bingen Harriet Powers The Woman of the Song of Songs Each chapter becomes its own sanctuary, with one of the women serving as a companion as you contemplate the theme that her life offers. Throughout the readings Richardson weaves her own stories, poetry, prayers, and blessings. Midway through each chapter, a section called "The Secret Room" gives you a chance to pause and reflect on unexpected insights. Reading the book daily will carry you through six months, or you can dip into the readings as you wish. A Memoir by Lady Trent

A Companion for Reflection & Prayer

Constraining the Military Uses of Space

Within the Sanctuary of Wings is the conclusion to Marie Brennan's thrilling Lady Trent Memoirs After nearly five decades (and, indeed, the same number of volumes), one might think they were well-acquainted with the Lady Isabella Trent--dragon naturalist, scandalous explorer, and perhaps as infamous for her company and feats of daring as she is famous for her discoveries and additions to the scientific field. And yet--after her initial adventure in the mountains of Vystrana, and her exploits in the depths of war-torn Eriga, to the high seas aboard The Basilisk, and then to the inhospitable deserts of Akhia--the Lady Trent has captivated hearts along with fierce minds. This concluding volume will finally reveal the truths behind her most notorious adventure--scaling the tallest peak in the world, buried behind the territory of Scirland's enemies--and what she

discovered there, within the Sanctuary of Wings. The Lady Trent Memoirs

“[An] often beautiful jewel of a book . . . Black's power as a writer means she can take us with her to places that normally our minds would refuse to go.”—The New York Times Book Review (Editors' Choice) From the New York Times bestselling author of *The Still Point of the Turning World* comes an incisive memoir about how she came to question and redefine the concept of resilience after the trauma of her first child's death.

“Congratulations on the resurrection of your life,” a colleague wrote to Emily Rapp Black when she announced the birth of her second child. The line made Rapp Black pause. Her first child, a boy named Ronan, had died from Tay-Sachs disease before he turned three years old, an experience she wrote about in her second book, *The Still Point of the Turning World*. Since that time, her life had changed utterly: She left the marriage that fractured under the terrible weight of her son's illness, got remarried to a man who she fell in love with while her son was dying, had a flourishing career, and gave birth to a healthy baby girl. But she rejected the idea that she was leaving her old life behind—that she had, in the manner of the mythical phoenix, risen from the ashes and been reborn into a new story, when she still carried so much of her old story with her. More to the point, she wanted to carry it with her. Everyone she met told her she was resilient, strong, courageous in ways they didn't think they could be. But what did those words mean, really? This book is an attempt to unpack the various notions of resilience that we carry as a culture. Drawing on contemporary psychology, neurology, etymology, literature, art, and self-help, Emily Rapp Black shows how we need a more complex understanding of this concept when applied to stories of loss and healing and overcoming the odds, knowing that we may be asked to rebuild and reimagine our lives at any moment, and often when we least expect it. Interwoven with lyrical, unforgettable personal vignettes from her life as a mother, wife, daughter, friend, and teacher, Rapp Black creates a stunning tapestry that is full of wisdom and insight.

Medieval monk Brother Cadfael races to save a young man he believes is falsely accused of robbery—in the Silver Dagger Award-winning mystery series. In the gentle Shrewsbury spring of 1140, the midnight matins at the Benedictine abbey suddenly reverberate with an unholy sound—a hunt in full cry. Pursued by a drunken mob, the quarry is running for its life. When the frantic creature bursts into the nave to claim sanctuary, Brother Cadfael finds himself fighting off armed townsmen to save a terrified young man. Liliwin, a wandering minstrel who performed at the wedding of a local

goldsmith's son, has been accused of robbery and murder. The cold light of morning, however, will show his supposed victim, the miserly craftsman, still lives, although a strongbox lies empty. Brother Cadfael believes Liliwin is innocent, but finding the truth and the treasure before Liliwin's respite in sanctuary runs out may uncover a deadlier sin than thievery—a desperate love that nothing, not even the threat of hanging, can stop. The Sanctuary Sparrow is the seventh book in the Chronicles of Brother Cadfael, featuring a "wily veteran of the Crusades." The historical mystery series earned Ellis Peters a Crime Writers' Association Silver Dagger Award—and a legion of devoted fans (Los Angeles Times).

Kabbalistic initiatory teachings for becoming a vessel for illumination, prophecy, and peace by creating an inner dwelling place for God's divine presence • Reveals practices for self mastery and revelation based on the holy design of the first Hebrew Sanctuary, the lives of the Hebrew Prophets, and the Tree of Life • Shows how the Tree of Life's ten sefirot correspond to the Torah's prophetic Ten Songs of Creation; to alchemical ritual practices of fire, water, air, and earth; and to specific parts of the body, emotions, and aspects of the soul Many synagogues and churches, including the First and Second Temples of the Hebrews, follow an archetypal design first used in the Ohel Moed, or Tent of Meeting, and its sacred Tabernacle, which housed the Ark of the Covenant and the Ten Commandments. Drawing from a wealth of sources including the Hebrew Bible, the oral Mishnaic tradition of Judaism, and 16th-century Judaic texts, Zohara Hieronimus explains how, like the Ohel Moed, we are designed to receive and reflect the divine qualities of the Creator. Exploring the kabbalistic initiatory teachings within the Chassidic tradition of Judaism and the lives and writings of the Hebrew prophets, she reveals how our physical and spiritual worlds are not separate but interdependent, one affecting the other, often in unexpected and sometimes miraculous ways. Examining the ten-part system of Kabbalah's Tree of Life as reflected in the holy design of the Hebrews' first Sanctuary, Hieronimus shows how the Tree of Life's ten sefirot correspond to the Torah's prophetic Ten Songs of Creation; to alchemical

ritual practices of fire, water, air, and earth; and to specific parts of the body, emotions, and aspects of the soul. Starting from Malchut (Kingdom) at the bottom of the Tree of Life and ascending to Keter (Crown) at the top, the author discusses related biblical and scholarly texts and traditional Hebrew practices and teachings that can lead to spiritual enlightenment, illumination, and peace, allowing each of us to become a sanctuary for God's presence through self-refinement, ritual devotion, and prayer, as practiced since biblical times.

Notes on the Sanctuary of St. Symeon Stylites at Qal'at Sim'an

A Postapocalyptic Novel

A collection of short stories, journalism pieces, and various writings by the esteemed twentieth-century English novelist Henry Green. Surviving presents a miscellany of Henry Green's writing, and is as reflective of his extraordinary and unclassifiable genius for the word as any of his great novels from Living to Loving to Nothing. Readers will find remarkable stories from the 1920s and 1930s; Green's telling of his time in the London Fire Brigade during the Blitz; a short, unpublished play, Journey out of Spain; journalism; and the hilarious interview that Terry Southern conducted for The Paris Review. Edited by the novelist Matthew Yorke, Green's grandson, Surviving also includes a memoir by Green's son, Sebastian Yorke, that is a brilliant portrait of this maverick master.

As first lady of Kingdom Citizens Christian Center, Vivian Montgomery has it all: a beautiful home, lovely children, and a pastor husband who makes her shout hallelujah--and not just in church. There's no doubt Pastor Montgomery has a healthy appreciation for the Lord and for the pleasures of the flesh, namely his wife's flesh. If only Vivian's best friend, Tai, was so blessed. . . A first lady herself, Tai's husband, King, is pastor of Mount Zion Progressive Baptist Church. But with two affairs under his belt, Tai wonders just what "progressive" means. In fact, she strongly suspects her husband is at it again. Now, she can follow her mother-in-law's example and threaten to shoot any would-be-husband-stealing floozies, or she can take Vivian's advice and listen for God's instruction. But Tai's husband isn't the

only one fighting temptation. . . "A spell-binding tale with some hilarious and righteous characters. Sex in the Sanctuary is a story about the power of forgiveness, how to forgive and the reason why we should forgive." -- The RAWSISTAZ Reviewers

Fresh from a six-month sojourn in Italy, Lady Julia returns home to Sussex to find her father's estate crowded with family and friends. Much to her surprise, the one man she had hoped to forget—the enigmatic and compelling Nicholas Brisbane—is among her father's houseguests...and he is not alone. Not to be outdone, Julia shows him that two can play at flirtation and promptly introduces him to her devoted, younger, titled Italian count. But the homecoming celebrations quickly take a ghastly turn when one of the guests is found brutally murdered in the chapel. Lady Julia resumes her unlikely and deliciously intriguing partnership with Nicholas Brisbane, setting out to unravel a tangle of deceit before the killer can strike again. He fought for his nation in the Crusades. Now he must prepare for a wholly different kind of battle... 1194. Appointed by Richard the Lionheart as the first coroner for the county of Devon, Sir John de Wolfe, former crusader knight, rides out to the lonely moorland village of Widecombe to hold an inquest on an unidentified body found in a stream. But on his return to Exeter, the new coroner is incensed to find that his own brother-in-law, Sheriff Richard de Revelle, is intent on thwarting the murder investigation – particularly when it emerges that the dead man is both a Crusader and a member of one of Devon's finest and most honourable families. Assisted by his loyal bodyguard Gwyn and his new clerk, defrocked priest Thomas, Sir John sets out to solve the mystery – whatever the cost. A thrilling medieval mystery full of suspense and intrigue, perfect for fans of Ellis Peters, E M Powell and Edward Marston.

The soft melodic story of women in scripture unfolds through the prayers and reflections crafted by an artist, a writer, a woman deeply aware of the need for women to connect to God in daily conversation. Each chapter of readings is based on a woman from Jewish or Christian history and how her story intertwines with the faith journeys of women today. With this book, Jan Richardson, author of the best-selling book *Sacred Journeys*, considers how women have embodied and passed along the Word from generation to generation and how women of this generation draw upon that wisdom in our daily lives and connect with women who have sought God's wisdom. The six women featured are: *The Beginning of All Things: The Book of Eve*; *A Habit of the Wildest Bounty: The Book of Brigid*; *A Way in the Wilderness: The Book of the Desert Mothers*; *Say What You See: The Book of Hildegard of Bingen*; *The Mysteries of Making: The Book of Harriet Powers*; and *In the Garden of Delights: The Book of the Bride*. Using a broad array of archaeology, art, and text, this book revolutionizes our understanding of the Roman sanctuary at Bath.

The Sanctuary of the Soul provides a bold, new interpretation of spiritual life, which C. T. Lewis describes as "an interiorization of the practices of temple worship established in the Torah of Moses." Through a searching analysis of the Old and New Testaments, the author leads the reader through the primary stages in the journey of the soul, from its mystical union with God through the sacrificial work of Christ, to an interior life of worship expressed in the spiritual gifts of incense, light, and food. "The Sanctuary of the Soul is scholarly, intriguing, and refreshing, the kind of book that will repay many trips back to it." -Douglas Wilson, pastor of Christ Church, Moscow, Idaho Fellow of Philosophy and Classical Languages, New St. Andrews College

This is the forth book in this series that began with an in-depth look at how God views details, communicates with this world, and decides what process to use. Of course this series of books looked at aspects recorded in scripture about the Tabernacle. How the materials were collected, specific design details, who did the work, and how the Tabernacle was constructed. Much of that information is found in dozens, maybe hundreds of other books about the Tabernacle. But there are details setting this book apart from every other book written about the Tabernacle. This book takes a verse by verse, story by story, chapter by chapter look at the Tabernacle. In other words, this book presents a picture of the Tabernacle from God's point of view. Which the beginning of this series pointed out, is much different than any human perspective.

Neil White wanted only the best for those he loved and was willing to go to any lengths to provide it—which is how he ended up in a federal prison in rural Louisiana, serving eighteen months for bank fraud. But it was no ordinary prison. The beautiful, isolated colony in Carville, Louisiana, was also home to the

last people in the continental United States disfigured by leprosy—a small circle of outcasts who had forged a tenacious, clandestine community, a fortress to repel the cruelty of the outside world. In this place rich with history, amid an unlikely mix of leprosy patients, nuns, and criminals, White's strange and compelling new life journey began. An extraordinary memoir at once funny, poignant, and uplifting, *In the Sanctuary of Outcasts* reminds us all what matters most.

Cleansing the Sanctuary of the Heart is filled with the stories of real people who have had the courage to face the pain of their abuse, addictions and relational challenges. They have chosen to walk the path to healing. We do not claim that they live a life free from emotional pain today, but they have learned that on the journey of life in this fallen world, they are not alone. They have the promise of a loving God who has said that he will never leave them nor forsake them (Hebrews 13:5), that he would be with them in the darkest of times (Psalm 23:4), and even that he is suffering with them and carrying them while they are suffering (Isaiah 63:9). These courageous people are maturing and growing into the men and women that God created them to be. They are learning to be honest with themselves and others, humble and repentant as they face the truth about themselves, open to receiving the comfort and healing of God, and forgiving as they have been forgiven (Ephesians 4:32). On this journey, they are being healed but also equipped to be used as instruments of healing in the lives of others (2Cor. 1:3-5) and to be used to prepare this world for the second coming of Jesus Christ.
