

Incognito

Anjali's plain and staid life suddenly turns into a whirlpool when she befriends four very different individuals, leading distinct lifestyles. Slowly and steadily, they entrap Anjali into their lives. Anjali becomes the nucleus of their existence. She witnesses their lives from the ringside, and draws vicarious pleasure in their passionate love affairs. Then Anjali inadvertently becomes a mute witness to their plotting of four bizarre murders. Will Anjali be able to extricate herself from the tentacles of her four friends, or is the fabric of their relationship so intricately woven, that Anjali can only be drawn deeper into the sinister labyrinth? Incognito is a compelling psychological thriller; this hair-raising tale will keep you hooked from start to finish.

This gripping novel of adventure, love, and religious persecution follows the life and flight of a Jew under the Spanish Inquisition.

For Frankie Strong, results mean more than sticking to the rules, until she runs heart-first into Evan Spears. US Marshal Evan Spears commands a federal task force of seasoned agents who track and capture dangerous fugitives around the world. When Evan is forced to take on DEA Agent Frankie Strong, a free spirit with unorthodox methods, she sees nothing but trouble for the team, the mission, and her future. Frankie just wants to locate the murder suspect and prove her worth, but Evan seems determined to block her. To catch the killer they must learn to work together, but their attraction blurs the lines between professional and personal.

Imagine that there are American MIAs who chose to remain missing after the Vietnam War. Imagine that there is a family in which four generations of strong, alluring women have shared a mysterious connection to an outlandish figure from Japanese folklore. Imagine just those things (don't even try to imagine the love story) and you'll have a foretaste of Tom Robbins's eighth and perhaps most beautifully crafted novel--a work as timeless as myth yet as topical as the latest international threat. On one level, this is a book about identity, masquerade and disguise--about "the false mustache of the world"--but neither the mists of Laos nor the smog of Bangkok, neither the overcast of Seattle nor the fog of San Francisco, neither the murk of the intelligence community nor the mummery of the circus can obscure the linguistic phosphor that illuminates the pages of Villa Incognito. A female fan once wrote to Tom Robbins: "Your books make me think, they make me laugh, they make me horny and they make me aware of the wonder of everything in life." Villa Incognito will surely arouse a similar response in many readers, for in its lusty, amusing way it both celebrates existence and challenges our ideas about it. To say much more about a novel as fresh and surprising as Villa Incognito would run the risk of diluting the sheer fun of reading it. As his dedicated readers worldwide know full well, it's best to climb aboard the Tom Robbins tilt-a-whirl, kiss preconceptions and sacred cows goodbye and simply enjoy the ride.

The Hidden Christ in Western Art since 1960

Incognito Ex

A Royal Billionaire Romance

Dance In Shadows, Book 9 of the Incognito Series

The Incognito King: Historical Fiction of Jesus' First Thirty Years By: Linda Knox While we have little known record of Jesus' first 30 years, The Incognito King explores what Jesus' life could have been like beginning with His birth in the manger in Bethlehem until He left home to begin His public ministry. As historical fiction, Linda Knox's novel speculates about his relationship with his earthly parents, Mary and Joseph, and his siblings. After all, although His siblings didn't understand they were living with Jesus Christ, the Messiah and King, they still had many valuable lessons to learn.

Loyal operative Dez Luttino has graduated from the recruits of the Network, top of his classes and single-mindedly driven to succeed in his duty to his country. What he hadn't counted on was mentoring his first operative-Nova Granger, once a head-strong, albeit gorgeous, hunting machine who didn't seem to want to follow any rules except her own. As her team leader years ago, Dez had helped Nova tame her reckless nature and develop a team player attitude. She's become one of the organization's most valuable operatives. Little does Nova know that sexy Dez has been instructed to prepare her for an undercover mission that involves feeling a ruthless criminal. While Dez has been instructed by his superiors to get close to Nova and encourage her to trust him implicitly, he soon realizes that he's gone beyond duty and done the unthinkable by falling in love.

This book is the first full critical history of incognito social investigation texts - in other-wards, works detailing their authors' experiences whilst pretending to be poor. The most famous example is Down and Out in Paris and London, but there has been a vast array of other works in the genre since it was created in 1866 by James Greenwood's 'A Night in a Workhouse'. It draws up a classification of incognito social investigation texts, dividing them into four subtypes. The first comprises those texts following most narrowly in James Greenwood's footsteps, taking the extreme poor as their object of study. The next is the investigation of poverty through walking, for pedestrianism and poverty are fascinatingly linked. The third is that of people looking at relative poverty rather than absolute, where authors take on badly-paid work in order to report on it, which is when incognito social investigation becomes very much something carried out by women. We end looking at those incognito social investigators who settled in the areas they explored. Not only will this book recover the history of a genre that has long been ignored, however, but it will also offer significant close reading of many of the texts that it places within the tradition(s) it discovers.

One wild quickie with a sexy stranger might destroy Rae. She should have gone home when she'd had the chance, but tall, blond, ripped Wulfram von Hannover had proved too much of a temptation for small-town girl Rae Stone. She should have left college and gone home, where they would have shunned her for leaving in the first place. No, she shouldn't have. Sometimes, love has a way of working out. And it's going to work out in Paris.

Hypnotized, Book 10 of the Incognito Series

A Collection

Hard to Handle, Book 8 of the Incognito Series

An elegant literary mystery set during the Gilded Age. New York City, 1911. Representing the widow of a Wall Street financier, lawyer William Dysart travels to a small Long Island town with a generous offer for Miss Sybil Curtis's cottage and five acres of land. But when Sybil refuses to sell, the widow threatens to use her influence with the state to seize the property. Intrigued by Sybil's defiance and afflicted by a growing affection for her, William develops a desire to help her that becomes an obsession he cannot define, one that tears away the facade of his life, and presents him with truths he's unprepared to face.

In this book Martien Brinkman explores the Jesus incognito as found in Western film, literature, and the visual arts since 1960. His interest here is focused primarily on indirect references to the Jesus figure. To his surprise, he found an abundance of allusions to Jesus in key figures in modern art. This confirmed his view that film, literature, and the visual arts make a substantial contribution, even in secular Western culture, to continuing reflection on Jesus' significance. Brinkman finds important characteristics of a hidden Christ in films by Gabriel Axel, Ingmar Bergman, Krzysztof Kieslowski, and Lars von Trier, novels by Peter De Vries, J.M. Coetzee, and Arnon Grunberg, poems by Les Murray and Czeslaw Milosz, and paintings by Andy Warhol, Harald Duwe, and Frans Franciscus. He defines a hidden Christ as a fictional human individual who can be seen as a new embodiment of the meaning that can be attributed in the present to the biblical figure of Jesus. The hidden Christ is therefore a contemporary Jesus figure. This book will be of interest for everyone who shares Brinkman's quest for this Jesus incognito.

Long-Time Head of Network Operations, Angelo Pluzetti, has faced danger in every form, to the most extreme degree. He gives his loyalty without question to the primary mission of the Network and to his family of operatives. He's kept his own heart, emotions and personal needs buried. After countless years, Angelo has never failed and never been captured by an enemy...until he's targeted by R.E.D. and kidnapped. The last thing he expects is the deceptively-frail, Network doctor and the mother of his unborn child, Celine Savage, to be the one to save his life and unbury his heart.

Alex Lynch has spent a lifetime working hard toward the goal of owning the Triple Aces Ranch in Fever, TX. His dream has finally come true when Gina Calhoun-a girl he'd loved all his life, despite her penchant for looking for trouble and his penchant for bailing her out-drops back into his life, seemingly out of nowhere. Network Communications and Systems Analyst Justine Fielding, the former Gina Calhoun, is all grown up, more beautiful than ever...and even more restless. Little does Alex know that the woman he's falling under the spell of all over again is there on a mission to uncover and stop the dangerous men who killed her father-Alex being her chief suspect. This time, Gina may be the only one who can bail him out of the trouble about to come down on him.

Incognito Street

Mind Games, Book 11 of the Incognito Series

Incognito

Villa Incognito

Incognito Dwellings Book 1 is a book of love poems designed to nurture more love in this world. It expresses love scenes and situations to radiate and exude romance. Love is all inclusive and universal! The explicit intent of this book was to mend, heal, nurture and foster more loving relationships. Aren ' t you tired of being torn down? It ' s time to uplift each other!

If the conscious mind—the part you consider to be you—is just the tip of the iceberg, what is the rest doing? In this sparkling and provocative new book, the renowned neuroscientist David Eagleman navigates the depths of the subconscious brain to illuminate surprising mysteries: Why can your foot move halfway to the brake pedal before you become consciously aware of danger ahead? Why do you hear your name being mentioned in a conversation that you didn ' t think you were listening to? What do Ulysses and the credit crunch have in common? Why did Thomas Edison electrocute an elephant in 1916? Why are people whose names begin with J more likely to marry other people whose names begin with J? Why is it so difficult to keep a secret? And how is it possible to get angry at yourself—who, exactly, is mad at whom? Taking in brain damage, plane spotting, dating, drugs, beauty, infidelity, synesthesia, criminal law, artificial intelligence, and visual illusions, Incognito is a thrilling subsurface exploration of the mind and all its contradictions.

Have you ever felt so completely lost and out of place you wondered if your life was really even yours? Well I have. I've lived most of my life feeling as though I were trapped in someone else's, so when I found out that I was born a witch, it all started to fall into place. That is until I met the tall, dark and mysterious Elliot and realized that dating in the mortal world has got nothing on the complication, desire and mistrust that surrounds romance in the magical world. It doesn't help that our families are mortal enemies either. Did Romeo and Juliet have to suffer plagued curses and time travel in their struggle? I think not. As tragic as their tale was, they were fully responsible for their fate, but not Athiya and Elliot. No, our story was completely out of our control.

Dr. Sherry Mansfield is a talented hypnotist who possesses the ability to use the power of suggestion in an eerie, supernatural way. When she sends the Network a message through a suicide bomber that she wants to escape her abusive husband--the leader of a small terrorist group--they offer her a deal: They'll rescue her from her husband if she'll use her special skill for them in the pursuit of justice. The Network also fears that a rival terrorist faction will target Dr. Mansfield, wanting to use her unusual gift for evil the same way her husband's group does. Network operatives--and former secret lovers--Noah Harlow and Rhiannon Murray must rescue Dr. Mansfield to keep the world at large from falling into jeopardy.

Catalina Incognito

The Secret Lives of the Brain

Princess Incognito: Wrong Time to Fight Crime

Inspector Incognito and the Kansas City Kid

When she is targeted by a vicious mobster A past love is her only hope When a Russian gangster targets Coral Stauffer, she is desperate for help. Coral stumbles across an undercover agent none other than the man she loved and lost, Trevor Stone. Trevor will risk anything to stop her from becoming a mob casualty...even risk his career to protect Coral. But when their past love reignites, their entire mission—and very lives—are at stake.

Mandrake King discovers a language being transmitted via text messages among teenagers. With the help of some of the teenagers he interacts with, he gains insight and knowledge and assists them with gaining access to the barter system the language pertains to. While the texting language morphs and sweeps the entire teenage world, simultaneously Native Americans resurrect their ancient language and mobilize their efforts to reclaim Manhattan Island.

One Day a Time meets Mindy Kim in this first book in a charming new chapter book series about Catalina Castaneda, a Mexican American girl with a magical sewing kit! Catalina Castaneda is not persnickety, even though that's what her parents and sister, Coco, like to think. Catalina just likes things the way she likes them—perfect. That's why it's very hard to hide her disappointment when her glamorous Tia Abuela, a famous telenovela actress, gives her an old sewing kit for her eighth birthday. However, Catalina soon discovers the sewing kit isn't as boring as she thinks—it's magic, turning ordinary clothing into magical disguises. When Tia Abuela's most famous costume has rhinestones stolen from it where it's being displayed at the local library, Catalina gets to work on creating the perfect disfrac (disguise) to track down the thief. But, as Tia Abuela warned her, the magic is only as strong as her stitches, and Catalina doesn't always have the patience for practice...

When Sabrina and Charlie accidentally stop a crime outside an ice-cream parlour, it becomes the worst day of the undercover princess. Being a crime-stopper in a small town makes her the local hero, and Sabrina and Uncle Ernie have to come up with one ingenious scheme after another to protect their true identities. But then, the Man in Black with the Long, Deep Scar shows up, recognises Sabrina, and things take a darker turn. For Sabrina, it's one lucky escape after another, until a mysterious policeman appears, and the princess incognito has to make some tough decisions.

Princess Incognito: Running Out Of Friends

The Incognito: Or, Sins and Peccadillos

incognito

Historical Fiction of Jesus' First Thirty Years

"The entire town is disguised" declared a French tourist of eighteenth-century Venice. And, indeed, maskers of all ranks—nobles, clergy, imposters, seducers, con men—could be found mixing at every level of Venetian society. Even a pious nun donned a mask and male attire for her liaison with the libertine Casanova. In Venice Incognito, James H. Johnson offers a spirited analysis of masking in this carnival-loving city. He draws on a wealth of material to explore the world view of maskers, both during and outside of carnival, and reconstructs their logic: covering the face in public was a uniquely Venetian response to one of the most rigid class hierarchies in European history. This vivid account goes beyond common views that masking was about forgetting the past and minding the muse of pleasure to offer fresh insight into the historical construction of identity.

INCOGNITO'S MISSION IS TO ASSASSINATE LEADERS OF THE CONTINENTAL CONGRESS IN 1776. As the colonies begin to talk openly of political separation from England, a coded letter is deciphered. It suggests that an assassin, code name Incognito, is headed to Philadelphia to assassinate key leaders of the Continental Congress. The assassin may have co-conspirators in the city, and in the Congress itself. Will Harrell, the young man who decoded the letter, is tasked with investigating the matter, uncovering the identity of the assassin and his confederates, and foiling the plot. While he works feverishly against the clock, he must deal with some skeptical and uncooperative delegates, an abundance of suspects but a scarcity of hard evidence, his own self-doubt, and a widening plot that includes a planned assassination of General George Washington in New York. Will is determined to thwart the assassin, but his adversary is creative and resourceful, a master of disguise, handsome, charming, and thoroughly ruthless. The price Will must pay to stop him may prove too dear. Excerpt John Hancock gaveled the session of the Continental Congress to order and then recognized Richard Henry Lee. The thin, long-limbed delegate from Virginia rose slowly from his seat. He pulled down on the sleeves of his shirt, adjusted his coat and looked around the room. "I have two related resolutions to offer." All eyes were on him and a penetrating silence invaded the space as he removed the notes from his vest pocket, opened them up and began to read. "That these united colonies are, and of right ought to be, free and independent states, that they are absolved from all allegiance to the British Crown, and that all political connection between them and the state of Great Britain is, and ought to be, totally dissolved." Everyone in the room knew this was coming, some with great anticipation, some with a cold dread, but only a select few were privy to the exact timing, or the exact wording. And now, even those who had done everything in their power to bring the body to this point sat in stunned silence, as Lee's sparse, eloquent words hung in the air. A low murmur began in the chamber, and Lee waved his black silk-gloved hand to indicate he was not finished.

After nearly 25 years, psychiatrist, Jocelyn Dominica has determined the fate of every operative in the Network. When she's diagnosed with a life-threatening illness, her superiors decide it's time for her to choose a replacement and retire from service. After overhearing them discuss the options for her retirement, the mention of the death of her father more than two decades ago, and a traitor inside the Network or Oversight, Jocelyn realizes she's no longer sure who to trust. Are her superiors trying to save her...or end any possibility of threat she poses? A fall that could have stolen her life as well as her memories puts her in the hands of a man who tells her he's her husband and he loves her...but may be trying to kill her.

Four actors play a combined 21 characters within INCOGNITO's three interwoven stories. A pathologist steals the brain of Albert Einstein; a neuropsychologist embarks on her first romance with another woman; a seizure patient forgets everything but how much he loves his girlfriend. INCOGNITO braids these mysterious stories into one breathtaking whole that asks whether memory and identity are nothing but illusions.

Venice Incognito

Journey of a Secret Jew, a Novel

Dead Drop, Book 4 of the Incognito Series

Incognito Dwellings Book 1

Can a young lady allow her beloved sister to be sacrificed on the marriage altar? Emily Smithfield cannot. So when her mother announces that a marriage has been arranged between Emily's older sister Lydia and Lord Wesleigh, a man the sisters have never met, Emily offers to marry the gentleman in her sister's stead. Emily's act of selflessness leaves Lydia free to marry the man she loves and Emily the bride of a handsome young marquis. Not a bad bargain at all! Lord Wesleigh, who knows nothing of Emily's matchmaking scheme, arrives in the small village where the Smithfields reside disguised as a curate, in an attempt to observe his betrothed anonymously. When Lord Wesleigh finds himself more attracted to Emily than her sister, the rules of the game change. Can he make Emily fall in love with him when she believes him to be a penniless curate? A Regency-era romance novel originally published by Grand Central Publishing in 2001.

Barbara Sjöholm arrived in London in the winter of 1970 at the age of twenty. Like countless young Americans in that tumultuous time, she wanted to escape a country at war and set out for Europe, where she spent the next three years living in Barcelona and London, hitchhiking around Spain, and studying at the University of Granada. Set on becoming a writer, she read everything from Colette to Borges, learned Norwegian and Spanish, and explored her sexual identity. With the ghosts of a painful childhood at her heels, she looked for a writing voice and subject matter that would reflect her emerging political and artistic vision. Incognito Street is an evocative look at an adventurous, curious young expatriate and the forces that would shape her eventual career as a writer, translator, and publisher. Sjöholm captures the flavor of a time when the feminist and lesbian movements were just beginning, seen from the perspective of a girl searching for a voice and a self to call her own.

Filled with humor, insight, and faith, this true story tells how one woman overcame challenges, stereotypes, and personal struggles at Harvard Divinity School and emerged an ordained minister. As a bright young girl from Ohio, Andrea Raynor always wanted to be a doctor. Instead, she landed—almost by accident—at Harvard Divinity School, which, she quickly discovered, was no typical seminary. When she attended, in the 1980s, HDS was a place overflowing with creative expression and freedom of thought. Her classmates included two men who were undergoing sex changes and a woman who fancied herself a geisha. There was a lively gay and lesbian campus, and more sexual intrigue than could be found in a stereotypical college fraternity house. Providing a bird's-eye view of life within the hallowed halls (and beneath the crimson robes), Incognito is a humorous and poignant glimpse inside one of the nation's most revered institutions. It begins with the long drive from Ohio to Cambridge and ends at the bedside of a dying young woman. But the real story is about the challenges, surprises, and ultimately life-changing experiences Andrea faced on the road to understanding God's call for her life. From navigating relationships to exploring whether a pretty girl can truly wear a collar, Incognito tackles our assumptions about spirituality, the church, morality, and identity, and affirms that God often works in ways—and in people—we least expect.

The private diary of a hidden princess living a double life in a boring town can never fall into the wrong hands. So, when Princess Sabrina of the House of Valence loses her top-secret journal in class, she has no choice but to return after school hours to get it back and avoid an epic disaster. But is the most rotten school in the world haunted? According to local legend, the Ghost Girl of Mayesbrook Manor stalks the creaky corridors at night. And outside, a pack of fierce stray dogs make sure nobody feels welcome. Luckily, loyal friends Charlie, Awful Agatha and Liam join Sabrina on her terrifying mission. But when they all get trapped after dark by a mysterious security guard, it takes all their courage and ingenuity to outsmart their scary pursuers. Will they make it out alive?

Also available as:

When a terrifying new PE teacher, Mr Biggsplit, insists he's going to prepare the students for school sports day, Sabrina and her friends are not really bothered. But a distracted Sabrina accidentally wins the running trial and Mr Biggsplit is convinced that he has a star in the making. This is a real problem for a secret princess still trying to hide her identity. To make things worse, Mr Biggsplit picks Sabrina and Liam for the elite team, but not her other friends, Charlie and Awful Agatha. Meanwhile, Uncle Ernie reveals a family tragedy that breaks her trust. Why does everyone in her life seem to be betraying her? Feeling lost and confused, Sabrina turns to Mr Biggsplit for help, which leaves her with an impossible choice. She has the skills to win the school sports day, but does she want to lose her friends along the way?

This engaging collection of poetry, split into six sections and written in an intimate and affectionate tone, is wonderfully diverse. The lyrical poems address issues that run the gamut from family, friends, and domestic situations; to children's perception of the world; the seashore; and political situations based on the author's experience as a United Nations worker in the former Yugoslavia. Winner, NZSA Jessie Mackay Award for Best First Book of Poetry 2008

Last and Found at Harvard Divinity School

The Prince Incognito

Certainties in Degradation

Roan Emory, Network operative, formerly Daniel Sands, was inducted against his will. Perry L'Engle, an FBI agent and the only woman he ever loved, has never been convinced that the car accident that took Daniel's life was legitimate. Just before his disappearance 25 years earlier, Daniel had been approached for recruitment by a covert agency. Now the scenario that had seemed like the catalyst to tragedy is taking place again. Outside her son Danny's office, Perry carries a familiar voice she'd overheard the day before Daniel disappeared, giving an identical recruiting pitch to her son. When she finds the man Roan Emory in Chicago, she has to face the fact that Daniel had willingly given up her, their love, and the child he'd never known she was carrying. In a horrifying twist of fate, Perry realizes the only one who can save their son is Roan Emory--the most dangerous man in the world.
