*functions: Thinking and Feeling The functions are modified by two main attitude types: extraversion and introversion. Jung theorized that the dominant function characterizes consciousness, while its opposite is repressed and characterizes unconscious behavior. The eight psychological types are as follows:  
Extraverted sensation Introverted sensation  
Extraverted intuition Introverted intuition  
Extraverted thinking Introverted thinking  
Extraverted feeling Introverted feeling In "Psychological Types," Jung describes in detail the effects of tensions between the complexes*

collection, Heidi Priebe, author of The Comprehensive ENFP Survival Guide and prominent writer of all things Myers-Briggs, explains how you'll grow up, hook up, break up and everything else in between, based on your personality type.

### Psychological Types

Life as an ENFP is no walk in the park. Despite the happy-go-lucky attitude they exude, only those who share the specific preference for extroversion, intuition, feeling and perceiving on the Myers-Briggs Type Indicator can truly understand the unique form of chaos that governs this type's restless mind. Embodying a profoundly strange stack of cognitive functions, ENFPs

approach the world with both the enthusiasm of a child and the wisdom of an old soul. In this detailed, type-based survival guide, seasoned MBTI author and shameless ENFP Heidi Priebe explains how to manage the ups, downs and inside-outs of everyday life as one of the most passionate yet self-contradictory types.

The INFJ personality makes up just a small percentage of the population. Less than 1% in fact. Always seeking the good in situations, people, and circumstances, life as an INFJ is primarily one with a positive outlook. There are however, some weaknesses that when addressed can rapidly transform your INFJ world, allowing you to flourish and become the best version of yourself. To

conquer life as an INFJ, you must make the most of their great powers, but be aware of the limitations too. This involves an awareness as to what those limitations are. Fortunately, we share them all with you here, in this book. You'll learn how to improve the following:

1. Learn to thrive at work
2. Learn to have a healthy relationship
3. Understanding and dealing with loneliness
4. Learn to fight other people's emotions
5. Learn to meet your needs first
6. Learn to achieve harmony

You'll learn how to overcome some of the most common weaknesses that exist in your personality type. I will then give you some simple, yet practical ideas to begin to transform those weaknesses into very achievable strengths. Let your

morality, contemporary culture, philosophy and science, using a distinctive style and displaying a fondness for aphorism. Nietzsche's influence remains substantial within and beyond philosophy, notably in existentialism and postmodernism. Nietzsche's Third Untimely Meditation is not only his homage to Schopenhauer, but a reflection on education in the most comprehensive sense. Many of Nietzsche's writings aimed at instructing the modern world on how to philosophize with a sledgehammer, but the premise of the Third Meditation is altogether more gentle, namely the singular marvel that is every human being.
