emphasis.

Intermediate Accounting: Management Decisions and Financial Accounting Reports is the first text on the market that is brief enough to be used in the emerging one-semester intermediate accounting course. Baginski and Hassell teach students what they will need to know as managers: how business decisions affect financial statements.

Excel templates are provided for solving selected end-of-chapter exercises and problems that are identified in the text with an icon.

new comprehensive workbook focuses on tips and strategies to help students solve problems from the textbook. Each chapter contains an overview, a summary of How and Why things to consider from the text learning objectives, and a multitude of multiple-choice exercises and problems with following rationale and full step-by-step explanations of the answers. Going beyond normal study guides, the author has written this student resource in a conversational tone in an effort to guide students through a thorough understanding of some of the overly complex subject matter in the course.

*** * * * *** The bestselling real life story of a hapless junior doctor, based on his columns written anonymously for the Telegraph. **IF YOU'RE GOING** to be ill, it's best to avoid the first Wednesday in August. This is the day when junior doctors graduate to their first placements and begin to face having to put into practice what they have spent the last six years learning. Starting on the evening before he begins work as a doctor, this book charts Max Pemberton's touching and funny journey through his first year in the NHS. Progressing from youthful idealism to frank bewilderment, Max realises how little his job is about 'saving people' and how much of his time is taken up by signing forms and trying to figure out all the important

things no one has explained yet -- for example, the crucial question of how to tell whether someone is dead or not. Along the way, Max and his fellow fledgling doctors grapple with the complicated questions of life, love, mental health and how on earth to make time to do your laundry. All Creatures Great and Small meets Bridget Jones's Diary, this is a humorous and accessible peek into a world which you'd normally need a medical degree to witness. If you enjoy Trust Me, I'm a (Junior) Doctor, don't miss the follow-up titles Where Does It Hurt? and The Doctor Will See You Now.

This book tells a fascinating story on municipal finances for local government practitioners with rich examples,

However, educational materials that appropriately highlight the importance of the SEC, as well as the new laws that apply to corporate reporting, ethics, and guidelines for corporate governance, are scarce. Few titles exist that can serve as either a supplement or as a primary text that focus on the SEC as the body for overseeing financial reporting and corporate responsibilities. An Introduction to Corporate Governance and the SEC by Skousen, Glover, and Prawitt fills that role. Use this book as either a supplement or as a primary text to help your students understand the fundamentals of corporate governance and the critical role the SEC plays in the corporate
