

Intermediate Accounting Spicel 7th Edition

Intermediate Accounting: IFRS Edition provides the tools global accounting students need to understand IFRS and how it is applied in practice. The emphasis on fair value, the proper accounting for financial instruments, and the new developments related to leasing, revenue recognition, and financial statement presentation are examined in light of current practice. Global Accounting Insights highlight the important differences that remain between IFRS and U.S. GAAP, and discuss the ongoing joint convergence efforts to resolve them. Comprehensive, up-to-date, and accurate, Intermediate Accounting: IFRS Edition includes proven pedagogical tools, designed to help students learn more effectively and to answer the changing needs of this course.

Wahlen/Jones/Pagach's INTERMEDIATE ACCOUNTING, 2E addresses student confidence in the Intermediate Accounting course like no other product on the market. The second edition includes resources that help students understand the rigor and time requirements of the Intermediate course before that first exam, while additional resources such as in-text Got it? quick checks keep students on track, building confidence with detailed remediation and thorough explanations that build a pathway to success. All of this is accomplished without sacrificing the book's approachable writing style that uses recognizable, familiar companies such as an ongoing Starbucks case, and examples from familiar companies, such as Coca Cola, Louis Vuitton, and Nestle. This edition presents the latest information on the new Revenue Recognition Standards. After carefully considering the most effective methods for covering this topic, the authors have incorporated updates throughout the book with special spotlight coverage in Chapter 17. Objective Questions and Explanations

Intermediate Accounting, 3e, by Spiceland/Sepe/Tomassini will gain support in traditional and technology-driven accounting departments, especially those looking for a more concise, decision-making text that reinforces challenging concepts via CD-ROM. The revision of this text is based around a "Learning System." The revision of this "Learning System" was built on improving the clarity of the chapters, emphasizing more decision-making in order to prepare students for the changes taking place on the CPA exam, acknowledging the diversity of students and their learning styles by creating supplemental materials to assure the success of every student, and creating a consistent text and supplemental package for both students and instructor's giving us the best possible intermediate text on the market. Returning to the Third edition is the award winning "Coach" CD-ROM. The Coach CD-ROM is a multimedia product integrating audio and video clips, animated illustrations, cases, and alternative reading material that helps students comprehend some of the more difficult topics associated with intermediate accounting. Designed specifically for the Spiceland text, instructors and students will find these learning tools placed strategically throughout the text. This is the most comprehensive Learning System in Intermediate Accounting. At only 1120 pages (300 pages less than the average intermediate accounting text), Spiceland/S/T has not sacrificed content for pages. Instead, the authors have created a very flexible text with a student friendly writing style that focuses on explaining not just how to apply a procedure, but why it's applied.
