

## Into The Icebound By Larry Kollar

Author Mary-Lou Weisman and her husband, Larry, didnt want to tour a foreign country; they wanted to become part of it. They were eager to pierce the tourist veil, and get as close to the essence of the culture as they could. No more observing from the outside with their noses pressed to the glass. They yearned for someone to open the door and invite them to step right in and make themselves at home. They wanted to become so French that even Americans wouldnt like them. In September of 2003, the Weismans arrived in Provence, France, for the first of four, monthlong stays. Playing House in Provence follows them on their sometimes wonderful, sometimes humiliating, always playful pursuit, as they learn that feeling disoriented and stupid on a daily basis can be fun. So can looking up French words they need to ask for directiononly to realize theres pas une chance they will understand the answer. Funnier, smarter, and more wickedly honest than any memoir about Provence. Sybil Steinberg Contributing Editor, Publishers Weekly

*Power and apathy are fuel for the Engines of Corruption. The power wielded by the ruthless, and the apathy of law allow the independent crime lords of the underworld to collaborate and establish a powerful international crime cartel. This underworld force, headed by U.S. crime lord Cy Manat, hides behind the protections afforded by constitutional law that allow them to acquire commercial and industrial enterprises using racketeering methods. The complacent law enforcement agencies see no danger. But a police officer, Harold Parkins does. He can't confide in his superiors – the crime lords have corrupted them as well. So, using his powers of persuasion, personal friends and a great deal of chutzpah, he recruits a cadre of powerful international personalities in industry and the government. These movers and shakers create a benign but hi-tech underworld of their own to fight the crime lords on equal terms.*

Larry McMurtry's award winning novels have redefined not only the literature of the west, but also the essential myths with which the west is associated. Readers were initiated into the world of the modern cowboy with McMurtry's first novel Horseman Pass By. Nearly 35 years later McMurtry revisits his hometown project with his latest update on the characters who populated The Last Picture Show and Texasville in his most recent novel Duane's Depressed. This Critical Companion examines all 22 of McMurtry's works. By considering individual literary elements and overall construction of the novels, this analysis probes how McMurtry has given contemporary relevance to traditional elements of the Western story.

Danger lurks in the Faraway North into the Icebound Sura, Mik, and Bailar set sail for the Northern Reach, with Lord Darin in pursuit. Their journey is anything but smooth, with storms, raiders, and the prince of Westmarch standing in the way. Joining an expedition to the ruins of Isenbund, Bailar disappears in the night. Now, Mik and Sura must help rescue their mentor from a legendary foe thought long extinct. Lost in Nightwalk Training for conflict in the Goblin fastness, soldiers and mages start using Nightwalk, the vast maze under Ak'Koyr, for war games. Fleeing an assassination attempt, they find themselves lost. Now the problem isn't Lord Darin or The Web-it's getting out. Beyond the Sea of Storms The Deep Forest seemed an ideal place for Mik to recover from battle-shock. But the trees have a mind of their own, and Sura's compulsion to return home takes them farther from home than ever. Bailar is hailed as a prophet by the locals, but there are sinister forces behind those who would elevate him. Now Mik must face his deepest fear to save his friends and innocent folk.

This classic romantic thriller contains all the elements of a good mystery story: an isolated mansion inhabited by mysterious creatures, a handsome hero, duels, ghosts, and an old-fashioned shoot-out.

In the winter of 1930, a fire threatens to destroy the small Canadian town of Dalhousie. When the raging fire ignites, a trifecta of a disaster strikes. The flames endanger a new paper mill—the town’s economic future—the water system fails, and the town is faced with a harsh reality: it has virtually no fire fighting equipment and no professional fire fighting force. The perseverance and close ties of the community work to save the town even as some residents take matters into their own hands. Dalhousie Burning is based on a true story taken directly from the headlines of Canadian newspapers in 1930. As a daughter of New Brunswick natives, author Patricia Lamb Amoroso came across the event while researching her family history.

Lorenz Hart singlehandedly changed the craft of lyric writing. When Larry Hart first met Dick Rodgers in 1919, the commercial song lyric consisted of tired cliches and cloying Victorian sentimentality. Hart changed all that, always avoiding the obvious, aiming for the unexpected phrase that would twang the nerve or touch the heart. Endowed with both a buoyant wit and a tender, almost raw sincerity, Hart brought a poetic complexity to his art, capturing the everyday way people talk and weaving it into his lyrics. Songs had never been written like that before, and afterwards it seemed impossible that songs would ever be written any other way. Lorenz Hart: A Poet on Broadway presents the public triumphs of a true genius of the American musical theatre, and the personal tragedies of a man his friend the singer Mabel Mercer described as "the saddest man I ever knew." Author Frederick Nolan began researching this definitive biography in 1968, tracking down and interviewing Hart's friends and collaborators one by one, including a remarkable conversation with Richard Rodgers himself. A veritable who's who of Broadway's golden age, including Joshua Logan, Gene Kelly, George Abbott and many more, recall their uncensored and often hilarious, sometimes poignant memories of the cigar-chomping wordsmith who composed some of the best lyrics ever concocted for the Broadway stage, but who remained forever lost and lonely in the crowds of hangers-on he attracted. A portrait of Hart emerges as a Renaissance and endearing bon vivant conflicted by his homosexuality and ultimately torn apart by alcoholism. Nolan skillfully pulls together the chaotic details of Hart's remarkable life, beginning with his bohemian upbringing in turn of the century Harlem. Here are his first ventures into show business, and the 24-year-old Hart's first meeting with the 16-year-old Richard Rodgers. "Neither of us mentioned it," Rodgers later recalled, "but we evidently knew we would work together, and I left Hart's house having acquired in one afternoon a career, a best friend, and a source of permanent irritation." Nolan captures it all: the team's early setbacks, the spectacular hour long standing ovation for their hit song, "Manhattan," the Hollywood years (which inspired Hart to utter the undying line, "Just because you're paranoid doesn't mean the bastards aren't out to get you"), and the unforgettable string of hit shows that included "On Your Toes," "The Boys from Syracuse," and their masterpiece, "Pal Joey." But while success made Rodgers more confident, more musically daring, and more disciplined, for Hart the rounds of parties, wisecracks, and most of all drinking began to take more and more of a toll on his work. When Hart's unreliability forced Rodgers to reluctantly seek out another lyricist, Oscar Hammerstein II, and their collaboration resulted in the unprecedented artistic and commercial success of "Oklahoma," Hart never truly recovered. Meticulously researched and rich with anecdotes that capture the excitement, the hilarity, the dizzying heights, and the crushing lows of a life on Broadway, Lorenz Hart is the story of an American original.

On April 23, 1990, after a five-week journey from Hudson Bay to the Hudson River, the Odeyak landed at the Battery for Earth Day. Half-Cree, half-Inuit, the 24-foot freighter canoe, plowing across the Manhattan seascape, was a strange small vessel build in the dark Arctic winter to carry a message from two First Nations of the northern wilderness to a reclaiming of Times Square for Mother Earth. Along with the Crees' and the Inuit's hopes and fears for their children and for the future of their river, the Odeyak carried a simple request. The Great Whale Hydroelectric Project, the first part of James Bay II, will destroy the natural economy of the Great Whale region, killing the way of life the Crees and the Inuit have followed since time immemorial. It came to ask the people of New England and New York not to buy the power.

The Canterville Ghost By OSCAR WILDE An amusing chronicle of the tribulations of the Ghost of Canterville Chase when his ancestral halls became the home of the American Minister to the Court of St. James. When Mr. Hiram B. Otis, the American Minister, bought Canterville Chase, everyone told him he was doing a very foolish thing, as there was no doubt at all that the place was haunted. Indeed, Lord Canterville himself, who was a man of the most punctilious honor, had felt it his duty to mention the fact to Mr. Otis when they came to discuss terms. " We have not cared to live in the place ourselves," said Lord Canterville, " since my grand-aunt, the Dowager Duchess of Bolton, was frightened into a fit, from which she never really recovered, by two skeleton hands being placed on her shoulders as she was dressing for dinner, and I feel bound to tell you, Mr. Otis, that the ghost has been seen by several living members of my family, as well as by the rector of the parish, the Rev. Augustus Dampier, who is a Fellow of King's College, Cambridge. After the unfortunate accident to the Duchess, none of our younger servants would stay with us, and Lady Canterville often got very little sleep at night, in consequence of the mysterious noises that came from the corridor and the library. *Larry McMurtry's major four-volume series follows the Berrybender family—aristocratic, English, and fiercely out of place—on their journey to see the American West as it begins to open up. Sin Killer It is 1830, the dawn of a new era in America's growth, when Lord and Lady Berrybender embark on a journey up the Missouri River to explore the frontier and to broaden the horizons of their children: Tasmin, a budding young woman of grit, beauty, and determination, her vivacious and difficult sister, and her brother. As they journey by rough stages up the Missouri, they meet with all the dangers, difficulties, beauties, and temptations of the untamed West. For Tasmin, these temptations include Jim Snow, a frontiersman, ferocious Indian fighter, and part-time preacher known up and down the Missouri as "the Sin Killer." *Berrybenders make their way overland to the confluence of the Missouri and the Yellowstone rivers to spend the winter in conditions of siege at the trading post of Pierre Boisdeffre. By now, Tasmin is a married woman, or as good as, living with the elusive young mountain man Jim Snow, pregnant with his child and about to discover that he has secrets he hasn't told her. For his part, Jim is about to discover that in taking the outspoken, tough-minded, stubbornly practical young aristocratic woman into his teepee he has bitten off more than he can chew... By Sorrow's River The Berrybender party once again takes to the trail, across the endless Great Plains of the West towards Santa Fe, where they intend—those who are lucky enough to survive the journey—to spend the winter. Along the way, they meet up with a varied cast of characters from the history of the West—Kit Carson, the famous scout; Le Partezon, the fearsome Sioux war chief; two aristocratic Frenchmen whose eccentric aim is to cross the Great Plains by hot air balloon; a band of raiding Pawnee; and many other astonishing characters who prove once again that the rolling, grassy plains are not, in fact, nearly as empty of life as they look. Folly and Glory Under irksome, though comfortable, arrest with her family in Mexican Santa Fe, Tasmin Berrybender—who would once have followed Jim Snow anywhere—is no longer even sure she likes him, or knows where to go to next. Neither does anyone else—even Captain Clark, of Lewis & Clark fame, is puzzled by the great changes sweeping over the West, replacing red men and buffalo with towns and farms. As the Berrybenders embark on a desperate journey to New Orleans—starving, dying of thirst, and in constant, bloody battle, with slavers pursuing them—both Jim Snow and Tasmin find themselves forced to choose among conflicting loves, and finally decide where their futures lie.*
