

## Into The Wild Chapter Questions

*The four principles that can help us to overcome our brains' natural biases to make better, more informed decisions—in our lives, careers, families and organizations. In Decisive, Chip Heath and Dan Heath, the bestselling authors of Made to Stick and Switch, tackle the thorny problem of how to overcome our natural biases and irrational thinking to make better decisions, about our work, lives, companies and careers. When it comes to decision making, our brains are flawed instruments. But given that we are biologically hard-wired to act foolishly and behave irrationally at times, how can we do better? A number of recent bestsellers have identified how irrational our decision making can be. But being aware of a bias doesn't correct it, just as knowing that you are nearsighted doesn't help you to see better. In Decisive, the Heath brothers, drawing on extensive studies, stories and research, offer specific, practical tools that can help us to think more clearly about our options, and get out of our heads, to improve our decision making, at work and at home.*

*A classic and modern edition of Kurt Vonnegut's masterpiece, "a desperate, painfully honest attempt to confront the monstrous crimes of the twentieth century" (Time), featuring a new introduction by Kevin Powers, author of the National Book Award finalist The Yellow Birds. Selected by the Modern Library as one of the 100 best novels of all time Slaughterhouse-Five, an American classic, is one of the world's great antiwar books. Centering on the infamous World War II firebombing of Dresden, the novel is the result of what Kurt Vonnegut described as a twenty-three-year struggle to write a book about what he had witnessed as an American prisoner of war. It combines historical fiction, science fiction, autobiography, and satire in an account of the life of Billy Pilgrim, a barber's son turned draftee turned optometrist turned alien abductee. As Vonnegut had, Billy experiences the destruction of Dresden as a POW. Unlike Vonnegut, he experiences time travel, or coming "unstuck in time." An instant bestseller, Slaughterhouse-Five made Kurt Vonnegut a cult hero in American literature, a reputation that only strengthened over time, despite his being banned and censored by some libraries and schools for content and language. But it was precisely those elements of Vonnegut's writing—the political edge, the genre-bending inventiveness, the frank violence, the transgressive wit—that have inspired generations of readers not just to look differently at the world around them but to find the confidence to say something about it. Authors as wide-ranging as Norman Mailer, John Irving, Michael Crichton, Tim O'Brien, Margaret Atwood, Elizabeth Strout, David Sedaris, Jennifer Egan, and J. K. Rowling have all found inspiration in Vonnegut's words. Jonathan Safran Foer has described Vonnegut as "the kind of writer who made people—young people especially—want to write." George Saunders has declared Vonnegut to be "the great, urgent, passionate American writer of our century, who offers us . . . a model of the kind of compassionate thinking that might yet save us from ourselves." Fifty years after its initial publication at the height of the Vietnam War, Vonnegut's portrayal of political disillusionment, PTSD, and postwar anxiety feels as relevant, darkly humorous, and profoundly affecting as ever, an enduring beacon through our own era's uncertainties. "Poignant and hilarious, threaded with compassion and, behind everything, the catalyst of a thundering moral statement."—The Boston Globe*

*Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and all his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of Into the Wild. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naïveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding—and not an ounce of sentimentality. Mesmerizing, heartbreaking, Into the Wild is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.*

*A New York Times Bestseller "The Wild Truth is an important book on two fronts: It sets the record straight about a story that has touched thousands of readers, and it opens up a conversation about hideous domestic violence hidden behind a mask of prosperity and propriety."-NPR.org The spellbinding story of Chris McCandless, who gave away his savings, hitchhiked to Alaska, walked into the wilderness alone, and starved to death in 1992, fascinated not just New York Times bestselling author Jon Krakauer, but also the rest of the nation. Krakauer's book Into the Wild, became an international bestseller, translated into thirty-one languages, and Sean Penn's inspirational film by the same name further skyrocketed Chris McCandless to global fame. But the real story of Chris's life and his journey has not yet been told - until now. The missing pieces are finally revealed in The Wild Truth, written by Carine McCandless, Chris's beloved and trusted sister. Featured in both the book and film, Carine has wrestled for more than twenty years with the legacy of her brother's journey to self-discovery, and now tells her own story while filling in the blanks of his. Carine was Chris's best friend, the person with whom he had the closest bond, and who witnessed firsthand the dysfunctional and violent family dynamic that made Chris willing to embrace the harsh wilderness of Alaska. Growing up in the same troubled household, Carine speaks candidly about the deeper reality of life in the McCandless family. In the many years since the tragedy of Chris's death, Carine has searched for some kind of redemption. In this touching and deeply personal memoir, she reveals how she has learned that real redemption can only come from speaking the truth.*

In A Psalm for the Wild-Built, Hugo Award-winner Becky Chambers's delightful new Monk & Robot series gives us hope for the future. It's been centuries since the robots of Panga gained self-awareness and laid down their tools; centuries since they wandered, en masse, into the wilderness, never to be seen again; centuries since they faded into myth and urban legend. One day, the life of a tea monk is upended by the arrival of a robot, there to honor the old promise of checking in. The robot cannot go back until the question of "what do people need?" is answered. But the answer to that question depends on who you ask, and how. They're going to need to ask it a lot. Becky Chamber's new series asks: in a world where people have what they want, does having more matter? At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

*Now A #1 NEW YORK TIMES BESTSELLER! An unflinching, darkly funny, and deeply moving story of a boy, his seriously ill mother, and an unexpected monstrous visitor. At seven minutes past midnight, thirteen-year-old Conor wakes to find a monster outside his bedroom window. But it isn't the monster Conor's been expecting-- he's been expecting the one from his nightmare, the nightmare he's had nearly every night since his mother started her treatments. The monster in his backyard is different. It's ancient. And wild. And it wants something from Conor. Something terrible and dangerous. It wants the truth. From the final idea of award-winning author Siobhan Dowd-- whose premature death from cancer prevented her from writing it herself-- Patrick Ness has spun a haunting and darkly funny novel of mischief, loss, and monsters both real and imagined.*

The Quest for True Belonging and the Courage to Stand Alone
Five Hundred and One Critical Reading Questions

White Fang

When it's life if, full of care, we have no time to stand and stare?" (LEISURE BY W. H. DAVIES) Loneliness and criminality determined William Henry Davies' childhood and teenage-years. At the age of 22 he decided to leave Wales for America to chance his luck abroad. But getting there was not as easy as expected. At that point in time, he became a tramp. In his best-known work THE AUTOBIOGRAPHY OF A SUPER-TRAMP, Davies tells the story of his lifetime. He explains in a very intimate and touching way what it is like to grow up in Great Britain at the end of the 19th century. Furthermore, he describes how he felt during his vagabond life and what made him settle back in the UK. After all, Davies develops into the most popular poet of his time.

Jack London's "The Call of the Wild" has been broken down into several books. In this series, there will be a book for every chapter. This is Weekly #2, which is the 2nd chapter (The Law of Club and Fang) of The Call of the Wild. Be sure to look for your favorite chapters from this classic story. "The Call of the Wild," set in the late 1800s, takes the reader on an interesting adventure during the 1890s Klondike Gold Rush. Enjoy London's imagination as you discover what life was like for an in-demand dog during those times and how this dog responded to the challenges laid before him.

The long-awaited magnum opus from Haruki Murakami, in which this revered and bestselling author gives us his hypnotically addictive, mind-bending ode to George Orwell's 1984. The year is 1984. Aomame is riding in a taxi on the expressway, in a hurry to carry out an assignment. Her work is not the kind that can be discussed in public. When they get tied up in traffic, the taxi driver suggests a bizarre 'proposal' to her. Having no other choice she agrees, but as a result of her actions she starts to feel as though she is gradually becoming detached from the real world. She has been on a top secret mission, and her next job leads her to encounter the superhuman founder of a religious cult. Meanwhile, Tengo is leading a nondescript life but wishes to become a writer. He inadvertently becomes involved in a strange disturbance that develops over a literary prize. While Aomame and Tengo impact on each other in various ways, at times by accident and at times intentionally, they come closer and closer to meeting. Eventually the two of them notice that they are indispensable to each other. Is it possible for them to ever meet in the real world?

Traces the author's investigation into the mystery of his father's sudden death, describing his father's achievements as a reporter, inconsistencies in his father's medical records, and the honor code of secrecy that challenged his research.

The Call of the Wild Weekly #2

A Story of Violent Faith

A Novel

The Wild Truth

We were in mourning for our mother, who had died the preceding autumn, and we had spent all the winter alone in the country-Macha, Sonia and I. Macha was an old family friend, who had been our governess and had brought us all up, and my memories of her, like my love for her, went as far back as my memories of myself. Sonia was my younger sister. The winter had dragged by, sad and sombre, in our old country-house of Pokrovski. The weather had been cold, and so windy that the snow was often piled high against the panes were almost always cloudy with a coating of ice: and throughout the whole season we were shut in, rarely finding it possible to go out of the house. It was very seldom that any one came to see us, and our few visitors brought neither joy nor cheerfulness to our house. They all had mournful faces, spoke low, as if they were afraid of waking some one, were careful not to laugh, sighed and often shed tears when they looked at me, and above all at the sight of my poor Sonia in her little black frock. Describes the experiences of a newcomer to the Yukon when he attempts to hike through the snow to reach a mining claim.

It takes a graveyard to raise a child. Nooby Owens, known as Bod, is a normal boy. He would be completely normal if he didn't live in a graveyard, being raised by ghosts, with a guardian who belongs to neither the world of the living nor the dead. There are adventures in the graveyard for a boy—an ancient Indigo Man, a gateway to the abandoned city of ghouls, the strange and terrible Slier. But if Bod leaves the graveyard, he will be in danger from the man Jack—who has already killed Bod's family. An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students.

A Son's Story

A Long Way Gone

*Wall-E meets Hatchet in this New York Times bestselling illustrated middle grade novel from Caldecott Honor winner Peter Brown Can a robot survive in the wilderness? When robot Roz opens her eyes for the first time, she discovers that she is all alone on a remote, wild island. She has no idea how she got there or what her purpose is—but she knows she needs to survive. After battling a violent storm and escaping a vicious bear attack, she realizes that her only hope for survival is to adapt to her surroundings and learn from the island's wild inhabitants. As Roz slowly befriends the animals, the island starts to feel like home—until, one day, the robot's mysterious past comes back to haunt her. From bestselling and award-winning author and illustrator Peter Brown comes a heartwarming and action-packed novel about what happens when nature and technology collide.*

*In the summer of 1989, a local teen goes missing from the idyllic suburb of Camp Hill in Australia. As rumors of Satanic rituals swirl, schoolteacher Tom Witter becomes convinced he holds the key to the disappearance. When the police won't listen, he takes matters into his own hands with the help of the missing girl's father and a local neighbourhood watch group. But as dark secrets are revealed and consequences to past actions are faced, Tom learns that the only way out of the darkness is to walk deeper into it. Wild Place peels back the layers of suburbia, exposing what's hidden underneath - guilt, desperation, violence - and attempts to answer the question: Why do good people do bad things? From the international bestseller Christian White, Wild Place is a white-knuckle descent into a street near you.*

*THE #1 NEW YORK TIMES BESTSELLER IS NOW A MAJOR-MOTION PICTURE DIRECTED BY RON HOWARD AND STARRING AMY ADAMS, GLENN CLOSE, AND GABRIEL BASSO "You will not read a more important book about America this year."—The Economist "A riveting book."—The Wall Street Journal "Essential reading."—David Brooks, New York Times Hillbilly Elegy is a passionate and personal analysis of a culture in crisis—that of white working-class Americans. The disintegration of the group, a process that has been slowly occurring now for more than forty years, has been reported with growing frequency and alarm, but has never before been written about as searingly from the inside. J. D. Vance tells the true story of what a social, regional, and class decline feels like when you were born with it hung around your neck. The Vance family story begins hopefully in postwar America. J. D.'s grandparents were "dirt poor and in love," and moved north from Kentucky's Appalachia region to Ohio in the hopes of escaping the dreadful poverty around them. They raised a middle-class family, and eventually one of their grandchildren would graduate from Yale Law School, a conventional marker of success in achieving generational upward mobility. But as the family saga of Hillbilly Elegy plays out, we learn that J.D.'s grandparents, aunt, uncle, sister, and, most of all, his mother struggled profoundly with the demands of their new middle-class life, never fully escaping the legacy of abuse, alcoholism, poverty, and trauma so characteristic of their part of America. With piercing honesty, Vance shows how he himself carries the demons of his chaotic family history. A deeply moving memoir, with its share of humor and vividly colorful figures, Hillbilly Elegy is the story of how upward mobility really feels. And it is an urgent and troubling meditation on the loss of the American dream for a large segment of this country.*

*NATIONAL BESTSELLER • From the author of Into the Wild and Into Thin Air, this extraordinary work of investigative journalism takes readers inside America's isolated Mormon Fundamentalist communities. Defying both civil authorities and the Mormon establishment in Salt Lake City, the renegade leaders of these Taliban-like theocracies are zealots who answer only to God; some 40,000 people still practice polygamy in these communities. At the core of Krakauer's book are brothers Ron and Dan Lafferty, who insist they received a commandment from God to kill a blameless woman and her baby girl. Beginning with a meticulously researched account of this appalling double murder, Krakauer constructs a multi-layered, bone-chilling narrative of messianic delusion, polygamy, savage violence, and unyielding faith. Along the way he uncovers a shadowy offshoot of America's fastest growing religion, and raises provocative questions about the nature of religious belief.*

The Book Whisperer's Keys to Cultivating Lifelong Reading Habits

**Traces the personal crisis the author endured after the death of her mother and a painful divorce, which prompted her ambition to undertake a dangerous 1,100-mile solo hike that both drove her to rock bottom and helped her to heal.**

**#1 NEW YORK TIMES BESTSELLER • A timely and important book that challenges everything we think we know about cultivating true belonging in our communities, organizations, and culture, from the #1 bestselling author of Rising Strong, Daring Greatly, and The Gifts of Imperfection Look for Brené Brown's new podcast, Dare to Lead, as well as her ongoing podcast Unlocking Us! REESE'S BOOK CLUB PICK “True belonging doesn’t require us to change who we are. It requires us to be who we are.” Social scientist Brené Brown, PhD, MSW, has sparked a global conversation about the experiences that bring meaning to our lives—experiences of courage, vulnerability, love, belonging, shame, and empathy. In *Braving the Wilderness*, Brown redefines what it means to truly belong in an age of increased polarization. With her trademark mix of research, storytelling, and honesty, Brown will again change the cultural conversation while mapping a clear path forward. Brown argues that we’re experiencing a spiritual crisis of disconnection, and introduces four practices of true belonging that challenge everything we believe about ourselves and each other. She writes, “True belonging requires us to believe in and belong to ourselves so fully that we can find sacredness both in being a part of something and in standing alone when necessary. But in a culture that’s rife with perfectionism and pleasing, and with the erosion of civility, it’s easy to stay quiet, hide in our ideological bunkers, or fit in rather than show up as our true selves and brave the wilderness of uncertainty and criticism. But true belonging is not something we negotiate or accomplish with others; it’s a daily practice that demands integrity and authenticity. It’s a personal commitment that we carry in our hearts.” Brown offers us the clarity and courage we need to find our way back to ourselves and to each other. And that path cuts right through the wilderness. Brown writes, “The wilderness is an untamed, unpredictable place of solitude and searching. It is a place as dangerous as it is breathtaking, a place as sought after as it is feared. But it turns out to be the place of true belonging, and it’s the bravest and most sacred place you will ever stand.”**

**In a heart-wrenching, candid autobiography, a human rights activist offers a firsthand account of war from the perspective of a former child soldier, detailing the violent civil war that wracked his native Sierra Leone and the government forces that transformed a gentle young boy into a killer as a member of the army. 75,000 first printing.**

**WINNER OF THE MAN BOOKER PRIZE • NEW YORK TIMES BESTSELLER • An affluent Indian family is forever changed by one fateful day in 1969, from the author of The Ministry of Utmost Happiness “The God of Small Things” offers such magic, mystery, and sadness that, literally, this reader turned the last page and decided to reread it. Immediately. It’s that haunting.”—USA Today Compared favorably to the works of Faulkner and Dickens, Arundhati Roy’s modern classic is equal parts powerful family saga, forbidden love story, and piercing political drama. The seven-year-old twins Estha and Rahel see their world shaken irrevocably by the arrival of their beautiful young cousin, Sophie. It is an event that will lead to an illicit liaison and tragedies accidental and intentional, exposing “big things [that] lurk unseen” in a country drifting dangerously toward unrest. Lush, lyrical, and unnerving, The God of Small Things is an award-winning landmark that started for its author an esteemed career of fiction and political commentary that continues unabated.**

The Strange Case of Dr. Jekyll and Mr. Hyde is about a London lawyer named Gabriel John Utterson who investigates strange occurrences between his old friend, Dr. Henry Jekyll, and the evil Edward Hyde. There are two personalities within Dr. Jekyll, one apparently good and the other evil; completely opposite levels of morality. The novel's impact is such that it has become a part of the language, with the very phrase "Jekyll and Hyde" coming to mean a person who is vastly different in moral character from one situation to the next. "The Strange Case of Dr. Jekyll and Mr. Hyde" is a thrilling Gothic horror novel. John Utterson, a prosecutor, is on his weekly walk with his relative, who proceeds to tell him of an encounter with a man he had seen some months ago while coming home late at night from Cavendish Place. The tale describes a sinister figure named Edward Hyde who tramples a young girl and re-emerges to pay off her relatives with 10 pounds in gold and a cheque signed by respectable gentleman Dr. Henry Jekyll (a client and friend of Utterson's) for 90 pounds. Jekyll had recently and suddenly changed his will to make Hyde the sole beneficiary. This development concerns and disturbs Utterson, who makes an effort to seek out Hyde. Utterson fears that Hyde is blackmailing Jekyll for his money. Upon finally managing to encounter Hyde, Hyde's ugliness, as if deformed, amazes Utterson. Although Utterson cannot say exactly how or why, Hyde provokes an instinctive feeling of revulsion in him. Much to Utterson's surprise, Hyde willingly offers Utterson his address. After one of Jekyll's dinner parties, Utterson stays behind to discuss the matter of Hyde with Jekyll. Utterson notices Jekyll turning pale, yet he assures Utterson that everything involving Hyde is in order and that he is to be left alone.

Uglies: Cutters (Graphic Novel)

In Reading in the Wild, reading expert Donalyn Millercontinues the conversation that began in her bestselling book,The Book Whisperer. While The Book Whisperer revealealth Secrets of getting students to love reading, Reading in theWild, written with reading teacher Susan Kelley, describes howto truly instill lifelong "wild" reading habits in ourstudents. Based, in part, on survey responses from adult readers as wellas students, Reading in the Wild offers solid advice andstrategies on how to develop, encourage, and assess five keyreading habits that cultivate a lifelong love of reading. Alsoincluded are strategies, lesson plans, management tools, andcomprehensive lists of recommended books. Copublished withEditorial Projects in Education, publisher of Education Weekand Teacher magazine, Reading in the Wild is packedwith ideas for helping students build capacity for a lifetime of"wild" reading. "When the thrill of choice reading starts to fade, it's time tograb Reading in the Wild. This treasure trove of resourcesand management techniques will enhance and improve existingclassroom systems and structures."—Cris Tovani, secondary teacher, Cherry Creek SchoolDistrict, Colorado, consultant, and author of Do I Really Have Teach Reading? "With Reading in the Wild, Donalyn Miller gives educatorsanother important book. She reminds us that creating lifelongreaders goes far beyond the first step of putting good books intokids' hands." —Franki Sibberson, third-grade teacher, Dublin CitySchools, Dublin, Ohio, and author of Beyond LeveledBooks "Reading in the Wild, along with the now legendary TheBook Whisperer, constitutes the complete guide to creating stimulating
