Mi chiamo Adam Falzon. Sono nato in una famiglia all'antica, erede di un impero spietato e di una storia cruenta. Quando avevo quindici anni, ho vendicato il brutale assassinio dei miei genitori, e mi sono guadagnato il mio trono. Sono un uomo da temere, e mi piace che sia così. Ho rapito la Principessa d'America, Grace Delaney, per usarla come leva nel tentativo di controllare la sua potente famiglia. Non avrebbe dovuto essere altro che una pedina, ma la mia bella prigioniera non è affatto come mi aspettavo. È impetuosa, coraggiosa e appassionata, e si rifiuta di piegarsi al mio volere. Eppure, sono determinato a domarla, in un modo o nell'altro. È l'unica maniera. Ma quando una pericolosa faida diventa letale, i miei segreti minacciano di dividerci. Grace avrebbe dovuto essere soltanto il mezzo per raggiungere un fine, ma adesso è l'unica che può salvarmi. In cambio, farò tutto il necessario per tenermela.

A devastating energy beam strikes the Earth, instantly killing a sixth of the world population. Deemed to be a premeditated attack by aliens from a distant planet, a Serbian scientist named Jsana Juric and a Japanese army colonel named Takeshi Nakamura gather a group of orphaned children who survived the disaster to become lethal soldiers trained to invade the hostile planet in hopes of preventing a repeat attack. Divided into teams, the children get to know each other, and begin to understand that surviving the training will itself be a brutal test. Lives are sacrificed and difficult lessons are learned, all in the interest of turning children into hardened killing machines. One such impressionable child is Jonas . . . Meanwhile, in a parallel storyline set in the future, a ground invasion force reaches the alien planet from which the energy beam supposedly originated. Before setting foot on the planet, every soldier receives a vaccine to combat the deadly radiation on the planet, a course that must be repeated every day. The battles are tough, and the human forces suffer massive casualties, until a team of five soldiers appear and make short work of the aliens. These five heroes are Jonas and his companions--the "Orphans." A massively popular series by Italian authors Roberto Recchioni and Emiliano Mammucari, this series has spawned five spin-off series (or "seasons").

We are living in an open sea, caught up in a continuous wave, with no fixed point and no instrument to measure distance and the direction of travel.

Nothing appears to be in its place any more, and a great deal appears to have no place at all. The principles that have given substance to the democratic ethos, the system of rules that has guided the relationships of authority and the ways in which they are legitimized, the shared values and their hierarchy, our behaviour and our life styles, must be radically revised because they no longer seem suited to our experience and understanding of a world in flux, a world that has become both increasingly interconnected and prone to severe and persistent crises. We are living in the interregnum between what is no longer and what is not yet. None of the political movements that helped undermine the old world are ready to inherit it, and there is no new ideology, no consistent vision, promising to give shape to new institutions for the new world. It is like the Babylon referred to by Borges, the country of randomness and uncertainty in which 'no decision is final; all branch into others'. Out of the world that had promised us modernity, what Jean Paul Sartre had summarized with sublime formula 'le choix que je suis' ('the choice that I am'), we inhabit that flattened, mobile and dematerialized space, where as never before the principle of the heterogenesis of purposes is sovereign. This is Babel.

From the author of *Death's Dark Abyss* and *The Goodbye Kiss* comes an extraordinary tale of life on the run. Massimo Carlotto's odyssey began in 1976 when, as a member of a militant leftwing organization that had fallen awry of the ruling powers, he was arrested and falsely accused of murder. Unwilling to play the role of fall guy in a political power struggle, he chose to flee the country rather than wait for a verdict that the whole country knew was a foregone conclusion. He first went into hiding in the French underworld and then made his way to a Mexico embroiled in bloody class conflict. Betrayed by a Mexican lawyer, he returned to Italy in 1985 and spent six years in prison, during which time the "Carlotto case" became Italy's most famous legal fiasco. Carlotto was finally freed with a presidential pardon in 1993. Subsequently, his case helped bring about significant changes to the Italian criminal code to ensure that similar judicial travesties would never happen again. The

Fugitive is the first book that Carlotto wrote as a free man. It tells his story with verve and humor. Virtually a handbook on how to live life on the run, The Fugitive is also a vibrant novel full of vivid underworld characters and breathtaking moments that Carlotto recounts in the cool, lucid prose that has become his trademark.

A Vintage Shorts "Short Story Month" Selection It was the first autumn of the Iraq War, when Ella saw Dani again. "Today I'm Yours" is a story of seduction and layered memory, a love affair fifteen years past but not forgotten—from the author of the National Book Award nominated and National Book Critics Circle Award finalist Veronica. The delights of Dumas' novels are well known. Less known today are his tales of Robin Hood. With pleasure, we present these two old works to a new century of readers. English versions of "The Prince of Thieves" and "Robin Hood the Outlaw" have virtually disappeared from bookshelves; they are now edited, corrected, and made accessible to the world in print and e-formats, by the Reginetta Press. In this first volume, "The Prince of Thieves," Alexandre Dumas relates his own unique version of Robin Hood's origins and upbringing, how Robin was robbed of his heritage, how Robin becomes acquainted with Marian, Little John, Friar Tuck, and the Merrie Men, and the events leading up to Robin Hood's life as an outlaw. Alfred Allinson's translation lends enchantingly antique wording, transporting us to the charm of a Sherwood Forest of former, fanciful days.

NOW A NETFLIX SERIES ENTITLED "SPECIAL" FROM EXECUTIVE PRODUCER JIM PARSONS STARRING RYAN O'CONNELL AS HIMSELF.

From the beloved blogger turned voice of an online generation, an unforgettable and hilarious memoir-meets-manifesto exploring what it means to be a millennial gay man living with cerebral palsy, which VICE calls "a younger, gay version of Mary Karr's Lit." People are obsessed with Ryan O'Connell's blogs. With tens of thousands reading his pieces on Thought Catalog and Vice, watching his videos on YouTube, and hanging on to each and every #dark tweet, Ryan has established himself as a unique young voice who's not afraid to dole out some real talk. He's that candid, snarky friend you consult when you fear you're spending too much time falling down virtual k-holes stalking your ex on Facebook or when you've made the all-too-common mistake of befriending a psycho while wasted at last night's party and need to find a way to get rid of them the next morning. But Ryan didn't always have the answers to these modern day dilemmas. Growing up gay and disabled with cerebral palsy, he constantly felt like he was one step behind everybody else. Then the rude curveball known as your twenties happened and things got even more confusing. Ryan spent years as a Millennial cliché : he had dead-end internships; dabbled in unemployment; worked in his pajamas as a blogger; communicated mostly via text; looked for love online; spent hundreds on "necessary" items, like candles, while claiming to have no money; and even descended into aimless pill-popping. But through extensive trial and error, Ryan eventually figured out how to take his life from bleak to chic and began limping towards adulthood. Sharp and entertaining, I'm Special will educate twentysomethings (or other adolescents-at-heart) on what NOT to do if they ever want to become happy fully functioning grown ups with a 401k and a dog.

Antonio Giangrande, orgoglioso di essere diverso. ODIO OSTENTAZIONE ED IMPOSIZIONE. Si nasce senza volerlo. Si muore senza volerlo. Si vive una vita di prese per il culo. August 15, 1839. Messina, Italy. In the home of Marshall don Peppino Padellani di Opiri, preparations for the feast of the Ascension are underway, but for Agata, the Marshall's daughter, there are more important matters at hand. She and the wealthy Giacomo Lepre have fallen in love. Her mother, however, is determined that the two young people will not marry. When, one month later, Marshall don Peppino dies, Agata's mother decides to ferry her daughter away from Messina, to Naples, where she hopes to garner a stipend from the king and keep her daughter far from trouble's reach. They travel to Naples on a boat captained by the young Englishman, James Garson. Following a tempestuous passage to Naples, during which Agata confesses her troubles to James, Agata and her mother find themselves rebuffed by the king and Agata is forced to join a convent. The Benedictine monastery of San Giorgio Stilita is rife with rancor and jealousy, illicit passions and ancient feuds. Agata remains aloof, devoting herself to the cultivation of medicinal herbs, calmed by the steady rhythms of monastic life. Through letters she stays in contact with Garson, reading all the books he sends her, and follows the news of the various factions struggling to bring unity to Italy. Though she didn't choose to enter a convent and is divided between her yearnings for purity and religiosity and her desire to be part of the world, something about the cloistered life reverberates within her. Agata is increasingly torn when she realizes that her feelings for Garson, though he is only a distant presence in her life, have eclipsed those for Lepre. A Mediterranean sister to the heroines of Jane Austen and Emily Brontë, Agata fully inhabits her own time yet in Agnello Hornby's rich characterization, she also embodies strength of will and a spiritual fortitude that is timeless.
