iPhone For Seniors For Dummies, 5th Edition (9781119293484) was previously published as iPhone For Seniors For Dummies, 5th Edition (9781119137764). While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product. Learn to navigate the iPhone like a pro Learning to use new technology can be a bit of a challenge for seniors, especially now that smartphones are more like mobile computers. iPhone For Seniors For Dummies, 5th Edition is a full-color text that guides you through easy-to-understand lessons in iPhone features and functions. This step-by-step reference explains how to use the most basic of your phone's capabilities, such as making calls and sending text messages. Additionally, this newly revised book walks you through the most exciting features of your iPhone's hardware and software, from downloading new apps to keeping your data—and your phone—safe. With a larger font size and illustrations, this senior-friendly resource presents information in an accessible way. iPhones are among the most popular smartphones in the world, but learning how to use one can prove difficult if you're not up to date on the latest technology. To keep up with the cool kids and make sure to use a reference that fits your needs! Start from the very beginning by covering buying and getting started with your iPhone Explore your new phone's accessibility features, and dive into more complicated features as you build your understanding of the iPhone's technology Discover new forms of entertainment, such as surfing the web on mobile Safari, exploring new mobile apps, buying and reading iBooks, buying and listening to music on iTunes, and searching for interesting videos on YouTube Protect your new phone with key safety and maintenance best practices iPhone For Seniors For Dummies, 5th Edition guides you through the seemingly chaotic world of your new phone, helping you make sense of its features and functions. The iPhone SE 2020 (a follow up to the 2016 iPhone SE) was launched in April 2020 as a new low-cost iPhone by the Apple brand. The phone comes with years of software updates, an amazing camera set and a toprnotch performance even at its low cost. The Apple iPhone SE 2020 has several features in common with the much more expensive phones, like the A13 Bionic processor, which makes it as fast as the iPhone 11 series phones. The iPhone SE also has access to the 18W charging capability and the AI-enabled portrait mode that you will find in the iPhone 11, 11 Pro, and 11 Pro Max. This user guide contains detailed steps on how to explore all the new features on your phone along with screenshots to make it easy for you to familiarize yourself with the workings of the operating system for iPhones. Whether you are just buying a new iPhone or downloading the new software to your existing device, this book would help you to achieve better and faster productivity. Some of the things you would learn in this book include: How to Clear Storage Space on Your iPhone. How to Set up Keyboard Shortcuts. How to Turn On Announce Messages with Siri. How to Train Siri to Recognize Your Voice. How to Use Memoji Stickers. How to Activate Dark Mode. How to Set Up Family Sharing. How to View, Re-Open, and Bookmark Tabs in Safari. How to Take/ Edit/ View Screenshots. How to Take a Still Photo while Capturing Video. How to Shoot Slow Motion Videos. How to Find Memories in Photos. How to Find Friends in 'Find My'. How to Share Your Location. How to Create Favorite Locations. How to Enable and Disable Screen Time. How to Create an Apple ID. How to Set Up Touch ID. How to Authorize Purchases Using Touch ID. How to Deny Access to Data From Specified Apps. How to Add a Card to Apple Pay. How to Set a Name and Photo for Your iMessage Profile. How to Sign Up For/ Cancel Apple Arcade. And Lots more...

Get down to iPhone basics—and beyond It's fun to play with new gadgets—but getting to the point where you can navigate around a new iPhone with ease can feel daunting at any age. Written with you in mind, the easy-to-follow steps, larger text, and full-color images in this book help you manage, personalize, and use your new iPhone to its fullest extent. You'll discover how to do everything from shop online and organize appointments using Calendar, to taking and sharing pictures and downloading and listening to your favorite music. With the latest iOS update, you'll also learn how to customize Siri Suggestions, limit App notifications, stay in touch with Group FaceTime video calls, read ebooks, play games—whatever you fancy! Sync with iTunes Stay safe while browsing Manage email and appointments Download and use apps Whether you're a total newbie or upgrading from an older model, iPhone For Seniors For Dummies helps you can sit back, relax, and enjoy keeping up with the latest technology!

Combining style, power and some great new features, the iPhone 12 mini takes Apple's smartphone to a whole new level. Its operating system, iOS 14, also brings exciting new features and enhancements. Together, they make for a world-beating mobile experience. Over the 180 pages in this guidebook, we get to the heart of the awesome iPhone 12 mini and the iOS 14 operating system, bringing you guides, tips and tutorials that help you get the most from your new Apple smartphone.

The iPhone, Apple's iconic device, continues to set the pace in smart phone technology with the launch of the iPhone 5. DK's slick, full-colour Rough Guide to the iPhone unlocks the myriad of secrets of this extraordinary gadget from synchronizing for the first time and customizing your home screen, to sending SMS messages to multiple recipients. It keeps your finger on the pulse with up-to-the-minute information on all the coolest apps available to download from the iTunes App Store and news of what's hot in the world of iPhone accessories and all the new features including iCloud, Newsstand, and Notification centre.

Learn how to use the iPhone 13 Remember when phones actually called people? They still do that, obviously, but they do so much more today! They keep track of your health. They help you stay in touch with your family in innovative ways. They let you watch movies. And, for some of us, they let us play games while we are supposed to be doing something else! Mostly, they make the things we do every day a little easier-and that's especially true on the iPhone 13 and iPhone 13 Pro. You probably know some of the many things the iPhone does, but do you know how to actually do them? This guide will show you features you might not even know about, and, of course, how to use them. Along the way, I try to keep things on the lighthearted side-my intent is not to give you a stuffy technical guide that can also be used as a doorstop, but to help you enjoy learning and make you excited about all the things you can do. Some of the things you will learn in this book include: What's new to iOS 15 Using an iPhone that doesn't have a Home button Using Face ID Cinematic Mode AirTags How to use Picture in Picture for movies and TV shows How to add widgets to your Home screen Organizing apps with the App Library Buying, removing, rearranging, updating apps MagSafe Taking, editing, organizing and sharing photos Apple Services (Apple Music, Apple TV+, Apple Card, iCloud, and Fitness+) Using Siri Using pre-installed apps like Notes, Calendar, Reminders, and more Making phone calls and sending messages And much, much more! Are you ready to start enjoying your new iPhone? Then let's get started! Note: This book is not endorsed by Apple, Inc and should be considered unofficial.

How can your library—and your patrons—benefit from mobile apps? This guidebook offers a solid foundation in "app-literacy," supplying librarians with the knowledge to review and recommend apps, offer workshops, and become the app expert for their communities. • Describes the most important, high-quality mobile apps in specific topic areas of interest to librarians • Provides examples of how these apps are useful for education, creativity, and productivity for all types of users, including those with special needs • Supplies a detailed checklist of what information to include when reviewing apps • Includes an extensive resource guide to books, blogs, websites, courses, and other sources for keeping up with mobile apps • Provides notes on app functionality, features, price, and developer as well as any pertinent limitations

A Complete Guide to Using the iPhone 12 Pro Camera The best camera for the job is the one you have in your hands when there is an opportunity for a photoshoot, especially when that camera is the iPhone 12 Pro. Maximize the use of your iPhone 12 to take great shots A Complete Guide to Using the iPhone 12 Pro Camera The best camera for the job is the one you have in your hands when there is an opportunity for a photoshoot, especially when that camera is the iPhone 12 Pro. The question then becomes, are you making the most of that powerful tool in your pocket? Do the photos you take seem to be from an amateur because of how blurry they look, and very different from the kind of picture you had in mind to take? If this is you and you want to be able to take incredible pictures with your iPhone, then this book is for you. At the end of this book, you should be comfortable taking great shots with your iPhone 12 Pro even in low light conditions. You will also be equipped with the skills needed to capture awesome portrait pictures of people and nail down your composition such that others can be amazed at how professional your pictures consistently look, as you create jaw-dropping landscapes, food, and travel photos of the events you are involved in. The book starts by covering some of the basic things about the iPhone 12 Pro and the relevance of some of these features on the iPhone and how they affect the quality of the pictures taken with it. In no time after you start using this book, you will begin to start snapping with your camera with far more confidence and dexterity than others who simply go through the motions of pointing their cameras at an object and taking pictures without some of these basic knowledge and skills. Some contents to expect to see in this book include: •How to create animojis and even share memoji with other types of phone users •How to take stunning pictures for your social media platforms •How to take stunning pictures with the portrait mode and lots more With this book in your hands, you can move from being just a mediocre basic iPhone user to an iPhone photography specialist. It will save you the time and energy of stumbling into some of these features by deliberately exposing you to these features and functions. If what you want is a go-to guide on matters surrounding just iPhone photography, then this is a great reference guide for you, very different from what a generic iPhone 12 Pro manual can achieve because of how such books gross over different topics. Not only that, but you can also order this book as a gift for a friend, son, daughter, or a loved one to help them quickly get started with using their phone as soon as they start exploring the pages of this book. Special Bonus That is not all, at the end of this book, we have a special gift for you, something we believe you will love. Click the “Add to Cart” to purchase on your closeout or click the “Buy Now” to purchase at least one copy now. PUBLISHER: TEKTIME
