

## **Iron Heart The True Story Of How I Came Back From The Dead**

*\*A 2019 Rainbow Book List Selection\* An action-packed tale full of romance, royalty, and adventure, inspired by the story of Anastasia. Perfect for fans of Six of Crows, Cinder, and the cult classic television show Firefly. Seventeen-year-old Ana is a scoundrel by nurture and an outlaw by nature. Found as a child drifting through space with a sentient android called D09, Ana was saved by a fearsome space captain and the grizzled crew she now calls family. But D09—one of the last remaining illegal Metals—has been glitching, and Ana will stop at nothing to find a way to fix him. Ana's desperate effort to save D09 leads her on a quest to steal the coordinates to a lost ship that could offer all the answers. But at the last moment, a spoiled Ironblood boy beats Ana to her prize. He has his own reasons for taking the coordinates, and he doesn't care what he'll sacrifice to keep them. When everything goes wrong, she and the Ironblood end up as fugitives on the run. Now their entire kingdom is after them—and the coordinates—and not everyone wants them captured alive. What they find in a lost corner of the universe will change all their lives—and unearth dangerous secrets. But when a darkness from Ana's past returns, she must face an impossible choice: does she protect a kingdom that wants her dead or save the Metal boy she loves?*

*Bill Katovsky was a two-time Hawaii Ironman finisher, a guy who bicycled solo across the U.S., an endurance athlete who competed in a three-day race mountain bike race across Costa Rica. But through a series of misfortunes, including depression, losing his dog, death in his family, and debilitating health problems, Katovsky went from being a multisport junkie to complete couch potato. He stopped working out. For almost ten years! By the time he hit fifty, he decided it was time for a change. How he fought his way back to fitness is not only a riveting, brutally honest, and ultimately inspiring story, it is also a hands-on guide to help anyone reclaim health and well-being. Katovsky supplements his personal story with those of others successfully making a return to fitness - an astronaut who spent five months in space; a former Wall Street trader who lost seventy-five pounds and became Hawaii's Fittest CEO; a retired two-time world-champion Hawaii Ironman triathlete with a bum hip that needed replacing, a Yosemite park employee who broke her spine in a hiking accident and is now back on the trails; and a sixty-something business educator who's had six heart bypasses but still backpacks and goes to the gym. With the advice of personal trainers, fitness experts, and multisport coaches, Katovsky offers a wealth of useful information, including: Diet and nutrition - what you need to know for a healthy body How aging, body fat, and motivation affect physical and mental health; and why exercise is good for depression Successfully building a proper aerobic and strength base - workouts you can do at home! Tips for injury prevention - from avoiding overtraining to why stretching isn't recommended.*

*A heavenly shade of blue was always in her eyes and her innocent smile captured the hearts of many. But even a beautiful smile can cover the ugliest of things. Who would've ever known that the beautiful and loving Princess Marris would fall victim to a very dark and hostile scheme, conjured up by something that is as old as time? No one did—not even Tairren, who was one of Marris's dearest friends. Overtaken by Marris's beauty and charm, Tairren was very much in love with her and would do anything for her—even if that meant*

*facing the overwhelming powers of darkness... It was on Marrisa's long awaited sixteenth birthday, her engagement to Prince Phillip and the day before her enthronement to the kingdom of Ishkar, when it happened. When Marrisa is abducted by someone she had always trusted, she is forced into the Forbidden Lands of Minslethrate and awakens upon a plot that would shake the world. With the company of his very different comrades, the unconventional Lady Natalia and the arrogant Prince Phillip of Ishkar, Tairren travels across the uncertain lands of Minslethrate to rescue Marrisa. They begin to realize that their precarious situation is dealing with more than just a kidnapped princess—that's just the beginning... They must trust in the unseen God of Light and have faith in a legend that they don't even understand. While their beloved princess awaits a terrifying fate, they must become awakened by light if they are to face their own dark quest... Prophecy stirs, blood spills, light burns and darkness screams—revealing The Last Legend...*

*Critically acclaimed author Nina Varela delivers a stunning sequel to the richly imagined queer epic fantasy Crier's War, which SLJ called "perfect for fans of Sarah J. Maas's Throne of Glass." For too long, Automae have lorded over the kingdom of Rabu, oppressing its human citizens. But the human revolution has risen, and at its heart is Ayla. Once a handmaiden, now a fugitive, Ayla narrowly escaped the palace of Lady Crier, the girl she would've killed if she hadn't fallen in love first. Now Ayla has pledged her allegiance to Queen Junn, who can help accomplish the human rebellion's ultimate goal: destroy the Iron Heart. Without its power, the Automae will be weakened to the point of extinction. Ayla wants to succeed, but can't shake the strong feelings she's developed for Crier. And unbeknownst to her, Crier has also fled the palace, taking up among traveling rebels, determined to find and protect Ayla. Even as their paths collide, nothing can prepare them for the dark secret underlying the Iron Heart.*

*Two Days to Live. What Would You Write? a Memoir of Hope*

*A Time to Hustle*

*I Am Not My Hair*

*Iron Heart*

*A Story of Perseverance After Polio*

*A New View of Awareness, Healing, and Hope*

What if V-E Day didn't end World War II in Europe? What if, instead, the Allies had to face a potent, even fanatical, Nazi resistance? Such a movement, based in the fabled Alpine Redoubt, was in fact a real threat, ultimately neutralizing Germany's flagging resources and squabbling officials. But had SS Obergruppenführer Reinhard Heydrich, the notorious collaborator with the Iron Heart, not been assassinated in 1942, fate might have taken a different turn. We might likely have seen a guerrilla war launched against the conquerors, presaging by more than half a century the protracted conflict with an enemy that now engulfs the United States and its allies in Iraq. How might today's clash of troops versus terrorists have unfolded in 1945? In this imagined world, Nazi forces resort to unconventional warfare, using the quick and dirty tactics

terrorism—booby traps, time bombs, mortar and rocket strikes in the night, assassinations, even kamikaze-style suicide attacks—overturn what seemed to be a decisive Allied victory. In November 1945, a truck bomb blows up the Nuremberg Palace where high-ranking Nazi officials are about to stand trial for war crimes. None of the accused are there when the bomb explodes, but their judges, all of them present and accounted for, are annihilated. Worse acts of terrorism follow all over Europe. The Allies—especially the United States—must battle an invisible enemy and sacrifice countless lives in a long, seemingly unwinnable conflict. On the home front, patriotism corrodes, political fortunes are made and lost in the face of an anti-war backlash, and a once-proud country wonders how the righteous fight for freedom overseas has collapsed into a hopeless quagmire. At once a novel of thrilling military suspense, intriguing alternate history, and profound insight into contemporary world affairs, *The Man with the Iron Heart* is a tour de force by a storyteller of exceptional imaginative power.

England: circa. 879 A.D. In the time of King Aelfred the Great With the heart of a warrior and the soul of a poet, Faran travels far from home in search of the sword and shield of his ancestors. Protecting the ancient relics was his responsibility. To regain his honor, he must recover the stolen artifacts and battle a life-long enemy. Following the accidental death of his husband, Leanora Wrenn is wrongly accused of his murder. Forced into exile, a small north shore island becomes her refuge. When Faran discovers Leanora's remote sanctuary, both their lives are changed forever. Destined to become warriors, they fight side by side. Ending up in one another's arms, they find redemption and love.

What is it that separates the doers, leaders, and success stories among us from the dreamers, also-rans, and wannabes? Bestselling author James P. Owen, it's all about having *The Try*—the quality of giving 110 percent to the task or challenge at hand. In *The Try*—a dozen true stories of ordinary people who've done extraordinary things across varied fields of endeavor—Owen reveals *The Try* as a character trait that can be forged in several ways. Some of those profiled are fueled by a childhood dream or longheld ambition. Others are fueled by someone else's belief in them, an unwavering belief in their ability, or the urge to pit themselves against daunting odds. Still others find *The Try* in a life-changing moment when they hit rock bottom or come face-to-face with failure. What all high achievers have in common, Owen believes, is a blend of inner drive, focus, and determination that pushes them to pursue their goals relentlessly, confronting every obstacle, and never, ever giving up. The insightful profiles bring to life new scientific evidence that effort trumps ability. In other words, how much you can achieve depends not on how smart or talented you may be, but instead on the quality of your efforts and how much you try. The inspirational stories that will strike a chord with anyone who has a lofty goal, a deep personal ambition, or a major challenge. Connecting the dots in this collection of stories, he also delivers practical "how to" advice for those who want to succeed in themselves, or to encourage someone else on the road to realizing his or her full potential. Owen's conclusion: "If you have *The Try*, anything is possible. All it takes...is all you've got."

Small print edition 5x8 Starkishia: Estrella is a story about a little girl who grew up too fast to feel the grass wear the soles of her shoes. Abuse thickened her skin, yet her nightmares were as dark as they were real. The library became where stories took her to another place and time. But, in reality there was nothing imaginary about the bruises under her skin as she advanced from one classroom to another during middle school, or nothing fictitious about being molested by the hands of a despicable relative. Her plight was hidden in a small town in Georgia, just as her physical abuse was disguised from the school's social worker. This colored child was brought into this world by her 14 year old mother who was ruthlessly mistreated by her husband. Starkishia loved her mother above all else; her step-father who provided shelter for them witnessed her mother's helplessness and helped raise her. She consumed pieces of joy, but sometimes she received broken reprisals and ended up walking down a dirt road alone; yet in some fortunate way humanity was always within reach. After her parents split up, Starkishia and her mother ended up in Texas. Single parenthood changed their family structure forevermore. Starkishia became a wage earner and her mother she also became homeless the following year. She was, for years, engulfed by her impoverished and dysfunctional environment. She married a native of Mexico a few days after her 15th birthday. He nicknamed her 'Estrella' a Spanish term which means 'Star.' It goes without saying that Starkishia was born in the land of opportunity, but it was not exactly within her reach. Her mother was her grandmother's star, but she was a statistic of minimal proportions as far as small town and suburbia America was concerned. Shortly after marriage, she became a mother. Afterward the life of this teen went downhill at lightning speed. Readers will identify with her; for, she walked away from her husband broken hearted; then, she fell in love with another man and as new babies arrived, she took her limited funds and focused on the lives of those under her roof; in time, her mother's absence to her oldest two children turned flat out into abandonment. Have mercy! Starkishia was a lost teen, but through her story she eventually became a productive woman in American society. Meredith Etc., a small press, proudly introduces readers to Starkishia: Estrella, a story about the perils of teen parenthood, economic dispossession, and the charity of new beginnings. Meredith Coleman McGee, Publisher/Acquisition Editor Meredith Etc., a small press Jackson, Mississippi, USA [www.meredithetc.com](http://www.meredithetc.com)

A True Story of Tragedy and Tenacity

The Last Legend

The Arsonist's Last Words

Ironheart Vol. 1

Hearts of Iron

*This book is the story of Bill Britt, one of the largest Amway distributors in the world. The book is through the eyes of people who*

*worked closely with him, who learned from him, and attribute much of their success to him. The book includes some of his teachings, much of his humor, and reveals the secrets to his success.*

*Callie Armstrong's personal life was already in turmoil. Now circumstances are forcing her to share her successful music production company with three business partners. One partner wants her husband. One partner wants her money. One partner wants her trust- even while keeping secrets. Is this how it is with all sisters? Callie has decisions to make and secrets to uncover and lies to unravel in the midst of the family chaos. The only thing she knows for sure is that when they're all together, it's just too many sisters. .*

*Tommy Fergerson intertwines the story of his life and what prepared him for the hard decisions that he would face after a tragic skydiving accident. His straightforward attitude and ability to laugh at his own situations brings out his unique humor and internal strength. "What the Freak Did I Hit?" tells of the people and the behind the scenes details that his helmet camera could not capture. Sit back and marvel in the tenacity of his everyday life and the compassion of those that meet him. Tommy's high energy is contagious and refreshing.*

*This young athlete's memoir of survival after a catastrophic car accident is "a moving, remarkable story of the power of the mind and the body" (Booklist). In the blink of an eye, Brian Boyle's life was over—almost. On July 6, 2004, eighteen-year-old swimmer and bodybuilder Brian Boyle's car was obliterated when a dump truck plowed into it. Airlifted to a shock-trauma hospital, he had lost 60 percent of his blood, his heart had moved across his chest, and his organs and pelvis were pulverized. To help him survive, he was put into a medically induced coma for two months. When Brian finally woke up, he had no memory of the accident. He could see and hear, but not move or talk. Unable to communicate, he heard words like "vegetable" and "nursing home." If he lived, doctors predicted he might not be able to walk again, and certainly wouldn't be able to swim. Refusing to endure such an existence, he painstakingly clawed his way back to the living. First blinking his eyelids, then squeezing a hand, then smiling, he gradually emerged from his locked-in state. But his fight was only beginning. Iron Heart is the moving, inspiring first-person account of Brian Boyle's ordeal and miraculous comeback. With enormous fortitude he learned to walk, then run, and eventually, to swim again. With a dream of competing in the Ironman Triathlon spurring him on, Brian defied all odds, and three and a half years after his accident, crossed the finish line in Kona, Hawaii. He wasn't supposed to survive. Or move, talk, walk, or swim. But Brian Boyle never did what he was supposed to do. Here, Brian's inspiring journey from coma to Kona is brought to life.*

Newbery Medal winner Kelly Barnhill spins a wondrously different kind of fairy-tale: In most fairy tales, princesses are beautiful, dragons are terrifying, and stories are harmless. But this isn't most fairy tales... Princess Violet is plain, reckless, and quite possibly too clever for her own good. Particularly when it comes to telling stories. One day she and her best friend, Demetrius, stumble upon a hidden room and find a peculiar book. A forbidden book. It tells a story of an evil being, called the Nybbas, imprisoned in their world. The story cannot be true--not really. But then the whispers start. Violet and Demetrius, along with an ancient, scarred dragon--the last dragon in existence, in fact--may hold the key to the Nybbas's triumph or its demise. It all depends on how they tell the story. After all, stories make their own rules. Iron Hearted Violet is a story about the power of stories, our belief in them, and how one enchanted tale changed the course of an entire kingdom. A 2012 Andre Norton Award Finalist A Parents' Choice Gold Award Winner

The story of the German submarine U-505 and its dramatic capture by the US Navy during WWII--told by one of its crewmen. Hans Goebeler is known as the man who "pulled the plug" on U-505 in 1944 to keep his beloved U-boat out of Allied hands. Steel Boat, Iron Hearts is his no-holds-barred account of service aboard a combat U-boat. It is the only full-length memoir of its kind, and Goebeler was aboard for every one of U-505's war patrols. Using his own experiences, log books, and correspondence with other U-boat crewmen, Goebeler offers rich and very personal details about what life was like in the German Navy under Hitler. Because his first and last posting was to U-505, Goebeler's perspective of the crew, commanders, and war patrols paints a vivid and complete portrait unlike any other to come out of the Kriegsmarine. He witnessed it all: from deadly sabotage efforts that almost sunk the boat to the tragic suicide of the only U-boat commander who took his life during WWII; from the terror and exhilaration of hunting the enemy to the seedy brothels of France. The vivid, honest, and smooth-flowing prose calls it like it was and pulls no punches. U-505 was captured by Captain Dan Gallery's Guadalcanal Task Group 22.3 on June 4, 1944. Trapped by this "Hunter-Killer" group, U-505 was depth-charged to the surface, strafed by machine gun fire, and boarded. It was the first enemy ship captured at sea since the War of 1812. Today, hundreds of thousands of visitors tour U-505 each year at the Chicago Museum of Science and Industry. Includes photos and a special Introduction by Keith Gill, Curator of U-505, Museum of Science and Industry

Sarah J. Maas meets Holly Black with an OzYA twist. Ironheart is the second page-turning book in Jodi McAlister's thrilling Valentine series. Pearl Linford is stuck. Her best friend won't talk to her. The internet thinks she is a murderer. And she's waiting for the right moment to forgive Finn Blacklin, the boy she's known forever, who turned out to be an actual fairytale Prince Charming, but it never seems to come. On top of this, Pearl has another threat to face. Unseelie fairies have infiltrated her town, and they've unleashed a new horror - a bunch of wild, uncontrollable, angry supernatural hunters, who have

Finn on the top of their hit list. And you know what? That is a lot for one seventeen-year-old girl to handle. No wonder Pearl is so full of rage all the time . . . and that rage might be drawing the attention of some very dangerous people.

Imagine waking up at age seven to find your world completely changed. That's what happened to Delilah. She found herself imprisoned in an iron lung after contracting polio. But she refused to let that stop her. After being told she couldn't go home until she could breathe on her own, she determined that she would learn how to breathe alone again. Her determination set the course for her life. Throughout the years, Delilah struggled with the aftereffects of polio as well as severe scoliosis. These limited her physically, but the greater challenge was dealing with them emotionally. She became very independent and made sure to find success in the working world, but success in the social world was harder to find due to low self-esteem. As she grew older and formed friendships, she found that she could love herself, and so could others. Join Delilah as she shares the moving story of a life well lived overcoming the odds in Iron Heart. Her tale will touch and inspire your heart.

*During a chance night shift on the cops beat, newsroom assistant Madeleine Harrington stumbles on the corruption story of a lifetime - a plot that would reshape the entire city. She teams up with her dad, a downtrodden columnist at the paper, to unearth the mystery. The muckrakers find the plot goes deeper - and contains more skeletons among the city's powerbrokers - than they imagined.*

*In early 1800s Connecticut, fifteen-year-old Lucy tries to decide whether to marry her childhood friend who unhappily toils at the Mt. Riga iron furnace or the young man from Boston who has come to work in her father's store.*

*Riri Williams has been dealing with a lot close to home, but now she is going global! From the Sanctum Sanctorum to Wakanda, Riri teams up with some of your favorite Marvel characters as she follows the trail of Midnight's Fire. But what does the mysterious Ten Rings organization have planned for Ironheart? COLLECTING: IRONHEART 7-11*

*Ten years ago, Kate Braestrup and her husband Drew were enjoying the life they shared together. They had four young children, and Drew, a Maine state trooper, would soon begin training to become a minister as well. Then early one morning Drew left for work and everything changed. On the very roads that he protected every day, an oncoming driver lost control, and Kate lost her husband. Stunned and grieving, Kate decided to continue her husband's dream and became a minister herself. And in that capacity she found a most unusual mission: serving as the minister on search and rescue missions in the Maine woods, giving comfort to people whose loved ones are missing, and to the wardens who sometimes*

*have to deal with awful outcomes. Whether she is with the parents of a 6-year-old girl who had wandered into the woods, with wardens as they search for a snowmobile rider trapped under the ice, or assisting a man whose sister left an infant seat and a suicide note in her car by the side of the road, Braestrup provides solace, understanding, and spiritual guidance when it's needed most. Here if You Need Me is the story of Kate Braestrup's remarkable journey from grief to faith to happiness. It is dramatic, funny, deeply moving, and simply unforgettable, an uplifting account about finding God through helping others, and the tale of the small miracles that occur every day when life and love are restored.*

**A must-have resource for librarians, teachers, and parents on the popular and growing area of teen nonfiction—a genre now mandated by the Common Core Standards.**

**Iron HeartThe True Story of How I Came Back from the DeadSimon and Schuster**

**Surviving a failed assassination attempt, the ruthless Reinhard Heydrich, the number-two man in the SS and an architect of the Holocaust, conceives a conspiracy designed to keep the German war machine alive, long after the supposed end to hostilities. Reprint.**

**How far would you go to escape fate? In this prequel to the international bestselling WICKED LOVELY series (over a million copies sold), the Faery Courts collide a century before the mortals in Wicked Lovely are born. Thelma Foy, a jeweler with the Second Sight in iron-bedecked 1890s New Orleans, can see through the glammers faeries wear to hide themselves from mortals, but if her secret were revealed, the fey would steal her eyes, her life, or her freedom. But when the Dark King, Irial, rescues her, Tam must confront everything she thought she knew about faeries, men, and love. Unbeknownst to Tam, she is the prize in a centuries-old fight between Summer Court and Winter Court. To protect her, Irial must risk a war he can't win--or surrender the first mortal woman he's loved. "What a delight to discover how much I loved being back in the Wicked Lovely world, discovering details about beloved characters that made me want to race back for a series reread. This is Irial's story set in 1890s New Orleans, brimming with faerie court drama and steamy romance. Can we. and should we, outrun fate? And if so, are we prepared for the consequences? I could not put it down." --Angela Mann, Kepler's Books, Menlo Park CA**

**"Set 100 years before the events in Wicked Lovely, Cold Iron Heart finds Irial, the king of the Dark Court, in New Orleans and entranced by a mortal. Is his interest in Thelma Foy just a passing fascination, or could it change the course of her life and the world forever? Melissa Marr masterfully rises to challenge of writing a prequel by both expanding on the mythology of the original series while telling a story that exists wholly on its own. Fans of the series will inhale this delicious glimpse into Irial's past."--John McDougall of Murder by the Book, Houston TX**

**From debut author Nina Varela comes the first book in a richly imagined epic fantasy duology about an impossible love between two girls—one human, one Made—whose romance could be the beginning of a revolution. Perfect for fans of Marie Rutkoski's *The Winner's Curse* as well as *Game of Thrones* and *Westworld*. After the War of Kinds ravaged the kingdom of Rabu, the Automae, designed to be the playthings of royals, usurped their owners' estates and bent the human race to their will. Now Ayla, a human servant rising in the ranks at the House of the Sovereign, dreams of avenging her family's death...by killing the sovereign's daughter, Lady Crier. Crier was Made to be beautiful, flawless, and to carry on her father's legacy. But that was before her betrothal to the enigmatic Scyre Kinok, before she discovered her father isn't the benevolent king she once admired, and most importantly, before she met Ayla. Now, with growing human unrest across the land, pressures from a foreign queen, and an evil new leader on the rise, Crier and Ayla find there may be only one path to love: war.**

**Iron Heart is a story that will reach deep into the heart of any man, woman, or teen, deeper than the deepest iron mine. Life in a mining town involves more than mining the depths of the earth. There are the depths of each person's heart to discover. Meet Nellie, George, Richard, and all the people living on Miners' Hill and High Hill in the city of Bluestone, Michigan, during the years, 1904-1928. Nellie learns about the different kinds of men and the meaning of real love. It is the story of a fatherless young woman who faces a marriage to a man chosen by her mother. Tragedy changes the course of her life, and she has the courage to cross the line of poverty into the dwellings of high society. There is a social division between the families of the miners and the families of the men in mine administration. How can an uneducated miner's daughter face this dilemma? This is the story of the rough dangerous life of iron miners in Northern Michigan at the turn of the century, the struggles of the wives and children to survive the tragedies of mining. The heartbreaks of abuse, alcohol, and death are balanced with the peace of prayer, the caring of friends and neighbors, the optimism of a humor. Even a heart as hard as iron can soften in the light of the Son of God. The lives of Nellie, George, and Richard show how we can waste our lives or live each day to its fullest. Together with Nellie, George, and Richard, the reader can face hard work and cruel social divisions and still enjoy friendship and old-fashioned fun with all the citizens of Bluestone. ---**

**Collects Ironheart (2018) #1-12. Riri Williams steps boldly out of Tony Stark's shadow to forge her own future! When one of Spider-Man's old foes holds a group of world leaders hostage, Ironheart must up her game. Luckily, Riri has a will of steel, a heart of iron and a new A.I. on her side! Unluckily, the search for a kidnapped friend will send her stumbling into an ancient power — and it's deadly! Plus: When Miles Morales goes missing, who better to search for him than his fellow Champion Riri? And more amazing friends join the fun — including Nadia Van Dyne, the unstoppable Wasp! The Sorcerer Supreme, Doctor Strange! And Princess Shuri of Wakanda! But can Riri and her allies stop the sinister Ten Rings and their plans for destruction?**

*Ever witness a miracle up front? Do you know anybody who has seen many and lived to tell it all? If your answer is no, you should read my book "Wounded." It is based on a true story of one man's struggles throughout his life. It will take you to the depths of poverty like no other. It will display how hard it is for someone to survive lacking the basic needs in life. The main character is a man named Santiago Jim Nunez. He is a Mexican American born in East Los Angeles, CA in 1949. He lived through foster homes since the age of six years old till he was 18 years old. His struggles continued when he went to fight in the Vietnam War. He was critically wounded and returned home. Only to discover a world where nobody cared about the veterans coming back from Nam. The aftermath and pain that came with it was draining. The lengthy battles with the VA to the constraints of money and resources. The battle between good and evil showdowns the ultimate test of faith. The battle is constantly fought throughout the entire book. This story is through the eyes of a young, battle weary soldier, adjusting to civilian life. The horrors that came home with Jim were relentless. They also took a toll on his personal relationships and his family. With nowhere to turn for help and the VA's lack to acknowledge veteran issues, Jim turned to the Lord for help. His faith would be tested in the most crucial times of his life. Throughout all the good and bad times, Jim never lost his faith. It is the biggest reason he conquered his demons and is here to share his story today. His story is one that is not here to glamourize his mistakes. What it is here for is to instill hope and faith in others who feel alone. To help those who have gone through the same pitfalls as he has. Others who feel like they have no place to turn for help. The same way he felt when he came back from Vietnam. It is here to give thanks to the many who helped him with his struggles along the way. It is here to give thanks to the Lord for all his blessings he has endured through life. The great changes he made to make life worth living and fighting for. On the way home from swim practice, eighteen-year-old athlete Brian Boyle's future changed in an instant when a dump truck plowed into his Camaro. He was airlifted to a shock-trauma hospital. He had lost sixty percent of his blood, his heart had*

*moved across his chest, and his organs and pelvis were pulverized. He was placed in a medically-induced coma. When Brian finally emerged from the coma two months later, he had no memory of the accident. He could see and hear, but not move or talk. Unable to communicate to his doctors, nurses, or frantic parents, he heard words like "vegetable" and "nursing home." If he lived, doctors predicted he might not be able to walk again, and certainly not swim. Then, miraculously, Brian clawed his way back to the living. First blinking his eyelids, then squeezing a hand, then smiling, he gradually emerged from his locked-in state. The former swimmer and bodybuilder had lost one hundred pounds. Iron Heart is the first-person account of his ordeal and his miraculous comeback. With enormous fortitude he learned to walk, then run, and eventually, to swim. With his dream of competing in the Ironman Triathlon spurring him on, Brian defied all odds, and three and a half years after his accident, crossed the finish line in Kona, Hawaii. Brian's inspiring journey from coma to Kona is brought to life in his acclaimed memoir. "More than a hundred people killed on a bright spring day. The city's most beautiful and iconic landmark in ruins. The man accused of setting the fire is dead, buried in the rubble along with answers to the question, "Why?" As Juni Bruder of the Orlando Herald talks to rescuers and survivors, she can't shake the feeling that something isn't right. The official story doesn't ring true. Her interviews become front-page news. So does her suicide, a year after the blaze. Her brother Peter, a Jesuit priest, finds a clean apartment and a stack of papers sealed in plastic bags. Sifting through his sister's effects, he reads the stories of the dead, from the architect who designed the famous building to the janitor blamed for destroying it. A file on Juni's laptop will reveal the hidden threads that bound the victims together, the seemingly random acts that brought them to a single place and moment in time. In the end, the answers Juni seeks won't be the ones she finds. Told through an inspired mix of puzzle pieces—news stories, phone transcripts, press releases—and filled with gallows humor, this is a novel about life, loss and the slippery nature of truth--Provided by the publisher.*

*The Black Fleet Saga continues... A human planet has been invaded. The enigmatic Darshik have landed troops on a frontier world and have begun subduing major cities even as their blockade repels all attempts by the fledgling United Terran Federation to mount a counteroffensive. The Federation's military command is desperate and with their fleet still in tatters they make a last ditch effort to free the planet: They pull Captain Jackson Wolfe out of retirement and put him in command of a ship they hope can get past the defending armada and provide support to the beleaguered Marines and civilians fighting on the surface of the contested world. There is no reasoning with this enemy. If the Terran Federation wants their planet back, they will have to pay the price. Iron & Blood is the second book of The Expansion Wars Trilogy and the fifth book of the Black Fleet Saga.*

When a ventilator prevented her from speaking during her final hours, Jennifer started writing. After her death, her husband turns to those pages to tell her story of courage and faith. James had just walked through the door after a day's work when Jennifer told him the news that changed everything: it was cancer. In the following two years they would lose their sense of normalcy and their dreams for the future. But along the way, they would gain something even greater than their loss. Told through the eyes of a grieving husband is this true story of a young woman's fight for her life. Jennifer's final words, penned by hand when a ventilator prevented her from speaking, provide a powerful backdrop to this journey of faith and hope. A memoir that also offers a practical pathway for those struggling with loss, *The Last Seven Pages* is a testimony of a God who is present in our darkest moments, and who turned a devastating illness into a life-changing promise.

Heart disease remains the number one killer of women in the United States. It kills more women than breast and lung cancer combined. This book aims to educate women about heart disease, risk factors, signs and symptoms of a heart attack. It also teaches lifestyle habits that can be adopted to prevent heart disease.

Hairnigans. Friendship. Big Dreams. The previously scheduled life Maya Hatton planned has been interrupted for an emergency broadcast announcement. A news station manager threatens to destroy over twenty years of brand and image building with a new contract from hell. Her husband Roddreccus moved into the rental property and refuses to move home without explanation. Instead of finding confidence, fun, and freedom as she enters her mid-fifties she's faced with crises. Fans believed she had it all together but her dream team lost a member, a villain hijacked her fairy tale marriage and now she needs to remember how to be the Maya everyone thinks she is or lose the best thing she ever had. *Natural Sistahs* series is written by an African American author whose chosen her natural hair since 1998. While one of many indie published black authors she considers her books appropriate for the women's fiction category though most would be shelved in the black

fiction, black books, African American women's fiction, or black women's fiction section in most physical bookstores.

Collects Ironheart #1-6. Riri Williams steps boldly out of Tony Stark's shadow to forge her own future! When one of Spider-Man's old foes holds a group of world leaders hostage, Ironheart must step up her game. But she's thrown for a loop when an old acquaintance from Chicago re-enters her life! Caught between her need for independence and her obligations at M.I.T., Ironheart needs to make some tough decisions! Luckily, Riri has a will of steel, a heart of iron and a new A.I. on her side! Unluckily, the search for a kidnapped friend will send her stumbling into an ancient power – and it's deadly! Plus: When Miles Morales goes missing, who better to search for him than his fellow Champion, Riri – who he's never actually gotten along with that well!

The Man with the Iron Heart
