There are three little words most guys don't want to hear on the first date. Not those...I mean these..."knock me up." This single gal has had enough of the games, the BS and the endless chase. I know what I want most, and it's not true love. It's a bun in the oven, and I'm not afraid to hit up my sex-on-a-stick co-worker to do the job. Ryder is gorgeous, witty and wild — and he's also a notorious commitment-phobe. That makes him the perfect candidate to make a deposit in the bank of me. I won't fall for him, he won't fall for me, and there's no way baby will make three. Right? Note: Be prepared to swoon and fan yourself from the heat! This full-length standalone contains lots of hot baby-making s-e-x, happy tears, naughty jokes and a hot, swoonworthy hero you will fall madly in love with.

Fans of New Adult romance will love this angst-ridden story about a young woman who joins her brother's band as the drummer and ends up falling in love with the drummer. I crawled into Ryan Jensen's bed that first night by accident. I barely knew him. I thought it was his sister's bed-her room. It took seconds to realize my error, and I should've left... I didn't. I didn't jump out. I didn't get embarrassed. I relaxed. And that night, in that moment, it was the only thing I craved. I asked to stay. He let me, and I slept. The truth? I never wanted to leave his bed. If I could've stayed forever, I would have. He became my sanctuary. Because-four hours earlier-my twin sister killed herself.

Sam's first day at Fallen Crest Public doesn't go well. Some girls want to be her. Some girls want to destroy her. And some just don't like her. All in all, despite being protected by Mason and Logan, it's still only the strong survive. Sam will not only have to survive, she needs to learn how to conquer too, but there's another battle growing. Things are about to come to a disastrous end between the towns, Roussou and Fallen Crest. Sam's other main dilemma? Keeping Mason and Logan from getting arrested or hospitalized.

The Knocked Up Plan

Rich Prick (Hardcover)

This is the original version of A Whole New Crowd. It has only gone through one round of edits so it is rough. I make no apology for this. The edited version was released as A Whole New Crowd. This is being published at readers' requests. They want to own the original version as well so here it is in all its gritty and monstrously long glory. There is lots of sex so the reader is forewarned.

Fans of J.R. Ward and Jeanine Frost will not this paranormal romance series.

"Emma decided to skip the gym and went home early. It was the last easy decision she made because she found her roommate being raped by the boyfriend. She had two choices. Call the cops and be killed by his family's mafia connections or kill him first and hope to survive. There was no choice to her. She killed the bastard first and went to the one person who could protect her. Carter Reed. He's a weapon for the rivaling mafia family, but he's also Emma's secret. Not only was he best friends with her brother, but she's the reason he became that weapon in the first place"--Page 4 of cover.

Broken and Screwed 2

New school. New friendships. New life. Not so much. Alexandra is pissed about her parents abandoning her. She's beyond pissed that her friends did the same. She's enraged because things are unclear about her brother's death now. So her first stop is at Jesse's house to demand answers. She wants to know why her brother was friends with the criminal crowd before he died and she knows he holds the answers. But when she sees him, she doesn't get the answers she expected. Instead, she finds out that their chemistry never faded and soon heats up again! Some habits die hard. Soon Jesse and Alex are back to their ways of sneaking around. He's a near-celebrity at school and she doesn't want to deal with the backlash of being his girlfriend. Alex is tired of being hurt so she's learned the lesson not to confide and lean on others. However, she can't seem to help herself when it comes to Jesse Hunt. The big question isn't if she will survive if their relationship goes public, it's if she will survive when the real truths about her family and brother come out? Or when she learns that Jesse knows more than what he's told her?

We were on the front lines in that world, the mafia world. There was nothing soft or glamorous about it. Who you were before no longer mattered. Names didn't exist. I joined anyway. I had no other choice because they took my sister. Join. Find her. Try and make it out alive. Then he won me in a poker game. I hated him instantly, thinking he was like my other bosses before him. He wasn't. He was worse. He wasn't just cold. He was dead inside. It didn't matter that he was gorgeous. He was the most lethal thing I'd ever met. He was also the only person who could keep me alive, if he didn't kill me himself.

Fans of paranormal romance will love this sexy novella from NYT bestselling author Tijan.

I'm held captive. I'm being tortured daily. They want what is inside of me, but the problem is that they don't realize what they want or how wrong they are. My power is unknown to the world. I am a mythical creature to the supernatural. So what happens when my power is released? When it takes over me? When I become the worst nightmare they never imagined? They're going to find out. Everybody's about to piss their pants, because the Immortal is coming. Davina is a 77k full length novel and the conclusion to the Davy Harwood Series. Get ready.

Being crew is walking between two worlds. One world is normal: Prom. Parties. College. Those are the concerns they worry about. In our world, we deal with other situations. Cops. Drugs. Brawling. That's a typical day for us. But what if it wasn't? What if there came a day when you stopped? When you considered letting your enemies win? When you didn't fight back? When you chose a different path? First I lost my family. Then I got the Wolf Crew. I couldn't lose them too. But what happens when Cross, Zellman, and Jordan keep going... ..and I don't? Crew Princess is the second book in the Crew Series.

Sheldon doesn't care about anyone except Corrigan and Bryce. The three of them rule their school, but it seems someone else wants in on the action or that someone else just wants Sheldon. How many bodies is enough to prove their love to her? This book is dark and edgy with sexual situations, drinking, swearing, murder, and more messed-up parents.

Jaded Hearts

A young adult romance fiction book.

"Signing with Brighthouse Records was supposed to be everything we ever wanted--our better life. Our chance at everything we never had but always wanted. All our dreams would finally come true and we were on top of the world. It was our chance at the happiness we never had in life ... But then it took every dream we thought would come true and it slapped us in the face with the cold hard reality"--Page 4 of cover.

Born into a life of privilege and secrets, Nora Blakely has everything any nineteen-year-old girl could desire. She's an accomplished pianist, a Texas beauty queen, and on her way to Princeton after high school. She's perfect... Leaving behind her million dollar mansion and Jimmy Choos, she becomes a girl hell-bent on pushing the limits with alcohol, drugs, and meaningless sex. Then she meets her soulmate. But he doesn't want her. When it comes to girls, twenty-five-year old Leo Tate has one rule: never fall in love. His gym and his brother are all he cares about...until he meets Nora. He resists the pull of their attraction, hung up on their six year age difference. As they struggle to stay away from each other, secrets will be revealed, tempers will flare, and hearts will be broken. Welcome to Briarcrest Academy...where sometimes, the best things in life are Very Bad Things. Stone Reeves was my neighbor, and I've hated him since sixth grade. Gorgeous and charismatic, he became the town's football god, while I became the town's invisible girl. He went to a Division 1 school for football, while my father was fired by his father. His team won the National Championship, while my mother died the same day. He was a first round pick for the NFL while I made the worst decision of my life. Now I'm in Texas trying to pick up the pieces of my life. But, Stone is here. Stone is everywhere. It doesn't matter that disaster has struck my life again. It doesn't matter that he's the one trying to console me. It doesn't matter that he's the nation's newest football obsession. Because for me, he always has been and always will be my enemy.

He told me to go away. I did. I followed his instructions. I left with the new family. They were from the right side of the tracks and I tried to become one of them. I really did, but I failed. When someone died, someone that I loved, I couldn't keep pretending everything was fine. It wasn't. This privileged world he gave me wasn't privileged. There were problems. He just never told me that he created them, that he had sent me into a world he set up for me. It was all a lie, but it was lie that I was going to expose. Or I would die trying. **This is a standalone.

Fallen Crest Public

Broken and Screwed

I have loved Channing Monroe all my life. In first grade, he asked for my Trapper Keeper. I hit him in the head with it. Third grade, we were best friends. We kissed in seventh grade. Eighth grade, he turned into a bad boy and the rest was a tumultuous storm. Growing up, the problem was never love for us. Bad times. Good times. There were times when I felt our love in every inch of my body, vibrating, making me feel like it could bring me back to life. The problem was us. The problem is that we're living in two different worlds now. Fallen Crest and its millionaires for me. Roussou and their criminals for him. I was thriving in mine and he was running his. But... But there were nights I felt we couldn't be further apart than we were, and there were nights I felt we shared the same heartbeat. When was it time? When was it time to either sacrifice, make a change, or walk away from the boy I grew up with?

Rule #1: No hot guys. It might sound ridiculous. I get it. It kind of was, but college was supposed to be my sanctuary. It was my place to start over. The rumors, the whispers, and the jealousy I endured through high school would all be gone. No one would know me at college. Rule #2: No drama. I'd major in pre-law. I'd make a few loyal friends. Everything would be easy-breezy. No one was going to use me or hurt me. I wouldn't let them. Rule #3: New year. New place. New me. Right? Wrong. And all because of Shay Coleman. Football captain and quarterback, he was the big guy on campus. The cocky guy in my political science class with a smirk. I hated him on sight and he was about to break all my rules. Hate To Love You is a full-length standalone. There are elements that deal with the dark side of college.

I'm Beatrice Kennedy, but everyone calls me Beat. I live a low-key life, fresh out of college and drifting from town to town until I find my home. I love music, and how it stirs even the deepest and untouched parts of your soul. Depending on what you choose to listen to, would depend on what it touches. It's the drug we all damper in, only different strains. My strain is Jazz. The smooth instrumental strums that take over me. The sound of cigar smoke, bourbon and an old dusty fedora hat. My strain wasn't rap, and it sure wasn't laced with some A-class shit like murky blue eyes casted down from the Lord and the Devil's handcrafted smile. I knew who he was--the whole world did. One fateful night set off a chain of events, events that no one was coming back from. You can't save people who don't want to be saved. You can't pull them up from the ocean when they've latched themselves to an anchor. Love was my anchor, destruction was the water that was drowning me, and the rope that was so tightly clamped around my ankles, was woven with the lyrics of Aeron Romanov-Reed, also known as, 'Manik. He steals hearts from all around the world, but one night, he stole something that wasn't his to steal. Me.

A second chance romance about a young woman who must confront her ex-boyfriend in order to help her family business, but he needs to fight in an underground fight for the sake of his family.

Fans of mafia romance will love this story about a hit man who is willing to give it all up for the woman he loves.

Being framed for murder sucks. Being framed for the murder of your old friend-turned-enemy-turned-maybe-friend-again sucks even worse. The old Sheldon would've raised hell, but no, I've been nice. I've been quiet. I've not said a word while the headlines rip me to shreds, but now? All bets are off. I'm going to find out who did this to me and I'm going to make them pay. I don't care who will get hurt in the process.

The Insiders is the first in a brand new, page-turning romance trilogy from New York Times bestseller, Tijan! Bailey is as normal as could be, with a genius IQ and a photographic memory. But still, normal for her. Then, things happen—a guy breaks into her house in the middle of the night to take her hostage. She finds out her father is actually billionaire tech genius Peter Francis, the same guy she's idolized all her life. She learns all this when she meets dark, mysterious, and electrifying Kashton Colello. He's an associate of her father's, and he gives Bailey two choices—go with him and meet her father or survive on her own because those kidnapers are going to try again. It's a no-brainer. After this, three things become clear for Bailey: 1. She's living at her father's sprawling estate, complete with bodyguards and the best security that money can buy. 2. She's no longer an only child. She has three siblings and has no idea what to do with them and vice versa. 3. She is being guarded by Kash himself. Personally guarded. And there is a lot of guarding going on there and some of it is going to drive her crazy. A complete outsider in a world of wealth and decadence, Bailey has to find her way within a family that has more secrets than she could have imagined. One of these secrets could be deadly...

Alexandra's older brother died the night he graduated. That day changed everything for her. No longer was she the party girl. No longer did she care about being popular and no longer was her family the happy unit she always thought existed. The only person who could help her heal is the same person who loved her brother as much as she did, his best friend. She only hopes to keep her entire heart from breaking when Jesse will move on, and she knows he will. After Ethan died, Jesse excelled at basketball, partying, and girls. He used it all to turn his emotions off, but the irony was that Alex was the only person who could do that for him. She helped him forget, but she was the one person he shouldn't be with because the secrets he knows could shatter everything. They could shatter her. This is part one, so expect a cliffhanger for an ending.

Anti-Stepbrother

Two years ago, one mistake cost Gideon Royal the girl of his dreams. Since then he's become jaded and stoic, caught in a spiral that has him dealing with blackmail, heartache and loss. When he left for college, he hoped to start over. But fate has other ideas, placing Savannah Montgomery in his path again. Savannah believes there's no coming back from Gideon's betrayal. He thinks she's wrong. Forgiveness. Hope. Redemption. Gideon has vowed to win back the only girl who owns his heart. And when a Royal makes a promise, he'll go to the ends of the earth to keep it.

He walked into school on his first day and owned it. I guess that's what happens when you're a prick, rich, and you're best friends with the ruling school's king. Also didn't hurt he's drop dead gorgeous. That's all fine. I mean, I have nothing to do with them. I'm a loner, invisible, and that's how I wanted it to be. I was even proud of it, until I wasn't. Until I saw a girl kneel before him. Until I couldn't look away. Until he caught me

watching. His name is Blaise Devroe. My name is Aspen Monson. He only knew how to get, command, and demand attention. I knew how to do everything but that. And this is our story. Sheldon, Bryce, and Corrigan ruled their school until a killer wanted to rule them. A year later and they're all back. Bryce is the local celebrity jock. Corrigan's running a fraternity and Sheldon's hiding from all drama. However, she's quickly pulled back into their social world and accidents start happening. With the killer killed, who's trying to hurt Sheldon this time? Or maybe it's someone closer than she wants to admit? A woman returns to her beachside home and only seems to have the bad boy she knew in high school to help her face the wave of family secrets that are being uncovered.

He told me to settle. He asked what was wrong with me. He called me an easy target. That was within minutes when I first met Caden Banks. I labeled him an *sshole, but he was more than that. Arrogant. Smug. Alpha. He was also to-die-for gorgeous, and my stepbrother's fraternity brother. Okay, yes I was a little naive, a tad bit socially awkward, and the smallest amount of stalker-ish, but if Caden Banks thought he could tell me what to do, he had another thing coming. I came to college with daydreams about being with my stepbrother, but what if I fell for the anti-stepbrother instead? *Stand-alone novel
