"Go to bed." "No." "I said BED." "I said NO!" Mom eventually wins this argument, but even after her son is all tucked in, his opinion hasn't changed. "Bed is boring," he whispers to his teddy bear. Teddy, however disagrees. "This bed is GOOD," he says. "This bed can GO." Indeed, with a few alterations, the bed is suddenly mobile--and boy and bear are journeying down the road, to outer space, where the boy concludes that this is one bed that's worth fighting for! A perfect story for early readers--some of whom may still be waging bedtime battles of their own.
