how to document client data and provide a practice context for client charting. UNIQUE! Special feature boxes outline common, Frequently Asked Questions (FAQs) about health assessment and provide corresponding answers. Ethnic and Cultural Variations boxes present differences to anticipate among today's multicultural client population and show how to vary the exam for varied populations. Separate sections for special circumstances or special needs show how to vary the exam for clients with special needs. Feature boxes outline Healthy People 2010 objectives to provide you thorough discussions of recommendations for health promotion and reducing risk. Interactive Activity Lists at the end of each chapter outline corresponding exercises, checklists, and lab forms that can be found on the companion CD-ROM. Case Studies with Clinical Reasoning Questions are provided at the end of each
