This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Through the presentation of the Ten Fundamental Principles of Personal Finance, this text empowers students with the knowledge they need to successfully make and carry out a plan for their own financial future.

A new study guide, written by Jeff Madura and Oliver Schnusenber, now accompanies the text. This study guide focuses on helping students test their knowledge of the material. It simulates text questions for key terms and key concepts, with numerous matching, multiple choice, and true/false questions for every chapter.

Authoritative, thorough, and engaging, Life: The Science of

## Online Library Jeff Madura International Corporate Finance 8th Edition

Biology achieves an optimal balance of scholarship and teachability, never losing sight of either the science or the student. The first introductory text to present biological concepts through the research that revealed them, Life covers the full range of topics with an integrated experimental focus that flows naturally from the narrative. This approach helps to bring the drama of classic and cutting-edge research to the classroom - but always in the context of reinforcing core ideas and the innovative scientific thinking behind them. Students will experience biology not just as a litany of facts or a highlight reel of experiments, but as a rich, coherent discipline.
