Memories of Manchester as told through the Facebook group "Manchester Memories," now with over 10,000 members
In the fourth volume of her pioneering history, Julie Coleman considers the trends of lexicographers in a period dominated by the Second World War, the Cold War, civil rights movements, and varying youth trends. It will fascinate all those interested in slang and its relationship with social and cultural change.

Open wide! Dentists care for people's teeth. Give readers the inside scoop on what it's like to be a dentist. Readers will learn what dentists do, the tools they use, and how people get this exciting job.

Learn first-rate techniques and tips from some of the best makeup artists in the business in the new edition of The Makeup Artist Handbook. Loving Anna

Notes from Walnut Tree Farm

Tennis Fundamentals

A History of Cant and Slang Dictionaries

Amelia Kurt was different. And she knew it. That didn't stop her from loving her best friend, Annabelle Johnson. They spent an entire summer making love, and growing into what was promising to be the only relationship either ever knew. Then, one day, the unexpected happens. Anna disappears. No reason, no forwarding address, no number. She was simply gone. Eleven years later, Anna returns. Her truth is heartbreaking but it's only the beginning of their journey to recovery.

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

Bobbi Brown began the trend toward natural-looking cosmetics with a simple philosophy: Women want to look and feel like themselves, only prettier and more confident. Today, top editors at elite fashion magazines--including

In Style, Vogue, Allure, and Harpers Bazaar--revere her, and celebrities and millions of regular women throughout the world swear by her beauty advice. Now Bobbi Brown has written THE book redefining beauty for women over 40, BOBBI BROWN LIVING BEAUTY. In this refreshing look at beauty and aging, Bobbi offers specific makeup tricks for a stunning face--showing how makeup can solve most of the flaws that many women go under the knife to fix. In fact, the right makeup can create an even skin tone, lift the cheeks, plump a smile...even take years off any woman's face. The key is to use makeup to enhance each woman's best features and showcase her natural beauty. With step-by-step makeup instructions and quotes from beautiful women like Marcia Gay Harden, Vera Wang, Susan Sarandon, and Lorraine Bracco, Bobbi Browns natural, celebratory approach to aging will enlighten and inspire women everywhere.

The true story of two mass-casualty incidents that occurred within days of each other at a US Air Force base. Using the words of the people who experienced the tragedies, the book provides in-depth look at the before, during and after of a preventable active-shooter incident and an avoidable fatal plane crash. The base psychiatrist knew the airman was dangerous. "This is the kind of patient who ... one day ... he's going to come back and kill you." Aircrews knew the rogue pilot was dangerous. "We predicted the worst air-show

disaster in history when we found out that he was gonna fly." Written by Andy Brown, the man who ended the killing spree, the result of more than seven years of research. Brown "masterfully weaves" the two stories together in a powerful narrative. He also reveals the preparations he made that enabled him to end a pistol-versus-rifle gunfight with a 70 yard shot from his handgun. Part true crime, part law-enforcement biography memoir and part military history. Warnings Unheeded is presented in an objective style that shows what can happen when authorities become complacent, when the precursors of violence are ignored and the lessons from history are forgotten.

Amelia's World

I Will Survive is the story of Gloria Gaynor, America's "Queen of Disco." It is the story of riches and fame, despair, and finally salvation. Her meteoric rise to stardom in the mid-1970s was nothing short of phenomenal, and hits poured forth that pushed her to the top of the charts, including "Honey Bee," "I Got You Under My Skin," "Never Can Say Goodbye," and the song that has immortalized her, "I Will Survive," which became a #1 international gold seller. With that song,

Gloria heralded the international rise of disco that became synonymous with a way of life in the fast lane - the sweaty bodies at Studio 54, the lines of cocaine, the indescribable feeling that you could always be at the top of your game and never come down. But down she came after her early stardom, and problems followed in the wake, including the death of her mother, whose love had anchored the young singer, as well as constant battles with weight, drugs, and alcohol. While her fans always imagined her to be rich, her personal finances collapsed due to poor management; and while many envied her, she felt completely empty inside. In the early 1980s, sustained by her marriage to music publisher Linwood Simon, Gloria took three years off and reflected upon her life. She visited churches and revisited her mother's old Bible. Discovering the world of gospel, she made a commitment to Christ that sustains her to this day.

Celebrity make-up artist Gary Cockerill is best known for his glamorous, sultry make-up style. Much in demand for his ability to make women look and feel fabulous, he regularly travels the world to get clients ready for red-carpet events, photoshoots and television appearances. In *Simply Glamorous*, Gary proves that with a little knowledge and practice, everyone can use make-up to enhance or disguise so they feel confident in their appearance. He begins by demonstrating what he loves most about make-up: its ability to transform. By applying four different looks to one face, he shows how the same 'blank canvas' can be natural, sophisticated,

glamorous or dramatic. He then presents 15 breathtaking makeovers on women of all ages, explaining step by step how to re-create the looks. Divided into ' Face ' , ' Eyes ' and ' Lips ' , the transformations range from nude and natural – ' Barely There ' , ' Sun-kissed Goddess ' and ' Girl Next Door ' – to high octane glamour – ' Showgirl ' , ' Bombshell ' and ' Glamour Puss ' . They illustrate every aspect of make-up, from contouring, to false eyelashes, to wearing colour, and include the iconic looks that Gary is always asked to create – the smoky eye, the fifties flick and the red lip. ' Tutorials ' address key topics in greater detail, such as skincare, foundation, contouring and application techniques for eyes and lips. As a self-taught make-up artist, Gary works instinctively with amazing results. His approach is creative and painterly, and his teaching style is friendly and down-to-earth as he shows how glamorous make-up can be accessible to everyone. He may not always do things the conventional way, but his techniques are the result of more than 25 years spent working with women and men of all ages, ethnicities and styles. He knows what works and what looks good, and encourages everyone to have fun and experiment with make-up to make themselves look and feel beautiful and glamorous. Sometimes you have to lose yourself to find where you truly belong . . . Most girls would kill to spend months traveling around Europe after college graduation with no responsibility, no parents, and no-limit credit cards. Kelsey Summers is no exception. She's having the time of

her life . . . or that's what she keeps telling herself. It's a lonely business trying to find out who you are, especially when you're afraid you won't like what you discover. No amount of drinking or dancing can chase away Kelsey's loneliness, but maybe Jackson Hunt can. After a few chance meetings, he convinces her to take a journey of adventure instead of alcohol. With each new city and experience, Kelsey's mind becomes a little clearer and her heart a little less hers. Jackson helps her unravel her own dreams and desires. But the more she learns about herself, the more Kelsey realizes how little she knows about Jackson.

This innovative text examines videogames and gaming from the point of view of discourse analysis. In particular, it studies two major aspects of videogame-related communication: the ways in which videogames and their makers convey meanings to their audiences, and the ways in which gamers, industry professionals, journalists and other stakeholders talk about games. In doing so, the book offers systematic analyses of games as artefacts and activities, and the discourses surrounding them. Focal areas explored in this book include: - Aspects of videogame textuality and how games relate to other texts - the formation of lexical terms and use of metaphor in the language of gaming - Gamer slang and 'buddylects' - The construction of game worlds and their rules, of gamer identities and communities - Dominant discourse patterns among gamers and how they relate to the nature of gaming - The multimodal language of games and gaming

- The ways in which ideologies of race, gender, media effects and language are constructed Informed by the very latest scholarship and illustrated with topical examples throughout, *The Language of Gaming* is ideal for students of applied linguistics, videogame studies and media studies who are seeking a wide-ranging introduction to the field.

Dreams That Glitter

Receiving a text from Sasha, my girlfriend, at work was always risky. Especially when she wanted to know if her girlfriend was horny. A short and sweet (and filthy) story.

Mackenzie "Max" Miller has a problem. Her parents

have arrived in town for a surprise visit, and if they see her dyed hair, tattoos, and piercings, they just might disown her. Even worse, they're expecting to meet a nice wholesome boyfriend, not a guy named Mace who has a neck tattoo and plays in a band. All her lies are about to come crashing down around her, but then she meets Cade. Cade moved to Philadelphia to act and to leave his problems behind in Texas. So far though, he's kept the problems and had very little opportunity to take the stage. When Max approaches him in a coffee shop with a crazy request to pretend to be her boyfriend, he agrees to play the part. But when Cade plays the role a little too well, they're forced to keep the ruse going. And the more they fake the relationship, the more real it begins to feel. The hot new, New Adult title from New York Times bestselling author of *Losing It*, Cora Carmack.

Andrew McCarthy grows concerned for his family after he catches a young man, Zachary Denton, photographing his daughter, Grace McCarthy, and other children at a park. To his dismay, Zachary talks his way out of trouble when he's confronted by the police. He hopes that's the end of it. Then he finds Zachary at a diner and then at a grocery store. He knows their encounters aren't coincidences. And just as Andrew prepares to defend his family, Grace vanishes. As the police search stalls and the leads dry up, Andrew decides to take matters into his own hands. He starts by searching for sex offenders in the

area and researching enhanced interrogation techniques... He convinces himself he'll do anything to rescue his daughter, unaware of the pure evil he'll face in his journey. He's willing to hurt-to torture-anyone to save his family. Jon Athan, the author of Into the Wolves' Den and The Abuse of Ashley Collins, delves into the underworld of internet predators in this disturbing horror novel. Are your children safe? WARNING: This book contains graphic content. Reader discretion is advised.

Described as one of the top vocal coaches in the world by musical-legend Andrew Lloyd Webber, Yvie Burnett is one of the best in the business, for both aspiring singers and professionals alike. Yvie has worked behind the scenes in shows such as The X Factor, Britain's Got Talent and newest talent show Let It Shine, fostering the fresh talent and helping new artists kick-start their career. In Yes, You Can Sing, Burnett gives her expert advice on practices and techniques in order to improve singing, including everything from warming up vocal chords, to caring for your voice. Having worked alongside industry greats, such as Simon Cowell, Gary Barlow, Andrew Lloyd Webber and many more, Yvie is a fountain of knowledge. When it comes breaking into the music industry and those crucial auditions she is something of a guru. With a foreword from industry expert Louis Walsh, as well as input and glowing recommendations from a wide-range of musicians and celebrities, such

as Will.i.am, Nicole Scherzinger and Sam Smith, Yes, You Can Sing is an authoritative guide to improving your voice.

Urbandictionary.com--bearing the slogan "Define Your World"--serves more than 1.5 million visitors each month. Perfect for those who want to pick up some new slang and those who want to translate it, Urban Dictionary is a gritty and witty look at our ever-changing language. Urbandictionary.com

is a wildly successful site that encourages users to define the world with their own unique terms. In *Urban Dictionary*, site founder Aaron Peckham culls his more than 170,000 definitions for the funniest, and most provocative phrases that define the modern slang scene. Within *urbandictionary.com*'s lively lexicon are: * *business provocative*--Attire used to provoke sexual attention in the workplace. * *communicate*--To chat with someone in the same room via instant messaging service instead of in person. * *dandruff*--A person who "flakes out" and ditches their friends. * *wingman*--A guy who takes one for the team by hooking up with a hot girl's ugly friend so his own friend can hook up with the hot girl. Perfect for those who want to pick up some new slang and those who want to translate it, *Urban Dictionary* is a gritty and witty look at our ever-changing language. *Urban Dictionary* covers the language that encompasses the trials and tribulations that anyone under 30 encounters--and leaves everyone over 30 scratching their heads but wanting to know more.

New York Times and *USA Today* bestselling author Cora Carmack follows up her trio of hits--*Losing It*, *Faking It*, and *Finding It*--with this thrilling first novel in an explosive series bursting with the Texas flavor, edge, and steamy romance of *Friday Night Lights*. In Texas, two things are cherished above all else--football and gossip.

My life has always been ruled by both. Dallas Cole loathes football. That's what happens when you spend your whole childhood coming in second to a sport. College is her time to step out of the bleachers, and put the playing field (and the players) in her past. But life doesn't always go as planned. As if going to the same college as her football star ex wasn't bad enough, her father, a Texas high school coaching phenom, has decided to make the jump to college ball... as the new head coach at Rusk University. Dallas finds herself in the shadows of her father and football all over again. Carson McClain is determined to go from second-string quarterback to the starting line-up. He needs the scholarship and the future that football provides. But when a beautiful redhead literally falls into his life, his focus is more than tested. It's obliterated. Dallas doesn't know Carson is on the team. Carson doesn't know that Dallas is his new coach's daughter. And neither of them know how to walk away from the attraction they feel.

Robin Schwartz makes meticulously composed, disquieting portraits of her daughter, Amelia, interacting with a range of exotic animals, from monkeys to kangaroos. Her startling portraits reference painting and hint at open-ended narratives.

Create timeless looks that will give you confidence and make you radiant with internationally-renowned makeup artist Robert Jones in *Makeup Makeovers in 5, 10, 15, and 20 Minutes*. This step-by-step guide to realistic, everyday makeup for the woman on the go contains makeup techniques for every occasion, starting with the five-minute morning-makeup for work, more refined style for important meetings that can be done in the office, quick and stylish looks for after-work drinks, hot and sassy styles for when readers are late for their dates, and even elegant evening styles for women who have the time but not the energy or need to spend hours on their look. Top-of-the-field makeup artist Robert Jones shows you which tools to use, how to conceal blemishes, and how to emphasize certain features, such as eyes and lips. You'll discover how to quickly and

efficiently transform your appearance in stunning and remarkable ways, no matter what the occasion and in an incredibly short amount of time.

From the author of the acclaimed and much-loved *Waterlog and Wildwood*. For the last six years of his life, Roger Deakin kept notebooks in which he wrote his daily thoughts, impressions, feelings and observations. Discursive, personal and often impassioned, they reveal the way he saw the world, whether it be observing the teeming ecosystem that was Walnut Tree Farm, thinking about the wider environment, walking in his fields or on Mellis Common, or quietly contemplating his past and present life. *Notes From Walnut Tree Farm* collects the very best of these writings, capturing Roger's extraordinary, restless curiosity into the natural and human worlds, his love of literature and music, his knack for making unusual and apposite connections, and of course his distinct and subversive charm and humour. Together they cohere to present a passionate, engaged and - in spite of the worst pressures of contemporary life - optimistic view of our changing world.
