*New York Times* bestseller *The Voice You Listen to Will Determine the Future You Experience... In Crash the Chatterbox*, Pastor Steven Furtick focuses on four key areas in which negative thoughts are most debilitating: insecurity, fear, condemnation, and discouragement. He asks, "What great deeds are in danger of remaining undone in your life because of lies that were planted in your past or fears that are looming in your future?" With personal stories, inspiring examples, and practical strategies, Pastor Furtick will show you how to silence the lies and embrace the freeing affirmation of God. Learn how to live out God's truth no matter what is going on in your life or thoughts. Learn how to crash the chatterbox...and hear God's voice above all others. *Crashing the chatterbox = Overpowering lies of insecurity, fear, condemnation, and discouragement with the promises of God. "I used to think that someone who struggled with the kinds of weaknesses I deal with daily was useless to God. I felt so often like I was drowning in internal dialogue I couldn't control. It had been the soundtrack of my life for as long as I could remember. Yet everything changed when I began to realize God has given us the ability to choose the dialogue we believe and respond to. And once we learn how, we can switch from lies to truth as deliberately as we can choose the Beatles over Miley Cyrus on satellite radio. This is the key to pressing ahead and doing God's will anyway, even as you are bombarded with thoughts, feelings, and even facts about why you can't do it. I'm now awakening to the reality that we can access the power of God's promises to constantly crash the system of our broken beliefs. I'm learning how to overpower the shouts of the Enemy by bending my ear to the whisper of God's supernatural truths about my identity in Him and His strength in me." -Steven Furtick, from Crash the Chatterbox Includes discussion questions for individuals or groups.*

*What would you give to spend an evening with Jesus, hearing Him teach and listening to Him pray? This is what we encounter in the Farewell Discourse of John 13-17. As the shadow of the cross loomed, Christ shared His final hours with the disciples to prepare them for His death, quiet their troubled hearts, and intercede on their behalf before the Father. In *Lessons from the Upper Room*, Dr. Sinclair Ferguson draws us into these intimate hours from the night when Jesus was betrayed. This vivid picture of Christ's ministry, from His washing the disciples' feet to His High Priestly Prayer, shows us the heart of Jesus. Discover His deepest desires for His people and take delight in the suffering Savior who has overcome the world.*

*Stop hitting the spiritual snooze button. Would you describe your walk with God as fresh and exciting? Would you describe your spiritual life as vibrant and passionate? Discover Pastor Paula's strength in her inspiring faith journey as well as your own spiritual gifts through her honest and stirring story.

Early in Paula's life, she didn't know God, but there was always a pull to something greater. Once she prayed for salvation at the age of eighteen, Paula finally understood the meaning of grace and purpose, and realized God had been taking care of her the whole time. Paula shares her journey of faith in *Something Greater*, what she calls "a love letter to God from a messed up Mississippi girl." She details feeling led to a higher calling as a child, how she came to serve others as a female pastor, and what led to being asked to become spiritual advisor to President Donald Trump. *Something Greater* encourages readers to know and understand the "something greater" that is in all of them, and will teach them how to cling to Jesus Christ in times of need and abundance.

Joseph of Arimathea tells the story of the man who took upon himself the task of burying Jesus after His crucifixion. Joseph, who is briefly discussed in all four gospel accounts, is a mere footnote in Scripture, but his actions speak volumes and give the working Christian an example of how to live for Christ in a world that opposes Him. Joseph of Arimathea reaches through the verses of Scripture to our own generation in a powerful, relevant, and compelling way. He teaches us that the ordinary matters. An ordinary person, living an ordinary life, can be an instrument in the hands of God to be used for His purposes. Looking closely at the life of this disciple, Joseph of Arimathea defines what it means to be a person of the small print and offers a paradigm-shifting perspective on how to be a disciple of Christ in a secular world. At a time when influence, followers, and clout are the order of the day, Joseph reminds us that small acts of faithfulness can lead to astounding influence and impact through justice, conscience, and power. Joseph of Arimathea validates the contemporary mindset of preparing to stand up for what is right, often in the face of, an increasingly hostile culture.

Zahnd issues a challenge to Christians to discover new vitality through re-envisioning, reimagining, and reforming the church according to the pattern of the cruciform. Using stories from the lives of St. Francis of Assisi and from his own life, he teaches believers to stay on the journey to discover the kingdom of God in a fuller, richer way.

How do you prepare to defend yourself? In Conquer, Michael Youssef says you first need to know everything you can about your enemy. What are Satan's strengths? What are his weaknesses? How does he like to attack? When is he most likely to attack? Are there areas of your life where you are vulnerable and he seems to control the battlefield? Only when you know your enemy inside and out can you plan and carry out a specific counterattack to defeat him. The final victory will be Christ's, of course. That's a promise from God. *#1 New York Times bestselling author Joyce Meyer discusses the importance of words in Change Your Words, Change Your Life: "Words are a big deal. They are containers for power, and we have to decide what kind of power we want our words to carry. . . . I believe that our words can increase or decrease our level of joy. They can affect the answers to our prayers and have a positive or negative effect on our future. . . . One might say that our words are a movie screen that reveals what we have been thinking and the attitudes we have." Building on the premises of her bestselling books, Power Thoughts and Living Beyond Your Feelings, Joyce examines how we use words-the vehicles that convey our thoughts and emotions-and provides a series of guidelines for cultivating talk that is constructive, healthy, healing, and used for good results. Topics include: The Impact of Words How to Tame Your Tongue How to be Happy When to talk and when not to talk Speaking Faith and Not Fear The Corrosion of Complaints Do you really have to give your opinion? The importance of keeping your word The power of speaking God's word How to have a smart mouth In "A Dictionary of God's Word" at the end of the book, Joyce provides dozens of scripture verses, arranged by topic, and recommends that we read them aloud to strengthen our vocabulary of healing words.*

**A Powerful Call to Restore Your Soul Through Prayer** When an excruciating bout of depression led Dr. Mark Rutland to more deeply explore prayer, he came to understand its miraculous power for soul restoration. Prayer is a declaration of our Father's compassion toward us, a confession of our own inadequacy, and a reminder that he meets our daily needs. As it turns out, these are the elements of prayer Jesus taught his disciples. Praying and meditating on the Lord's Prayer changed Dr. Rutland's life, and since then he has used it to restore others' souls as well. Filled with moving stories and powerful insights, this book will help you discover the truth about God's love and power, and this truth will bless and heal you. In the end, it's not just about saying the Lord's Prayer--it's about getting to know the Lord of the prayer.

When the author began to study the subject of fasting some years ago he was shocked by the number of biblical references he found referring to it. Clearly fasting was not some biblical "side issue," but a central element of spiritual life. Fasting is a discipline that has been practised by many influential men and women of God throughout church history with dramatic results. The author says, "Fasting has become an essential part of my walk with the Lord. It continues to amaze me that I lived for so long without this key that unlocks so many blessings." Using the metaphor of a key, this book discusses how Fasting will unlock the blessings of God.

Don't settle for less than what God can do. We often face situations in life that are hard. Whether it be a job loss, a difficult marriage, or problems with the kids--harsh storms come, and we can quickly feel overwhelmed, even desperate. In the beginning of creation, God entered the darkness and void and displayed his turnaround nature. He spoke words that turned darkness into light and filled the emptiness with fruitfulness. His turnaround power brought order into the chaos. In the same way, God enters our lives with the power of his turnaround ability and offers not just a slight improvement but a complete turn around. Turnarounds by their nature are radical. They bypass nice and sensible, they freak out the orderly, and they do not line up with agendas. But turnarounds reveal our miraculous Savior to a messed-up world. Using examples from her own life and those of biblical characters, international speaker and teacher Charlotte Gambill offers that God is more than just a little bit of help, he's all the help; we need. It's time for us to fully understand that there is nothing that God can't turn around!

New York Times bestselling author and world-renowned motivational speaker Nick Vujicic is known worldwide as the man without arms and legs who personifies a "can do" spirit. God has given you the responsibility to pass your faith to the next generation. When you speak to your children about God, pray for them, and encourage them on their spiritual journey, you prepare them to live a life of enduring faith and blessings.

"In our walk with God, the passing of the blessings is not a suggestion," writes author Bishop Kenneth Ulmer. "It's a command, a mandate to those who have been blessed. And the blessing is not only to be passed to your children, but also to your children's children." It is more important than ever to train up new followers of Christ. Though sin has become an accepted part of our culture, it is possible to break the cycle of sin passed down from previous generations and replace it with blessings. "If you want to have a positive impact," says Bishop Ulmer, "tell the story." Passing the Generation Blessing offers practical and powerful ways to speak blessings over your family so all can hear.

*Meet a man forced to live in a fast changing and godless society. He faced fears about the future, concern for his safety, and the discouragement of world that seemed to be falling apart at warp speed. Sound familiar? His name was Daniel, and with the power of hope, humility, and wisdom, he not only thrived, he changed an empire while he was at it. Though he lived thousands of years ago, he has a much to teach us today. Even in Babylon, God Is in Control In Thriving in Babylon, Larry Osborne explores the "adult" story of Daniel to help us not only survive - but actually thrive in an increasingly godless culture. Here Pastor Osborne looks at: - Why panic and despair are never from God- What true optimism looks like- How humility disarms even our greatest of enemies- Why respect causes even those who will have nothing to do with God to listen- How wisdom can snatch victory out of the jaws of defeat For those who know Jesus and understand the full implications of the cross, the resurrection, and the promises of Jesus, everything changes - not only in us, but also in our world.*

*Victor Mancini, a medical-school dropout, is an antihero for our deranged times. Needing to pay elder care for his mother, Victor has devised an ingenious scam: he pretends to choke on pieces of food while dining in upscale restaurants. He then allows himself to be "saved" by fellow patrons who, feeling responsible for Victor's life, go on to send checks to support him. When he's not pulling this stunt, Victor cruises sexual addiction recovery workshops for action, visits his addled mom, and spends his days working at a colonial theme park. His creator, Chuck Palahniuk, is the visionary we need and the satirist we deserve.*

*The acclaimed Bible scholar and author of The Historical Jesus and God & Empire—"the greatest New Testament scholar of our generation" (John Shelby Spong) —grapples with Scripture's two conflicting visions of Jesus and God, one of a loving God, and one of a vengeful God, and explains how Christians can better understand these passages in a way that enriches their faith. Many portions of the New Testament, introduce a compassionate Jesus who turns the other cheek, loves his enemies, and shows grace to all. But the Jesus we find in Revelation and some portions of the Gospels leads an army of angels bent on earthly destruction. Which is the true revelation of the Messiah—and how can both be in the same Bible? How to Read the Bible and Still be a Christian explores this question and offers guidance for the faithful conflicted over which version of the Lord to worship. John Dominic Crossan reconciles these contrasting views, revealing how different writers of the books of the Bible not only possessed different visions of God but also different purposes for writing. Often these books are explicitly competing against another, opposing vision of God from the Bible itself. Crossan explains how to navigate this debate and offers what he believes is the best central thread to what the Bible is all about. He challenges Christians to fully participate in this dialogue, thereby shaping their faith by reading deeply, reflectively, and in community with others who share their uncertainty. Only then, he advises, will Christians be able to read and understand the Bible without losing their faith.*

Whom should I marry? What will I do with my life? Do I take this job? Should I invest money in this opportunity? God has bestowed an incredible gift in the heart of every believer. He has given you an internal compass to help guide your life, your family, your children, your finances, and much more. Jentezen Franklin reveals how, through the Holy Spirit, you can tap into the heart and mind of the Almighty. Tap into your supernatural gift of spiritual discernment and you will better be able to fulfill your purpose as a child of God.

Although there are countless ways to study Saint John Paul the Great, the most direct route is by entering the man's heart. Discover the five greatest loves of Saint John Paul II, through remarkable unpublished stories about him from bishops, priests, his students, Swiss Guards, and others. Mining through a mountain of papal resources, Jason Evert has uncovered the gems and now presents the Church a treasure chest brimming with the jewels of the saint's life.

You don't have to live in fear and worry about your finances, your family, or your health. It's time to step out in confidence and make the fearless life a reality.

The human heart was created with a great capacity to love. But along with that comes a great capacity to feel pain. There is no denying that those who love us, who are closest to us, can wound us the most profoundly. That kind of pain can be difficult, if not impossible, to overcome. And it can feel even more impossible to continue loving in the face of it. Yet that is exactly what we are called to do. Sharing his own story of personal pain, pastor and New York Times bestselling author Jentezen Franklin shows us how to find the strength, courage, and motivation to set aside the hurt, see others as God sees them, and reach out in love. Through biblical and modern-day stories, he discusses different types of relational disappointment and heartache, and answers questions such as Why should I trust again? and How can I ever really forgive? The walls we build around our hearts to cut us off from pain are the very walls that block us from seeing hope, receiving healing, and feeling love. Here are the tools and inspiration you need to tear down those walls, work through your wounds, repair damaged relationships, and learn to love like you've never been hurt.

If you're not daring to believe God for the impossible, you may be sleeping through some of the best parts of your Christian Life. "This book is not a Snuggie. The words on these pages will not go down like Ambien. I'm not writing to calm or coddle you. With God's help, I intend to incite a riot in your mind. Trip your breakers and turn out the lights in your favorite hiding places of insecurity and fear. Then flip the switch back on so that God's truth can illuminate the divine destiny that may have been lying dormant inside you for years. In short, I'm out to activate your audacious faith. To inspire you to ask God for the impossible. And in the process, to reconnect you with your God-sized purpose and potential." —Steven Furtick, from Sun Stand Still
