

Jesus The King Lyrics

Following transformation of my spirit from old to new and transition of my soul from self only, to a degree of sacrificial love, the songs contained in “Christian Worship Songbook” could be freely released from my heart. All songs are personally composed to bless God the Father; Jesus Christ; and the Holy Spirit... the only True God. There are nine songs in the book, which, as the title suggests, I have categorised as worship. Prior to composing the songs, I had little to no knowledge of music theory. Resources available online and purchased music software provided basic understanding, but mostly each melody with lyrics quickly followed the previous one almost without struggle, until song number nine was complete. From that moment, no more lyrics or notes were readily available. In some cases lyrics proved to be a challenge as alignment with the absolute truth of God’s Word was of utmost importance to me. Compromising the integrity of Scripture on purpose, could never be allowed... not for any reason: no matter how difficult the task may have seemed to be, but especially as I was aiming to bless God. How could I bless God if I was blatantly changing the meaning of His words, which were given by grace to save the world and to love His children with. Remaining sensitive to the leading of the Holy Spirit was essential for staying in the will of God while writing the songs. There are always those who know more and do more no-matter what the chosen field of expertise may be. However, regardless of any expertise I may have possessed, whether just inwardly perceived in my own thoughts or outwardly proven to be authentic, “Christian Worship Songbook” is a gift of original lyrics, music and photography for all those people pleased to freely receive. Just simply give from your heart to worship the Living God... Creator of all the heavens and earth. An electronic version of “Christian Worship Songbook” has been made available for viewing on www.jamullier.com website. Vocal, guitar and piano tracks are integrated into the electronic Songbook for listening and all music score sheets, including guitar chords, are freely printable. Digital guitar tracks and piano tracks for all songs are provided for listening and download, independent of the e-book.

Black Theology in the Slave Narratives

Co-authors and brothers Gary and Larry Turner touched singer’s lives when they shared their collection of songs of praise and worship, Songs To The Glory Of God. Now they’re back with a new collection that is equally inspiring as the first, Songs To The Glory Of God Volume II. Of these songs, Gary Turner shares, “The Godhead has truly been my inspiration. The songs were written to glorify God. I certainly pray that they will be an inspiration to you and that they will move you to glorify His name.” After his retirement Mr. Gary Turner made a commitment to the Lord that he would write a song for every week in the year. Songs To The Glory Of God Volume II is filled with 87 songs with divinely inspired lyrics and music. Larry Turner, an accomplished musician, arranged all the music in this hymn book. Another beautiful addition to one’s musical repertoire, Songs To The Glory Of God Volume II reveals the essence and beauty of God’s love through His Son, Jesus. It will help lead believers into praise and worship, rejuvenating their faith and strengthening their belief in God.

Grand Lyrics is a collection of poetic words of inspiration along with life-giving Scriptures. So when reading Grand Lyrics, life is released from the Scriptures, and Grand Lyrics shows a correlation in a unique way to its author’s heart and mind. And as you meditate on the Scriptures, you can see God in a greater way in His Word. And as you allow your mind to become a part of the lyrics that follow, you can see rhythmical words of encouragement and inspiration that are inspired by the Word of God that shines light in your heart and mind.

For the Use of the People Called Methodists

-- All-new, expanded version of the classic book that set the tone for the contemporary worship movement -- The signature book from worship pioneer Jack Hayford, founding pastor of one of the best-known churches in America, The Church On The Way -- Integrity Music will be co-promoting this product along with their music CD of the same title from Jack Hayford. The Father certainly doesn't need our praise, yet He prescribes worship as a daily activity. Why? Because, as pastor Jack Hayford clearly shows us, God graces His people with worship as a gift, not a demand. Worship liberates all of God's people to discover genuine wholeness, but only as they recognize and acknowledge the holiness of God. Hayford examines the lives of more than a dozen biblical figures to illuminate the fulfilling effects of worship -- including seven truths Jesus revealed about the blessings of praise. God's grace fills everything He gives -- and everything He calls us to do. And this same grace overflows in a special and unique way on all of us who humbly and wholeheartedly worship God.

The psalmist declared, "I will sing praises to the Lord." In this sheet music collection are songs for corporate and private worship. The lead sheets include the vocal melody for each song, notated on its own staff, along with lyrics and chord fingering grids for optional guitar accompaniment.

Worship His Majesty

"Both the knowledge of a scholar and the imagination of a poet are brought to bear upon Jesus as child, boy, and man. . . . A bold speculative adventure." (Harold Brighthouse, Manchester Guardian) In Graves's unique retelling, Jesus is very much a mortal and the grandson of King Herod the Great. When his father runs afoul of the King's temper and is executed, Jesus is raised in the house of Joseph the Carpenter. The kingdom he is heir to, in this version of the story, is very much a terrestrial one: the Kingdom of Judea. Graves tells of Jesus's rise as a philosopher, scriptural scholar, and charismatic speaker in sharp detail, as well as his arrest and downfall as a victim of pitiless Roman politics. Bringing together his unparalleled narrative skill and in-depth expertise in historical scholarship, renowned classicist and historical novelist Robert Graves brings the story of Jesus Christ to life in a strikingly unorthodox way, making this one of the most hotly contested novels Graves ever wrote—and possibly one of the most controversial ever written. It provides a fascinating new twist to a well-known story, one that fans of this historical period are sure to love. "This is not reading for the easily shocked; it definitely presents Jesus as a sage and a poet, if not divine. It moves, as does all Mr. Graves' writing, at a brilliant fast pace, and with a tremendous style." —Kirkus Reviews

Drawing on slave narratives found in forty-one volumes of interviews and one hundred autobiographies by former slaves, these contributors explore how enslaved African Americans received the often oppressive faith of their masters but transformed it into a gospel of liberation. This classic work demonstrates how an authentic black theology of liberation today must listen to the divine spirit that once fed and continues to feed the black religious experience. This second edition includes three additional provocative essays.

Jesus Is King is based on Kanye West's 2019 Album, but goes beyond the Album, to explore the scriptural and prophetic dimensions of the seemingly sudden invasion of Christ into the Hollywood scene. The the book takes at pertinent issues that affect Christians and society at large; Family, popular culture, societal systems, and change, all themes that Kanye's Album explores. The book is not about Kanye, but more about the faith that he has embraced and what his embracing the faith may mean to Christians everywhere.
