Over the next 2 years around 50 titles will be published, covering a comprehensive range of disciplines within medicine and health sciences. In a handy 152mm x 122mm size, and between 250-350 pages, these pocket atlases will contain up-to-the-minute information on their subject, which has been compiled, distilled and updated from prior work by each author. Each mini-atlas will also contain a free CD-ROM or DVD-ROM with material to accompany and complement the text. The "Anshan Gold Standard Mini Atlas Series" will appeal to everyone involved in medicine and health sciences, from undergraduates to private practitioners, from medical professionals and academics. The full series will develop into an outstanding resource for any medical library, and each individual title will be a great value-for-money addition to a personal collection, for use as a portable reference for work or home. The first books will publish in February 2007, with a consistent flow of additional titles each month throughout 2007.

In addition, important expected question for NEET and PSC have been added to make book more useful. In this edition two senior faculty members from prestigious Sher-I -Kashmir Institute of medical sciences, Dr. Cimona L Saldhana and Dr. Muzzafer Wani have contributed in Obs/gynae and nephrology respectively besides reviewing other questions as well. The contribution of Dr. Suhail Naik is immense in the subject of paediatrics. In addition, senior residents from GMC Sri Nagar, SKIMS medical college Bemina have also revised their respective subjects. The feedback I received from 1st edition really motivated me to come up with this edition. I am sure that this book will live upto its expectations and help students in their exams. An important thing for all exams is that

approximately 15 to 25% questions are repeated in one form or the other so keeping this thing in mind I have highlighted all questions which were repeated. Feedback from 1st edition This book is very much helpful for state aspirants and also for medicos preparing for neet exams. I personally recommend every Medico to go through this book before such exams. -DR. TABASSUM SAMOON SKIMS Very nice and helpful book for JK PSC and other state exam. Easy language and good retention. Precise and very informative explanations of every question. -DR. UMER SKIM The best book you will find for JK PSC medical exams... if you have this you are going to score well in NEET and JK PSC exams for sure... A MUST HAVE BOOK. -DR. YAMIN SKIM
