Take an inward journey for a happier, healthier life Meditation has been used for centuries to

reduce stress, increase energy, and enhance overall health and well-being—so it's no wonder more and more people in today's fast-paced and stress-centric world are adopting this age-old practice. If you want to achieve a greater state of calmness, physical relaxation, and psychological balance, Meditation For Dummies is your life raft. Covering the latest research on the health benefits of meditation, this new edition explains in plain English how you can put meditation into practice today and start reaping the benefits of living a more mindful life. Whether you're new to meditation or a seasoned practitioner coming back for a refresher course, this plain-English guide provides a wealth of tips and techniques for sitting (or lying) down with your mind to meditate successfully. From preparing your body for meditation to focusing your awareness and being open to the present moment, it covers everything you need to put distractions to rest and open yourself up to a meditation practice that works for you. Provides the latest research on the causes of happiness and how meditation can improve your mood Includes a new chapter on the growing trend of meditation in the workplace Explains how meditation and other mindfulness practices have made their way into hospitals, schools, prison, and military groups Illustrates the benefits of taking time to

consciously cultivate mindfulness through meditation If you're ready to find some zen and benefit from all meditation has to offer, this friendly guide sets you up for success.

Everything you need to harness Millennial potential Managing Millennials For Dummies is the field guide to people-management in the modern workplace. Packed with insight, advice, personal anecdotes, and practical guidance, this

book shows you how to manage your Millennial workers and teach them how to manage themselves. You'll learn just what makes them tick—they're definitely not the workers of yesteryear—and how to uncover the deeply inspirational talent they have hiding not far below the surface. Best practices and proven strategies from Google, Netflix, LinkedIn, and other top employers provide real-world models for effective management, and new research on first-wave versus second-wave Millennials helps you parse the difference between your new hires and more experienced workers. You'll learn why flex time, social media, dress code, and organizational structure are shifting, and answer the all-important question: why won't they use the phone? Millennials are the product of a different time, with different values, different motivations, and different wants—and in the U.S., they now make up the majority of the workforce. This book shows you how to bring out their best and discover just how much they're really capable of. Learn how Millennials are changing the way work gets done Understand new motivations, attitudes, values, and drive Recruit, motivate, engage, and retain incredible emerging talent Discover the keys to optimal Millennial management The pop culture narrative would have us believe that Millennials are entitled, lazy,

spoiled brats—but the that couldn't be further from the truth. They are the generation of change: highly adaptive, bright, and quick to take on a challenge. Like any generation of workers, performance lies in management—if you're not getting what you need from your Millennials, it's time to learn how to lead them the way they need to be led. Managing Millennials For Dummies is your handbook for allowing them to exceed your expectations. Accounting All-in-One For Dummies

The bestselling social media marketing book

Marketing your business through social media isn't an option these days—it's absolutely imperative. In this new edition of the bestselling *Social Media Marketing All-in-One For Dummies*, you'll get comprehensive, expert guidance on how to use the latest social media platforms to promote your business, reach customers, and thrive in the global marketplace. Social media continues to evolve at breakneck speed, and with the help of this guide, you'll discover how to devise and maintain a successful social media strategy, use the latest tactics for reaching your customers, and utilize data to make adjustments to future campaigns and activities. Plus, you'll find out how to apply the marketing savvy you already have to the social media your prospects are using, helping you to reach—and keep—more customers, make more sales, and boost your bottom line. Includes the latest changes to Facebook, Twitter, Pinterest, LinkedIn, YouTube, and more Offers tips for engaging your community and measuring your efforts Explains how to blend social media with your other online and offline marketing efforts Shows you how to leverage data to learn more about your community Don't get left behind! Let this book help you get the most from every minute and dollar you spend on marketing. Appearance. Performance skills. Confidence. All are winning - and attainable - traits that will help you land the job you want. You can acquire these skills by perusing *Job Interviews For Dummies*. This revised edition incorporates a

multitude of updates and covers all the bases in getting employers to say, You're the one! Written for all job seekers - new entrants, midlevel people, very experienced individuals, and technical and non-technical job seekers - Job Interviews For Dummies is packed with the building blocks of show-stopping interviews. These range from strategies and techniques to sample dialogue and research tips. Interviewing for a job is kind of like a stage performance, and if you want metaphorical standing ovations, then follow the guidelines offered in these pages. In this book, you'll explore the basics of interviewing, from how to dress to how to answer all sorts of questions - questions about you, your interest in the company, your experience, your education and training, your skills, your age, and questions they shouldn't ask but sometimes do anyway. You'll also uncover information about Practicing for your interview, and why it's so important Recognizing the mind games of job testing Wooing reviewers who give you references Identifying various interviewing scenarios you should expect Answering questions to sell yourself. Understanding the new interviewing technology, such as telephone interviews and video transmissions. On the stress scale, interviewing for a job ranks with making speeches before a vegetable-throwing crowd. Stress is such a big issue that some interviewees take tranquilizers or beta blockers to reduce it. A better way exists: Master the job-interviewing process. Get the winning ways

down pat, and you'll have a special kind of insurance the rest of your working days. This guide can help.
