The Death of Her is a haunting psychological thriller from Debbie Howells, author of the bestselling Richard and Judy Book Club success *The Bones of You*. A woman's body is discovered on a Cornish farm, battered and left for dead in a maize field. Airlifted to hospital, her life hanging in the balance, no one's sure who she is. Three days later she comes round, but her memory is damaged. She knows her name – Evie – but no more, until she remembers another name. Angel – her three-year-old daughter. As the police circulate Evie's photo, someone recognizes her. Charlotte knew her years ago, at school, when another child went missing. Leah Danning, who vanished whilst in Evie's care. When the police search Evie's home, there's no sign of Angel. More disturbingly, there's no evidence that she ever lived there, forcing the police to question whether Evie's having some kind of breakdown. But even from the darkest place she's ever known, Evie believes her daughter is alive. The police remain unconvinced – unaware that on the fringes of Evie's life, there's someone else. Someone hidden, watching her every move, with their own agenda and their own twisted version of reality. PRAISE FOR THE BONES OF YOU 'A dazzling debut . . . Haunting, compelling' Daily Mail

ON THE RUN Emma McKinnon must escape an unwanted suitor and his manipulative sister, who won't take no for an answer. Marriage might save her from destitution, but she'd only be trading one nightmare for another. As a penniless vicar's daughter, she has nothing to lose except ownership of her heart. Emma takes a position as a governess on Star Frost, an elusive island off the coast of Cornwall. From the moment of his birth, Calvin Stanley West, Duke of Renvere, was blessed. But none of his successes and wealth could have prepared him for the fire that killed his wife and left him and one of his daughters horrifically scarred. Worse still, the same glittering aristocratic society that had bowed in his presence now whispered cruel insults about his children. He abandoned

his life, his prestige, and secreted his daughters away to a place where no whispered barbs would reach their precious ears. THEY CAN ' T HIDE FOREVER Calvin ' s prayers are answered when a governess arrives on his doorstep, but this is no ordinary governess. She ' s young, beautiful, and she stirs a passion inside him he thought had been burned away forever. Emma swiftly becomes enamored with Star Frost and her new charges. But the duke, though scarred and intimidating, is also kind, dedicated to his children, and the most handsome man she ' d ever seen. He makes her long for things she ' d been raised to never feel. Is it a trick of the mysterious island or is the duke the one man her heart has yearned for all along? Just when she feels safe and the attraction between them ignites into a passionate affair, the people she ran from have hunted her down, shattering her hopes. Emma ' s instinct is to run again, but if she does, she will have to give up everything she loves or stay and fight for her heart ' s desire. The choice should be easy, but is desire enough for her? Can Calvin love her in return or will the memory of his wife turn their passionate affair to ash?

"The Kolbrin Bible is a 2-part, 11-book secular anthology. The first six books are called the "Egyptian texts" and were penned by Egyptian academicians following the Hebrew Exodus. The last five books are called the "Celtic texts" and were penned by Celtic priests following the death of Jesus. Several accounts describe an object in orbit around our sun sun called the "Destroyer," which the Celtic authors call the "Frightener." According to recently translated Sumerian texts, this object (also known as Nibiru or Planet X) is in a 3600-year orbit around our sun, and The Kolbrin Bible warns us of its imminent return and of yet another Biblical tribulation." -- Amazon.com.

trilogy by USA Today bestselling author Amelia Wilde. The Devil and the Deep Blue Sea must be read first. After spending two years studying in Itsutsu city to bring back the life of convenience and abundance from the legends of the ancient civilization, Ash graduates from the military academy. He is now assigned to the newly established Territory Reform Promotion Office, where he works hard to improve this world's living standards. When it is brought to Ash's attention that Ajole, the hometown of his co-worker Renge's childhood friend, is on the verge of extinction, he decides to embark on a rescue mission. The inspection task force led by Ash and Maika encounters barren fields and skinny villagers. It appears that they have no choice but to break the taboo and use animal manure as compost. To make matters worse, there is news of another threat to the village: the demons known as treants! Can Ash find a way to save the village? This is the fourth chapter of the story about a young boy who sets out to revolutionize the world in order to rebuild civilization and create his ideal life!

As the hunt for the Ghost heats up, Detective Silas Warren and Madison Corman do their best to leave no stone unturned, but when Captain Fletcher tells the media the crimes are being committed by a copycat, the duo thinks his lies might have scared their killer away. Is he in hiding or is he meticulously planning his next kill?

The moment AJ Walsh sees the sexy, tattooed pixie walk up to his bar, it's lust at first sight. He's always been labeled the "nice" guy—opening doors, buying flowers, and never, ever having one-night stands. But with this wicked little angel with red lips and unfathomably dark eyes? Oh, yeah. Tonight, "nice" has nothing to do with it... Brett Conlon is trying to convince her family that she's put away her reckless wild girl side for good. Nothing—and no one—could be better for her reputation than golden boy AJ Walsh. So they make a deal: if he plays The Good Boyfriend for her family, he can be a very, very bad boy with her. Now their one naughty night is about to turn into a whole lot of trouble... Each book in the After Hours series is STANDALONE: * One Night of Sin (novella) * One Night of Scandal * One Night of Trouble

"Barbara Freethy is one of my favorite authors!

She creates amazing characters and stories, with a lot of love, friendship and mystery that make her books always very, very good." Cinthia - Goodreads Molly Trent is a passionate herbalist whose sorrow-filled childhood has driven her to a new mission in life—to make people feel better. Unfortunately, a series of burglaries at her wellness shop and a disgruntled customer put her in the path of a cynical and suspicious detective, who thinks she does more harm than good. She's used to criticism, but she sees something in the tightly-controlled police detective that she wants to unleash, if only she could get him to trust her. Trust doesn't come easily to Detective Adam Cole. He has been a loner for as long as he can remember. He's very good at protecting people. He's great at being a friend, but relationships that go beyond that—not so much. After a heartbreaking tragedy at nineteen, he put up walls that are never coming down. Despite what Molly Trent might think, he does not need help or herbs to be happy. Unfortunately, what he needs is her. The chemistry between them almost makes him wonder if she hasn't cast some sort of spell over him. But he fights their attraction hard, because he doesn't do forever, and he can't imagine that an optimistic romantic like Molly would settle for anything less. But when they get tangled up in life and love, anything can happen... Irresistible and captivating romance awaits in TANGLED UP IN YOU, the next book in

"ALWAYS WITH ME is a heartwarming second chance romance, with a captivating mystery, that keeps you reading and wondering what happens next." Doni - Goodreads "Tragedy haunts her, regrets shadow him and passion lures them into a mystery as dangerous as their feelings for each other. Freethy captivates with a sensuous game of tainted hearts and tempting romance. My Wildest Dream is a hotbed of intriguing storytelling. Brodie and Chelsea are sure to get under your skin." Isha C - Goodreads "I have just finished CAN'T FIGHT THE MOONLIGHT and WOW such an emotional book. The characters of Justin and Lizzie were so well written, with so much depth. There were scenes in this book that gave me a lump in my throat. Absolutely loved this book...and can't wait for the next one!" Booklovers Anonymous "This book has it all—some laughs, some tears, some drama, and, of course, romance. You're always guaranteed a happy-ever-after from this author, but it's the emotional journey she takes the characters on that make it well worth the ride." Stacey - Goodreads on CAN'T FIGHT THE MOONLIGHT "Barbara Freethy never disappoints. This newest installment in her

Whisper Lake series, has it all, romance, drama, danger and a little steam. We meet Keira and Dante, who find their HEA in spite of the crazy. Make sure you add this one to your TBR list."
Linda - Goodreads on IF WE NEVER MET "If We Never Met is filled with the poignant and bittersweet moments in the story as well as the plot twists, that I have come to love and expect in Barbara Freethy's stories. Highly recommend this incredible love story and am so looking forward to reading the next book in the series."
Patti - Goodreads on IF WE NEVER MET

Few pieces of Christian literature ever address the subject of division in the body of Christ. Fewer still address the problem of how a Christian should conduct himself in such times and how to survive the aftermath. Every Christian will face division at some time in his life. Many will be caught up in the vortex of a conflagration so great that they very well may be destroyed. Few believers - if any at all - are spiritually prepared for such a devastating ordeal. Gene Edwards raises a new standard of conduct for Christians who find themselves in such a crisis, and points them to a way out . . . unscarred. If you are one of those many Christians who have been profoundly affected by the beautiful story in the widely received A Tale of Three Kings, then you will wish to explore the message found in Climb The Highest Mountain.

?DNS Exercise Journal - A brochure for kids This journal or DNS Fit Kid App is intended for coaches and therapists who use DNS FIT KID in their practice, particularly those working with young children and their parents. The application consists of twenty exercises based on five developmental positions and serves as a home exercise program for children aimed at both the treatment and prevention of musculoskeletal pain. More generally, these exercises can also be used as a fundamental, dynamic warm-up for not only common recreational play, but also youth athletic training. The DNS exercise app explains the developmental exercise positions to children in a fun, relatable manner, comparing them with the way animals characteristically move and pose. The concise text and colorful illustrations help to explain not only how the child ought to move, but also what they should feel during each movement or position. Of course, these also describe how to detect and correct errors and movement faults typically found with each exercise. Furthermore, in order to help train

exercise transitions, movement memory, mimicry, and team exercise (while also incorporating speech development), the DNS app has included a variety of rhythmic songs that are meant to be sung along with every global movement routine. By incorporating both animal imagery and catchy songs into each routine, the DNS Fit Kid App motivates children to exercise regularly in a pleasurable, playful way, while also emphasizing DNS principles like optimal posture and ideal movement coordination.

The Kabbalah has long languished in darkness, unknown outside the confines of Jewish Mysticism and the communities who practiced it. But today, the Kabbalah is well-known but often misunderstood. The story of Kabbalah is as old as Judaism itself, with many of the ideas present in the Hebrew Scriptures interpreted in the canon of Kabbalah. Applying Jewish theological premises and Neo-Platonist cosmology, the Kabbalists created a systematic interpretation of familiar Creation Narrative in the Book of Genesis, which today illuminates and serves Judaism. At the same time, Kabbalistic concepts have entered mainstream consciousness with great interest expressed in mainstream Christianity and even in modern science. ABOUT THE ORIGINAL BOOK The Knight in Rusty Armor has been a real success among its audience, selling more than one million copies worldwide. It is considered to be a motivational

book that falls into the self-help category. It is an easy-to-follow narrative, making it accessible to everyone, built with some humor, and is enjoyed by adults, teenagers and children alike. The book tells a story of a somewhat egocentric man, who lives his life concerned with his appearance. Everything he does is without consideration for his wellbeing, rather with the aim of seeking approval of others... Little by little he is locked in his armor, which over time rusts and leaves him imprisoned by his appearance. Then comes a life of reflection and recovery for him. He embarks on a journey to free himself from his prison, during which he enlists the help of a magician. It is an excellent allegory that teaches the importance of being who you are on the inside, without the need to mask your appearance.

He wasn't meant to be on my radar, he was definitely the off-limits guy. My brother's best friend, my friend's ex, but most of all he was my boss. Hawk Carnage resembled one thing, and one thing only. Sex. He used it, he knew it, he lived it. Hawk owned the largest lingerie company in the world, and I was his leading lady. In business. But now business and friendship were about to be crossed. The lines blurred, and I was ready to dip my toes in the forbidden water. Because no matter how much I said I could refrain from Hawk Carnage, now was not the time. He was to be my fake fiancé. And I was about to sink into that forbidden water, with Hawk's hands clutching my sides. Lord help me because I was about to enjoy every moment of it. Even if it was just for fun. Even if it would ruin everything. I was going to dive in head first. With WCF, software developers can focus on their business applications and not the plumbing required to connect them. Furthermore, with WCF developers can learn a single programming API to achieve results previously provided by ASMX, Enterprise Services and .NET Remoting. Learning WCF removes the complexity of using this platform by providing detailed answers, explanations and code samples for the most common questions asked by software developers. Windows Communication Foundation (or WCF, formerly code name "Indigo") provides a set of programming APIs that make

it easy to build and consume secure, reliable, and transacted services. This platform removes the need for developers to learn different technologies such as ASMX, Enterprise Services and .NET Remoting, to distribute system functionality on a corporate network or over the Internet. The first truly service-oriented platform, WCF provides innovations that decouple service design and development from deployment and distribution - creating a more flexible and agile environment. WCF also encapsulates all of the latest web service standards for addressing, security, reliability and more.
