*From New York Times Bestselling Author, Penelope Douglas, comes the latest standalone love-hate romance... "We were perfect together. Until we met." Misha I can't help but smile at the lyrics in her letter. She misses me. In fifth grade, my teacher set us up with pen pals from a different school. Thinking I was a girl, with a name like Misha, the other teacher paired me up with her student, Ryen. My teacher, believing Ryen was a boy like me, agreed. It didn't take long for us to figure out the mistake. And in no time at all, we were arguing about everything. The best take-out pizza. Android vs. iPhone. Whether or not Eminem is the greatest rapper ever... And that was the start. For the next seven years, it was us. Her letters are always on black paper with silver writing. Sometimes there's one a week or three in a day, but I need them. She's the only one who keeps me on track, talks me down, and accepts everything I am. We only had three rules. No social media, no phone numbers, no pictures. We had a good thing going. Why ruin it? Until I run across a photo of a girl online. Name's*

Something's wrong. Did he die? Get arrested? Knowing Misha, neither would be a stretch. Without him around, I'm going crazy. I need to know someone is listening. It's my own fault. I should've gotten his phone number or picture or something. He could be gone forever. Or right under my nose, and I wouldn't even know it. \*Punk 57 is a stand alone New Adult romance. "Had he not been a thundering liar, Frank Harris would have been a great autobiographer." Time Magazine, 1960 "My Life and Loves" is the autobiography of the Ireland-born, naturalized-American writer and editor Frank Harris (1856-1931). The work gives a graphic account of Harris's sexual adventures and relates gossip about the sexual activities of celebrities of his day. Well-known and infamous for its straightforward graphical, enthusiastically pornographic description of sexual encounters, "My Life and Loves" resembles crazy, weird boys' adventure story, going from a boarding school setting to the Wild West. The work was banned in both the United States and Britain for a span of 40 years.

STEPHEN HENDRY became the youngest professional snooker player in 1985 aged 16 and, in 1990, he was the youngest ever snooker World Champion, at the age of 21. Widely regarded by fans and pundits alike as one of the greatest players of all time in the sport, over a 27-year career, Hendry went on to win the World Championship seven times, and was snooker's world number one for eight consecutive seasons between 1990 and 1998. Hendry retired in 2012 with a record-breaking seven

World Champion titles under his belt, a record that remains to this day. He's now ready to tell his life story for the first time - from a childhood spent climbing the ranks of the sport, through the highs of the '90s and lows of the 2000s, to his life now as a sports pundit and commentator. With an insight into the world of the man behind the cue, and what made him such a top-class player, this is the definitive autobiography of the legend that is Stephen Hendry.

Ken Doherty is one of the most talented and successful snooker players ever to have picked up a cue, and the only player ever to win the Under 21, Amateur and World Snooker Championships. In this honest and emotional autobiography, Ken tells how he went from the World Snooker final at the Crucible to qualifying tables of Prestatyn and back again - and reveals what it means to lead a Life in the Frame. Born in Ranelagh, a south-eastern district of Dublin, Ireland, Doherty learnt his trade in the legendary 'Jason's' snooker hall, standing on a biscuit tin to try and reach the balls. Coached by former Irish international Paddy Miley, the young Doherty found he had a natural talent with the cue and entered in to various amateur competitions, including the Irish Amateur Championships. In 1989 - at the ripe age of 20 - Doherty won the World Amateur Championship and was duly invited to become a professional of the game. Four years later, after losing his first Grand Prix to Jimmy White, Ken

went on to win his first ranking title, the Welsh Open, which was enough to catapult the 'Darlin of Dublin' into the top 16 players in the world. Doherty etched his name in the record books in 1997 by becoming only the third player outside the United Kingdom to win the World Championship, beating Stephen Hendry 18-12 in the final at the Crucible. Returning to Ireland a hero, Doherty would go on to play in two more World Championship finals and stay in the top 16 for over a decade. This is the in-depth and honest autobiography of one of Snooker's favourite Champions. Returning to Ireland a hero, Doherty would go on to play in two more World Championship finals and stay in the top 16 for over a decade.

Crucible's Greatest Matches

*Since 1977 the Crucible Theatre in Sheffield has staged the snooker World Championship and in that time become one of the most beloved and iconic venues in sport. In this book the UK's leading snooker writer Hector Nunns makes his selection of the greatest matches ever played in the famous amphitheatre, featuring the heroes of the early years right through to the household names of the present day. With exclusive contributions from the players involved, and how they saw the build-up, the match itself, the agony of defeat and ecstasy of victory, and the experience of being involved in a memorable encounter on the sport's greatest stage, in what is always the biggest, best and final tournament of the season. The Crucible's Greatest Matches recalls how promoter Mike*

Watterson stumbled across the theatre with the help of his wife Carole and throws the spotlight on classic matches involving Ronnie O'Sullivan, Stephen Hendry, Jimmy White, the late and much-missed Alex Higgins and Paul Hunter, Cliff Thorburn, Terry Griffiths, Ken Doherty and of course the 1985 black-ball final between Dennis Taylor and Steve Davis.

This honest and absorbing autobiography gives a fascinating, revealing, no-holds-barred account of the life of the man behind Kendo Nagasaki's mask, Peter Thornley, from his challenging origins and early life, to his natural sporting ability which was honed in judo and Zen, to training in the world's toughest Catch Wrestling gym, to Kendo's debut and becoming an icon of professional wrestling of the 1970s which was watched by millions. This book lifts the lid on his personal life, the world of wrestling behind the cameras, his success with different businesses, and his current endeavours with the Lee Rigby Foundation - indeed, all the proceeds from this book will be donated to the Foundation to support its work - it's a must-read!

After Hurricane Higgins crashed out of snooker's top league, Jimmmy White has been the `People's Champion' even though he never quite made the top World spot, pipped at the post in 1995 by Stephen Hendry, after missing one single black. Aged 16, White was the youngest player to win the English Amateur Championship. At 18, he won the World Amateur title. By 1984, he's a professional success, married but not at all settled. He's the kind of man who goes out for a packet of cigarettes and comes home two weeks later. Gambling, women, marathon binges with showbiz friends like Ron Wood of the Rolling Stones, have threatened the stability of his marriage. But somehow White has survived, to tell in candid detail, a most unusual, often outrageous story of a very sporting life.

learning how to play from an old book his snooker-obsessed father had given him, when an encounter with Barry Hearn changed his life forever. With his backing, Steve began touring the country in a clapped-out car as an amateur. Challenging established professionals and winning titles, supported by his loyal following the Romford Roar, it wasn't long before he progressed to the world's stage. By the eighties, Steve had helped transform a previously shady sport into a national obsession. He and a cast of legends such as Ray Reardon, Dennis Taylor and Alex Higgins, with other young guns like Jimmy White, were doing silent battle in front of huge audiences. Tens of millions of viewers would witness the nail-biting conclusions of his world championship finals; this was snooker's golden era. The man behind the 'boring' tag has always been the sport's smartest and sharpest man. With his cool, obsessive approach, Steve rewrote the rule book and became untouchably the best player in the world and the best paid sportsman in the country. Interesting lays it all bare: what it was like to win in those pressure-cooker situations; how to cope at the top, when everyone wants you to lose; and how you deal with the moment when a man comes along who is finally better than you. This is a memoir that closely evokes the smoke-filled atmosphere of those arenas, the intrigue behind the scenes and the personal psychology and sacrifice that is required to stay at the top of such an exacting sport. Ronnie is snooker's most written and talked about player, and its greatest showman. His supreme talent and style have made him the People's Champion and, as one commentator put it, 'the question is not how much does Ronnie O'Sullivan need snooker, but how much does snooker need Ronnie O'Sullivan?' A honest and candid account of his extraordinary life, Ronnie

tells of the infant who was introduced to legendary snooker clubs at an impossibly early age; of the boy who frightened off the bookies aged just 12; of the teenager whose life was decimated when his father and mentor was sent to prison for life; and of the man dubbed the 'genius' of the modern game who regularly threatened to quit the sport to pursue other interests at the grand old age of 28. 'A fine autobiography ... compelling' - Independent 'O'Sullivan is as frank about his spell in the Priory clinic as he is about his father's murder conviction. His accounts of snooker tournaments and sketches of the sport's personalities will fascinate fans, but even snooker haters will be rooting for Ronnie in the game of life' - OK!

There is a tribute book to be written about the nicest man in snooker - but this isnt it! Whatever else he was, The Hurricane wasnt nice. He was unpredictable, wild, demonic and obsessive. The Peoples Champion was an unstoppable force who transformed snooker from a niche sport into a must watch phenomenon. Drawing upon unrivalled access to The Hurricanes friends and player colleagues, this is an affectionate and honest portrayal of the most legendary player ever to hit the world of snooker. This is a real tribute book and an honest and affectionate portrait of the snooker legend by John Virgo who was a great friend, rival and compatriot to the most complicated genius ever to grace the game. Virgo was frequently driven to despair by Higgins antics, the gambling, the drug using, the sheer uninhibited madness of the man but there was always a buzz around the man, there was ALWAYS something happening !

In *The Clock and the Calendar*, Congressman Doug Collins will explain why the impeachment was not really about a phone call with a foreign leader or how the president conducted himself; no, it was not even about the Russia investigation that had fizzled just months before these proceedings. What happened in the halls of Congress during this time was merely a date with a destiny that was dreamed of by Democrats still feeling the sting of bitter tears in Brooklyn on the night that Donald Trump derailed the coronation of Hillary Clinton. It was on that night that the mainstream media was stunned and brought to tears, and the Washington establishment shook to their very core, that the seed was planted. We may not have won tonight, they said, but we will never let this stand. Instead of looking to win again in four years, the movement began to look for another solution.
