Introduction

This term

with two
pieces of
American
immigrant
literature of
different
culture,

novel "Pocho"
by Jose

published in
1959 was the
first Chicano
novel. It was

primarily for

Villareal

there also are

what life and

concerns. I
will
furthermore
try to present
in detail that
the familiar

novels is

closely
connected with
the complex
conflict of
generations
within two
cultures, as
well as the

results from

this. In the first part I will analyze Richard's changing relationship towards his parents. In the second part I will show that also Mona despite

problems which

her mother.
Furthermore I

common

I will finally

parallels but
also show
differences

between the
two novels.

II. "Pocho"

2.1 Background to the Novel

The term

"Pocho" is an
expression for
a Mexican who
is born and
raised in the
United States.

It is used
with an
abusive
connotation to
describe
Mexican
Americans in
the USA.
“Pochos” are
often
perceived by
Mexicans to be

badly-educated
and without a
proper sense
of culture.

Jose Antonio
Villarreal's
novel "Pocho"
is set after
the Mexican
Revolution of
1910 when
millions of
