New Directions in
Second Language
Pragmatics brings
together varying
perspectives in second
language (L2) pragmatics

File Type PDF
Journal Speech
Act Analysis

to show both historical developments in the field, while also looking towards the future, including theoretical, empirical, and implementation perspectives. This volume is divided in four sections: teaching and learning speech acts, assessing pragmatic competence, analyzing discourses in digital

File Type PDF Journal Speech Act Analysis

contexts, and current issues in L2 pragmatics. The chapters focus on various aspects related to the learning, teaching, and assessing of L2 pragmatics and cover a range of learning environments. The authors address current topics in L2 pragmatics such as: speech acts from a discursive perspective; pragmatics instruction in

File Type PDF Journal Speech Act Analysis

the foreign language classroom and during study abroad; assessment of pragmatic competence; research methods used to collect pragmatics data; pragmatics in computer-mediated contexts; the role of implicit and explicit knowledge; discourse markers as a resource for interaction; and the framework of

File Type PDF
Journal Speech
Act Analysis

translingual practice.

Taken together, the chapters in this volume foreground innovations and new directions in the field of L2 pragmatics while, at the same time, ground their work in the existing literature.

Consequently, this volume both highlights where the field of L2 pragmatics has been and offers cutting-edge

File Type PDF Journal Speech Act Analysis

insights into where it is going in the future.

This book investigates the notion of Speech Act from a cross-cultural perspective. The starting point for this book is the assumption that speech acts are realized from culture to culture in different ways and that these differences may result in communication difficulties that range

File Type PDF Journal Speech Act Analysis

from the humorous to the serious. Importantly, a recurring theme in this volume has to do with the need to verify the form, the function and the constraining variables of speech acts as a prerequisite for dealing with them in the classroom. The book deals with three major areas of Speech Act research: 1)

File Type PDF Journal Speech Act Analysis

Methodological Issues, 2) Speech Acts in a second language, and 3) Applications. In the first section authors discuss general issues of methodology and present data in an effort to detail the efficacy of different methodologies. Research clearly shows the effect of methodology on the results. This section is followed by a

File Type PDF Journal Speech Act Analysis

discussion of specific speech acts, including speech acts and strategy use that have as their goal the creation and maintenance of solidarity (i.e. greetings, compliments, apologies) and speech acts that involve face-threatening acts (i.e. complaints, favor-asking, suggestions). In the final section, authors consider applications of

Impositive Sentences in
Spanish

"Using a wide range of examples such as research papers, business reports, performance commentaries, professional guidebooks and legal documents, this book examines the discourse of professional writing.

File Type PDF

Journal Speech

Act Analysis

Employing a number of analytic paradigms including systemic functional linguistics, pragmatics, text analysis and sociological and anthropological linguistics, the author explores a wide range of professional genres. He argues that while professions use different sets of

File Type PDF

Journal Speech

Act Analysis

practices, their use of language displays many universals, and demonstrates this through examples and data from a broad cross section of professional settings such as medicine, law, business, mass media, and engineering. This examination of professional discourse, and its important role

File Type PDF

Journal Speech

Act Analysis

in society, will be of interest to researchers in linguistics, applied linguists, and those working on the teaching of English for specific purposes"--
Introducing English Semantics is a comprehensive and accessible introduction to the study of meaning. Charles W. Kreidler presents the

File Type PDF

Journal Speech

Act Analysis

basic principles of this discipline. He explores how languages organize and express meanings through words, parts of words and sentences.

Introducing English

Semantics: * deals with relations of words to other words, and sentences to other sentences * illustrates the importance of 'tone

File Type PDF

Journal Speech

Act Analysis

of voice' and 'body language' in face-to-face exchanges, and the role of context in any communication * makes random comparisons of features in other languages * explores the knowledge speakers of a language must have in common to enable them to communicate *

File Type PDF

Journal Speech

Act Analysis

discusses the nature of language; the structure of discourse; the distinction between lexical and

grammatical meaning

* examines such

relations as synonymy, antonymy, and

hyponymy; ambiguity;

implication; factivity;

aspect; and modality

Written in a clear,

accessible style,

File Type PDF

Journal Speech

Act Analysis

Introducing English Semantics will be an essential text for any student following an introductory course in semantics. Assuming no prior knowledge of linguistics, all technical terms are clearly defined in an accompanying glossary and active participation is encouraged through

English

Linguistics

Are you looking for a genuine introduction to the linguistics of English that provides a broad overview of the subject that sustains students' interest and avoids excessive detail?

Introducing English Linguistics

File Type PDF
Journal Speech
Act Analysis

accomplishes this goal in two ways. First, it takes a top-down approach to language, beginning with the largest unit of linguistic structure, the text, and working its way down through successively smaller structures (sentences, words,

File Type PDF
Journal Speech
Act Analysis

and finally speech sounds). The advantage of presenting language this way is that students are first given the larger picture - they study language in context - and then see how the smaller pieces of language are a consequence of the

File Type PDF
Journal Speech
Act Analysis

larger goals of linguistic communication. Second, the book does not contain invented examples, as is the case with most comparable texts, but instead takes its sample materials from the major computerised databases of spoken

File Type PDF
Journal Speech
Act Analysis

and written English, giving students a more realistic view of language.

Examines and explains discourse, visual examples from a wide range of spoken and written sources. The book also includes a number of exercises and projects to help

File Type PDF
Journal Speech
Act Analysis

the reader study
discourse and
discourse analysis in
relation to their own
teaching.

Speech Act Theory:
A Univen Study was
undertaken to
investigate the
pragmatic value of
the utterances of
selected students at
the University of

File Type PDF

Journal Speech

Act Analysis

Venda, South Africa.

Utterances of second-language users of a language reflect the wealth of their language experiences and hence caution has to be exercised when conducting an investigation into such utterances. It is within this

File Type PDF
Journal Speech
Act Analysis

background that this investigation was conducted into the meaning-creation strategies and abilities of the participants in this study. The very idiosyncratic utterances investigated demonstrated vividly the multi-

File Type PDF

Journal Speech

Act Analysis

dimensional thought process exploited by the creators of these samples. Also demonstrated by the analyses is the nature of communication and the amount of linguistic interaction necessary for interlocutors to create meaning.

File Type PDF
Journal Speech
Act Analysis

Most of the time our utterances are automatically interpreted as speech acts: as assertions, conjectures and testimonies; as orders, requests and pleas; as threats, offers and promises. Surprisingly, the cognitive correlates
