

Journalism Essay

Encyclopedia of the Essay Routledge
In July 1997, twenty-five of America's most influential journalists sat down to try and discover what had happened to their profession in the years between Watergate and Whitewater. What they knew was that the public no longer trusted the press as it once had. They were keenly aware of the pressures that advertisers and new technologies were putting on newsrooms around the country. But, more than anything, they were aware that readers, listeners, and viewers — the people who use the news — were turning away from it in droves. There were many reasons for the public's growing lack of trust. On television, there were the ads that looked like news shows and programs that presented gossip and press releases as if they were news. There were the

"docudramas," television movies that were an uneasy blend of fact and fiction and which purported to show viewers how events had "really" happened. At newspapers and magazines, celebrity was replacing news, newsroom budgets were being slashed, and editors were pushing journalists for more "edge" and "attitude" in place of reporting. And, on the radio, powerful talk personalities led their listeners from sensation to sensation, from fact to fantasy, while deriding traditional journalism. Fact was blending with fiction, news with entertainment, journalism with rumor. Calling themselves the Committee of Concerned Journalists, the twenty-five determined to find how the news had found itself in this state. Drawn from the committee's years of intensive research, dozens of surveys of readers, listeners, viewers, editors, and journalists, and more than one hundred intensive interviews with

journalists and editors, *The Elements of Journalism* is the first book ever to spell out — both for those who create and those who consume the news — the principles and responsibilities of journalism. Written by Bill Kovach and Tom Rosenstiel, two of the nation's preeminent press critics, this is one of the most provocative books about the role of information in society in more than a generation and one of the most important ever written about news. By offering in turn each of the principles that should govern reporting, Kovach and Rosenstiel show how some of the most common conceptions about the press, such as neutrality, fairness, and balance, are actually modern misconceptions. They also spell out how the news should be gathered, written, and reported even as they demonstrate why the First Amendment is on the brink of becoming a commercial right rather than something any American

citizen can enjoy. The Elements of Journalism is already igniting a national dialogue on issues vital to us all. This book will be the starting point for discussions by journalists and members of the public about the nature of journalism and the access that we all enjoy to information for years to come.

"Where God gives the gift, the 'foolishness of preaching' is still mighty. But best of all is a team of two: one to deliver the preliminary intellectual barrage, and the other to follow up with a direct attack on the heart." An inveterate scholar, throughout his lifetime C.S. Lewis wrote on any number of topics. While his most famous essays concern his thoughts on Christianity, he was also interested in literature, masculinity, domestic life, and war. In the nineteen essays collected in *Present Concerns*, he touches on all of these and more. Though wide-ranging,

these essays all share one thing: C.S. Lewis's characteristic pragmatism and persuasiveness. Many of the essays included were written between 1940 and 1945, and so pertinently reflect on the issues raised by World War II: democratic values, the need for a new chivalry, and the cynicism of the modern soldier, all of which remain relevant today. "Lewis gives us permission to admit our own doubts, our own angers and anguishes, and to know that they are part of the soul's growth."--Madeleine L'Engle

First published in 1898, “ Journalism For Women ” is a guide to becoming a good journalist originally designed for women and written by Arnold Bennett. Within it, Bennet outlines various lines of study and training recommended for journalists new and old, offering tips on such subjects as first steps, style, types of newspaper, working with colleagues, and much more. Contents include:

“ Imperfections of the Existing Woman-journalist ” , “ The Road Towards Journalism ” , “ The

Aspirant ” , “ Style ” , “ The Outside Contributor ” , “ The Search for Copy ” , “ The Art of Corresponding with an Editor ” , “ Notes on the Leading Types of Papers ” , etc. Enoch Arnold Bennett (1867–1931) was an English writer. Although he is perhaps best remembered for his popular novels, Bennett also produced work in other areas including the theatre, propaganda, journalism, and film. Other notable works by this author include: “ Helen with a High Hand ” (1910), “ The Card ” (1911), and “ Hilda Lessways ” (1911). Many vintage books such as this are becoming increasingly scarce and expensive. It is with this in mind that we are republishing this volume now in an affordable, modern, high-quality edition complete with an introductory essay by F. J. Harvey Darton.

George Orwell is a major figure in twentieth-century literature. During his lifetime he published ten books and two collections of essays. Orwell seldom "reported" and he never took a line other than the one himself felt at the moment of writing. His essays are certainly some of the greatest in that most difficult genre. His widow and her co-editor have collected everything Orwell would have considered an essay, all the journalism that was not purely ephemeral, and those letters which contribute to our understanding of his life and writing. The material is arranged chronologically, and gives a continuous picture of Orwell's life as well as his work. -- From publisher's description.

perspective, the editors examine why Spanish women have been so drawn to the essay through the decades, from Concepción Arenal's nineteenth-century writings to the modern works of Rosa Montero. Spanish women, historically denied a public voice, have discovered an outlet for their expression via the essay. As essayists, they are granted the authority to address subjects they personally deem important, discuss historical and sociopolitical issues, and denounce female subordination. This genre, which attracts a different audience than does the novel or poem, allows Spanish women writers to engage in a direct dialogue with their readers.

Bookmark File PDF Journalism Essay

Featuring twelve critical investigations of influential female essayists, Spanish Women Writers and the Essay illustrates Spanish women writers' command of the genre, their incorporation of both the ideological and the aesthetic into one concise form, and their skillful use of various strategies for influencing their readers. This fascinating study, which provides English translations for all quotations, will appeal to anyone interested in nineteenth- and twentieth-century Spanish literature, comparative literature, feminist criticism, or women's studies.
